Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 31,205 square feet and a base FAR of 7.00 and a Neighborhoods Opportunity Fund FAR bonus of 4.5.

The Applicant acknowledges that the project has received a bonus FAR of 4.5, pursuant to Sec. 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 11.5. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B & C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3

The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from DS-3, Downtown Service District, to the DX-7, Downtown Mixed Use District, and then to this Residential Planned Development (“PD”) No. ____ is an “entitlement” that triggers the requirements of Section 2-44-085 of the Municipal Code of Chicago (the “ARO”). The PD is

located in a downtown district within the meaning of the ARO and permits the construction of 262 dwelling units. The Applicant intends to construct a 362-unit rental building/development.

Developers of rental projects in downtown districts must provide 20% of the units in the project as affordable housing at a weighted average of 60% of the AMI, as described in subsection (F)(2) of the ARO. Regardless of the applicable percentage of affordable units in the rental project, developers must construct at least 25% of the affordable units on-site and another 25% on-site or off-site (collectively, the "Required Units"), and may satisfy the balance of their affordable housing obligation through: (a) the establishment of additional on-site or off-site affordable units; (b) payment of a fee in lieu of the establishment of on-site or off-site affordable units; or (c) any combination thereof. All on-site affordable units must be accessible dwelling units, as required under subsection (W)(10) of the ARO, and developers must give preference in leasing accessible units to people with disabilities, as specified in the ARO rules. All off-site affordable units must have at least two bedrooms and must be located in a downtown district, inclusionary housing area, or community preservation area. Whether on-site or off-site, developers must give preference in leasing affordable units of two bedrooms or more to multi-person households, as specified in the ARO rules. If a residential project is located in a transit-served location, off-site units must be located in a substantially comparable transit-served location.

The Applicant has elected the 20% option as set forth in the chart in subsection (F)(2) of the ARO. As a result, the Applicant's affordable housing obligation is 72.4 affordable units (20% of 362) and half of those affordable units are Required Units. Pursuant to subsection (T) of the ARO, the Applicant must either pay a fractional in lieu fee or provide an additional unit to satisfy the fractional obligation. The Applicant has agreed to satisfy its affordable housing obligation by providing all TBD affordable units in the rental building in the PD, as set forth in the Affordable Housing Profile (AHP) attached hereto. The Applicant agrees that the affordable rental units must be affordable to households with a range of incomes averaging 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually, provided that (x) the maximum income level for any affordable unit may not exceed 80% of the AMI, (y) at least one-third (or 12 units) must be affordable to households at or below 50% of the AMI, of which one-sixth (or 2 of the 12 units) must be affordable to households at or below 40% of the AMI, and (z) all *income levels* must be multiples of 10% of the *AMI*.

If the Applicant requests any material change to its method of compliance with the ARO, such as locating affordable units off-site instead of on-site or changing the target affordability level after the passage of this PD, DOH may adjust the AHP as requested, in accordance with the ARO, without amending the PD, provided however, the Applicant must update and resubmit the revised AHP to DOH for review and approval and, at DOH's request, provide an informational presentation to Plan Commission on such change. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must execute and record an Inclusionary Housing Agreement ("IHA") in accordance with subsection (N) of the ARO. The terms of the IHA and any amendments thereto are incorporated herein by this reference. The

Applicant acknowledges and agrees that the IHA will be recorded against the PD, and will constitute a lien against such property. The Commissioner of DOH may enforce remedies for any breach of this Statement 16, including any breach of any IHA, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

This statement does not include all ARO requirements and options. It is intended to provide an overview of the application of the ARO to this PD. In the event of any conflict between this statement and the terms and conditions of the ARO, the ARO shall govern.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to the DX-7, Downtown Service District.
