RICHARD M. DALEY
MAYOR

December 8, 2010

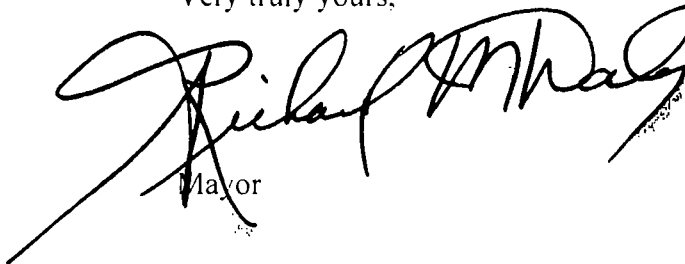

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Community Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City has established the Chicago Plan Commission ("CPC") to, among other things, to cooperate in the preparation and recommendation to the corporate authority from time to time for plans for specific improvements in pursuance of the City's official comprehensive plan for public improvements; and

WHEREAS, the City is the owner of the vacant parcel of land commonly known as 301 East 63rd Street (a/k/a 6301 S. Prairie Avenue), Chicago, Illinois 60637, which is legally described on Exhibit A attached hereto (the "Property"); and

WHEREAS, Norfolk Southern Railway Company, a Virginia for-profit corporation (the "Developer"), has submitted a proposal to the Department of Community Development (together with any successor department thereto, the "Department") to purchase the Property, which is approximately 43,396 square feet and has an appraised fair market value of \$5.15 per square foot, for \$5.00 per square foot; and

WHEREAS, the purchase price of the Property is estimated to be Two Hundred Sixteen Thousand Nine Hundred Eighty and 00/100 Dollars (\$216,980.00), with the actual purchase price to be calculated based on the square footage of the Property as determined by a survey of the Property; and

WHEREAS, the Developer proposes to develop the Property for additional trailer parking for its intermodal yard located adjacent to the Property (the "Project"); and

WHEREAS, by CPC Resolution No. 10-056-21, adopted on November 18, 2010, the CPC approved the Department's entering into a negotiated sale with the Developer for the redevelopment of the Property; and

WHEREAS, public notices advertising the Department's intent to enter into a negotiated sale of the Property with the Developer and requesting alternative proposals appeared in the Chicago Sun-Times on November 20, November 27 and December 4, 2010; and

WHEREAS, no alternative proposals were received by the deadline indicated in the aforesaid notices; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the Property to the Developer at a price \$5.00 of per square foot, with the square footage to be determined by a survey of the Property, is hereby approved. This approval is expressly conditioned upon the City entering into a redevelopment agreement with the Developer substantially in the form attached hereto as Exhibit B and made a part hereof (the "Redevelopment Agreement"). The Commissioner of the Department ("Commissioner") or a designee of the Commissioner is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Redevelopment Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Developer, or to a land trust of which the Developer is the sole beneficiary, or to an entity of which the Developer is the sole owner and the controlling party, subject to those covenants, conditions and restrictions set forth in the Redevelopment Agreement.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall take effect immediately upon its passage and approval.

RECITALS

WHEREAS, the Developer desires to purchase from the City the real property commonly known as 301 East 63rd Street (a/k/a 6301 S. Prairie Avenue), Chicago, Illinois, and legally described on Exhibit A attached hereto (the "Property"); and

WHEREAS, the Developer intends to use the Property in order to expand its intermodal yard (the "Internodal Yard") that adjoins the Property, as more fully described on Exhibit B attached hereto (the "Project"); and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 20__, authorized the sale of the Property to the Developer, subject to the execution, delivery and recording of this Agreement; and

WHEREAS, the Developer and the City acknowledge that the implementation of the policies and provisions described in this Agreement will be of mutual benefit to the Developer and the City.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE.

Subject to the terms, covenants and conditions of this Agreement, the City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, which is approximately Forty-Three Thousand Three Hundred Ninety-Six (43,396) square feet and has an appraised fair market value of \$5.15 per square foot, for \$5.00 per square foot. The purchase price of the Property is estimated to be Two Hundred Sixteen Thousand Nine Hundred Eighty and 00/100 Dollars (\$216,980.00), with the actual purchase price (the "Purchase Price"), which will be calculated based on the square footage of the Property as determined by a survey of the Property, to be paid to the City at the Closing (as defined in Section 4) in cash or by certified or cashier's check or wire transfer of immediately available funds, less the Earnest Money (as defined in Section 3.1) previously paid by Developer to the City. Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

3.1 Earnest Money. Not later than the earlier of (a) January 15, 2011 or such later date as determined by the Commissioner of the Department (the "Commissioner") and (b) the date on which the Developer executes this Agreement, the Developer shall deposit with the City the amount of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500) ("Earnest Money"), which shall be applied to the Purchase Price at the Closing.

