ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 1027 Madison Partners LLC, an Illinois limited liability company (the "Owner"), is the owner of the historic building commonly known as 1027 W. Madison (the "Building") located generally at 1027-1031 West Madison Street in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, it is expected that the City Council of the City (the "City Council") will adopt an ordinance designating the Building as a Chicago Landmark pursuant to the criteria established in Section 2-120-620 of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to the Classification Ordinance; and

WHEREAS, the Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, the Owner proposes using the Building for office space and retail purposes (the "Use") after the Project is completed; and

WHEREAS, the Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation

Commission's (as defined in the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, the City is a Certified Local Government as defined in the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in the Classification Ordinance); and

WHEREAS, on March 3, 2011, the Landmarks Commission issued a written recommendation of the Project to the City Council recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, the Project Real Estate has not been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building and Land; and

WHEREAS, the Department of Housing and Economic Development ("HED") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project and the Use as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by April 30, 2012. The Commissioner of HED (the "Commissioner"), or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer"), shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this Ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project, including such other terms and conditions as may be approved in connection with the Project by the Authorized Officer. The Authorized Officer is hereby authorized to approve minor changes in the scope of work delineated on Exhibit B to Exhibit 2 hereof, provided that (i) changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer); and (ii) the total Class L eligible cost amount is not reduced.

SECTION 8. Upon request by the Owner, for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate (the "Final Determination"), the Authorized Officer shall verify that the work performed substantially conforms to the Project and Use approved by the City, and that the Project Real Estate is eligible for the Class L incentive.

SECTION 9. A change in Owner of the Project Real Estate before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council.

SECTION 10. No permit fee waiver(s) from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 11. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

SECTION 12. This Ordinance shall be effective from and after its passage and approval.
