THE BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT PROVISION.

Section 2.09 Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Issuance Agreement unless and until a certificate of authentication on such Bond, substantially in the form herein set forth, shall have been duly executed by the Fiscal Agent, and such executed certificate of the Fiscal Agent upon a Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Issuance Agreement. The Fiscal Agent's certificate of authentication on a Bond shall be deemed to have been executed by it if manually signed by an authorized signatory of the Fiscal Agent.

Section 2.10 Form of the Bonds and Temporary Bonds. (a) The Bonds, and the Fiscal Agent's certificates of authentication to be endorsed thereon, shall be in substantially the form

herein set forth, with such variations, omissions and insertions as are permitted or required by this Bond Issuance Agreement. The Bonds shall provide that the principal thereof and interest thereon shall be payable only out of Revenues.

(b) A Bond may be initially issued in temporary form exchangeable for a definitive Bond when ready for delivery. Each temporary Bond shall be in the same denomination as the Bond it is issued in lieu of, and such temporary Bond may contain such reference to any of the provisions of this Bond Issuance Agreement as the Issuer may deem appropriate. Every temporary Bond shall be executed by the Issuer and shall be authenticated by the Fiscal Agent upon the same conditions, and in substantially the same manner, as the definitive Bond it is issued in lieu of. If the Issuer issues a temporary Bond in lieu of a definitive Bond, the Issuer shall execute and furnish the definitive Bond without delay, and thereupon the temporary Bond shall be surrendered for cancellation in exchange therefor at the Designated Office of the Fiscal Agent, and the Fiscal Agent shall authenticate and deliver in exchange for such temporary Bond a definitive registered Bond of the same series and maturity, and in the same denomination bearing the same interest rate. Until so exchanged, the temporary Bond shall be entitled to the same benefits under this Bond Issuance Agreement as the definitive Bond it is issued in lieu of, but only to the extent that such temporary Bond is authenticated and delivered hereunder.

Section 2.11 Delivery of the Bonds. (a) Upon (i) receipt by the Issuer of a duly executed Initial Investor Letter from the Bondholder, (ii) the execution and delivery of this Bond Issuance Agreement, the Bond Loan Agreement, the Bonds, the Borrower Notes, the Borrower Collateral Documents and the Tax Certificate and the delivery of the Security for the Bonds, (iii) the execution, delivery and recording of the Land Use Restriction Agreement, and the receipt by the Issuer of evidence of the priority of the Land Use Restriction Agreement over the Borrower Collateral Documents, (iv) delivery by the Issuer to the Fiscal Agent of a copy of the Ordinance, certified by the Issuer to be in full force and effect, and (v) receipt by the Issuer of an opinion of Bond Counsel to the effect that the Bonds have been duly authorized and issued, and that interest thereon is excluded from gross income of the owners thereof for federal income tax purposes, the Issuer shall execute and deliver to the Fiscal Agent and the Fiscal Agent shall authenticate the Bonds and deliver the Bonds to the Bondholder as directed by the Issuer.

(b) Advances of proceeds under the Bonds shall be paid by the Bondholder over to the Fiscal Agent as received from time to time and deposited in the Construction Escrow pursuant to Article IV hereof and the [Continuing Covenants Agreement]. Promptly following the approval by the Bondholder of each written request for a disbursement of Bond proceeds in accordance with the provisions of the Bond Loan Agreement, the Bondholder shall advance to the Fiscal Agent sufficient moneys to permit the Fiscal Agent to make the approved disbursement in question (taking into account for such purpose any available moneys in the Construction Escrow that were previously advanced under this Section 2.11 and not yet disbursed).

Section 2.12 Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like date, maturity, series, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed. In each such case, the applicant for a substitute Bond shall furnish to the Issuer and the Fiscal Agent such security or indemnity as may be required by them to save each of them harmless. In each case of loss, theft or destruction, the applicant shall furnish

to the Issuer and the Fiscal Agent evidence to their satisfaction of the loss, theft or destruction of such Bond and of the ownership thereof, and in each case of the mutilation of any Bond, the applicant shall surrender the mutilated Bond to the Fiscal Agent. Upon the issuance of a substitute Bond, the Issuer and the Fiscal Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses and fees connected therewith. In the event any Bond has matured or is about to mature and is mutilated, lost, stolen, or destroyed, the Issuer may, instead of the issuing a substitute Bond as permitted by this Section, pay or authorize the payment of the same upon satisfaction of the conditions set forth above.

Section 2.13 Bond Registrar; Registration Books; Persons Treated as Bondholder; Restrictions on Transfer. (a) The Fiscal Agent, which is hereby constituted and appointed the Bond Registrar of the Issuer, shall keep books for the registration and transfer of the Bonds, as provided in this Bond Issuance Agreement. Upon surrender for transfer of the Bonds at the Designated Office of the Fiscal Agent, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Fiscal Agent and duly executed by the registered owner or his attorney duly authorized in writing, and accompanied by a Qualified Transferee Letter executed by the party to whom the Bonds are to be transferred, the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver in the name of the transferee, new Bonds of the same series, interest rates and maturities for like principal amounts. No Bond may be transferred in part, and all Bonds shall be transferred as a whole, so at all times there is but one registered owner of all of the Bonds issued and outstanding hereunder; provided that the Bondholder may, subject to applicable law, transfer participations in the Bonds. Upon the making of any such transfer, the transferor may assign to the transferee its interests in, to and under the Borrower Notes and the Borrower Collateral Documents, and in the event of any such assignment, the transferor shall notify the Issuer and the Borrower of such assignment.

(b) Any exchange of a temporary Bond for a definitive Bond shall be without charge, except for the payment of any tax, fee or other governmental charge. With respect to any other exchange or transfer, the Fiscal Agent may charge a sum not exceeding the actual cost (if any) of printing new Bonds to be issued upon such exchange or transfer, together with reasonable expenses of the Fiscal Agent in connection therewith. In each case the Fiscal Agent shall require the payment by the registered owner of the Bond requesting exchange, registration or transfer, of any tax, fee or other governmental charge required to be paid with respect to such exchange, registration or transfer. All Bonds surrendered upon exchange or transfer provided for in this Bond Issuance Agreement shall be promptly cancelled by the Fiscal Agent and thereafter disposed of in accordance with Section 2.14 hereof.

(c) The Person in whose name the Bonds shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal thereof or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds to the extent of the sum or sums so paid.

Section 2.14 Cancellation of Bonds. Whenever any Bond shall be delivered to the Fiscal Agent for cancellation pursuant to this Bond Issuance Agreement, upon payment of the principal

and interest represented thereby, or for replacement, transfer or exchange pursuant to Section 2.13 hereof, such Bond shall be promptly cancelled and destroyed by the Fiscal Agent, and a certificate as to such cancellation and destruction shall be furnished by the Fiscal Agent to the Issuer and the Borrower.

Section 2.15 Conditions to Bondholder's Purchase of Bonds. The Bondholder's obligation to purchase and accept the delivery of the Bonds is expressly conditioned upon the following:

- (a) No Event of Default or Default shall exist hereunder;
- (b) The representations and warranties of the Issuer contained herein and in the Bond Loan Agreement shall not prove to be incorrect or misleading in any material respect;
- (c) The Bondholder shall have received an opinion of Bond Counsel in form acceptable to Bondholder to the effect that the interest payable on the Bonds is excludable from the federal gross income of the Bondholder;
- (d) the Bondholder shall have received all of the Borrower Collateral Documents, the Continuing Covenants Agreement in form acceptable to Bondholder;
- (e) the conditions precedent to the first disbursement of the proceeds of the Loan set forth in Articles X and XI of the Bond Loan Agreement and the Continuing Covenants Agreement have been satisfied;
- (f) the Bondholder shall have received payment of its transaction fees relating to the purchase of the Bonds equal to [one percent (1.00%)] of the authorized principal amount of the Bonds payable on the Closing Date for Series 2022A Bonds and payable on Conversion Date for Series 2022B Bonds; and
- (g) Bondholder's credit committee shall have issued formal credit approval of Bondholder's purchase of the Bonds and the conditions precedent to the Bondholder's purchase of the Bonds set forth in said credit approval and the Summary of Terms and Conditions dated _____, 202_ and accepted by Borrower on _____, 202_ between the Bondholder and the Borrower, as amended, shall have been met to the satisfaction of the Bondholder (or been waived by the Bondholder). The Bondholder's purchase of the Bonds shall establish conclusively that these conditions have been met.

[A Pre-Payment Fee equal to 1%

of the prepaid amount will be assessed if the Series 2022B Borrower Note is paid off within 24 months following the Conversion Date. There will be no Pre-Payment Fee assessed if the Series 2022B Borrower Note is pre-paid through a refinance with M&T Realty Capital Corporation. To effect such redemption, the Borrower shall give written notice to the Bondholder and the Issuer not less than two (2) Business Days prior to the applicable redemption date. The Borrower may withdraw any such notice, and revoke the election made therein, by giving written notice of such withdrawal and revocation to the Bondholder and the Issuer on or before the date fixed for redemption. Any partial redemption of the Bonds shall be applied pro rata amongst all principal amortization payments, except as otherwise agreed by the Borrower and the Bondholder.

ARTICLE IV REVENUES AND FUNDS

Section 4.01. Revenues; Payment Notations. (a) The Fiscal Agent is authorized and directed, subject to Section 7.06 of this Bond Issuance Agreement, to apply all available Revenues to the payment of the principal of and interest on the Bonds as and when received, including, without limitation, (i) any amount in the Construction Fund, the Construction Escrow or the escrow account referred to in Section 9.4 of the Bond Loan Agreement, in either case to the extent provided in such Section; (ii) all payments specified in Section 2.2(a) of the Bond Loan Agreement, including, without limitation, payments on the Borrower Notes and amounts applied to payment of the Borrower Notes under the Borrower Collateral Documents; (iii) all prepayments specified in Article III of the Bond Loan Agreement, including, without limitation, prepayments made on the Borrower Notes; and (iv) all other moneys received by the Bondholder under and pursuant to any of the provisions of the Bond Loan Agreement that are required or are accompanied by directions that such moneys are to be applied to the payment of the principal of and interest on the Bonds. Except as otherwise directed in Article III hereof, all Revenues shall be applied (i) first, to the payment of interest on the Bonds, and (ii) second to the payment of principal of the Bonds.

(b) Subject to Section 2.08 hereof, the Issuer hereby covenants and agrees that as long as the Bonds are outstanding it will pay, or cause to be paid, to the Bondholder, sufficient sums from Revenues promptly to meet and pay the principal of and interest on the Bonds as the same

become due and payable. Nothing herein shall be construed as requiring the Issuer to use any funds or revenues from any source other than Revenues.

(c) The Fiscal Agent shall note on the payment record attached as Schedule A to each series of the Bonds, or in the Fiscal Agent's books and records relating to each series of the Bonds, the date and amount of (i) each draw increasing the principal amount of such series of the Bonds, and (ii) each payment of principal (whether at maturity or upon acceleration or prior redemption) and/or interest on such series of the Bonds. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof. The failure to so record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Issuer hereunder or under the Bonds to repay the principal amount thereof together with all interest accruing thereon.

Section 4.02. Creation of Construction Fund; Disbursements. (a) There is hereby created by the Issuer and ordered established with the Fiscal Agent a Fund in the name of the Issuer to be designated "Churchview Homes Construction Fund" (the "**Construction Fund**"). Subject to the Continuing Covenants Agreement, advances of proceeds of the Bonds by the Bondholder shall be deposited in the Construction Fund; provided that advances of Bond proceeds used to pay interest on the Bonds shall be paid or credited directly to the Bondholder as payment of such interest.

(b) The Issuer hereby authorizes and directs the Fiscal Agent to use the moneys in the Construction Fund, pursuant to the Continuing Covenants Agreement and written requests therefor submitted by the Borrower (except as otherwise provided in Section 4.04 hereof), and approved in writing by the Bondholder, for payment of the Costs of the Project, and for payment of principal of and interest on the Bonds in accordance with Sections 3.02 and 4.01 hereof and Articles IX, X and XI of the Bond Loan Agreement. Disbursements may be made monthly on the first day of each month. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall promptly, following a written request therefor, submit to the Issuer, the Borrower or the Bondholder copies of all reports. If so directed, amounts therein shall be applied to redeem Bonds pursuant to Section 3.02(a) of this Bond Issuance Agreement. Disbursements may be made on a monthly basis.

(c) Upon the occurrence of an Event of Default under Section 12.1(f) of the Bond Loan Agreement, or a declaration of acceleration following the occurrence of any Event of Default hereunder, or a redemption in whole of the Bonds, any moneys remaining in the respective accounts of the Construction Fund shall be used to pay the principal of and interest then due and unpaid on the Bonds.

(d) Future advances of Bond proceeds may be made to fund interest on the Bonds on each Interest Payment Date prior to the Completion Date, but only upon receipt by the Issuer and the Fiscal Agent of a certification from the Borrower that the amount so advanced represents interest chargeable to the Borrower's capital account for federal tax law purposes. Any amounts so advanced shall be applied to pay interest on the Bonds as it next comes due. Advances of Bond proceeds to pay interest on the Bonds shall not be subject to any other disbursement requirements or conditions set forth in the Bond Loan Agreement, except for the overall condition on the amount of total disbursements set forth in Section 9.2(b) of the Bond Loan Agreement.

(e) Notwithstanding the foregoing, the Bondholder may elect to deposit advances directly into the Construction Escrow created under the Construction Escrow Agreement (and thereby bypass deposits into the Construction Fund entirely); provided that no such election shall obviate the need for the Borrower to comply with the disbursement conditions hereunder and under the Bond Loan Agreement, including, without limitation, the delivery of a Disbursement Request.

Section 4.03. Fiscal Agent's Fees, Charges and Expenses. The Fiscal Agent agrees that the Issuer shall have no liability for any fees, charges and expenses of the Fiscal Agent, and the Fiscal Agent agrees to look only to the Borrower for the payment of all reasonable fees, charges and expenses of the Fiscal Agent as provided in the Bond Loan Agreement and in this Bond Issuance Agreement.

Section 4.04. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Fiscal Agent for the account of the Construction Fund or the escrow account referred to in Section [9.4] of the Bond Loan Agreement under any provision of this Bond Issuance Agreement or the Bond Loan Agreement shall be held by the Fiscal Agent in trust and applied for the purposes herein or therein specified. No Person not a party hereto shall have any rights to the money in the Construction Fund or the escrow account referred to in Section 9.4 of the Bond Loan Agreement.

Section 4.05. Repayment of Excess Moneys. Any amounts remaining in any fund, or otherwise paid to the Fiscal Agent on behalf of the Issuer under this Bond Issuance Agreement or the Bond Loan Agreement, after payment in full of the principal of and interest on the Bonds, the fees, charges and expenses of the Issuer and the Fiscal Agent, and all other amounts required to be paid under this Bond Issuance Agreement and the Bond Loan Agreement shall be paid (a) first, to the Issuer to the extent of any moneys owed by the Borrower to the Issuer, and (b) second, to the Borrower.

ARTICLE V INVESTMENT OF MONEYS

Section 5.01. Investment of Moneys. Any moneys held as part of any Account of the Construction Escrow, to the extent not disbursed on the date of deposit therein, may be invested or reinvested by the Fiscal Agent in Eligible Investments in accordance with the provisions of Section 9.6 of the Bond Loan Agreement. The direction and written confirmation specified in Section 9.6 of the Bond Loan Agreement shall specify to the extent applicable the issuer or obligor, the principal amount, maturity date and interest rate of each such Eligible Investment. All such Eligible Investments shall be held by or under the control of the Fiscal Agent and shall be deemed at all times a part of such Account, and the interest accruing thereon, if any, and any profit realized from such Eligible Investments shall be credited to such Account. Any loss resulting from such investments shall be charged to such Account. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to Section 9.6 of the Bond Loan Agreement, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in Section 9.6 of the Bond Loan Agreement.

Section 5.02. Investments through Fiscal Agent's Investment Department. The Fiscal Agent may make any and all investments permitted by the provisions of Sections 5.01 through its own investment department or that of an affiliate. Upon the written direction of the Borrower or the Issuer, the Fiscal Agent shall confirm in writing any investment made with the moneys in the Construction Fund. The Fiscal Agent shall answer all reasonable inquiries from the Borrower or the Issuer as to the status of moneys in each of such Fund or account. The Fiscal Agent shall file with the Issuer a copy of its statements that it delivers to the Borrower with respect to the investment of any funds held under this Bond Issuance Agreement.