3.2 Performance Deposit. Not later than the earlier of (a) January 15, 2011 or such later date as determined by the Commissioner and (b) the date on which the Developer executes this Agreement, the Developer shall deposit with the City the amount of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500), as security for the performance of its obligations under this Agreement ("Performance Deposit"), which the City will retain until the City issues a Certificate of Completion (as defined in Section 13).

3.3 Interest. The City will pay no interest to the Developer on the Performance Deposit.

SECTION 4. CLOSING.

The closing of the transaction contemplated by this Agreement (the "Closing") shall take place at the downtown offices of Greater Illinois Title Company, 120 North LaSalle Street, Chicago, Illinois 60602, or such other title company as may be selected by the Developer (the "Title Company"), within thirty (30) days after the Developer has obtained all applicable building permits and zoning approvals for the Project, as required pursuant to Section 9.1, or on such date as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur (a) until the Developer has satisfied all conditions precedent set forth in Section 9, unless the Department, in its sole discretion, waives such conditions, and (b) any later than March 25, 2011 (the "Outside Closing Date"), unless the Department, in its sole discretion, extends the Outside Closing Date for a period of up to six (6) months. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

SECTION 5. CONVEYANCE OF TITLE.

5.1 Form of Deed. Without limiting the generality of the quitclaim nature of the deed, the City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following (collectively, the "Permitted Exceptions"):

- (a) the standard exceptions in an ALTA title insurance policy;
- (b) general real estate taxes and any special assessments or other taxes;
- (c) all easements, encroachments, covenants and restrictions of record and not shown of record;
- (d) such other title defects as may exist; and
- (e) any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

SECTION 6. TITLE AND SURVEY.

6.1 The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance for the Property (the "Title Commitment") from the Title Company, showing the City in title to the Property. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer

documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the Property.

6.2 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer shall have the option to do one of the following: (a) accept title to the Property subject to the unpermitted exceptions, which shall then become Permitted Exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date, in which event the City shall return the Earnest Money and Performance Deposit to the Developer, this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to the unpermitted exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for all applicable building permits and other required permits and approvals for the construction of the Project no later than fourteen (14) days after the City Council authorizes the sale of the Property, and shall pursue such permits and approvals in good faith and with all due diligence.

SECTION 8. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be Five Hundred Thousand and 00/100 Dollars (\$500,000) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the Department for approval a final Project budget materially consistent with the Preliminary Budget ("Budget") and evidence of funds adequate to finance the purchase of the Property and the construction of the Project ("Proof of Financing"). The Proof of Financing shall include binding commitment letters from the Developer's lenders, if any, and evidence of the Developer's ability to make an equity contribution in the amount necessary to fill the gap between the Budget and any approved financing.

SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least fourteen (14) days prior to the Closing Date, or on such other date as may be expressly provided for below, unless waived in writing by the Commissioner:

9.1 Final Governmental Approvals. The Developer shall have delivered to the City evidence of all applicable building permits and other final governmental approvals necessary to construct the Project.

9.2 Budget and Proof of Financing. The City shall have approved the Developer's Budget and Proof of Financing.

9.3 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close or draw down on any acquisition financing approved pursuant to this Agreement and be in a position to immediately commence construction of the Project.

9.4 Insurance. The Developer shall have delivered to the City evidence of liability and property insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies from the Closing Date through the date the City issues the Certificate of Completion (as defined in Section 13 below). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured. Upon request, the Developer shall provide a copy of the declaration page for each policy listed on the ACORD 25 and ACORD 28 forms.

9.5 Legal Opinion. The Developer shall, at the City's request, deliver to the City a legal opinion in a form reasonably acceptable to the City's Corporation Counsel.

9.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in its name (UCC liens, state and federal tax liens, pending litigation and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

9.7 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 9.2, the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land, or such other subordination assurance as the Corporation Counsel shall deem acceptable.

9.8 MBE/WBE Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department regarding compliance with the MBE/WBE, city residency hiring, prevailing wage and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.9 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 24 and elsewhere in this Agreement shall be true and correct.

