Planned Developments taking specific Floor Area Ratio Bonuses:

Chicago Public Schools Capital Improvement Fund

Pursuant to the Chicago Public Schools Capital Improvement Program provision of the Zoning Ordinance, the Applicant has asked for an increase in the Floor Area Ratio of the property. The Applicant hereby acknowledges that according to Section 17-4-1023B of the Zoning Ordinance, that eligibility to receive a floor area bonus and contribute to the Chicago Public Schools Capital Improvement Program is contingent upon the Applicant first selecting, qualifying and obtaining the affordable housing bonus. To contribute to the Chicago Public Schools Capital Improvement Program, a cash payment must be made to the Board of Education based on the increase in allowable floor area multiplied by 80% of the median cost of land per buildable square foot. Pursuant to Section 17-4-1023D of the Zoning Ordinance, the Applicant has agreed to provide a cash payment to the Board of Education in the amount of \$____. Prior to the issuance of permits, the Applicant shall enter into an agreement with the City of Chicago and the Chicago Board of Education regarding the manner in which the payment will be made, pursuant to Section 17-17-0101C of the Zoning Ordinance.

Affordable Housing Bonus

Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for [the Property] [Sub-Area ____ of the Property], as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit [____] (“Bonus Worksheet”). Any developer of a building receiving an affordable housing floor area bonus (“Eligible Building”) must either provide on-site affordable housing units or make a cash payment to the City’s Affordable Housing Opportunity Fund in accordance with

formulas set forth in Section 17-4-1004-C. In accordance with these formulas and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide either a minimum of [] affordable units in the Eligible Building consisting of at least [] square feet of floor area (the "Affordable Units"), or make a cash payment in lieu of providing affordable housing in the amount of \$[] ("Cash Payment"), or [\$] per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Housing and Economic Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Affordable Housing Bonus (short form for "in-lieu" payments)

Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for [the Property] [Sub-Area ___ of the Property], as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit [] ("Bonus Worksheet"). Any developer of a building receiving an affordable housing floor area bonus ("Eligible Building") must either provide on-site affordable housing units or make a cash payment to the City's Affordable Housing Opportunity Fund. The Applicant has elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must make a cash payment in the amount of [\$] ("Cash Payment"). The Applicant must make the required Cash Payment before the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, and must comply with all applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference.

Planned Developments containing Sub-Areas:

In each of the following Sub Areas, the following uses shall be permitted in this Planned Development (describe in detail which uses are permitted and which are excluded for each Sub-Area):

Sub-Area A: (list uses as they are defined in the Zoning Ordinance)

Sub-Area B: (list uses as they are defined in the Zoning Ordinance)

Planned Developments requiring Site Plan Approval:

Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance) in Sub-Area(s) TBD, the Applicant shall submit a site plan, landscape plan and building elevations for the specific Sub-Area(s) for review and approval by the Department of Housing and Economic Development. Review and approval by the Department of Housing and Economic Development is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Sub-Area Site Plan Approval Submittals (per Section 17-13-0800) need only include that portion of the Property for which approval is being sought by the Applicant. If the Applicant is seeking approval for a portion of the Property that represents less than an entire Sub-Area, the Applicant shall also include a site plan for that area of the Property which is bounded on all sides by either public Rights-of-Way or the boundary of the nearest Sub-Area. The site plan provided shall include all dimensioned and planned street Rights-of-Way.

No Part II Approval for any portion of the Property shall be granted until Site Plan approval has been granted. Following approval by the Department of Housing and Economic Development, the approved Sub-Area Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the Planned Development.

After approval of the Sub-Area Site Plan, changes or modifications may be made pursuant to the provisions of Statement TBD. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern. Any Sub Area Site Plan Approval Submittals shall, at a minimum, provide the following information:

- fully-dimensioned site plan (including a footprint of the proposed improvements);
- fully-dimensioned building elevations;
- fully-dimensioned landscape plan(s); and,
- statistical information applicable to the subject Sub-Area, including floor area, the applicable FAR, uses to be established, building heights and setbacks.

Sub Area Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the Planned Development.