ARTICLE VI GENERAL COVENANTS OF ISSUER

Until payment in full of the Bonds, the Issuer covenants and agrees that each of the covenants, undertakings and agreements set forth in this Section shall be complied with:

Section 6.01. Payment of Principal and Interest. The Issuer covenants that it will promptly pay the principal of and interest on the Bonds at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning hereof and thereof; provided, however, that the Bonds shall be a special, limited obligation of the Issuer payable as to principal and interest solely from the Revenues as provided in Section 2.08 of this Bond Issuance Agreement.

Section 6.02. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations of and provisions applicable to the Issuer contained in this Bond Issuance Agreement and in the Bonds. The Issuer represents that it is duly authorized pursuant to the Ordinance to issue the Bonds, to execute this Bond Issuance Agreement, to pledge and assign the Bond Loan Agreement, the Borrower Notes and the Security for the Bonds, and the amounts payable under the Bond Loan Agreement, the Borrower Notes and the Security for the Bonds, in the manner and to the extent set forth herein; that all action on its part required for the issuance of the Bonds and the execution and delivery of this Bond Issuance Agreement has been duly and effectively taken; and that each of the Bonds in the hands of the Bondholder is and will be a valid and enforceable obligation of the Issuer according to the terms thereof and hereof. Anything contained in this Bond Issuance Agreement to the contrary notwithstanding, it is hereby understood that none of the covenants of the Issuer contained in this Bond Issuance Agreement are intended to create a pecuniary obligation of the Issuer with respect to payment of principal of and interest on the Bonds.

Section 6.03. Assigned Rights; Instruments of Further Assurance. The Issuer represents that the pledge and assignment of the Security for the Bonds to the Bondholder hereby made is valid and lawful. The Issuer covenants that it will defend its interest in and to the Bond Loan Agreement, the Borrower Notes, the Security for the Bonds and the Revenues, and the pledge and assignment thereof to the Bondholder, against the claims and demands of all Persons whomsoever; provided, however, that all reasonable attorneys' fees and expenses incurred by the Issuer in the performance of its obligations under this covenant shall be paid by the Borrower. The Issuer covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such agreements supplemental hereto and such further acts, instruments and transfers as the Bondholder may reasonably require for the better assuring,

transferring, conveying, pledging, assigning and confirming unto the Bondholder of the Bond Loan Agreement, the Borrower Notes, the Security for the Bonds and the Revenues, the rights pledged and assigned hereby, and the amounts pledged to the payment of the principal of and interest on the Bonds; provided, however, that the Issuer undertakes no responsibility for the preparation or filing of any such instrument or the maintenance of any security interest intended to be perfected thereby, all of which shall be the responsibility of the Bondholder and the Borrower. The Issuer covenants and agrees that, except as herein and in the Bond Loan Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in and to the Bond Loan Agreement, the Borrower Notes, the Security for the Bonds or the Revenues.

Section 6.04. Recordation and Other Instruments. In order to perfect the security interest of the Bondholder in the Security for the Bonds, the Issuer, to the extent permitted by law, will execute such assignments, security agreements or financing statements, naming the Bondholder as assignee and pledgee of the Security for the Bonds assigned and pledged under this Bond Issuance Agreement for the payment of the principal of and interest on the Bonds and as otherwise provided herein, as the Bondholder shall reasonably request in writing, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in Illinois, as from time to time amended. To continue the security interest evidenced by the financing statements, the Bondholder shall file and record, or cause to be filed and recorded, such necessary continuation statements or supplements thereto and other instruments from time to time as may be required pursuant to the provisions of the said Uniform Commercial Code or other similar law to fully preserve and protect the security interest of the Bondholder in the Security for the Bonds and to perfect the lien hereof and the rights of the Bondholder hereunder. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably requested in writing by the Bondholder for such protection and perfection of the interests of the Bondholder, and the Issuer or its agent shall, upon written direction from the Bondholder, file and refile or cause to be filed and refiled such instruments as shall be necessary to preserve and perfect the lien of this Bond Issuance Agreement upon the Security for the Bonds until the principal of and interest on the Bonds issued hereunder shall have been paid or provision for payment shall be made as herein provided.

Section 6.05. Inspection of Books. The Issuer, the Fiscal Agent and the Bondholder covenant and agree that all books and documents in their possession relating to the Project and the Revenues shall at all reasonable times be open to inspection by such accountants or other agencies as the other parties may from time to time designate.

Section 6.06. Rights Under Bond Loan Agreement. The Bond Loan Agreement, a duly executed copy of which has been delivered to the Bondholder, sets forth the covenants and obligations of the Issuer and the Borrower, including provisions to the effect that subsequent to the issuance of the Bonds and prior to its payment in full or provision for payment thereof in accordance with the provisions hereof, the Bond Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Issuer and the Bondholder, and reference is hereby made to the same for a detailed statement of said covenants and obligations of the Issuer and the Borrower thereunder. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Bond Loan Agreement, and the Issuer will not enforce

such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default hereunder; provided, however, that the foregoing shall not apply to Issuer Reserved Rights.

Section 6.07. Prohibited Activities. The Issuer covenants and agrees that it has not engaged, and will not engage, in any activities, and that it has not taken, and will not take, any action, that might result in any interest on the Bonds becoming includible in the gross income of the owner of the Bonds under Federal income tax laws.

Section 6.08. Arbitrage. The Issuer shall not take any action within its power or fail to take any action of which it has knowledge with respect to the investment of the proceeds of the Bonds, including, without limitation, moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, or with respect to the payments derived from the Borrower Notes which may result in constituting the Bonds an “arbitrage bond” within the meaning of such term as used in Section 148 of the Code and the Regulations. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 6.09. Representations of the Issuer Contained in Bond Loan Agreement. Article V of the Bond Loan Agreement is hereby incorporated by reference into this Bond Issuance Agreement for the benefit of the Bondholder.

ARTICLE VII DEFAULT PROVISIONS AND REMEDIES OF BONDHOLDER

Section 7.01. Events of Default. Each of the following is hereby defined and declared to be and shall constitute an “Event of Default” hereunder:

(a) default in the due and punctual payment of any amount required to be paid under the Bonds or this Bond Issuance Agreement, whether by way of principal, interest or otherwise, including, without limitation, any mandatory redemption required by Section 3.02 of this Bond Issuance Agreement; provided that such default shall not constitute an Event of Default hereunder if such default is cured within five days after written notice thereof to the Issuer and the Borrower from the Bondholder; or

(b) default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer in this Bond Issuance Agreement or in the Bonds (and not constituting an Event of Default under any of the other provisions of this Section 7.01); provided that such default shall not constitute an Event of Default hereunder if such default is cured within 90 days after written notice thereof to the Issuer and the Borrower from the Bondholder as long as during such period the Issuer and/or the Borrower is using its best efforts to cure such default and such default can be cured in such period; or

(c) any Event of Default shall occur under the Bond Loan Agreement or any Borrower Collateral Document (following the expiration of applicable notice and cure periods); or

(d) any material representation or warranty made by the Issuer herein is breached or is false or misleading in any material respect, or any schedule, certificate, financial statement, report, notice or other writing furnished by the Issuer to the Bondholder is false or misleading in any material respect on the date as of which the facts therein set forth are stated or certified; or

(e) this Bond Issuance Agreement or the Bonds or any of the Borrower Collateral Documents, or any lien granted by the Borrower or the Issuer to the Bondholder, shall (except in accordance with its terms), in whole or in part, terminate, cease to be effective or cease to be the legally valid, binding and enforceable obligations of the Issuer; or the Issuer shall directly or indirectly, contest in any manner such effectiveness, validity, binding nature or enforceability.

Notwithstanding anything to the contrary contained herein, the Fiscal Agent and the Issuer hereby agree that any cure of any default made or tendered by one or more of the Borrower's partners be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.02. Acceleration. Upon the occurrence of an Event of Default hereunder and as long as such Event of Default is continuing, the Bondholder may, by notice in writing delivered to the Issuer and the Borrower, declare the entire principal amount of the Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, subject, however, to the right of the Bondholder, by written notice to the Issuer and the Borrower, to annul such declaration and rescind its effect as hereinafter provided.

Section 7.03. Other Remedies; Rights of Bondholder. (a) Upon the occurrence of an Event of Default hereunder, the Bondholder may exercise and enforce such rights as exist under the Bond Loan Agreement, the Continuing Covenants Agreement and the Borrower Collateral Documents or pursue any available remedy by suit at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds, or to enforce any obligations of the Issuer hereunder.

(b) No remedy by the terms of this Bond Issuance Agreement conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and in addition to any other remedy given to the Bondholder hereunder or now or hereafter existing at law or in equity or by statute.

(c) No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and such right and power may be exercised from time to time as often as may be deemed expedient. No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(d) All remedies for which provision is made in this Bond Issuance Agreement shall be available only to the extent such remedies are not prohibited by the laws of the State of Illinois, decisions of courts of the State of Illinois or any other applicable law, statute, ordinance, regulation or court decision.

Section 7.04. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholder under this Bond Issuance Agreement, the Bondholder shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Security for the Bonds and of the revenues, earnings and income thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 7.05. Waiver of Rights. Except as specified in Section 7.09 hereof, upon the occurrence of an Event of Default hereunder, to the extent that such rights may then lawfully be waived, neither the Issuer, nor anyone claiming through or under the Issuer, shall set up, claim, or seek to take advantage of any appraisement, valuation, stay, extension, exemption or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Bond Issuance Agreement, and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws.

Section 7.06. Application of Funds. All funds received by the Bondholder pursuant to any right given or action taken under the provisions of this Article, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Bondholder or the Issuer, shall be applied to pay the principal of and interest on the Bonds on the basis set forth in Section 4.01 hereof. Notwithstanding any other provision of this Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred or, if occurred, is not continuing, with respect to payments and other amounts then due under the Borrower Notes, or, if all such payments and other amounts, if any, have been paid, may be applied as directed by the Borrower, and (b) if an Event of Default has occurred and is continuing, to satisfy amounts due the Bondholder as directed and in such order as determined by the Bondholder.

Section 7.07. Termination of Proceedings. In case the Bondholder shall have proceeded to enforce any right under this Bond Issuance Agreement by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Borrower, the Fiscal Agent and the Bondholder shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Bondholder shall continue as if no such proceedings had been taken.

Section 7.08. Termination of Bond Issuance Agreement. This Bond Issuance Agreement shall terminate when the Bonds have been finally, indefeasibly and fully paid, at which time the Bondholder shall, on a timely basis, reassign and redeliver (or cause to be reassigned and redelivered) to the Issuer, or to such Person or Persons as the Issuer shall designate in writing, against receipt, such of the Security for the Bonds (if any) assigned by the Issuer to the Bondholder as shall not have been sold or otherwise applied by the Bondholder pursuant to the terms hereof, and as shall still be held by it hereunder, together with appropriate instruments of reassignment and release, including, without limitation, any Uniform Commercial Code termination statements. Any such reassignment shall be without recourse upon, or representation or warranty by, the Bondholder and shall be at the cost and expense of the Borrower. Should a claim (“**Recovery Claim**”) be made upon the Bondholder at any time for recovery of any amount received by the Bondholder in payment of the Bonds (whether received from the Issuer, the Borrower or

otherwise), and should the Bondholder repay all or part of said amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over the Bondholder or any of its property, or (b) any settlement or compromise of any such Recovery Claim effected by the Bondholder with any such claimant (including, without limitation, the Borrower), this Bond Issuance Agreement and the security interests granted to the Bondholder pursuant hereto shall continue in effect with respect to the amount so repaid to the same extent as if such amount had never originally been received by the Bondholder, notwithstanding any prior termination of this Bond Issuance Agreement, the return of this Bond Issuance Agreement to the Issuer or cancellation of the Bonds.

Section 7.09. Waivers of Events of Default. Except for an Event of Default with respect to any Issuer Reserved Rights, the Bondholder may, in its discretion, waive in writing any Event of Default hereunder or under the Borrower Notes not involving any Issuer Reserved Rights and its consequences and rescind in writing any declaration of acceleration of principal of and interest on the Bonds, and in case of any such waiver or rescission, or in case any proceeding taken by the Bondholder on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Borrower, the Fiscal Agent and the Bondholder shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 7.10. Cooperation of the Issuer. If an Event of Default hereunder shall occur, the Issuer shall cooperate with the Bondholder and protect the interests of the Bondholder with respect to this Bond Issuance Agreement, the Bonds, the Security for the Bonds and the Revenues.

ARTICLE VIII FISCAL AGENT

Section 8.01. Appointment and Removal of Fiscal Agent

(a) Zions Bancorporation, National Association, shall serve as the initial Fiscal Agent hereunder. The Fiscal Agent may resign at any time upon 30 days' prior written notice to the Borrower, the Issuer and the Bondholder.

(b) Upon the resignation of any Fiscal Agent, the Bondholder, with the prior written consent of the Issuer, shall designate a successor Fiscal Agent and shall so notify the Borrower in writing. If a successor Fiscal Agent has not been appointed and has not accepted such appointment by the end of the 30-day period, the Fiscal Agent may apply to a court of competent jurisdiction for the appointment of a successor Fiscal Agent, and the costs, expenses and reasonable attorneys' fees which are incurred in connection with such a proceeding shall be paid by the Borrower. Any successor Fiscal Agent shall be a bank or savings and loan association located in the City of Chicago, and shall at all times be a member of the Federal Deposit Insurance Corporation. No resignation shall become effective until a successor has been designated and accepted such designation in writing.

(c) The Fiscal Agent may be removed at any time, by instrument in writing delivered to the Fiscal Agent, the Issuer and the Borrower and signed by the Bondholder. No removal shall become effective until a successor has been designated and accepted such designation in writing.

Section 8.02. Successor Fiscal Agents. (a) Any corporation or association into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Fiscal Agent hereunder and vested with all of the title to the Security for the Bonds and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that such successor Fiscal Agent shall satisfy the requirements of Section 8.01(b) hereof relating to the qualifications of successor Fiscal Agents.

(b) In case the Fiscal Agent hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Bondholder, by an instrument in writing signed by it, or by its attorneys in fact, duly authorized. In case of any such vacancy, the Issuer, by an instrument executed by its Chief Financial Officer and attested by its Secretary under its seal, may appoint a temporary Fiscal Agent to fill such vacancy until a successor Fiscal Agent shall be appointed by the Bondholder in the manner above provided; and any such temporary Fiscal Agent so appointed by the Issuer shall immediately and without further act be superseded by the Fiscal Agent so appointed by the Bondholder.

Section 8.03. Indemnification and Reimbursement of Fees of Issuer. The Issuer shall be entitled to payment and reimbursement for fees for services rendered under this Bond Issuance Agreement and all advances, reasonable counsel fees and other expenses made or incurred by the Issuer in connection with such services. The Issuer shall look solely to the Borrower for the payment of such amounts as provided herein and in the Bond Loan Agreement, and the Issuer shall not be liable therefor. The Fiscal Agent, the Bondholder and the Issuer are indemnified as provided in the Bond Loan Agreement.

ARTICLE IX MISCELLANEOUS

Section 9.01. Unclaimed Moneys. Any moneys deposited with the Fiscal Agent by the Issuer, in accordance with the terms and covenants of this Bond Issuance Agreement, in order to redeem or pay the Bonds, and remaining unclaimed by the Bondholder at any time after two years after the date fixed for redemption or of maturity, as the case may be, shall be repaid by the Fiscal Agent to the Issuer, or to such party (the “**Designee**”) as is directed by the Issuer, upon its Written Request therefor; and thereafter the registered owner of the Bonds shall be entitled to look only to the Issuer or the Designee for payment thereof; provided, however, that the Fiscal Agent, before being required to make any such repayment, shall, at the expense of the Borrower, effect publication at least once in a newspaper of general circulation in the City of Chicago, Illinois,

printed in the English language and customarily published on each Business Day, of a notice to the effect that said moneys have not been so applied and that after the date named in said notice any unclaimed balance of said moneys then remaining shall be returned to the Issuer or the Designee. If the amount remaining unclaimed has been paid by the Borrower under the Borrower Notes, the unclaimed amount will be paid to the Borrower, and the Borrower shall be the Designee (unless the Issuer has fully released the Borrower under the Borrower Notes).

Section 9.02. Consents of Bondholder. Any consent, request, direction, approval, objection or other instrument required by this Bond Issuance Agreement to be signed and executed by the Bondholder may be executed by the Bondholder in person or by its agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Issuance Agreement, and shall be conclusive in favor of the Fiscal Agent and the Issuer with regard to any action taken by either of them under such request or other instrument, namely:

(a) the fact and date of the execution by any Person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the Person signing such writing acknowledged before him the execution thereof, or by an affidavit of any witness to such execution; and

(b) the ownership of the Bonds shall be proved by the registration books maintained by the Bond Registrar.