9.10 Organization and Authority Documents. The Developer shall have delivered to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing Date; and such other corporate authority and organizational documents as the City may reasonably request.

9.11 Reconveyance Deed. Prior to the conveyance of the Property to the Developer, the Developer shall deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 19.6 below, if applicable.

9.12 Petition for Division. The Developer shall have prepared for the parties' execution a Petition for Division of Property relating to P.I.N. 20-22-108-024-0000.

9.13 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement. If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, or waived by the Department in writing, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, in which event the City shall return the Performance Deposit to the Developer, this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the final design development drawings, landscape plan and specifications prepared by Daniel Weinbach & Partners, Ltd., 53 West Jackson Boulevard, Suite 250, Chicago, Illinois 60604, which have been approved by the Department and which are attached hereto as Exhibit C ("Working Drawings, Landscape Plan and Specifications"). No material deviation from the Working Drawings, Landscape Plan and Specifications may be made without the prior written approval of the Department. If the Developer submits and the Department approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings, Landscape Plan and Specifications" as used herein shall refer to the revised design development drawings, landscape plan and specifications upon the Department's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The Department shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.5 Survival. The provisions of this Section 10 shall survive the Closing.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by the Department pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such Department approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all applicable government approvals, the Developer shall commence construction of the Project no later than March 25, 2011, and shall complete the Project (as determined by the Department) no later than September 1, 2011. The Commissioner of the Department shall have discretion to extend any of the construction commencement and

completion dates by up to six (6) months each for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Developer shall construct the Project in accordance with the Working Drawings Landscape Plan and Specifications, and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Project in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Promptly following the recordation of the Certificate of Completion, the City shall return the Performance Deposit and Reconveyance Deed to the Developer.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

14.1 Shall devote the Property solely to the Project or a rail use.

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other

reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of the Department, which consent shall be in the Department's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which shall be in the Department's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for any mortgage approved pursuant to Section 9.2.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and shall, prior to recording any mortgage approved pursuant to Section 9.2, execute and record a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) and Section 16 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 14.1 shall remain in effect for so long as the Developer remains in title to the Property; provided, however, such covenants shall not terminate prior to

the issuance of the Certificate of Completion. The covenants contained in Section 14.2 shall remain in effect without limitation as to time.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer, within twenty (20) days after the beginning of any such delay, submits to the Commissioner a written request for an extension.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e) and (g).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement and Affidavit, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to timely pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless the Department, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer, and retain the Earnest Money as liquidated damages.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, retain the Performance Deposit (which shall be applied against any money damages incurred by the City), and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revert title to the Property in the City pursuant to the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer represents and warrants to the City that the City may revert title through the recording of the Reconveyance Deed without any prior approval from the Surface Transportation Board, the Illinois Commerce Commission, or any similar regulatory body having jurisdiction over the Developer's operations. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City.

19.7 Resale of the Property. Upon the reversion in the City of title to the Property as provided in Section 19.6, the City may complete the Project or convey the Property, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to the Department, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property. In addition to, and without in any way limiting the City's rights under this Section 19, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by

the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the property in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, performs, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the Property.

22.3 Indemnity. The Developer hereby waives and releases, and indemnities the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own

inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775

ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) With respect to the Project, the Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. With respect to the Project, the Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the

Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff and to the alderman (aldermen) in whose ward(s) the Property is located during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Constmction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 23 requirements. During this pre-constmction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the constmction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certitied payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a for-profit corporation duly organized under the laws of the State of Virginia and validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under the Developer's by-laws or any agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that

results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

28.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2 The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract,

at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Polifical fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 29. MISCELLANEOUS.

The following general provisions govern this Agreement:

29.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

29.2 Cumulative Remedies. 29.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

29.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

This section does not limit Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

SECTION 32. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor nor any Agents have, during the five years before the date this EDS is signed, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the five years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

A number of the questions in the City of Chicago's Economic Disclosure Statement and Affidavit (the "EDS Statement") appear intended to solicit information from smaller organizations where all of the knowledge of that organization's activities resides among a handful of people rather than to a large publicly-traded corporation like Norfolk Southern Corporation ("NSC"), which owns Norfolk Southern Railway Company ("NSR," and together with NSC and NSC's other subsidiaries, "Norfolk Southern") ... (*Continued on Attachment V.B.6)

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

Does the Matter involve a City Property Sale?