Planned Developments that trigger the Affordable Requirement Ordinance:

The Applicant acknowledges and agrees that the rezoning of the Property from [] to [] for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the “Affordable Housing Ordinance”). Any developer of a “residential housing project” within the meaning of the Affordable Housing Ordinance (“Residential Project”) must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit [], the Applicant has agreed to provide [] affordable housing units [for owner-occupied units, 10% of total if sold at prices affordable at 100% AMI; less than 10% if sold at prices affordable at 80% AMI] [for rental units, 10% of total if leased at prices affordable at 60% AMI] in the Residential Project for households earning up to [100%] [80%] [60%] of the Chicago Primary Metropolitan Statistical Area median income (the “Affordable Units”), [and] [or] make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000 per unit (“Cash Payment”). At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Housing and Economic Development (“HED”) for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, HED may adjust the requirements of this Statement [] (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of HED may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Alternative Compliance with ARO

Sections 2-45-110(b)(1) and (b)(4)(ii) of the Affordable Housing Ordinance provide that PDs subject to the requirements of both the Affordable Housing Ordinance and Section 17-4-1004-D of the Zoning Code may satisfy the Affordable Housing Ordinance requirements by complying with the density bonus requirements in Section 17-4-1004. Section 17-4-1004-D also provides this option:

17-4-1004-D Rezoning to Higher (FAR) District. Property in a DC, DX or DR district that is rezoned to a zoning classification that allows a higher *base floor area ratio* and is

subsequently developed with additional residential *dwelling units* must provide on-site affordable housing units or make cash contributions to the city's Affordable Housing Opportunity Fund in accordance with the standards of this subsection; provided that the developer of every residential housing project, as that term is defined in section 2-45-110, and every Planned Development subject to the provisions of this subsection and section 2-45-110 may elect to comply with the affordable housing requirement provisions of section 2-45-110 instead.

If the developer of a PD subject to the ARO and 17-4-1004-D elects to comply with the zoning code's affordability requirements, the following statement should be used. It's a hybrid of the density bonus statement and the ARO statement.

The Applicant acknowledges and agrees that the rezoning of the Property from [____] to [____] for this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The Applicant further acknowledges and agrees that this Planned Development is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and 17-4-1004-D), the developer may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for [the Property] [Sub-Area ____ of the Property], as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit [____] ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide either a minimum of [____] affordable units in the building receiving the affordable housing floor area bonus ("Eligible Building") consisting of at least [____] square feet of floor area (the "Affordable Units"), or make a cash payment in lieu of providing affordable housing in the amount of \$[_____] ("Cash Payment"), or [\$_____] per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien

against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Housing and Economic Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Planned Developments along the Chicago River:

The Applicant acknowledges the importance of the Chicago River as a resource for both commerce and recreation and also acknowledges the City's goals of improving the appearance, quality and accessibility of the river, as contained in the waterway planned development guidelines contain in the Zoning Ordinance (Section 17-8-0912) and the Chicago River Corridor Design Guidelines and Standards. To further these goals, the Applicant agrees to: (a) provide a landscaped 30-foot-wide river setback and continuous riverside trail as indicated on the Site Plan, Public and Common Open Space Plan and Landscape Plan; and (b) permit connection of such setback and trail to the setback and trails of adjacent properties when the river edges of the adjacent properties are similarly improved. The Applicant shall permit un-gated public access to the river setback and provide signage on the riverwalk that the riverwalk is open to the public during typical Chicago Park District hours. All improvements within the river setback must be substantially completed prior to receipt of Certificate of Occupancy for the principal building, provided that planting may be delayed, if consistent with good landscape practice, but not longer than one year following receipt of the occupancy certificate.

Planned Developments involving Open Space:

The Applicant acknowledges that it is in the public interest to ensure that adequate open space and recreational facilities are provided to serve new residential developments. As stated in the Open Space Impact Fee Ordinance Section 16-18-080 of the Municipal Code of Chicago, in the case of larger developments which are processed as Planned Developments, developers are encouraged to provide open space and recreational facilities on-site to serve new residents instead of paying open space impact fees.

All open spaces developed for use by the public must be in compliance with the Open Space Impact Fee Administrative Regulations and Procedures promulgated by the Commissioner of the Department of Housing and Economic Development, pursuant to Section 16-18-110.

Any open space to be dedicated to the Chicago Park District must meet Chicago Park District standards and, where applicable, the park must be designed and constructed to Chicago Park District standards. Any conveyance of open space to the Chicago Park District, measuring two or more acres, shall be approved by the Chicago Park District. A Board issued resolution must be provided to the Department of Housing and Economic Development prior to the issuance of any Part II approval. Any conveyance of open space to the Chicago Park District, measuring less than two acres, shall be formalized in a contract that shall be provided to the Department of Housing and Economic Development prior to the issuance of any Part II approval.