Section 9.03. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Bond Issuance Agreement or the Bonds is intended or shall be construed to give to any Person other than the parties hereto and the Borrower any legal or equitable right, remedy or claim under or with respect to this Bond Issuance Agreement or any covenants, conditions and provisions herein contained, this Bond Issuance Agreement and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Borrower.

Section 9.04. Severability. [\$7,000,000]

KNOW ALL MEN BY THESE PRESENTS, that the CITY OF CHICAGO, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "Issuer"), for value received, promises to pay (but only out of the source hereinafter described) to Legacy Bank and Trust Company, or registered assigns (the "Bondholder"), the unrepaid portion of the principal amount specified above that has been advanced by the Bondholder (as described herein, the "Advanced Principal") pursuant to the Bond Issuance Agreement (the "Bond Issuance Agreement"), dated as of _____ 1, 2022, among the Issuer, the Bondholder and Zions Bancorporation, National Association, as fiscal agent (the "Fiscal Agent") on _____, 2022, except to the extent that the provisions hereinafter set forth with respect to redemption prior to maturity or extension of maturity may become applicable

hereto, and to pay (but only out of the sources hereinafter described) interest on the unpaid Advanced Principal balance hereof from the date or dates such principal was advanced as follows. Interest shall be computed on the unpaid Advanced Principal balance of this Bond at the interest rate or rates as provided in the Bond Issuance Agreement payable on the first day of each month, at redemption and on the Maturity Date, commencing on the first day of the month following the date hereof. Principal on this Bond will be paid on the Maturity Date (in an amount equal to the unpaid principal amount outstanding).

This Bond is the “Bond” described in, and is subject to the terms and provisions of, the Bond Issuance Agreement and payment of this Bond is secured as described in the Bond Issuance Agreement. Capitalized terms not defined herein have the same meaning as given in the Bond Issuance Agreement. Reference is hereby made to the Bond Issuance Agreement for a statement of the prepayment rights and obligations of the undersigned, a description of the security therefor, and for a statement of the terms and conditions under which the due date of this Bond may be accelerated. Upon the occurrence of any Event of Default as specified in the Bond Issuance Agreement, the principal balance hereof and the interest accrued hereon may be declared to be forthwith due and payable.

This Bond is secured by the Security for the Bonds as provided in the Bond Issuance Agreement.

Notwithstanding anything herein or in the Bond Issuance Agreement to the contrary, if the Issuer shall fail to make any of the payments required to be made by it under this Bond, such payments shall continue as a limited obligation of the Issuer until the amount in default shall have been fully paid and interest on this Bond shall continue to accrue at the rate specified in the Bond Issuance Agreement from the date such payment was due until the date such payment is made or the date this Bond has been repaid in full, whichever is earlier.

In any case where the date of payment of interest on or principal of this Bond or the date fixed for prepayment of all or a portion of this Bond shall not be a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day and this Bond shall continue to bear interest until such date.

All funds received by the Bondholder pursuant to any right given or action taken under this Bond, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Bondholder, shall be applied first to interest on the unpaid principal balance and the remainder to principal remaining due under this Bond. Notwithstanding any other provision of this Bond or the Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) so long as an Event of Default has not occurred and is not continuing, with respect to the payment then due under this Bond if due, or, if all such payments have been made may be applied as directed by the Borrower (defined herein), and (b) if an Event of Default has occurred and is continuing, as directed and in such order as determined by the Bondholder.

This Bond is issued for the purpose of funding a loan by the Issuer to Churchview Supportive Living Partnership, LP, an Illinois limited partnership (the “Borrower”) pursuant to the Loan Agreement dated as of _____, 2022 (the “Bond Loan Agreement”) between the

Issuer and the Borrower for the purpose of financing a portion of the costs of acquiring, rehabilitating and equipping the Project (as defined in the Bond Issuance Agreement). The terms and conditions of the rehabilitation of the Project, the loan of the proceeds of this Bond to the Borrower for such purpose, the issuance of this Bond, and the terms upon which the Bonds are issued and secured are contained in the Bond Issuance Agreement and the Bond Loan Agreement.

This Bond shall only be transferable in whole to a Qualified Transferee delivering to the Issuer a Qualified Transferee Letter in the form of Exhibit D to the Bond Issuance Agreement.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution, delivery of and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Bond, together with all other obligations of the Issuer, does not exceed or violate any constitutional or statutory limitation.

This Bond is issued pursuant to an Ordinance adopted by the City Council of the Issuer. The Bonds shall not be a debt of any city, village, incorporated town, county, the State of Illinois or any political subdivision thereof and neither the city, village, incorporated town or the county, nor the State of Illinois or any political subdivision thereof shall be liable thereon, nor in any event shall the Bonds be payable out of any funds or properties other than those of the Issuer as provided under the Bond Issuance Agreement. The Bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The Bonds have been issued by the Issuer to aid in financing a housing project to provide dwelling accommodations for persons of low and moderate income.

As provided in the Bond Issuance Agreement, this Bond is subject to redemption, in whole or in part, and with or without premium, as specified and subject to the limitations set forth in the Bond Issuance Agreement.

This Bond and the rights and obligations of the parties hereunder shall be construed in accordance with and be governed by the laws of the State of Illinois, without regard to its conflict of laws principles.

The Bondholder shall note on the payment record attached as Schedule A hereto the date and amount of each payment of principal (whether at maturity or upon acceleration or prior redemption) and of interest paid, and of any principal and interest theretofore paid and not yet noted thereon. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof absent manifest error. The failure to so record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Issuer hereunder to repay the principal amount hereunder together with all interest accruing hereon.

IN WITNESS WHEREOF, the City of Chicago has caused this Bond to be executed in its name by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of its City Clerk, all as of the date of delivery of this Note.

BOND LOAN AGREEMENT

This BOND LOAN AGREEMENT, dated as of _____, 2022 (this “**Loan Agreement**”), among the CITY OF CHICAGO, an Illinois municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the “**Issuer**”), Churchview Supportive Living Preservation, LP, an Illinois limited partnership (the “**Borrower**”), and Legacy Bank & Trust Company, a Missouri chartered bank (the “**Bondholder**”),

WITNESSETH:

WHEREAS, as a home rule unit of local government and pursuant to the Constitution of the State of Illinois, the Issuer is authorized to issue its revenue notes and bonds in order to aid in providing an adequate supply of residential housing for low- and moderate-income persons or families within the City of Chicago, which constitutes a valid public purpose for the issuance of revenue notes and bonds by the Issuer; and

WHEREAS, the Issuer has determined to issue, sell and deliver the [\$11,900,000] Multi-Family Housing Revenue Bonds (Churchview Homes Project), Series 2022, consisting of the [\$7,000,000] Multi-Family Housing Revenue Bonds (Churchview Homes Project), Series 2022A (the “**Series 2022A Bonds**” and the [\$4,900,000] Multi-Family Housing Revenue Bonds (Churchview Homes Project), Series 2022B (the “**Series 2022B Bonds**” and collectively with the Series 2022A Bonds, the “**Bonds**”), as provided herein, and to lend the proceeds thereof to the Borrower for the purpose of financing a portion of the cost of acquisition, rehabilitation and equipping of the Project (as hereinafter defined); and

WHEREAS, the Issuer and the Borrower have entered into this Loan Agreement providing for the loan of the proceeds of the Bonds to the Borrower for the purposes described in the preceding paragraph; and

WHEREAS, this Loan Agreement provides for the issuance by the Borrower of the Borrower Notes (as hereinafter defined); and

WHEREAS, the Issuer will pledge and assign the Borrower Notes and this Loan Agreement to the Bondholder under the Bond Issuance Agreement; and

WHEREAS, additional security for the repayment of the Borrower Notes is provided by the Borrower pursuant to the certain Borrower Collateral Documents (all as defined in the Bond Issuance Agreement);

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements contained herein, and for other good and valuable consideration (the receipt, sufficiency and adequacy of which are hereby acknowledged), the parties hereto agree as follows, provided that in the performance of the agreements of the Issuer herein contained, any obligation it may thereby incur for the payment of money shall not constitute an indebtedness or give rise to a pecuniary liability of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against the Issuer’s general credit or the taxing powers of the State of Illinois or any political

subdivision thereof, but shall be payable solely and only from the Revenues (as defined in the Bond Issuance Agreement):

ARTICLE I DEFINITIONS, INTERPRETATION AND EXHIBITS

Section 1.1. Definitions. Capitalized terms used in this Loan Agreement without definition shall have the respective meanings given to such terms in **Exhibit A** attached to the Bond Issuance Agreement unless the context or use clearly indicates another or different meaning or intent.

Section 1.2. Interpretation. In this Loan Agreement, except as otherwise expressly provided or unless the context clearly otherwise requires:

(a) the words “hereby,” “hereof,” “herein,” “hereunder” and any similar words used in this Loan Agreement refer to this Loan Agreement as a whole and not to any particular Article, Section or other subdivision, and the word “heretofore” shall mean before, and the word “hereafter” shall mean after, the date of this Loan Agreement, and the word “including” shall mean including, without limitation;

(b) all accounting terms not otherwise defined herein shall have the meanings assigned to them in accordance with generally accepted accounting principles (“GAAP”);

(c) any headings preceding the text of the several Articles and Sections of this Loan Agreement, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall neither constitute a part of this Loan Agreement nor affect its meaning, construction or effect; and

(d) any certificates, letters or opinions required to be given pursuant to this Loan Agreement shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Loan Agreement.

ARTICLE II LOAN TO BORROWER; REPAYMENT PROVISIONS

Section 2.1. Loan to Borrower, Purchase of Bond. The Issuer covenants and agrees to finance a portion of the Costs of the Project through the issuance of the Bonds pursuant to the Bond Issuance Agreement and the loan of the proceeds of the Bonds to the Borrower, such Loan to be advanced from time to time by making deposits into the Construction Fund or Construction Escrow and, subject to the Continuing Covenants Agreement and satisfaction of the conditions set forth in Articles X and XI hereof, disbursed and applied as provided in Article IX hereof. The Bondholder agrees to provide proceeds to the Issuer to effect such loan through its purchase of the Bonds in whole pursuant to the Bond Issuance Agreement.

Section 2.2. Repayment of Loan and Payment of Other Amounts

(a) *Borrower Notes.* In order to evidence its obligation to repay the Loan made hereunder by the Issuer, the Borrower shall authorize, execute and deliver the Borrower Notes, which Borrower Notes shall be in substantially the forms attached hereto as **Exhibits A-1 and A-2**. The terms and conditions of the Borrower Notes are hereby incorporated into this Section with the same effect as if fully set forth herein. The Borrower agrees to pay all of its obligations in full under this Loan Agreement and the Borrower Notes, subject to Section 14.1 hereof.

(b) *Mandatory Payments under the Bonds.* It is the intent of the Borrower and the Issuer that, notwithstanding any schedule of payments contained in the Borrower Notes, the payments to be made by the Borrower on the Borrower Notes shall at all times be sufficient to pay when due the principal of and interest on the Bonds; provided, however, that if for any reason the funds paid to or on behalf of the Issuer (to make said payments) are at any time insufficient or unavailable to make any payment of the principal of or interest on the Bonds when due (whether at maturity or upon redemption or acceleration), the Borrower shall forthwith pay directly to the Bondholder, in immediately available funds, the amount required to make up such deficiency, or shall take such other action as may be necessary to make sufficient funds available to make such payment. All such payments made to the Bondholder with respect to the Bonds shall be made by the Borrower on behalf of the Issuer, shall be deemed a credit against the Liabilities, and shall be applied against the Issuer's payment obligations under Bonds.

(c) *Payments to Fiscal Agent.* The Borrower shall pay to the Fiscal Agent until the principal of and interest on the Borrower Notes shall have been fully paid, the reasonable fees, charges and expenses (if any) of the Fiscal Agent, as fiscal agent and Bond registrar, as and when the same become due. The Borrower further agrees to indemnify the Fiscal Agent for, and to defend and hold the Fiscal Agent harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with its powers or duties hereunder and under the Bond Issuance Agreement, including, but not limited to, the reasonable cost and expenses of defending itself against any claim or liability in connection with the exercise of any of such powers or performance of any such duties.

(d) *Payments to Issuer.* The Borrower shall pay to the Issuer (i) an Issuer fee equal to [1.5%] of the authorized stated principal amount of the Bonds plus a fee of [0.0010] of the authorized stated principal amount of the Bonds, payable on the Closing Date, , (ii) an ongoing compliance fee of [\$25] per unit, payable annually, (iii) a Tax Credit Reservation Fee equal to [5%] of first year's Low Income Housing Tax Credit allocation, payable on the Closing Date, and (iv) any other applicable fee as provided under Section 2-44-065 of the Municipal Code of Chicago.

Section 2.3. Payment. (a) *Payments under the Bonds and the Borrower Notes.* As repayment of the Loan, the Borrower agrees to promptly and punctually pay all amounts sufficient to pay the principal of, premium, if any, or interest on the Bonds on each day on which any payment of principal of, premium, if any or interest on the Bonds shall become due (whether on an interest payment date, at maturity, or upon redemption or acceleration or otherwise) and as is payable with respect to the Borrower Notes. without any presentment of the Borrower Notes, notice of nonpayment (except as otherwise expressly set forth therein), notice of dishonor or notice of

protest, and without any notation of such payment being made thereon, directly to the Bondholder (as the assignee of the Issuer) in immediately available funds by wire transfer originated by the Borrower not later than 12:00 noon, Chicago, Illinois time, on each payment date, such payment to be marked for attention as indicated, or by charging the Interest Reserve (as defined below) or an account of the Borrower established with the Bondholder, which charge is hereby authorized by the Borrower. The Borrower Notes are subject to assignment as set forth in Section 4.2 hereof. Payments with respect to the Bonds and the Borrower Notes shall be made by wire transfer pursuant to the wire transfer instructions attached hereto as **Exhibit D**, or such other replacement wire transfer instructions as shall be provided in writing by Bondholder to Borrower or by charging the Interest Reserve or an account of the Borrower established with the Bondholder. All payments made to the Bondholder with respect to the Bonds shall be made by the Borrower on behalf of the Issuer, shall be deemed a credit against the Liabilities, and shall be applied against the Issuer's payment obligations under Bonds.

(b) *Payments Due on Saturdays, Sundays and Holidays.* In any case where the date of payment of principal of or interest on the Borrower Notes or the Bonds, or the date fixed for prepayment of all or a portion of the Borrower Notes or the Bonds, as applicable, shall be other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day, and the Borrower Notes and the Bonds shall continue to bear interest until such date of actual payment.

(c) *Payment Notations.* The Bondholder shall make a notation on the Borrower Notes on the payment record thereon, or in the Bondholder's books and records, of each principal and interest payment made pursuant to this Section 2.2 and the date to which interest has been paid. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof. The failure to so record any such information, or any error in so recording any such information, shall not, however, limit or otherwise affect the obligations of the Borrower hereunder or under the Borrower Notes to repay the principal balance thereof together with all interest accruing thereon.

(d) *Manner of Payment.* The principal of and interest on the Borrower Notes shall be payable in lawful money of the United States of America; such principal and interest shall be payable at the principal office of the Bondholder. All payments of debt service on the Borrower Notes and the Bonds shall be made directly by the Borrower to the Bondholder, or shall be made by the Bondholder's deducting payment from the Interest Reserve or crediting of an account of the Borrower maintained at the Bondholder. Payments due to the Issuer after the Closing Date shall be made as directed by the Issuer. Bondholder may allocate proceeds of the Loan to the payment of interest on the Loan (collectively, the "**Interest Reserve**") and Loan proceeds may be disbursed directly to Bondholder from the portion of the Loan allocated to the Interest Reserve. The initial amount of the Interest Reserve shall be \$_____. Borrower hereby authorizes Bondholder from time to time, for the mutual convenience of Bondholder and Borrower, to disburse proceeds of the Loan from the Interest Reserve to pay all the then accrued interest on the Loan, regardless of whether Borrower shall have specifically requested a disbursement of such amount. Disbursements of the proceeds of the Loan allocated to the Interest Reserve shall constitute a disbursement of the Loan hereunder; provided, however, that after the full disbursement of the Interest Reserve, interest on the Loan shall be paid directly by Borrower from sources other than proceeds of the Loan. The funds held in the Interest Reserve shall be pledged as additional security

for the Loan. The Borrower agrees to execute any and all documents, including security interests and financing statements, as Bondholder may reasonably request in order to create or perfect such security interest.