☐ Yes

☐ No

3. If you checked "Yes" to Item D.1., provide the names and business addresses of the City officials or employees having such interest and identify the nature of such interest:

Please check either 1. or 2. below. If the Disclosing Party checks 2., the Disclosing Party must disclose below or in an attachment to this EDS all information required by paragraph 2. Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

☐ 1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

☒ 2. The Disclosing Party verifies that, as a result of conducting the search in step 1 above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

Note: Records on this list have references to slave labor. Owners' names are listed with slaves' names when given following in parenthesis. Where no names are given, those records with references to hiring provisioning or medical services for slaves are still noted. All surviving records of antecedent companies in the possession

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995 who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in Paragraph A.1. above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A.1. and A.2. above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities".

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A.1. through A.4. above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

ATTACHMENT V.B.6

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nscorp.com, including its Annual Report for the fiscal year ended December 31, 2008.

The following two paragraphs are responsive to Certification V.B.1.e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B.1.e – A is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, attached in Table V.B.1.e – B, is that information which can be secured without undue effort or expense.

TABLE V.B.1.e – A

Part 1

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C, and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of \$4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.
2. On Oct. 19, 2006, the Pennsylvania Department of Environmental Protection (PDEP) issued an assessment of civil penalties against Norfolk Southern and filed a complaint for civil penalties with the Pennsylvania Environmental Hearing Board (EHB) requesting that the EHB impose civil penalties upon Norfolk Southern for alleged violations of state environmental laws and regulations resulting from a discharge of sodium hydroxide that occurred as a result of the derailment of a Norfolk Southern train in Norwich Township, Pennsylvania, on June 30, 2006. PDEP's actions sought to impose combined penalties of \$8,890,000 for alleged past violations and \$46,420 per day for alleged continuing violations of state environmental laws and regulations. Norfolk Southern appealed the fines to the EHB. The Pennsylvania Fish and Boat Commission sought financial restitution for damages alleged to have been caused by this accident. In addition, the Pennsylvania Attorney General and the McKean County District Attorney filed three misdemeanor charges for alleged violations of state environmental and aquatic resource protection laws and regulations. Norfolk Southern has entered into a settlement agreement with all Commonwealth of Pennsylvania parties, pursuant to which all claims by the Commonwealth for civil liability resulting from the derailment and spill were resolved, with Norfolk Southern agreeing to pay approximately \$7.35 million in restitution to compensate for all natural resource damages and the agencies' response costs caused by the derailment and spill. Norfolk Southern also pled no contest to the three misdemeanor charges and paid fines in the amount of \$250,000 to resolve them.
3. On July 13, 2007, Norfolk Southern received a subpoena from a state grand jury requesting documents and materials relating to the company's setting of fuel surcharges. Norfolk Southern cooperated with the state in its investigation, and has been notified that the state decided not to move forward with its investigation at this time, while reserving its right to re-open the matter in the future if it decides circumstances so dictate.
4. On August 15, 2007, Norfolk Southern entered into a Consent Assessment of Civil Penalty (Consent Assessment) with the PDEP, resolving alleged violations of the Clean Streams Law, the Solid Waste Management Act, the Hazardous Sites Cleanup Act, and the Air Pollution Control Act, and regulations promulgated thereunder. The Consent Assessment resolved three Notices of Violation (NOVs)

received for alleged violations associated with spill incidents in Bell Township, Creighton, and New Brighton, Pennsylvania, as well as other issues not subject to NOV. Specifically, on December 29, 2005, Norfolk Southern received a NOV related to a January 5, 2004 derailment near the village of Truxal in Bell Township, which had resulted in the release of shelled corn, lubricating oil, and diesel fuel. On July 1, 2005, Norfolk Southern received a NOV related to a January 31, 2005 derailment near Creighton in East Deer Township, which had resulted in the release of hydrogen fluoride. On October 26, 2006, Norfolk Southern received a NOV related to an October 20, 2006 derailment on and near the railroad bridge between Beaver Falls and New Brighton, which had resulted in the release of ethanol. The other two matters related to a 2003 diesel fuel spill caused by an outside contractor in Union Township and a number of spill incidents arising from September 8, 2003 to the date of the Consent Assessment from Conway Yard in Conway Borough. A civil penalty in the amount of \$575,000 was paid to the Commonwealth of Pennsylvania, Clean Water Fund on September 12, 2007 in settlement of these incidents.