Planned Developments Involving Historic Preservation:

Chicago Landmark/Chicago Landmark District:

Pursuant to the Chicago Zoning Ordinance (Sec. 17-8-0911), Planned Developments are to give priority to the preservation and adaptive reuse of Chicago Landmark buildings. The Planned Development includes TBD, which is designated as a Chicago Landmark or within a district designated as a Chicago Landmark. Work to designated Chicago Landmarks is subject to the review and approval of the Commission on Chicago Landmarks pursuant to the Chicago Landmarks Ordinance, Section 2-120-740.

Excavation, foundation work or new construction adjacent to a designated landmark, either individually or as part of a landmark district, or other historic building identified in the Chicago Historic Resources Survey:

The Applicant acknowledges that the Planned Development project includes excavation, new foundations or other work adjacent to a Chicago Landmark building TBD, a contributing building TBD in a Chicago Landmark District TBD or a building identified in the Chicago Historic Resources Survey TBD. Pursuant to the Zoning Ordinance, Section 17-8-0911, the Applicant acknowledges that it is in the public interest to promote the preservation of historic resources. The applicant shall submit a report, stamped by an engineer, identifying any protective measures that may be required for the historic building and those measures that will be incorporated during construction as part of the project. The report shall be submitted as part of the Part II Review application to the Historic Preservation Division and be subject to the review and acceptance of the Department of Housing and Economic Development.

Chicago Historic Resources Survey (Red/Orange):

The Applicant acknowledges that the Planned Development includes a building commonly known as TBD and identified as potentially significant in the Chicago Historic Resources Survey. Pursuant to the Zoning Ordinance, Section 17-8-0911 and Section 13-32-230 of the Municipal Code, the Applicant acknowledges that planned developments should give priority to the adaptive reuse of historic buildings which have been designated as a "Chicago Landmark" or color-coded red or orange in the Chicago Historic Resources Survey. Therefore, the applicant agrees to retain and preserve the character-defining features of the building. The character-defining features are identified as TBD. In general, original features and materials of the character-defining features should be retained and preserved as much as reasonably possible, while any changes should be compatible with the building's historic character. Such work to the character-defining features shall be subject to the review and

approval of the Department of Housing and Economic Development as a part of the Part II Review.

Historic Water Tank:

Pursuant to the Section 13-32-231 of the Municipal Code, the Applicant acknowledges the City's goals of encouraging the preservation of Historic Chicago Water Tanks and agrees to retain and preserve the TBD water tank on the TBD as part of the Planned Development. Any work to the water tank shall be subject to the review and approval of the Department of Housing and Economic Development as part of Part II Review.

1515-1517 W Haddon Narrative

The proposed redevelopment 1515-1517 W Haddon would be done by Mark Sutherland of Wicker Park Apartments. Sutherland has completed over \$300 million in developments including apartments, condos, townhomes and single family homes in Chicago and currently owns and operates 21 apartment buildings he has renovated in the Wicker Park, noble Square and Ukrainian Village Neighborhoods. The proposed project will revitalize a not so attractive little pocket of the neighborhood and make the neighborhood more safe, secure and beautiful.

The Architect on the proposed redevelopment is David Brininstool of Brininstool and Lynch who is known for his modern yet sensible designs and has designed numerous multifamily buildings in Chicago including one for Sutherland in Streeterville at 550 N St. Clair.

The development team proposed a 45 unit luxury soft loft rental apartment building in a six story structure that takes advantage of the property's unique shape. Studios, one and two bedroom units will feature top-of-the-line finishes and the fourth, fifth and six floors will have beautiful city views. The property is only 560' from the blueline stop at Ashland and Division, multiple bus lines including the proposed Ashland BRT, and the Milwaukee Avenue bike lanes. This is a transit-oriented development that rewards building 50% of the required parking and other sustainable design elements with additional density. With alternative forms of transit nearby, additional car traffic will be minimized. Reduced parking is provided along with a large bike room, a package delivery room, and a recycling room on the first floor along with a loading dock for move-ins, and a small office space for Wicker Park Apartments.

Upon completion, the project will generate in excess of \$100,000 in real estate taxes annually, is not seeking public subsidies, or TIF support and will create numerous temporary construction jobs. The building will be designed with green building standards and will seek LEED certification. Sustainable elements include a green roof, energy efficient lighting and mechanical systems, the use of recycled building materials and possible the use of solar panels on the roof to generate power.