(e) *Return of Collateral.* Upon payment in full of the Borrower Notes and termination of this Loan Agreement, the Issuer shall or shall cause the Fiscal Agent to, on a timely basis, reassign and redeliver (or cause to be reassigned and redelivered) to the Borrower, or to such Person or Persons as the Borrower shall designate, against receipt, such of the collateral (if any) assigned by the Borrower to the Issuer as shall not have been sold or otherwise applied by the Issuer pursuant to the terms hereof and as shall still be held by it or the Fiscal Agent hereunder, together with appropriate instruments of reassignment and release, including, without limitation, UCC termination statements; it shall be the obligation of the Borrower to provide all such instruments of reassignment and release. Any such reassignment shall be without recourse upon, or representation or warranty by, the Issuer, and shall be at the cost and expense of the Borrower. If a claim is made upon the Issuer (or any assignee of the Issuer, including, but not limited to, the Bondholder) at any time for recovery of any amount received by the Issuer (or such assignee) in payment of the Borrower Notes, whether received from the Borrower or otherwise (a “**Recovery Claim**”), and should the Issuer (or such assignee) repay all or part of said amount by reason of: (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Issuer or any assignee of the Issuer, or the Property of either thereof; or (ii) any settlement or compromise of any such Recovery Claim effected by the affected party with the claimant (including the Borrower), this Loan Agreement, the Borrower Collateral Documents and the Security for the Bonds shall continue in effect with respect to the amount so repaid to the same extent as if such amount had never originally been received by the Issuer or such assignee, notwithstanding any prior termination of this Loan Agreement, the return of this Loan Agreement, the Borrower Collateral Documents or any of the Security for the Bonds to the Borrower (or any designee of the Borrower), or the cancellation of the Borrower Notes.

Section 2.4. Interest Rates. The interest rate per annum payable on the Borrower Notes shall be equal to the interest rate payable from time to time on the Bonds as provided in Article II of the Bond Issuance Agreement. Interest on the Borrower Notes shall be payable at such times as interest is payable on the Bonds under the provisions of the Bond Issuance Agreement.

Section 2.5. Interest on Amounts Past Due. Notwithstanding anything in this Article II to the contrary, if the Borrower shall fail to make any of the payments required to be made by it under this Agreement or under the Borrower Notes, including, without limitation, any mandatory prepayments required by Section 3.1(b) of this Loan Agreement, such payments shall continue as an obligation of the Borrower until the unpaid amount so overdue shall have been fully paid, and interest on the Borrower Notes shall continue to accrue from the date such payment was due until the date such payment is made or the date the Borrower Notes have been repaid in full, whichever is earlier, at the applicable Past Due Rate described in Section 2.03(f) of the Bond Issuance Agreement with respect to interest on overdue payments under the Bonds.

Section 2.6. Application of Payments. All payments on account of indebtedness outstanding under the Borrower Notes shall be first applied to interest on the unpaid principal balance, and the remainder to the unpaid principal balance, of the Borrower Notes.

Section 2.7. Event of Default under the Bond Issuance Agreement. Upon a declaration of acceleration by the Bondholder under Section 7.02 of the Bond Issuance Agreement, an amount equal to the outstanding principal of the respective Borrower Note, together with accrued interest due thereon, shall become immediately due and payable hereunder, and thereafter, to the extent not previously issued, the Issuer shall be under no obligation to issue further Bonds or make further Loans (or disbursement of Loans) of the proceeds thereof.

Section 2.8. No Defense or Set-off; Unconditional Obligation

(a) The obligation of the Borrower to make the payments required to be made by it herein, the obligation of the Borrower to make the payments pursuant to the Borrower Notes, and the obligation of the Borrower to perform and observe fully all other agreements, obligations and covenants on its part contained herein shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment, abatement or counterclaim it might otherwise have against the Issuer, the Fiscal Agent or the Bondholder.

Subject to Section 14.1 hereof, the Borrower covenants and agrees with and for the express benefit of the Issuer and the Bondholder that all payments pursuant hereto and the Borrower Notes shall be made by the Borrower on or before the dates the same become due, and the Borrower shall perform all of its other obligations, covenants and agreements hereunder, without notice or demand (except as provided herein), and without abatement, deduction, reduction, diminishment, waiver, abrogation, set-off, counterclaim, recoupment, defense or other modification, or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and regardless of any act of God, contingency, event or cause whatsoever, and irrespective (without limitation) of whether any portion of the Project shall have been started or completed, or whether the title to any portion of the Premises or the Project is defective or nonexistent, or whether the revenues of the Borrower are sufficient to make such payments, and notwithstanding any damage to, or loss, theft or destruction of, the Premises or the Project, or any part thereof, expiration of this Loan Agreement, any failure of consideration or frustration of purpose, the taking by eminent domain or otherwise of title to or of the right of temporary use of, all or any part of Premises or the Project, legal curtailment of the use thereof, any assignment, novation, merger, consolidation, transfer of assets, leasing or other similar transaction of or affecting the Borrower, the Premises or the Project, whether with or without the approval of the Issuer, any change in the tax or other laws of the United States of America, the State of Illinois or any political subdivision of either thereof, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any portion of this Loan Agreement or the Bond Issuance Agreement, or any other document or instrument referred to herein or therein; and, to the extent legally permissible, the Borrower hereby waives the provisions of any statute or other law now or hereafter in effect impairing or conflicting with any of its obligations, covenants or agreements under this Loan Agreement or the Borrower Notes, or which releases or purports to release the Borrower herefrom or therefrom. Nothing in this Loan Agreement shall be construed as a waiver by the Borrower of any rights or claims the Borrower may have against the Issuer under this Loan Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Loan Agreement that, except as provided in Section 14.1 hereof, the Borrower shall be unconditionally and absolutely obligated, without right of set-off or abatement, to perform fully all of its obligations,

agreements and covenants under this Loan Agreement and the Borrower Notes for the benefit of the Issuer and the Bondholder.

ARTICLE III PREPAYMENT OF THE BORROWER NOTES

Section 3.1. Prepayment of the Borrower Notes

(a) *Optional Prepayment.* The Borrower may not prepay the Series 2022A Borrower Note. The Borrower may prepay, in whole or in part, on any Business Day, the principal amount of the Series 2022B Borrower Note then outstanding, at a prepayment price of 100% of the principal amount thereof being prepaid (such optional prepayments to be applied to the redemption of the Bonds as provided in Section 3.01 of the Bond Issuance Agreement). A Pre-Payment Fee equal to 1% of the prepaid amount will be assessed if the Series 2022B Borrower Note is paid off within 24 months following the Conversion Date. There will be no Pre-Payment Fee assessed if the Series 2022B Borrower Note is pre-paid through a refinance with M&T Realty Capital Corporation.

(b) *Mandatory Prepayment.* The Series 2022A Borrower Note is not subject to mandatory prepayment. The Series 2022B Borrower Note is subject to mandatory prepayment, without premium or penalty, prior to the Maturity Date on each date that the Series 2022B Bonds are subject to mandatory redemption pursuant to Section 3.02 of the Bond Issuance Agreement in the principal amounts specified therein.

(c) In the event Borrower prepays the Permanent Loan within twenty-four (24) months of Conversion Date, Borrower shall pay a fee of one percent (1%) of the original Principal Balance of the Permanent Loan to Lender (the “**Prepayment Penalty**”). However, Borrower shall not be obligated to pay the Prepayment Penalty to Lender if refinancing lender is M&T Realty Capital Corporation.

Section 3.2. Surrender of Series 2022B Borrower Note on Prepayment. Upon any partial prepayment of the Series 2022B Borrower Note, the Series 2022B Borrower Note may, at the option of the Issuer and the Bondholder (subject to assignment as set forth in Section 4.2 hereof), be surrendered to the Borrower in exchange for a new Series 2022B Borrower Note, of the same series, maturity date and interest rate, and in principal amount equal to the unpaid principal balance thereof; provided that the Borrower executes such documents, instruments, certificates and agreements that the Bondholder may deem necessary or appropriate, and reimburses the Issuer and the Bondholder for any reasonable cost or expense, including, without limitation, reasonable attorneys’ fees and expenses. If the entire unpaid principal balance of the Series 2022B Borrower Note is prepaid, the Series 2022B Borrower Note shall be cancelled by the Bondholder and surrendered to the Borrower, and shall not be so exchanged.

Section 3.3. Funding Losses. Subject to Section 14.1 hereof, the Borrower hereby agrees to indemnify the Bondholder upon demand against any loss or expense that the Bondholder may sustain or incur, including, without limitation, breakage costs and fees, reasonable attorneys’ fees and expenses, in obtaining, liquidating or employing deposits or other funds acquired to effect,

fund or maintain the Loan and/or the Bonds as a consequence of (a) any failure of the Borrower to make any payment when due of any amount due under the Borrower Notes, or (b) any payment or prepayment of the Loan and/or the Bonds on a date other than the scheduled payment dates therefor. Determinations by the Bondholder, for purposes of this subsection, of the amount required to indemnify the Bondholder shall be conclusive in the absence of manifest error.

ARTICLE IV LIMITED OBLIGATION; ASSIGNMENT BY ISSUER

Section 4.1. Limited Obligation of Issuer. The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

Section 4.2. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer will, pursuant to the Bond Issuance Agreement, assign and pledge to the Bondholder all of the Issuer's right, title and interest in and to this Loan Agreement and the Borrower Notes, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Bondholder of its rights hereunder, under the Bond Issuance Agreement, the Borrower Notes, the Bonds and the Security for the Bonds. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the Borrower Notes directly to the Bondholder. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Bondholder (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Bondholder, the Fiscal Agent or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Bond Issuance Agreement, the Bonds, the Borrower Notes or the Security for the Bonds, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Borrower Notes, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Bondholder. Any obligations of the Issuer as provided in the Bond Issuance Agreement, this Loan Agreement, the Bonds or the Borrower Notes shall remain the limited obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default hereunder. The Borrower hereby agrees that the obligations of Borrower contained in this Loan Agreement are for benefit of the Issuer and the Bondholder, are evidenced by the Borrower Notes and are secured by the Mortgage and the other Borrower Collateral Documents.

ARTICLE V REPRESENTATIONS AND WARRANTIES OF ISSUER

The Issuer hereby represents and warrants as follows (which representations and warranties shall survive the execution and delivery hereof, the making of the Loan and the issuance of the Borrower Notes):

Section 5.1. Organization and Authority. The Issuer is a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois. Under the Constitution and laws of the State of Illinois, the Issuer has the power to enter into the transaction contemplated by this Loan Agreement, the Bond Issuance Agreement, the Bonds and the Issuer Documents, and to carry out its obligations hereunder and thereunder, including the full right, power and authority to pledge and assign this Loan Agreement and the Borrower Notes to the Bondholder as provided herein. By proper action of the City Council of the Issuer, the Issuer has been duly authorized to execute and deliver this Loan Agreement, the Bonds, the Bond Issuance Agreement and the Issuer Documents.

Section 5.2. Amount of Bonds; Proceeds. The Bonds are being issued in the principal amount of up to [\$11,900,000], will mature and bear interest as set forth in Article II of the Bond Issuance Agreement, and will be subject to redemption prior to maturity as set forth in Article III of the Bond Issuance Agreement. The proceeds of the sale of the Bonds will be lent to the Borrower for the purpose of paying Costs of the Project.

Section 5.3. Issuance. The Bonds are to be issued under home rule powers of the Issuer under the Constitution of the State of Illinois and secured by the Bond Issuance Agreement, pursuant to which the right, title and interest of the Issuer in, to and with respect to this Loan Agreement, the Borrower Notes, the Borrower Collateral Documents and the Security for the Bonds (other than with respect to the Issuer Reserved Rights) will be assigned and pledged to the Bondholder as security for payment of the principal of and interest on the Bonds as provided in the Bond Issuance Agreement.

Section 5.4. Non-Assignment. The Issuer has not assigned or pledged, and will not assign or pledge, its interest in this Loan Agreement, the Borrower Notes, the Borrower Collateral Documents (if any) and the Security for the Bonds other than to secure the Bonds.

Section 5.5. Purposes. The Issuer hereby finds and determines that the Project is in the best interests of the Issuer, and that all requirements of the Constitution and laws of the State of Illinois have been complied with.

Section 5.6. No Conflict. To the knowledge of the undersigned representatives of the Issuer, neither the execution and delivery of this Loan Agreement, the Bonds or the Bond Issuance Agreement, the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of or compliance with the terms and conditions hereof or thereof, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Issuer is now a party or by which it or any of its Property is bound, or constitutes a default under any of the foregoing. THE ISSUER MAKES NO REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE CREDITWORTHINESS

OR THE ABILITY OF THE BORROWER TO MAKE THE PAYMENTS DUE UNDER THIS LOAN AGREEMENT OR THE BORROWER NOTES AND DOES NOT REPRESENT OR WARRANT AS TO ANY OF THE STATEMENTS, MATERIALS (FINANCIAL OR OTHERWISE), REPRESENTATIONS OR CERTIFICATIONS FURNISHED OR TO BE MADE AND FURNISHED BY THE BORROWER IN CONNECTION WITH THE ISSUANCE, SALE, EXECUTION AND DELIVERY OF THE BONDS, OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY OF SUCH STATEMENTS.

Section 5.7. No Litigation. To the knowledge of the undersigned representatives of the Issuer, there is no action, suit, proceeding or investigation pending or threatened against the Issuer that seeks to restrain or enjoin the issuance or delivery of the Bonds, or the execution and delivery of the Bond Issuance Agreement, this Loan Agreement or the Issuer Documents, or that in any way contests or affects any authority for the issuance or delivery of the Bonds, or the execution and delivery of the Bond Issuance Agreement, this Loan Agreement or the Issuer Documents, or the validity of the Bonds, the Bond Issuance Agreement, this Loan Agreement or in any way contests the corporate existence or powers of the Issuer, or in any way affects the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

Section 5.8. Location of the Project. The Project is located entirely within the corporate boundaries of the City of Chicago, Illinois.

ARTICLE VI REPRESENTATIONS AND WARRANTIES OF BORROWER

To induce the Issuer to issue, and the Bondholder to purchase, the Bonds, the Borrower hereby represents and warrants to the Issuer and the Bondholder as follows:

Section 6.1. Organization and Authority. (a) The Borrower is a limited partnership, duly organized, validly existing and in good standing under the laws of the State of Illinois. The General Partner is a limited liability company, duly organized and is validly existing and in good standing under the laws of the State of Illinois.

(b) The Borrower (i) is authorized to do business in the State of Illinois and every other jurisdiction in which the nature of its business or its properties makes such qualification necessary; (ii) has full power and authority to own its properties and to conduct its business as now being conducted, and to enter into, and to perform and observe in all material respects the covenants and agreements in its part contained in, this Loan Agreement, the Borrower Notes and the Borrower Documents; and (iii) is in compliance with all laws, regulations, ordinances and orders of public authorities applicable to it.

(c) The General Partner (i) is authorized to do business in the State of Illinois and every other jurisdiction in which the nature of its business or its properties makes such qualification necessary; (ii) has full power and authority to own its properties and to conduct its business as now being conducted and to enter into, and to perform and observe in all material respects the covenants and agreements in its part contained in the Borrower Documents; and (iii) is in compliance with all laws, regulations, ordinances and orders of public authorities applicable to it.

Section 6.2. Private Placement. Neither the Borrower nor any agent or representative thereof has offered the Borrower Notes to any Person other than the Issuer and the Bondholder.

Section 6.3. Borrowing Legal and Authorized. The Borrower's execution and delivery of, performance by, compliance with this Loan Agreement, the Borrower Notes and the Borrower Documents, and the consummation of the transactions provided for herein and therein: (a) are within the Borrower's powers as an Illinois limited partnership; (b) have been duly authorized; (c) require no approval of any Governmental Body or other Person (other than approval of the Borrower's members, which has already been obtained); (d) do not and will not contravene or conflict with (i) the Limited Partnership Agreement of the Borrower and the Operating Agreement of the General Partner, (ii) any Government Regulation to which it is subject, (iii) any judgment, decree, order or contractual restriction binding on or affecting the Borrower or the General Partner, or the Project, or (iv) any material agreement, indenture, instrument or other document that is binding upon Borrower or any of Borrower's Property; and (e) do not and will not contravene or conflict with, or cause any Lien upon or with respect to any of the Borrower's Property (including, but not limited to, the Project), other than as permitted in writing by the Bondholder or as expressly permitted hereunder.