5. Norfolk Southern entered into a Consent Order on or about March 12, 2008 with the Georgia Department of Natural Resources Environmental Protection Division in connection with certain alleged violations of the storm water general pennit requirements applicable to land disturbing activities associated with a September 2007 track siding extension project in Gordon County, Georgia. Among other things, Norfolk Southern mistakenly submitted the pennit fee in April 2007 to the same address used for the application. Under the consent order Norfolk Southern agreed to implement best management measures and to have its erosion and sedimentation control plan certified. Norfolk Southern paid a penalty of \$4,500. The EPD inspector was pleased overall with the stability of the project.
6. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Momence, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of \$9,900 in January, 2010.
7. On approximately May 15, 2008, Norfolk Southern was notified by PDEP that the agency assessed a \$24,000 penalty against it for alleged violations of the Pennsylvania Storage Tank and Spill Prevention Act. PDEP claims that during an inspection at Conway Yard, Conway, Pennsylvania, it discovered several testing and recordkeeping violations. The penalty assessment was appealed and a final settlement reached with PDEP that resulted in a Consent Assessment of Civil Penalty for a \$12,000 fine.
8. On May 14, 2008, the United States Coast Guard issued a Notice of Violation in connection with a sheen of oil that resulted from a gasket failure on the land arm

swivel joint of a manifold connecting to a fuel barge at Conway Yard. A boom was immediately deployed by Norfolk Southern forces and the swivel joint was taken out of service. Less than one gallon of fuel was estimated to be released. The Coast Guard's NOV assessed a \$250 penalty, which was paid.

9. Ohio EPA cited Norfolk Southern for the railroad's failure to file a Large Quantity Generator ("LQG") Report on August 6, 2008 in connection with a one-time hazardous material spill cleanup event at Columbus, Ohio. The failure to file was inadvertent since the yard facility ordinarily is a small quantity hazardous waste generator. The railroad late filed the LEQ report and has requested the State to delist the yard as a LQG. No penalty was assessed.
10. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidentally breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of \$9,000 in penalties in these two dockets.
11. In April and May 2008, the New Jersey Department of Environmental Protection issued a Notice of Violation and an Administrative Order and Notice of Civil Administrative Penalty Assessment, respectively, alleging that Norfolk Southern violated provisions of its New Jersey Pollutant Discharge Elimination System Permit at its Elizabeth City, NJ rail terminal. Norfolk Southern immediately corrected any potential noncompliance issues and in November 2008, paid a penalty of \$5,000.
12. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a \$1,500 penalty, which was paid.
13. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a \$500 penalty, which was paid.
14. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. Proposed penalties amount to \$98,600. Norfolk Southern has informally contested the allegations and requested a reduction in penalty since the alleged deficiencies caused no environmental harm and given the railroad's overall favorable enforcement history for the pipeline. The railroad is taking steps to update the Operator Qualification Plan for the pipeline to include all information requested by PHMSA.

15. In late June, 2010, the state of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a Consent Order for Preliminary Injunction with the court that requires certain actions to be undertaken by Norfolk Southern at the facility. It is expected that additional negotiations for final relief and a penalty will be conducted.

I. Juniata, PA

On or about January 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Juniata facility. The Citation was resolved with OSHA through an Informal Settlement Agreement dated February 14, 2008. The alleged violations which are the subject of the Informal Settlement Agreement involve the implementation of administrative or engineering controls to reduce exposure to copper and iron oxide during welding operations; the provision of information and training concerning hexavalent chromium; training concerning potential exposure to lead; and the provision of separate storage facilities for street clothes and protective clothing. All of these violations were classified as Other Than Serious and there was a total penalty of \$1,500.

II. Portsmouth, OH

On or about March 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Portsmouth facility. The alleged serious violations contained in the Citation related to the OSHA requirements concerning electric power generation, transmission and distribution under 29 CFR 1910.269. This matter was settled by stipulation and agreement on May 15, 2008, with a penalty payment of \$20,000. The descriptions of certain alleged violations were amended, the citation relating to accident reporting was withdrawn (since NSRC is subject to DOT reporting requirements) and all items were abated by October 8, 2008.

