definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 332,432 square feet and a base FAR of 3.0.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's

Applicant: Delta Real Estate Holdings, LLC
Address: 2501 North Elston Avenue
Introduced: June 22, 2022
Plan Commission: TBD

proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the C3-3 Commercial, Manufacturing, and Employment District.

2501-2555 North Elston Avenue**

Dear Chairman Tunney and Chairwoman Flores:

The undersigned, Mariah F. DiGrino, an attorney with the law firm of DLA Piper LLP (US), which firm represents Delta Real Estate Holdings, LLC, the applicant for a proposal to rezone the subject property from Waterway-Business Planned Development No. 1222, C3-3 Commercial, Manufacturing and Employment District, and M2-3 Light Industry District to the C3-3 Commercial, Manufacturing and Employment District and then to Waterway-Business Planned Development No. 1222, as amended, and C3-3 Commercial, Manufacturing and Employment District, certifies that they intend to comply with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice will be sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contains the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately June 22, 2022; and a source for additional information on the application.

The undersigned certifies that they have made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

FIRST CLASS MAIL

Dear Sir or Madam:

In accordance with the requirements of Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about June 22, 2022, the undersigned, on behalf of Delta Real Estate Holdings, LLC (the "Applicant"), intends to file an application for a change of zoning for the property located at 2501-2555 North Elston Avenue in Chicago, Illinois (the "Property"). A map of the Property is printed on the reverse side of this letter.

The Applicant seeks an amendment to the Chicago Zoning Ordinance to rezone the Property from Waterway-Business Planned Development No. 1222, C3-3 Commercial, Manufacturing and Employment District, and M2-3 Light Industry District to, first, the C3-3 Commercial, Manufacturing and Employment District and then, to Waterway-Business Planned Development No. 1222, as amended. A portion of the Property, currently designated as Subarea B in Waterway-Business Planned Development No. 1222, would remain in the C3-3 Commercial, Manufacturing and Employment District and is intended to be rezoned to become part of Business Planned Development No. 1238, pursuant to a separate but concurrent application submitted by the owner of Subarea B. The purpose of the Applicant's application is to allow the development of a portion of the Property with a new auto dealership and service center.

Please note that the Applicant is not seeking to rezone or purchase your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the Property.

I am an authorized representative of the Applicant and my address is 444 W. Lake Street, Suite 900, Chicago, IL 60606. The Applicant's offices are located at 200 Ottawa Avenue NW, Suite 800, Grand Rapids, Michigan, 49503. The Property consists of multiple parcels, the owners of which are the Applicant, Columbia Equities Limited Partnership, 2525 Holding, LLC, and CC Elston LLC. Columbia Equities Limited Partnership is located at 3611 N. Kedzie Avenue, Chicago, IL 60618. 2525 Holding, LLC, is located at 2525 N. Elston Avenue, Chicago, IL 60647. CC Elston LLC is located at 2555 N. Elston Avenue, Chicago, IL 60647.

Please contact me at 312-368-7261 with questions or to obtain additional information.

Very truly yours,

DLA Piper LLP (US)