Section 6.4. Validity; Binding Nature; Approvals. The Borrower Documents are the legal, valid and binding obligations of the Borrower, General Partner and Guarantor, enforceable against the Borrower, General Partner and Guarantor in accordance with their respective terms. No order, authorization, consent, license or exemption of, or filing or registration with, any court or Governmental Body, or any other approval which has not been obtained or taken and is not in full force and effect, is required to authorize, or is required in connection with the execution, delivery and performance by the Borrower, General Partner and Guarantor of the Borrower Documents (except for those which are not yet required to have been obtained in connection with the preservation and substantial rehabilitation of the Project).

Section 6.5. Bond Counsel May Rely on Representations and Warranties. The Borrower agrees that Bond Counsel shall be entitled to rely upon the factual representations and warranties of the Borrower set forth in this Article VI in connection with the delivery of legal opinions on the respective dates of the issuance of the Bonds.

Section 6.6. Pending Litigation. There is no pending action or proceeding before or by any court, Governmental Body or arbitrator against or directly involving the Borrower or the General Partner, and, to the best of the Borrower's knowledge, there is no threatened action or proceeding, or inquiry that might give rise thereto, materially affecting the Borrower or any of its Properties, or the General Partner, before any court, Governmental Body or arbitrator. The Borrower does not know of any basis for any of the foregoing: (a) that, in any case, may materially and adversely affect the financial condition or operation of the Borrower or the General Partner; (b) that, in any case, may seek to restrain, or would otherwise have a material adverse effect on, the transactions contemplated herein; or (c) that, in any case, would affect the validity or enforceability of the Borrower Documents.

Section 6.7. Filing and Payment of Tax Reports and Returns. The Borrower has filed or caused to be filed all federal, state and local tax reports and returns which are required to be filed,

and has paid or caused to be paid all taxes as shown on said returns or which are due or on any assessment received by it.

Section 6.8. Full Disclosure. Neither this Loan Agreement nor any written statement furnished by the Borrower to the Issuer or the Bondholder in connection with the negotiation of the sale of the Bonds contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein or herein not misleading. The Borrower has disclosed to the Bondholder in writing all facts that might materially and adversely affect the transactions contemplated by this Loan Agreement, or that might materially and adversely affect the business, credit, operations, financial condition or prospects of the Borrower, or that might materially and adversely affect any material portion of the Borrower's Properties (including, but not limited to, the Project), or the Borrower's ability to perform its obligations under the Borrower Documents.

Section 6.9. No Defaults. The Borrower is not in default in the payment or performance of any of its obligations, liabilities or indebtedness, or the performance of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which it is a party or by which it or any of its Properties may be bound, which default would have a material and adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower. No event, act or condition exists that would constitute a Default or an Event of Default hereunder. The Borrower is not in default under any order, award or decree of any court, arbitrator or Governmental Body binding upon or affecting it, or by which any of its Properties may be bound or affected, which default would have a material adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower, and no such order, award or decree adversely affects the ability of the Borrower to carry on its business as currently conducted or the ability of it to perform its obligations under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds and the Borrower Documents.

Section 6.10. Governmental Consent. Neither the nature of the Borrower nor of any of its activities or Properties, nor any relationship between the Borrower and any other Person, or any circumstances in connection with the execution and delivery by the Borrower of the Borrower Documents, or the performance or observance of any covenants or agreements required to be observed or performed by such Borrower under the Borrower Documents, requires the consent, approval or authorization of, or filing, registration or qualification with, any Governmental Body on the part of the Borrower as a condition to the execution and delivery of the Borrower Documents (except for those which are not yet required to have been obtained in connection with the preservation and substantial rehabilitation of the Project).

Section 6.11. Compliance with Law. The Borrower is currently in compliance with all Government Regulations to which it is subject, and has obtained and shall continue to maintain all licenses, permits, franchises or other governmental authorizations necessary for the ownership of its Property or the conduct of its activities, non-compliance with which or failure to obtain which might materially adversely affect the ability of the Borrower to conduct its activities as currently conducted or the financial condition of the Borrower.

Section 6.12. Restrictions on the Borrower. The Borrower is not a party to any contract or agreement, or subject to any charter or other restriction, that materially and adversely affects

(within the sole discretionary judgment of the Bondholder) its ability to perform its obligations under this Loan Agreement. The Borrower is not a party, or otherwise subject, to any provision contained in any instrument evidencing Indebtedness, any agreement relating thereto or any other contract or agreement (including its Limited Partnership Agreement) that restricts or otherwise limits the incurring of the Indebtedness to be represented by the Borrower Documents. The Borrower possesses all rights and properties necessary for the conduct of its business as currently conducted and as intended to be conducted.

Section 6.13. No Conflict of Interest. No member of the governing body of the Issuer or any elected or salaried officer or official of the Issuer has any interest (financial, employment or other) in the Borrower, the Project or the transactions contemplated by the Borrower Documents.

Section 6.14. Project Compliance. The Project will not violate any existing Government Regulation with respect thereto, and the anticipated use of the Project complies with all existing applicable ordinances, regulations and restrictive covenants affecting the Project, and all requirements of such use that can be satisfied prior to completion of construction have been satisfied.

Section 6.15. Eminent Domain; Damage; Code Violations. The Borrower has not received notice of, and has no knowledge of: (a) any proceedings, whether actual, pending or threatened, for the taking under the power of eminent domain or any similar power or right, of all or any portion of the Project; (b) any damage to or destruction of any portion of the Project; or (c) any zoning, building, fire or health code violations in respect of the Project that have not heretofore been corrected or that are not scheduled to be corrected in connection with the renovation of the Project.

Section 6.16. Permits and Licenses. All building, zoning, safety, health, fire, water district, sewerage and environmental protection agency permits and other licenses and permits that are required by any Governmental Body for the construction, use, occupancy and operation of the Project have been obtained and are in full force and effect (except for those which are not yet required to have been obtained in connection with the preservation and substantial rehabilitation of the Project, and which will be obtained at or prior to the time required by law in connection with the preservation and substantial rehabilitation of the Project).

Section 6.17. Financial Statements. All balance sheet, income statements, statements of cash flow and other financial data that have been or shall hereafter be furnished to the Bondholder for the purposes of or in connection with this Loan Agreement do and will present fairly in accordance with GAAP, consistently applied, the financial condition of the Borrower as of the dates thereof and the results of its operations for the periods covered thereby.

Section 6.18. Broker's Fees. Other than with respect to any term sheet proposal deposit and the origination fee being paid by the Borrower in connection with the purchase of the Bonds by the Bondholder, the Borrower has no obligation to any Person in respect of any finder's, broker's or similar fee in connection with the Borrower Documents.

Section 6.19. Anti-Terrorism Laws

(a) The Borrower and each Affiliate of the Borrower are not in violation in any material respects of any United States requirements of law relating to terrorism, sanctions or money laundering (the “**Anti-Terrorism Laws**”), including the United States Executive Order No. 13224 on Terrorist Financing (the “**Anti-Terrorism Order**”) and the Patriot Act.

(b) The Borrower and each Affiliate of the Borrower (i) are not listed in the annex to, or is otherwise subject to the provisions of, the Anti-Terrorism Order, (ii) are not owned or controlled by, or acting for or on behalf of, any person listed in the annex to, or is otherwise subject to the provisions of, the Anti-Terrorism Order, (iii) do not commit, threaten or conspire to commit or supports “terrorism” as defined in the Anti-Terrorism Order or (iv) are not named as a “specially designated national and blocked person” in the most current list published by Office of Foreign Assets Control (“**OFAC**”).

(c) The Borrower and each Affiliate of the Borrower (i) do not conduct any business or engage in making or receiving any contribution of funds, goods or services to or for the benefit of any person described in clauses (b)(i) through (b)(iv) above, (ii) do not deal in, or otherwise engage in any transactions relating to, any property or interests in property blocked pursuant to the Anti-Terrorism Order and (iii) do not engage in or conspire to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

Section 6.20. Patriot Act. The Borrower and each Affiliate of the Borrower are in compliance with (a) the Trading with the Enemy Act, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B Chapter V, as amended) and any other enabling legislation or executive order relating thereto, (b) the Patriot Act and (c) other federal or state laws relating to “know your customer” and anti-money laundering rules and regulations. No part of the proceeds of the Bonds will be used directly or indirectly for any payments to any government official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977.

Section 6.21. Project Contracts: Development Cost Budget. The construction contract with the General Contractor, architect’s agreement and other material agreements, consents, waivers, documents and writings of every kind or character to which Borrower is a party relating to the Project (collectively, the “Project Contracts”) or which at any time have been delivered to Bondholder pursuant to any of the provisions of this Agreement are valid and enforceable against the Borrower and are enforceable against all other parties thereto, and in all material respects are what they purport to be, and to the extent that any such writing shall impose any obligation or duty on the Borrower or constitute a waiver of any rights which the Borrower might otherwise have, said writing shall be valid and enforceable against the Borrower in accordance with its terms. True and correct copies of all of Project Contracts executed by the Borrower on or prior to the date hereof have been delivered to Bondholder by the Borrower prior to the date hereof. The Development Cost Budget for the Project is true and complete in all material respects and sufficient finally and fully to pay for the preservation and substantial rehabilitation of the Project and the

payment of all costs and expenses incurred or estimated to be incurred in connection with the Project in accordance with the terms and conditions hereof.

Section 6.22. Business Loan. The Borrower Notes and the Bonds, including the interest rates thereon, (i) are each a business loan within the purview of 815 ILCS 205/4(1)(c), as amended from time to time, (ii) are each an exempted transaction under the Truth In Lending Act, 12 U.S.C. 1601 et seq., as amended from time to time, and (iii) do not, and when disbursed shall not, violate the provisions of the Illinois usury laws, any consumer credit laws or the usury laws of any state which may have jurisdiction over this transaction or the Borrower.

Section 6.23. Survival. The representations and warranties set forth in this Article VI shall survive until all Liabilities have been indefeasibly paid in full.

Section 6.24. Remaking of Representations and Warranties. At the time of making of each disbursement pursuant to Section 9.3, the Borrower shall be deemed to have remade each of the representations and warranties contained in this Article VI with the same effect as though made on the date of such disbursement.

ARTICLE VII COVENANTS OF BORROWER

Section 7.1. Tax-Exempt Status of the Bonds. The proceeds of the Bonds will be used in a manner consistent with the representations of the Borrower contained herein and the Tax Certificate. The Borrower shall not use the Project, or permit the Project to be used, in such a way as would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds, and will not act in any manner that would adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Section 7.2. Taxes, Charges and Assessments. The Borrower shall pay or cause to be paid on or before the date they become due, all taxes (except taxes imposed on gross or net income), duties, charges, assessments and impositions on, or on account of, the use, occupancy or operation of the Project, and on any payments under this Loan Agreement or under the Borrower Notes. The Borrower shall promptly pay when due all amounts except such as the Borrower is diligently contesting in good faith and by appropriate proceedings; provided that the Borrower has provided for and is maintaining adequate reserves with respect thereto in accordance with GAAP or a bond or other acceptable form of security to assure payment is made.

Section 7.3. Compliance with Orders, Ordinances, Etc. The Borrower shall, at its sole cost and expense, comply with all current and future applicable Government Regulations, the failure to comply with which would materially and adversely affect the Project or the use, occupancy or condition thereof. The Borrower shall have the right to contest any such Government Regulation and, in the event of any such contest, may refrain from complying therewith during the period of such contest and any appeal therefrom; provided that it has furnished additional security satisfactory to the Bondholder for any loss or damage that the Bondholder may sustain by reason of such non-compliance.

Section 7.4. Books, Records and Inspections. The Borrower shall maintain complete and accurate books and records (including records relating to the Project), and, during reasonable times and upon reasonable notice (except upon an Event of Default when no such notice shall be required), shall permit the Issuer and the Bondholder to have full and complete access to such books and records of the Borrower, and shall permit the Issuer and the Bondholder to visit, audit, examine, copy and inspect, as applicable, the Borrower's books and records, offices, Premises and operations, at the sole cost and expense of the Borrower. The Issuer and the Bondholder have no duty to visit the Premises, to supervise or observe construction or to examine any books or records. Any site visit, observation or examination by the Issuer or the Bondholder is solely for the purpose of protecting their respective rights and interests. No site visit, observation or examination by the Issuer or the Bondholder will impose any liability on the Issuer or the Bondholder or result in a waiver of any Event of Default of the Borrower or be a representation that the Borrower is or will be in compliance with the approved Plans and Specifications for the Project, that the construction of the Project is free from defective materials or workmanship, or that the construction complies with all applicable laws, ordinance and regulations. Neither the Borrower, nor any other party, is entitled to rely on any site visit, observation or examination by the Issuer or the Bondholder. The Issuer and the Bondholder owe no duty of care to protect the Borrower or any other party against, or to inform the Borrower or any other party of, any negligent or defective design or construction of the Project or any other adverse condition affecting the Premises.

Section 7.5. Change in Nature of Operations. The Borrower shall not make any material change in the nature of its operations carried on as of the date of issuance of the Bonds unless consented to in writing by the Issuer and the Bondholder.

Section 7.6. Borrower to Maintain Existence; Consolidation or Merger. Absent the prior written consent of the Bondholder, the Borrower shall, as long as the Bonds are outstanding, maintain its existence, not dissolve, liquidate, transfer any partnership except as provided herein or other equity interest in the Borrower or otherwise dispose of all or substantially all of its assets, and not consolidate with or merge into another business entity or permit one or more other business entities to consolidate with or merge into it. Notwithstanding anything to the contrary contained herein, the Limited Partner shall be permitted to remove the General Partner and replace the General Partner with an affiliate of the Limited Partner in accordance with the Limited Partnership Agreement without the consent of the Bondholder, provided that (a) the partnership interests of any such substitute General Partner shall be subject to the Bondholder's security interests pursuant to the terms of the Security Agreement, and (b) any such substitute General Partner shall execute any and all documents, including security agreements and financing statements, as the Bondholder may reasonably request in order to create, perfect, or continue such security interests. Notwithstanding the foregoing, the substitute General Partner shall assume all the rights and obligations of the General Partner under all of the Borrower Collateral Documents.

Prior to the payment of all the Capital Contributions, the Limited Partner interests shall be transferable at any time without the consent of the Issuer or the Bondholder, so long as (a) such interest is transferred to an Affiliate of the Limited Partner, (b) Borrower provides Bondholder and the Issuer with prior written notice of such proposed transfer, (c) any consents required under the documents evidencing and securing the Additional Funding Sources have been obtained, and (d) if the Limited Partner whose interest is to be transferred has Capital Contributions remaining to be funded under the Limited Partnership Agreement, Borrower provides Bondholder and the Issuer

with financial information concerning such proposed transferee sufficient to demonstrate to Bondholder's and the Issuer's reasonable satisfaction, the financial capacity of such proposed transferee to fund its Capital Contribution obligations under the Limited Partnership Agreement; provided, however, that any other Limited Partner transfers prior to the payment of all the Capital Contributions shall require Bondholder and Issuer consent. After all Capital Contributions have been made pursuant to the terms and conditions of the Limited Partnership Agreement, such Limited Partner interests shall be transferable pursuant to the Limited Partnership Agreement.

The partners comprising the Borrower shall be permitted to amend the Limited Partnership Agreement to reflect such removal and substitution of the General Partner or permitted transfer of the Limited Partner's interests pursuant to the Limited Partnership Agreement. Notice of any such change must be given by the Borrower to the Issuer and Bondholder.

Section 7.7. Transfer of Project. Absent the prior written consent of the Bondholder and the Issuer, the Borrower shall not sell, transfer or otherwise dispose of the Project or any portion thereof (other than sales or other dispositions of obsolete equipment or fixtures in the ordinary course of business) while the Bonds are Outstanding.

Section 7.8. Environmental Requirements; Indemnity

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of the Environmental Indemnity Agreement shall govern all indemnifications from the Borrower to the Issuer with respect to environmental matters affecting the Project. The terms and provisions of the Environmental Indemnity Agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Bondholder with respect to indemnifications from the Borrower to the Bondholder with regard to environmental matters affecting the Project.

(b) For purposes of this Section 7.8, the term "Hazardous Substance" means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as "toxic," "hazardous" or a "pollutant," or that is or becomes similarly designated, classified or regulated, under any federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of construction of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Loan Agreement, the Borrower researched and inquired into the previous uses and owners of the Premises and obtained a Phase I environmental site assessment, and other reports with respect to the environmental conditions of the Premises (collectively, the "**Environmental Reports**"), copies of which have been delivered to the Bondholder. Based on that due diligence, the Borrower represents and warrants to the Bondholder that, except as the Borrower has disclosed to the Bondholder in writing and as described in the Environmental Reports, (i) no Hazardous Substance has been disposed of, or released to or from,

or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous Substances (“**Environmental Laws**”), including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Bondholder in writing (i) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any Improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a “**Hazardous Substances Claim**”).