III. Baltimore, MD

The Maryland Department of Labor on March 28, 2008 issued two citations against Norfolk Southern Railway Company, alleging five occupational and safety violations at small car repair mechanical facility in Baltimore, Maryland, including one for which railroads are exempted under state law. The matter was settled on April 28, 2008, with a penalty payment of \$2,062.50 for three violations relating to welding shields, open circuit breaker and an electrical obstruction. The two violations relating to maintenance and submission of the chemical inventory list were rescinded.

Corporation ("NSC"), which owns Norfolk Southern Railway Company ("NSR," and together with NSC and NSC's other subsidiaries, "Norfolk Southern") ... (*Continued on Attachment V.B.6)

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

ATTACHMENT V.B.6

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nscorp.com, including its Annual Report for the fiscal year ended December 31, 2008.

The following two paragraphs are responsive to Certification V.B.1.e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B.1.e – A is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, attached in Table V.B.1.e – B, is that information which can be secured without undue effort or expense.

TABLE V.B.1.e – A

Part 1

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C. and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of \$4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.
2. On Oct. 19, 2006, the Pennsylvania Department of Environmental Protection (PDEP) issued an assessment of civil penalties against Norfolk Southern and filed a complaint for civil penalties with the Pennsylvania Environmental Hearing Board (EHB) requesting that the EHB impose civil penalties upon Norfolk Southern for alleged violations of state environmental laws and regulations resulting from a discharge of sodium hydroxide that occurred as a result of the derailment of a Norfolk Southern train in Norwich Township, Pennsylvania, on June 30, 2006. PDEP's actions sought to impose combined penalties of \$8,890,000 for alleged past violations and \$46,420 per day for alleged continuing violations of state environmental laws and regulations. Norfolk Southern appealed the fines to the EHB. The Pennsylvania Fish and Boat Commission sought financial restitution for damages alleged to have been caused by this accident. In addition, the Pennsylvania Attorney General and the McKean County District Attorney filed three misdemeanor charges for alleged violations of state environmental and aquatic resource protection laws and regulations. Norfolk Southern has entered into a settlement agreement with all Commonwealth of Pennsylvania parties, pursuant to which all claims by the Commonwealth for civil liability resulting from the derailment and spill were resolved, with Norfolk Southern agreeing to pay approximately \$7.35 million in restitution to compensate for all natural resource damages and the agencies' response costs caused by the derailment and spill. Norfolk Southern also pled no contest to the three misdemeanor charges and paid fines in the amount of \$250,000 to resolve them.
3. On July 13, 2007, Norfolk Southern received a subpoena from a state grand jury requesting documents and materials relating to the company's setting of fuel surcharges. Norfolk Southern cooperated with the state in its investigation, and has been notified that the state decided not to move forward with its investigation at this time, while reserving its right to re-open the matter in the future if it decides circumstances so dictate.
4. On August 15, 2007, Norfolk Southern entered into a Consent Assessment of Civil Penalty (Consent Assessment) with the PDEP, resolving alleged violations of the Clean Streams Law, the Solid Waste Management Act, the Hazardous Sites Cleanup Act, and the Air Pollution Control Act, and regulations promulgated thereunder. The Consent Assessment resolved three Notices of Violation (NOVs)

received for alleged violations associated with spill incidents in Bell Township, Creighton, and New Brighton, Pennsylvania, as well as other issues not subject to NOV. Specifically, on December 29, 2005, Norfolk Southern received a NOV related to a January 5, 2004 derailment near the village of Truxal in Bell Township, which had resulted in the release of shelled corn, lubricating oil, and diesel fuel. On July 1, 2005, Norfolk Southern received a NOV related to a January 31, 2005 derailment near Creighton in East Deer Township, which had resulted in the release of hydrogen fluoride. On October 26, 2006, Norfolk Southern received a NOV related to an October 20, 2006 derailment on and near the railroad bridge between Beaver Falls and New Brighton, which had resulted in the release of ethanol. The other two matters related to a 2003 diesel fuel spill caused by an outside contractor in Union Township and a number of spill incidents arising from September 8, 2003 to the date of the Consent Assessment from Conway Yard in Conway Borough. A civil penalty in the amount of \$575,000 was paid to the Commonwealth of Pennsylvania, Clean Water Fund on September 12, 2007 in settlement of these incidents.

