15. The Applicant acknowledges and agrees that the rezoning of the Property from B2-2 Neighborhood Mixed-Use District and RS-2 Residential Single-Unit (Detached House) District to B2-2 Neighborhood Mixed-Use District, and then to this Residential-Business Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a “residential housing project” within the meaning of the ARO must: (i) set aside 20% of the housing units in the residential housing project (Required Units) as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least ___% of the Required Units on-site. The Property is located in a low-moderate income area, within the meaning of the ARO, and the project has a total of 81 units. As a result, the Applicant’s affordable housing obligation is 16 affordable units, ___ of which are Required Units. Applicant has agreed to satisfy its affordable housing obligation by providing all affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit ___. The Applicant agrees that the affordable rental units must be affordable to households earning no more than TBD of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; the Department may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development property, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of the Department may enforce remedies for any breach of this Statement ___, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
16. The Applicant acknowledges that it is in the public interest to ensure that adequate open space and recreational facilities are provided to serve new residential developments. As stated in the Open Space Impact Fee Ordinance Section 16-18-080 of the Municipal Code of Chicago, in the case of larger developments which are processed as Planned Developments, developers are encouraged to provide open space and recreational facilities on-site to serve new residents instead of paying open space impact fees.

All open spaces developed for use by the public must be in compliance with the Open Space Impact Fee Administrative Regulations and Procedures promulgated by the Commissioner of the Department, pursuant to Section 16-18-110.

Any open space to be dedicated to the Chicago Park District must meet Chicago Park District standards and, where applicable, the park must be designed and constructed to Chicago Park District standards. Any conveyance of open space to the Chicago Park District, measuring two or more acres, shall be approved by the Chicago Park District. A Board issued resolution must be provided to the Department prior to the issuance of any Part II approval. Any conveyance of open space to the Chicago Park District, measuring less than two acres, shall be formalized in a contract that shall be provided to the Department prior to the issuance of any Part II approval.

17. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the Applicant must submit to Department of Planning and Development, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of City residents in the construction work. The City encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to Department of Planning and Development (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide Department of Planning and Development with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, Department of Planning and Development may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. Department of Planning and Development will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