(e) The Bondholder, and its respective officers, employees, directors, agents, parent, subsidiary, affiliates, assignees, and any purchasers of the Premises at any foreclosure sale with respect to the Mortgage (each individually, an “**Indemnified Party**,” and all collectively, the “**Indemnified Parties**”), have the right at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises. Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower’s use of the Premises in exercising any rights provided in this Section. The Borrower must pay all reasonable costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection if the same are performed as a result of any violation or potential violation, as determined in Bondholder’s sole and absolute discretion, of Environmental Laws. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to

the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises with respect to the Mortgage) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, “**Environmental Reports**”) that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties’ notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Premises with respect to the Mortgage may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof.

(f) The Borrower must promptly undertake any and all remedial work (“**Remedial Work**”) in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Bondholder’s security under the Borrower Collateral Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Bondholder’s option, is subject to the Bondholder’s prior written approval, which may not be unreasonably withheld or delayed.

(g) The obligations and rights of the parties under this Section 7.8 are secured by the Mortgage until the first to occur of full, final and indefeasible repayment of the Liabilities or the transfer of title to all or any part of the Premises at a foreclosure sale under the Mortgage or by deed in lieu of such foreclosure (any of the foregoing transfers being referred to as a “**Foreclosure Transfer**”). The parties’ obligations and rights under this Section 7.8 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower’s obligations under this Section 7.8 are thereafter limited to the indemnification obligations of subsections (h) and (i) below as to Indemnified Costs (as defined below) arising out of or as a result of events prior to the full and final payment of the Liabilities, and (ii) in the case of a

Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party's right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations that are secured by the Mortgage, subject to the provisions of Section 14.1 hereof. As used in this Section 7.8, the term "Indemnified Costs" means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Bondholder's counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.

(h) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, the Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 7.8; and (iv) any Indemnified Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified Parties at the time this Loan Agreement is executed, or attributable to the acts or omissions of the Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Bondholder may have under this Agreement, at law or in equity, upon the occurrence of an Event of Default under this Loan Agreement, the Bondholder may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Bondholder, and if not paid when due will accrue interest at the default rate set forth in the Bonds, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Bondholder by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Bondholder for costs and expenses, including those incurred by the Bondholder in enforcing its rights and remedies under the provisions of this Section 7.8: (i) any payments made pursuant to the Bonds or any of the Borrower Collateral Documents (other than payments made to the Bondholder for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 7.8); (ii) any foreclosure of the Mortgage or the other documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Bondholder's rights and remedies under this Section 7.8); and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

(k) To the extent any provision of this Section 7.8 conflicts with or provides lesser protection to the Bondholder than that provided by the Environmental Indemnity Agreement, the provisions of the Environmental Indemnity Agreement shall control.

Section 7.9. Insurance. The Borrower shall at all times maintain insurance with respect to the Project as is set forth in the Mortgage.

Section 7.10. Project Budget. All Costs of the Project shall be identified by line item in the Development Cost Budget approved in writing by the Bondholder, the Bondholder's purchase of the Bond to constitute evidence that the Bondholder has approved the initial Development Cost Budget. The initial Development Cost Budget shall have a hard cost contingency line item in the minimum amount of ten percent (10%) of the hard cost amount (exclusive of profit and overhead) of the approved contract for construction of the Project between the Borrower and a general contractor approved by the Bondholder. The initial Development Cost Budget, once so approved by the Bondholder shall not be modified or amended without the prior written approval of the Bondholder; provided, that individual line item changes in an amount not individually in excess of [\$50,000] and in the aggregate not in excess of [\$200,000] may be made without Bondholder approval, provided that the entire budget is "in balance" as provided in Section 6.12.

Section 7.11. Completion of Construction

(a) The Borrower shall commence construction of the Project on or before _____, 202_, shall achieve Substantial Completion on or before _____, 202_, provided that such deadline may, in Bondholder's sole discretion, be extended in writing by Bondholder by the number of days resulting from any Unavoidable Delay (but under no circumstances shall such date be extended by more than sixty (60) days in the aggregate), provided that Bondholder shall not be obligated to grant any such extension unless (a) Borrower gives notice of such delay to Bondholder within ten (10) days of learning of the event resulting in such delay, (b) after giving effect to the consequences of such delay, the Project shall remain "in balance", and (c) in Bondholder's sole discretion, extending said date will not jeopardize the Project's receipt of the tax credits allocated to the Project or Limited Partner's funding of the Capital Contributions, and shall Complete all improvements comprising the Project by _____, 202_. "Unavoidable Delay" shall mean any delay in the construction of the Project, caused by natural disaster, fire, earthquake, floods, explosion, extraordinary adverse weather conditions, pandemic, inability to procure labor, equipment, facilities, energy, materials or supplies in the open market, failure of transportation, strikes or lockouts.

(b) For purposes of this Section, the Project shall be deemed "Complete" when (a) the Project has achieved Substantial Completion; (b) final lien waivers from the Borrower's General Contractor and any other contractors providing materials and labor in connection with the Project have been obtained, or the Borrower shall have deposited with the Bondholder such surety bond, cash or other security satisfactory to the Bondholder in its sole discretion to secure the payment of any unpaid claims; (c) a final certificate of occupancy (or its functional equivalent) has been issued by the City of Chicago Department of Buildings with respect to the Project; (d) all buildings in the Project have been "placed in service" pursuant to the requirements of Section 42 of the Internal Revenue Code; and (e) the 50% Test (as defined in the Limited Partnership Agreement) has been satisfied.

Section 7.12. Balancing. The Borrower shall maintain the sources and uses of funds for the Project "in balance." Section 7.13. Change Orders. The Borrower must obtain the Bondholder's prior written approval of any change in any work or materials for the Project (whether positive or negative) exceeding \$100,000. Also, the Borrower must obtain the Bondholder's prior written approval for any change in any work or materials if the aggregate amount of all changes (whether positive or negative) with respect to the Project will then exceed the established construction contingency.

Section 7.14. Covenant Against Liens. The Borrower shall not create, incur, assume or suffer to exist any lien on any portion of the Property except for Permitted Encumbrances (as defined in the Mortgage). The Borrower must pay or otherwise discharge promptly all claims and

liens for labor done and materials and services furnished in connection with the construction of the Project. The Borrower has the right to contest in good faith any claim or lien, provided that (i) it does so diligently and without prejudice to the Bondholder or delay in completing the Project by the Completion Date. (ii) it concludes such contest prior to the initial Maturity Date, and (iii) neither the Project nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost. Promptly upon the Bondholder's request, the Borrower must provide a bond, cash deposit or other security satisfactory to the Bondholder in the exercise of its reasonable judgment.

Section 7.15. Financial Statements. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 8.5. Recordation and Other Instruments. Section 8.6. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer shall assign and pledge this Loan Agreement (except for Issuer Reserved Rights), the Borrower Notes and the Security for the Bonds to the Bondholder. The Bondholder and the Borrower hereby agree to such assignment, and the Borrower agrees that it shall make payments directly to the Bondholder as herein provided, without any defense or rights of set-off whatsoever.

ARTICLE IX CONSTRUCTION OF PROJECT; ISSUANCE OF BONDS

Section 9.1. Agreement to Complete Project; Application of Bond Proceeds. The Borrower shall apply the proceeds of the Bonds to the acquisition, rehabilitation and equipping of the Project as described in **Exhibit B** attached hereto. The Borrower acknowledges and agrees that the disbursement of proceeds of the Bonds shall be made in the order and pursuant to the terms of the Construction Escrow Agreement and the Continuing Covenants Agreement. The Borrower agrees that the preservation and substantial rehabilitation of the Project will at all times proceed with due diligence to completion.

Section 9.2. Agreement to Issue the Bonds

(a) In order to provide funds to make the Loan to the Borrower to pay a portion of the Costs of the Project and related expenses, but subject to the terms and conditions contained in the Bond Issuance Agreement, the Issuer agrees that it will issue, sell and cause to be delivered to the Bondholder the Bonds in the principal amount of up to [\$11,900,000] bearing interest and maturing as set forth in the Bond Issuance Agreement. Section 9.3. Disbursements from the Construction Fund. Upon receipt by the Fiscal Agent of the proceeds from the sale of the Bonds as advanced by the Bondholder, the Fiscal Agent will, subject to the Continuing Covenants Agreement and the prior written approval of the Bondholder, disburse moneys in the Construction Fund to or on behalf of the Borrower for the following purposes, to the extent included in the related Development Cost Budget or otherwise approved by Bondholder:

(a) Payment of the fees and expenses for recording or filing any required documents or instruments by which the revenues and receipts to be derived by the Issuer pursuant to this Loan Agreement, the related Borrower Notes and the Security for the Bonds are assigned and pledged as security for the related Bonds, and the fees and expenses for recording or filing any financing statements and any other documents or instruments that either the Borrower or counsel to the Issuer may deem desirable to file or record.

(b) Payment to the Borrower of such amounts as shall be necessary to reimburse the Borrower (or for the Borrower to reimburse the Developer, if applicable) in full for all advances and payments made or costs that have been or will be incurred prior to or after the delivery of the Bonds for expenditures in connection with the preparation of Plans and Specifications (including any preliminary study or planning of the Project or any aspect thereof), the preservation and substantial rehabilitation of the Project and the acquisition and installation necessary to provide utility services and all real or personal properties deemed necessary in connection with the Project.

Each of the payments referred to in this Section 9.3, other than those payments referred to in subsection (h) above, shall be made upon receipt by the Fiscal Agent of the documents and showings specified in Section 9.5 hereof.

Notwithstanding any other provision hereof or of the Bond Issuance Agreement, in the event the moneys in the Construction Fund and the Construction Escrow, together with the balance of monies that are available through the Additional Funding Sources, for payment of the Costs of the Project should not, in the Bondholder's reasonable judgment, be sufficient to pay the costs thereof in full, the Borrower agrees within ten (10) days after receipt of written notice thereof from the Bondholder to pay directly, or to deposit in the Construction Fund (or in the Construction Escrow) moneys sufficient to pay, the costs of completing the Project as may be in excess of the moneys available therefor in the Construction Fund and the Construction Escrow and from the Additional Funding Sources. NEITHER THE ISSUER NOR THE BONDHOLDER MAKES ANY WARRANTY, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS THAT WILL BE PAID INTO THE CONSTRUCTION FUND, AND THAT, UNDER THE PROVISIONS OF THIS LOAN AGREEMENT, WILL BE AVAILABLE FOR PAYMENT OF THE COSTS OF THE PROJECT RELATING TO THE PROJECT, WILL BE SUFFICIENT TO PAY ALL THE COSTS THAT WILL BE INCURRED IN THAT CONNECTION. The Borrower agrees that if it should pay or should deposit moneys in the Construction Fund or Construction Escrow for payment of any portion of the Costs of the Project pursuant to the provisions of this Section 9.3, it shall not be entitled to any reimbursement therefor from the Issuer, the Fiscal Agent or the Bondholder, nor shall it be entitled to any diminution of the amounts payable under the Borrower Notes or hereunder. The Borrower hereby pledges, sets over and transfers to the Issuer and hereby grants to the Issuer a security interest and right of setoff in all rights to the proceeds in the escrow account, if any, created pursuant to Section 9.4 of this Loan Agreement.

All proceeds of the Bonds remaining in the Construction Fund or in the Construction Escrow after the Project is Complete, and after payment or provision for payment of all other items provided for in subsections (a) to (h), inclusive, of this Section 9.3, shall be used in accordance with Section 9.4 hereof.

Section 9.4. Completion of the Project

(a) Any proceeds of the Bonds (including investment proceeds) remaining in the Construction Fund or in the Construction Escrow on the date the Project is Completed and not

set aside for the payment of Costs of the Project not then due and payable shall on such date be transferred to, if applicable, and placed by the Fiscal Agent in a separate escrow account and used to pay the outstanding principal balance of the Borrower Notes and the corresponding redemption of the Bonds at the earliest possible redemption date, provided that, until used for such purpose, moneys on deposit in such escrow account may be invested as provided in Section 9.6 hereof, but may not be invested to produce a yield on such moneys (computed from the date the Project was completed and taking into account any investment of moneys during the period from the date the Project was Completed until such moneys were deposited in such escrow account) greater than the yield on the Bonds, all as such terms are used in and determined in accordance with Section 148(a) of the Code and the Regulations.

(b) No Person not a party hereto shall have any rights to the money or other funds or assets from time to time in the Construction Fund or the escrow accounts referred to in this Section 9.4 or Section 4.02 of the Bond Issuance Agreement.

Section 9.5. Disbursements. Except for Bond proceeds used to pay interest on the Bonds (for which no disbursement request shall be required), Bond proceeds shall be disbursed by the Bondholder to the Fiscal Agent for deposit in the Construction Fund upon written request, substantially in the form of **Exhibit C** hereto, signed by the Borrower and the Bondholder. Except to the extent that the disbursement pertains to costs of issuance of the Bonds, amounts disbursed from the Construction Fund shall be disbursed to the escrow agent under the Construction Escrow Agreement for further disbursement as provided therein. The Bondholder's disbursement of funds to the Fiscal Agent for deposit in the Construction Fund, shall be subject to the satisfaction of the conditions set forth in Articles X and XI hereof.

Immediately following a disbursement, the Borrower covenants that written notice of the amount and date of the disbursement shall be provided to the Issuer. Such notice may be provided by an email sent to such address as the Issuer may have designated to be used for such purposes in a prior notice to the Borrower.

Section 9.6. Investment of Moneys. (a) Any moneys held as part of the Construction Fund, or the escrow accounts specified in Section 9.4 hereof, or as part of any other Fund or Account in the possession or control of the Fiscal Agent, while acting as such under the Bond Issuance Agreement, and any other moneys subject to the requirements of Section 148(a) of the Code, including any moneys that at any time shall constitute "gross proceeds" of the Bonds within the meaning of the Regulations, may be invested, to the extent permitted by law, only in Eligible Investments.

(b) All such investments of moneys held by the Fiscal Agent as a part of the Construction Fund or the escrow accounts specified in Section 9.4 hereof or any other Fund or Account shall be made by the Fiscal Agent at the direction of the Borrower (which direction shall be either in writing or given orally and confirmed in writing). The approval of the Issuer shall not be required prior to the making of any such investment, but the Issuer reserves the right (which right is subject to assignment as set forth in Section 4.2 hereof) to disapprove in its reasonable discretion any investments or proposed investments of which it has notice. If no direction is given by the Borrower, the Issuer may direct (which right is subject to assignment as set forth in Section 4.2 hereof) the Fiscal Agent to invest in any of the Eligible Investments, and, if no direction

is given, the Fiscal Agent or any affiliate thereof shall invest in no-load, open-end money market mutual funds (including those of the Fiscal Agent and its affiliates) registered under the Investment Company Act of 1940, provided that the portfolios of such funds are limited to Government Obligations and each such fund has been assigned a rating by each Rating Agency of “AAA” or “Aaa,” as applicable.

(c) The Fiscal Agent may make any and all such investments through its own investment department or that of an affiliate. The investments so purchased shall be held by the Fiscal Agent and shall be deemed at all times a part of the Fund, Account or Subaccount for which the investment was made, and the interest accruing thereon and any profit realized therefrom shall be credited to such Fund, Account or Subaccount, as the case may be, and any net losses resulting from such investment shall be charged to such Fund, Account or Subaccount, as the case may be. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to this Section 9.6, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in this Section 9.6.

(d) Notwithstanding the foregoing, moneys advanced by the Bondholder and deposited in the Construction Fund shall be immediately disbursed to the title company under the Construction Escrow Agreement for deposit in the Construction Escrow thereunder, and shall not be invested by the Fiscal Agent.

Section 9.7. Arbitrage Covenant. The Borrower covenants with the Bondholder and the Issuer that, as long as any of the payment obligations hereunder remain unpaid, moneys on deposit in any Fund, Account or Subaccount in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used or invested at the Borrower’s direction in a manner that will cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code and the Regulations.

The parties hereto acknowledge that, pursuant to Section 4.02(e) of the Bond Issuance Agreement, the Bondholder may make an advance of Bond proceeds directly into the Construction Escrow under the Construction Escrow Agreement; if it does so all provisions and conditions to disbursement of, and in this Agreement relating to, the Construction Fund shall apply as if the advance were deposited into the Construction Fund.