5. Norfolk Southern entered into a Consent Order on or about March 12, 2008 with the Georgia Department of Natural Resources Environmental Protection Division in connection with certain alleged violations of the storm water general permit requirements applicable to land disturbing activities associated with a September 2007 track siding extension project in Gordon County, Georgia. Among other things, Norfolk Southern mistakenly submitted the permit fee in April 2007 to the same address used for the application. Under the consent order Norfolk Southern agreed to implement best management measures and to have its erosion and sedimentation control plan certified. Norfolk Southern paid a penalty of \$4,500. The EPD inspector was pleased overall with the stability of the project.
6. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Mokena, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of \$9,900 in January, 2010.
7. On approximately May 15, 2008, Norfolk Southern was notified by PDEP that the agency assessed a \$24,000 penalty against it for alleged violations of the Pennsylvania Storage Tank and Spill Prevention Act. PDEP claims that during an inspection at Conway Yard, Conway, Pennsylvania, it discovered several testing and recordkeeping violations. The penalty assessment was appealed and a final settlement reached with PDEP that resulted in a Consent Assessment of Civil Penalty for a \$12,000 fine.
8. On May 14, 2008, the United States Coast Guard issued a Notice of Violation in connection with a sheen of oil that resulted from a gasket failure on the land arm

- swivel joint of a manifold connecting to a fuel barge at Conway Yard. A boom was immediately deployed by Norfolk Southern forces and the swivel joint was taken out of service. Less than one gallon of fuel was estimated to be released. The Coast Guard's NOV assessed a \$250 penalty, which was paid.
9. Ohio EPA cited Norfolk Southern for the railroad's failure to file a Large Quantity Generator ("LQG") Report on August 6, 2008 in connection with a one-time hazardous material spill cleanup event at Columbus, Ohio. The failure to file was inadvertent since the yard facility ordinarily is a small quantity hazardous waste generator. The railroad late filed the LEQ report and has requested the State to delist the yard as a LQG. No penalty was assessed.
 10. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidentally breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of \$9,000 in penalties in these two dockets.
 11. In April and May 2008, the New Jersey Department of Environmental Protection issued a Notice of Violation and an Administrative Order and Notice of Civil Administrative Penalty Assessment, respectively, alleging that Norfolk Southern violated provisions of its New Jersey Pollutant Discharge Elimination System Permit at its Elizabeth City, NJ rail terminal. Norfolk Southern immediately corrected any potential noncompliance issues and in November 2008, paid a penalty of \$5,000.
 12. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a \$1,500 penalty, which was paid.
 13. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a \$500 penalty, which was paid.
 14. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. Proposed penalties amount to \$98,600. Norfolk Southern has informally contested the allegations and requested a reduction in penalty since the alleged deficiencies caused no environmental harm and given the railroad's overall favorable enforcement history for the pipeline. The railroad is taking steps to update the Operator Qualification Plan for the pipeline to include all information requested by PHMSA.

15. In late June, 2010, the state of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a Consent Order for Preliminary Injunction with the court that requires certain actions to be undertaken by Norfolk Southern at the facility. It is expected that additional negotiations for final relief and a penalty will be conducted.

TABLE V.B.I.e – B

I. Juniata, PA

On or about January 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Juniata facility. The Citation was resolved with OSHA through an Informal Settlement Agreement dated February 14, 2008. The alleged violations which are the subject of the Informal Settlement Agreement involve the implementation of administrative or engineering controls to reduce exposure to copper and iron oxide during welding operations; the provision of information and training concerning hexavalent chromium; training concerning potential exposure to lead; and the provision of separate storage facilities for street clothes and protective clothing. All of these violations were classified as Other Than Serious and there was a total penalty of \$1,500.

II. Portsmouth, OH

On or about March 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Portsmouth facility. The alleged serious violations contained in the Citation related to the OSHA requirements concerning electric power generation, transmission and distribution under 29 CFR 1910.269. This matter was settled by stipulation and agreement on May 15, 2008, with a penalty payment of \$20,000. The descriptions of certain alleged violations were amended, the citation relating to accident reporting was withdrawn (since NSRC is subject to DOT reporting requirements) and all items were abated by October 8, 2008.

III. Baltimore, MD

The Maryland Department of Labor on March 28, 2008 issued two citations against Norfolk Southern Railway Company, alleging five occupational and safety violations at small car repair mechanical facility in Baltimore, Maryland, including one for which railroads are exempted under state law. The matter was settled on April 28, 2008, with a penalty payment of \$2,062.50 for three violations relating to welding shields, open circuit breaker and an electrical obstruction. The two violations relating to maintenance and submission of the chemical inventory list were rescinded.