The Bondholder and the Additional Funding Sources shall also have agreed in the related Construction Escrow Agreement or otherwise in writing regarding the lien priority and, to the extent contemporaneously funded, the ratio in which the proceeds of the Loan and the Additional Funding Sources are to be disbursed to finance Costs of the Project (such as agreed to priority or ratio being referred to herein as the "**Funding Order**").

Section 11.3. Stored Materials and FF&E Not Yet Incorporated

No disbursement shall be made for materials or furniture fixtures and equipment ("FF&E") not yet incorporated into the Improvements (whether stored on-site or off-site) except as provided for herein. Subject to Bondholder's prior acceptance of a schedule of materials and FF&E for which disbursements will be sought prior to incorporation into the Improvements, Borrower shall be entitled to receive such disbursements so long as: (i) the amount to be advanced on account thereof does not include the cost of incorporating such materials into the work; (ii) the materials or FF&E are safely and suitably stored on-site (or off-site, as applicable) and insured for the full value thereof against theft, destruction or other casualty under insurance policies designating Bondholder as loss payee and additional insured as evidenced by insurance binders or endorsements satisfactory to Bondholder; (iii) immediately upon disbursement of the Loan Advance thereof, Borrower will have absolute title to the stored materials or FF&E as evidenced by appropriate bills of sale and payment receipts; (iv) to the extent required by Bondholder, the Construction Consultant shall have verified that the materials or FF&E to be so paid for comply with the Plans and Specifications and are of suitable quality for ultimate incorporation into the Improvements and are free from any apparent defect (with Borrower agreeing to pay for all reasonable travel expenses of the Construction Consultant to view and inspect any such materials or FF&E stored off-site), and the stored materials can be incorporated into the Project within forty-five (45) days after receipt of such FF&E; (v) all such off-site materials and components shall be physically segregated from the other assets of the vendor or placed in a bonded warehouse or similarly secured facility, (vi) Bondholder shall have a perfected security interest in the stored materials and Borrower shall provide evidence of the same to Bondholder (such as a filed UCC-1 Financing Statement), and (vii) all other conditions precedent to disbursements as set forth in this Agreement are satisfied. In addition, with respect to off-site materials, Borrower shall cause any warehouseman (as defined in Section 7-102 of the Uniform Commercial Code) that possesses, holds or controls the stored materials to execute a non-negotiable warehouse receipt covering such stored materials in form sufficient to enable Bondholder to have perfected security interest therein.

Notwithstanding the foregoing, in no event shall disbursements for stored materials or FF&E (whether on-site or off-site) exceed an aggregate of One Million Two Hundred Thousand and 00/100ths Dollars (\$1,200,000.00)] (or such greater amount as is acceptable to Bondholder); provided, however, that upon incorporation into the Improvements of any stored materials or FF&E paid for with a disbursement of Bond proceeds, such disbursement shall no longer constitute utilization of such One Million Two Hundred Thousand and 00/100ths Dollars (\$1,200,000.00] limit (or such greater amount as is acceptable to Bondholder).

Section 11.4. Title Endorsements. The Bondholder shall have received a telephonic commitment from the Title Company to issue an endorsement to the Title Policy extending coverage to include the date and the amount of the requested disbursement, without exception for mechanics' liens or claims of liens, or any other matter not previously approved by the Bondholder in writing, and the Bondholder shall have received and approved a written endorsement to its Title Policy covering the immediately previous disbursement.

Section 11.5. Retainage; General Contractor Overhead and Profit. Each disbursement (other than for materials-only subcontracts) relating to the Project shall be subject to a holdback (the "**Retainage**") equal to ten percent (10%) of all amounts due the Borrower's general contractor

and each subcontractor until the Project is 90% complete and five percent (5%) thereafter (subject to approval by Borrower, Bondholder and the Subordinate Lenders), which will be released upon completion of the Project, and upon satisfaction of the conditions for the final disbursement as set forth in Section 11.12 below.

The General Contractor shall be paid its overhead and profit based on a percentage of construction completion, except that reimbursements for bond and insurance payments may be paid as incurred.

Section 11.6. Mechanics' Liens and Litigation. There shall be no mechanic's lien claim, litigation or proceeding pending or, to the best of Borrower's knowledge, threatened against or affecting the Premises, unless the same are being contested in accordance with Section 7.14 hereof, or any pending litigation which would in any manner materially adversely affect the Premises or the priority or enforceability of the Bonds, the related Borrower Note, the Mortgage or the other Borrower Collateral Documents or the ability of the Borrower to complete the preservation and substantial rehabilitation of the Project.

Section 11.7. No Default under Construction Contract or Agreements with Additional Funding Sources. There shall exist no material default, and there shall exist no event or circumstance that with notice or the passage of time or both would constitute a material default, under (a) the Borrower's construction contract with the general contractor, or (b) any note, agreement or other document executed in connection with any Additional Funding Source.

Section 11.8. No Default under Limited Partnership Agreement. There shall exist no material default under the Limited Partnership Agreement, and no event or circumstance shall exist that with notice or the passage of time, or both, would give rise to a material default under the Limited Partnership Agreement.

Section 11.9. Additional Funding Sources to Pay Bonds. Any deposit of Additional Funding Sources, in each case, to the extent the same are to be used to pay principal of and interest on the Bonds in accordance with the terms of the Borrower Documents, the Limited Partnership Agreement and the Subordinate Loan Agreement(s), shall have been made. The first equity payment will be required at loan closing in the approximate amount of \$ _____.

Section 11.10. Funding Priorities. The related Additional Funding Sources shall have agreed to fund proceeds of their respective grants or loans in accordance with the construction funding priorities established pursuant to **Exhibit F** attached hereto.

Section 11.11. Disbursement Immediately Following Initial Disbursement on Closing Date. With respect to the disbursement immediately following the initial advance of Bond proceeds made on the Closing Date, no such disbursement shall be made unless at least 10% of the aggregate equity contributions to be made by the Limited Partner under the Limited Partnership Agreement and all Additional Funding Sources required to be under the Funding Schedule and Construction Escrow Agreement by that time shall have been funded.

Section 11.12. Final Construction Disbursement. The final disbursement and release of Retainage, if applicable, shall be subject to the Bondholder's receipt and approval of the following:

(a) certifications that the preservation and substantial rehabilitation of the Project has been completed lien free in substantial compliance with the Plans and Specifications, as well as all applicable laws and ordinances, from the Borrower, the Borrower's architect and the Bondholder's inspecting architect;

(b) final lien waivers and affidavits from the Borrower's general contractor and any other contractors required by the Title Company to issue its final endorsement to the Bondholder's Title Policy insuring over mechanics' and materialmen's liens;

(c) approval of any surety company issuing performance and payment bonds with respect to the Project;

(d) a final and comprehensive endorsement to the Title Policy for the Project with extended coverage;

(e) an as-built survey of the Premises and the Project, satisfying the survey standards and requirements set forth in Section 10.3; and

(f) a full-size set of as-built plans and specifications for the completed Project, or an electronic copy of the as-built plans and specifications for the completed Project.

Notwithstanding the foregoing, in no event shall the Bondholder be obligated to approve disbursement requests made subsequent to the Series 2022A Bonds Maturity Date.

ARTICLE XII EVENTS OF DEFAULT AND REMEDIES

Section 12.1. Events of Default. Each of the following shall constitute an "Event of Default" hereunder:

(a) default by the Borrower in the due and punctual payment of any amount required to be paid under the Borrower Notes, this Loan Agreement, the Bond Issuance Agreement, the Borrower Collateral Documents or the Bonds, whether by way of principal, interest, fees or otherwise; provided that such default shall not constitute an Event of Default hereunder if it is cured within five Business Days after becoming due;

(b) default in the performance or observance of any of the covenants contained in Sections 7.1, 7.6, 7.7 or 7.14.

(c) default in the performance or observance of any other covenant, agreement or condition (and not constituting an Event of Default under any of the other provisions of this Section 12.1), provided that such default shall not constitute an Event of Default hereunder if it is cured within 30 days after written notice thereof to the Borrower from the Issuer or the Bondholder as long as during such period the Borrower is using its best efforts to cure such default and such default can be cured within such period;

(d) any Event of Default (which Event of Default continues beyond all applicable notice and cure periods) under the Bond Issuance Agreement or any of the Borrower Documents shall occur;

(e) any representation or warranty made by the Borrower herein or in any of the Borrower Documents is false or misleading in any material respect when made, or any schedule, certificate, financial statement, report, notice or other writing furnished by the Borrower to the Issuer or the Bondholder is false or misleading in any material respect on the date as of which the facts therein set forth are stated or certified (or deemed stated or certified);

(f) the dissolution or liquidation of the Borrower, the General Partner, or, prior to the date that the Project is Complete, either the Developer or Guarantor (collectively the "Principal Parties," and individually the "Principal Party," as the context requires); the filing by any Principal Party of a voluntary petition in bankruptcy, whether under Title 11 of the United States Code or otherwise; the failure by any Principal Party promptly to lift any execution, garnishment or attachment of such consequence as will impair its ability to carry on its obligations hereunder; the entering of an order for relief under Title 11 of the United States Code, as amended from time to time, against such Principal Party unless such order is discharged or denied within 90 days after the filing thereof; if a petition or answer proposing the entry of an order for relief under Title 11 of the United States Code, as amended from time to time, is entered by or against such Principal Party, or if a petition or answer proposing the entry of an order for relief under Title 11 of the United States Code, as amended from time to time, or its reorganization, arrangement or debt readjustment under any present or future federal bankruptcy act or any similar federal or state law shall be filed by or against such Principal Party in any court, and such petition or answer shall not be discharged or denied within 90 days after the filing thereof; if a Principal Party shall fail generally to pay its debts as they become due; if a custodian (including a receiver, trustee or liquidator of a Principal Party) shall be appointed for or take possession of all or a substantial part of its property, and shall not be discharged within 90 days after such appointment or taking possession; if a Principal Party shall consent to or acquiesce in such appointment or taking of possession, or assignment by such Principal Party for the benefit of its creditors; the entry by a Principal Party into an agreement of composition with its creditors;

(g) default in the payment when due (subject to any applicable grace period), whether by acceleration or otherwise, of any other Indebtedness (in excess of \$100,000) of, or guaranteed by, the Borrower, or default in the performance or observance of any obligation or condition with respect to any such other Indebtedness if the effect of such default is to accelerate the maturity of any such Indebtedness or cause any of such Indebtedness to be prepaid, purchased or redeemed, or to permit the holder or holders thereof, or any trustee or agent for such holder or holders, to cause such Indebtedness to become due and payable, prior to its expressed maturity, or to cause such Indebtedness to be prepaid, purchased or redeemed;

(h) default in the payment when due, or in the performance or observance, of any material obligation of, or condition agreed to by, the Borrower with respect to any material purchase or lease of goods or services (except only to the extent that the Borrower is contesting the existence of any such default in good faith and by appropriate proceedings subject to applicable notice and cure provisions, if any); or

(i) there shall be entered against the Borrower one or more judgments or decrees in excess of \$100,000 in the aggregate at any one time outstanding for the Borrower, excluding those judgments or decrees (i) that shall have been stayed, vacated or bonded, (ii) for and to the extent to which the Borrower is insured and with respect to which the insurer specifically has assumed responsibility in writing, or (iii) for and to the extent to which the Borrower is otherwise indemnified if the terms of such indemnification are satisfactory to the Issuer and the Bondholder; or

(j) a material default or material event of default shall occur under any of the documents evidencing, securing or executed in connection with, any loan made by any Additional Funding Source with respect to the Project, including, without limitation, any promissory notes, mortgages or agreements containing covenants, conditions and restrictions, which default is not cured before the lapse of any applicable cure period; or

(k) a default or event of default shall occur under the Limited Partnership Agreement, the effect of which is to materially delay payment of a Limited Partner capital contribution, which delay will have a material adverse effect on the Project, which default is not cured before the lapse of any applicable cure period; or

(l) the occurrence of any of the following: (i) a discontinuance in the construction of the Project for a period of sixty (60) days, (ii) a delay in the construction so that the Project will likely not be Complete, in Bondholder's judgment, within the time provided in Section 7.11, and such is not cured by Borrower within thirty (30) days following written notice from Bondholder or (iii) Construction of the Project is not Complete within the time set forth in Section 7.11.

(m) the bankruptcy or insolvency of the General Contractor and failure of Borrower to procure a contract with a new contractor satisfactory to Bondholder within thirty (30) days from the occurrence of such bankruptcy or insolvency.

Notwithstanding anything to the contrary herein, the Bondholder hereby agrees that any cure of any default by the Borrower made or tendered by one or more of the Borrower's members or partners (including, without limitation, the Limited Partner) shall be deemed a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 12.2. Remedies on Default. If any one or more of the foregoing Events of Default shall occur, then the Bondholder (as assignee of the Issuer pursuant to the Bond Issuance Agreement) shall have the right, but not the obligation, and without notice, to exercise any one or more of the following rights and remedies, at any time and from time to time, singularly, successively or collectively, and in such order and when and as often as may from time to time be determined:

(a) The Bondholder may exercise any right, power or remedy permitted to it by law as a holder of the Borrower Notes, including the right to declare the entire principal of and all unpaid interest accrued on the Borrower Notes to be, and upon written notice to the Borrower (with a copy to the Issuer) of such declaration such Borrower Notes and the unpaid accrued interest

thereon shall become, due and payable, without presentment, demand or protest, all of which are hereby expressly waived. The Borrower shall forthwith pay to the Bondholder the entire principal of and interest accrued on the Borrower Notes. There shall be automatically waived, rescinded and annulled such declaration of acceleration of the Borrower Notes and the consequences thereof when any declaration of acceleration of the Bonds pursuant to Section 7.02 of the Bond Issuance Agreement has been waived, rescinded and annulled.

(b) The Bondholder may take whatever action at law or in equity that may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement or the other Borrower Collateral Documents.

(c) The Bondholder may direct the Fiscal Agent to withhold further disbursements of proceeds made available to the Borrower hereunder.

If the Bondholder shall have proceeded to enforce its rights under this Loan Agreement, the Borrower Notes, the Borrower Collateral Documents or the Security for the Bonds, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Bondholder, then and in every such case the Borrower, the Issuer and the Bondholder shall be restored, respectively, to their several positions and rights hereunder and thereunder, and all rights, remedies and powers of the Borrower, the Issuer and the Bondholder shall continue as though no such proceeding had been taken.

If there shall be pending proceedings for the bankruptcy or for the reorganization of the Borrower under the federal bankruptcy laws or any other applicable law, or in case a custodian, receiver or trustee shall have been appointed for any of the Property of the Borrower, or in the case of any other similar judicial proceedings relative to the Borrower, or to the creditors or Property of the Borrower, the Issuer and the Bondholder shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to the Borrower Notes and this Loan Agreement, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Issuer and the Bondholder allowed in such judicial proceedings relative to the Borrower, its creditors or its Property, and to collect and receive any moneys or other property payable or deliverable on such claims, and to distribute the same after the deduction of its charges and expenses; and any custodian, receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Issuer and the Bondholder, and to pay to the Issuer and the Bondholder any amount due it for compensation and expenses, including attorneys' and paralegals' fees, costs, disbursements and expenses incurred by it up to the date of such distribution.

Section 12.3. Right to Perform Covenants; Advances. Notwithstanding anything to the contrary contained herein, if the Borrower shall fail to make any payment or perform any act required to be made or performed by it hereunder, then and in each such case the Issuer or the Bondholder, upon not less than 15 days' prior written notice to the Borrower, may (but shall not be obligated to) remedy such failure for the account of the Borrower, and make advances for that purpose. If such failure involves, has caused or threatens to cause a condition that must, in the opinion of the Issuer or the Bondholder, be cured immediately, the Issuer or the Bondholder may

remedy such failure without prior notice to the Borrower. No such performance or advance shall operate to release the Borrower from any such default and any sums so advanced shall be repayable by the Borrower on demand, and shall bear interest at the Past Due Rate. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to this Loan Agreement, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default under the Bond Issuance Agreement; provided, however, that the Issuer hereby reserves to itself the right to enforce all Issuer Reserved Rights.

Section 12.4. Costs and Expenses

(a) The Borrower agrees to pay on demand all of the reasonable out-of-pocket costs and expenses of the Issuer (including the reasonable fees and out-of-pocket expenses of the Issuer's counsel, Bond Counsel, the Bondholder's counsel and local counsel, if any, who may be retained by said counsel) in connection with the preparation, negotiation, execution, delivery and administration of this Loan Agreement, the Borrower Notes, the Continuing Covenants Agreement, the Borrower Collateral Documents or the Security for the Bonds and all other agreements, certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith (including all amendments, supplements, modifications, restatements and waivers executed and delivered pursuant hereto or in connection herewith). The Borrower further agrees that the Issuer, in its sole discretion, may deduct all such unpaid amounts from the aggregate proceeds of the Borrower Notes.

(b) The costs, fees, disbursements and expenses that the Issuer incurs with respect to the following shall be part of the Liabilities, payable by the Borrower on demand if, at any time after the date of this Loan Agreement, the Issuer: (i) employs counsel for advice or other representation (A) with respect to the amendment or enforcement of this Loan Agreement, the Borrower Notes, the Continuing Covenants Agreement, the Borrower Collateral Documents or the Security for the Bonds, (B) to represent the Issuer in any work-out or any type of restructuring of the Borrower Notes or the Bonds, or any litigation, contest, dispute, suit or proceeding or to commence, defend or intervene or to take any other action in or with respect to any litigation, contest, dispute, suit or proceeding (whether instituted by the Issuer, the Bondholder, the Borrower or any other Person) in any way or respect relating to this Loan Agreement, the Borrower Notes, the Continuing Covenants Agreement, the Borrower Collateral Documents, the Security for the Bonds or the Borrower's affairs, or any collateral securing the Liabilities hereunder, or (C) to enforce any of the rights of the Issuer with respect to the Borrower; and/or (ii) seeks to enforce or enforces any of the rights and remedies of the Issuer with respect to the Borrower. Without limiting the generality of the foregoing, such expenses, costs, charges, disbursements and fees include: fees, costs, disbursements and expenses of attorneys, accountants and consultants; court costs and expenses; court reporter fees, costs and expenses; long distance telephone charges; and telegram and facsimile charges.

(c) The Borrower agrees to pay on demand, and to save and hold the Issuer harmless from all liability for, any stamp or other taxes that may be payable in connection with or related to the execution or delivery of this Loan Agreement, the Borrower Notes, the Continuing Covenants Agreement, the Borrower Collateral Documents, the Security for the Bonds, the Bonds

or of any other agreements, certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith.

(d) All of the Borrower's obligations provided for in this Section 12.4 shall be Liabilities and shall survive repayment of the Bonds and the Borrower Notes, cancellation of the Bonds and the Borrower Notes, or any termination of this Loan Agreement or any related document.

Section 12.5. Exercise of Remedies. No remedy herein conferred upon or reserved to the Issuer or the Bondholder is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Loan Agreement, the Borrower Notes, the Continuing Covenants Agreement, the Borrower Collateral Documents, if any, or the Security for the Bonds, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Bondholder to exercise any remedy reserved to it in this Article XII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Issuer hereunder shall also extend to the Bondholder to the extent applicable, and the Bondholder shall be deemed a third-party beneficiary of all covenants and agreements herein contained.

Section 12.6. Default by Issuer; Limited Liability. Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Borrower Notes, the Borrower Collateral Documents, if any, and the Security for the Bonds, and the Lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Borrower if an Event of Default shall occur hereunder.

Section 12.7. Application of Funds. All funds received by the Bondholder are subject to the rights given or action taken under the provisions of Article VII of the Bond Issuance Agreement. Notwithstanding any other provision of this Loan Agreement or the Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred and is not continuing, to the payments and other amounts, if any, then due under the Borrower Notes or, if all such payments and other amounts, if any, have been paid, the same may be applied as directed by the Borrower (subject to the restrictions of the Land Use Restriction Agreement and the Tax Certificate), and (b) if an Event of Default has occurred and is continuing, as directed and in such order as determined by the Bondholder.

ARTICLE XIII INDEMNIFICATION

Section 13.1. Indemnification of Issuer and Fiscal Agent

(a) Except as otherwise provided below and subject to Section 14.1 hereof, the Issuer and the Fiscal Agent, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future (hereinafter the “**Indemnified Persons**”), shall not be liable to the Borrower for any reason. Unless caused by the gross negligence or intentional misconduct of an Indemnified Party, the Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, penalty or expense (including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Borrower Notes) of any nature due to any and all suits, actions, legal or administrative proceedings, or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any member of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any member of the Borrower, in connection with the issuance, sale or delivery of the Bonds; (iii) any false or misleading representation made by the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which is not cured within all applicable notice and cure periods; (v) enforcing any obligation or liability of the Borrower under this Loan Agreement, the Borrower Notes, the Continuing Covenants Agreement, the Borrower Collateral Documents, the Security for the Bonds or the Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by the Issuer or the Fiscal Agent, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for its own willful misconduct or gross negligence.

(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit

of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 13.1 shall survive any assignment or termination of this Loan Agreement and, as to the Fiscal Agent, any resignation or removal of the Fiscal Agent.

The Bond Issuance Agreement provisions concerning the Bonds and the other matters therein are an integral part of the terms and conditions of the Loan made by the Issuer to the Borrower pursuant to this Loan Agreement, and the execution of this Loan Agreement shall constitute conclusive evidence of approval of the Bond Issuance Agreement by the Borrower to the extent it relates to the Borrower and the Project. The undersigned, FOR VALUE RECEIVED, promise to pay to the order of the CITY OF CHICAGO (the "Issuer"), at the principal office of _____ in Chicago, Illinois, [SEVEN MILLION DOLLARS (\$7,000,000)] or, if less, the aggregate unpaid principal balance of the Series 2022A Loan (as defined in the hereinafter defined Loan Agreement) made by the Issuer to the undersigned pursuant to the Loan Agreement, due and payable on the Series 2022A Maturity Date (as defined in the hereinafter defined Bond Issuance Agreement) or at such earlier time as provided in the Loan Agreement.

The undersigned also promises to pay interest on the unpaid principal amount hereof from time to time outstanding from the date hereof until maturity (whether by acceleration or otherwise) and, after maturity, until paid, at the rates per annum and on the dates specified in the Loan Agreement. Principal of and interest under this Note and on the Series 2022A Bonds shall be payable at such times and in such amounts as shall be sufficient to pay the Issuer's Series 2022A Bonds issued under the Bond Issuance Agreement dated as of _____ 1, 2022 among the Issuer, Legacy Bank & Trust Company, a Missouri chartered bank, as Bondholder, and Zions Bancorporation, National Association, as Fiscal Agent (the "Bond Issuance Agreement").

Prior to maturity, accrued and unpaid interest at the Construction Interest Rate, shall be due and payable in arrears on the first day of each month commencing on [_____, 2022]. The entire principal balance of this Note then unpaid, together with all accrued and unpaid interest and all other amounts payable hereunder and under the other Loan Agreement (as hereinafter defined), shall be due and payable in full twenty-four (24) months thereafter (the "Maturity Date") the final maturity of this Note.

Bondholder shall grant a request by Borrower to extend the Maturity Date of this Note to six (6) months from Maturity Date, upon and subject to the following terms and conditions in the Continuing Covenants Agreement.

This Borrower Note is the "Series 2022A Borrower Note" described in, and is subject to the terms and provisions of that certain Borrower Loan Agreement, dated as of _____ 1, 2022 (as the same may at any time be amended or modified and in effect, the "Loan Agreement"), among the undersigned, the Issuer, and Bondholder, and payment of this Series 2022A Borrower Note is secured as described in the Loan Agreement. It is expressly stipulated and agreed to be the intent of Borrower and Bondholder at all times to comply with applicable state law or applicable United States federal law (to the extent that it permits Bondholder to contract for, charge, take, reserve, or receive a greater amount of interest than under state law). If applicable state or federal law should at any time be judicially interpreted so as to render usurious any amount called for under this Note or under any of the other Loan Documents, or contracted for, charged, taken, reserved, or received with respect to the Loan, or if Bondholder's exercise of the option to accelerate the Maturity Date, or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by applicable law, then it is Bondholder's express intent that all excess amounts theretofore collected by Bondholder shall be credited on the principal balance of this Note and all other indebtedness secured by the Mortgage, and the provisions of this Note and the other Loan Documents shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new documents, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder.

The undersigned also promises to pay interest on the unpaid principal amount hereof from time to time outstanding from the date hereof until maturity (whether by acceleration or otherwise) and, after maturity, until paid, at the rates per annum and on the dates specified in the Loan Agreement. Principal of and interest under this Note and on the Series 2022B Bonds shall be payable at such times and in such amounts as shall be sufficient to pay the Issuer's Series 2022B Bonds issued under the Bond Issuance Agreement dated as of _____ 1, 2022 among the Issuer, Legacy Bank & Trust Company, a Missouri chartered Bank, as Bondholder, and Zions Bancorporation, National Association, as Fiscal Agent (the "Bond Issuance Agreement").

Any remaining principal and interest shall be due and payable on the 1st day of the calendar month which is 408 months after the Closing Date or on any earlier date on which the unpaid principal balance of this Note becomes due and payable, by acceleration or otherwise (the "Maturity Date"). The unpaid principal balance shall continue to bear interest after the Maturity Date at the Past Due Rate (as hereinafter defined) set forth in this Note until and including the date on which it is paid in full.

LAND USE RESTRICTION AGREEMENT

THIS LAND USE RESTRICTION AGREEMENT (this "LURA"), entered into as of _____ 1, 2022, between the CITY OF CHICAGO, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "Issuer"), and CHURCHVIEW SUPPORTIVE LIVING PRESERVATION, LP, an Illinois limited partnership (the "Owner"),

WITNESSETH:

WHEREAS, the Issuer has issued, sold and delivered its [up to \$11,900,000] Multi-Family Housing Revenue Bonds (Churchview Homes Project), Series 2022, consisting of the [\$7,000,000] Multi-Family Housing Revenue Bonds (Churchview Homes Project), Series 2022A (the "**Series 2022A Bonds**") and the [\$4,900,000] Multi-Family Housing Revenue Bonds (Churchview Homes Project), Series 2022B (the "**Series 2022B Bonds**") and collectively with the Series 2022A Bonds, the "**Bonds**"; and

WHEREAS, the Bonds are issued pursuant to the Bond Issuance Agreement of even date herewith (the "**Bond Issuance Agreement**"), among the Issuer, Zions Bancorporation, National Association, as fiscal agent (the "**Fiscal Agent**") and Legacy Bank & Trust Company, a Missouri chartered bank, as bondholder (the "**Bondholder**"); and

WHEREAS, the proceeds derived from the issuance and sale of the Bonds are being lent by the Issuer to the Owner pursuant to the Bond Loan Agreement of even date herewith (the "**Loan Agreement**"), among the Issuer, the Owner and the Bondholder for the purpose of financing a portion of the costs of the acquisition of land and a building thereon located at 2626 W. 63Rd Street, in the City of Chicago, County of Cook, State of Illinois (the "**Facility**") and the rehabilitation and equipping of the Facility to be used as a housing development project for seniors consisting of one building containing approximately 86 rental units together with certain common areas, associated parking spaces and other building amenities in order to properly preserve and enhance the existing affordable housing, as well as to increase energy efficiency (the "**Project**"); and

WHEREAS, in order to assure the Issuer and the Bondholder that interest on the Bonds will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "**Code**"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Owner and the Issuer agree as follows:

Section 1. Term of Restrictions

(a) **Occupancy Restrictions.** The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of the Project and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; or (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding (which period is hereinafter referred with respect to the Project as the "**Qualified Project Period**").

(b) **Rental Restrictions.** The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) **Involuntary Loss or Substantial Destruction.** The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency of the City (with respect to the Project) after the date of delivery of the Bonds, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) all of the Bonds are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this LURA, which new project is subject to new restrictions substantially equivalent to those contained in this LURA, and which is substituted in place of the Project by amendment of this LURA; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Bonds from the gross income of the Holders for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Owner or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. **"Affiliated Party"** means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that "more than 50%" shall be substituted for "at least 80%" each place it appears therein).

(d) **Termination.** This LURA shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Owner of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Bonds to remain excludible from gross income for federal income tax purposes.

(e) **Certification.** Upon termination of this LURA, the Owner and the Issuer shall execute and cause to be recorded (at the Owner's expense), in all offices in which this LURA was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) **HUD-Required Language.** [Reserved]

Section 2. Project Restrictions. The Owner represents, warrants and covenants that:

(a) The Owner has reviewed the provisions of the Code and the Treasury Regulations thereunder (the **"Regulations"**) applicable to this LURA (including, without limitation,

Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired and rehabilitated for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Owner-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis (provided only that during the period of renovation of the Project, residents may occupy particular Units on a short-term basis to accommodate the renovations); nor shall any portion of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; *provided, however* that nothing herein shall be understood to prohibit single-room-occupancy units occupied under month-to-month leases.

(e) All of the Units in the Project will be leased or rented, or available for lease or rental, on a continuous basis to members of the general public (other than (i) Units for resident managers or maintenance personnel, or (ii) Units for Qualifying Tenants as provided for in Section 3 hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

(f) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (i.e., within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(g) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(h) No portion of the Project will be used to provide any health club facility (except as provided in (f) above), any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

Section 3. Occupancy Restrictions. The Owner represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least 40% of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "**Qualifying Tenants**" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as **Exhibit B** (the "**Income Certification**") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Owner or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Owner shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Owner as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Owner shall require each such tenant to execute and deliver the Income Certification; *provided, however*, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a Qualifying Tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Owner in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as the Bonds are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Owner will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in the Project, the Owner will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as **Exhibit C** executed by the Owner with respect to the Project.

(i) The Owner shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Owner to the penalty provided in Section 6652(j) of the Code.

Section 4. Rental Restrictions. The Owner represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, and (c) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements). If a Housing Assistance Payments Contract is subsequently entered into with respect to the Project under the Section 8 assistance program, in administering the restrictions hereunder with respect to the Project the Owner will comply with all Section 8 requirements.

Section 5. Transfer Restrictions. The Owner covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a "**Transfer**") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the "**Assumption Agreement**"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Owner with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Owner shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be

deemed to restrict the transfer of any partnership interest in the Owner or a transfer by foreclosure or deed in lieu of foreclosure.

Section 6. Enforcement

(a) The Owner shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Owner regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this LURA and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Owner shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Owner each covenant that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Bonds from the gross income of the Holders thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this LURA as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Owner covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by the Issuer, which shall be (i) the lesser of (A) 60 days after the effective date of any notice to or from the Owner, or (B) 75 days from the date such violation would have been discovered by the Owner by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Bonds, without further notice, the Issuer shall declare a default under this LURA effective on the date of such declaration of default, and the Issuer shall apply to any, court, state or federal, for specific performance of this LURA or an injunction against any violation of this LURA, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this LURA.

(e) The Owner and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this LURA are to preserve the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Bonds, who are declared to be third-party beneficiaries of this LURA, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this LURA, the Issuer may rely on any certificate delivered by or on behalf of the Owner or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Owner's lenders or Owner's partners shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

Section 7. Covenants to Run with the Land. The Owner hereby subjects the Project, the Site and the Units to the covenants, reservations and restrictions set forth in this LURA. The Issuer and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to the Project, the Units, and the Site, throughout the term of this LURA. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a membership interest in the Owner), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

Section 8. Recording. The Owner shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

Section 9. Agents of the Issuer. The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such City appointment.

Section 10. No Conflict with Other Documents. The Owner warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Owner agrees that the requirements of this LURA are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

Section 11. Interpretation. Any capitalized terms not defined in this LURA shall have the same meaning as terms defined in the Bond Issuance Agreement and the Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

Section 12. Amendment. Subject to any restrictions set forth in the Bond Issuance Agreement, this LURA may be amended by the parties hereto to reflect changes in Section 142(d)

of the Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

Section 13. Severability. The invalidity of any clause, part or provision of this LURA shall not affect the validity of the remaining portions thereof.

Section 14. Notices. Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in the applicable sections of the Bond Issuance Agreement.

Section 15. Governing Law. The laws of the State of Illinois shall govern the construction of this LURA, without reference to its conflicts of laws principles.

Section 16. Limited Liability of Owner. Notwithstanding any other provision or obligation stated in or implied by this LURA to the contrary, any and all undertakings and agreements of the Owner contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future partner of the Owner, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Owner or any past, present or future partner of the Owner, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this LURA or any document executed or delivered by or on behalf of the Owner pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owner of the Bonds, and its respective successors and assigns, shall have the right to sue for specific performance of this LURA and to otherwise seek equitable relief for the enforcement of the obligations and undertakings of the Owner hereunder, including, without limitation, obtaining an injunction against any violation of this LURA or the appointment of a receiver to take over and operate all or any portion of the Project in accordance with the terms of this LURA. This Section shall survive termination of this LURA.

IN WITNESS WHEREOF, the parties hereto have caused this LURA to be signed and sealed by their respective, duly authorized representatives, as of the day and year first above written.
