ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Revenue ("DOR") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Housing and Economic Development ("HED") has determined that the Fee-Paying Developments built in the Community Areas listed on Exhibit A attached hereto have deepened the already significant deficit of open space in those Community Areas, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the Chicago Public Schools (the "CPS") is the owner of parcels of land on the campuses of Kelvyn Park High School, Ebinger Elementary School and Farnsworth High School, legally identified and described on Exhibit A hereto (collectively, the "Property");

WHEREAS, Openlands, a 501(C)(3) Illinois not-for-profit corporation, is dedicated to preserving and creating open space;

WHEREAS, the City, the CPS and Openlands desire to create school gardens at each of the above mentioned schools (collectively, the "Project") for the benefit and use of the above mentioned schools and the respective Community Areas in which they are located; and

WHEREAS, the City desires to grant Openlands impact fee funds to pay for construction cost associated with building the gardens at the Property; and

WHEREAS, HED desires to provide to Openlands Open Space Fees in an amount not to exceed \$247,833 (the "Grant") for the Project; and to create open spaces and recreational facilities in the Community Areas listed on Exhibit A; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOR for the corresponding Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, HED has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein and on Exhibit A through this ordinance; and

WHEREAS, HED has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council hereby finds that the expenditure of the Open Space Fees will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fees for the purposes described herein.

SECTION 3. The Commissioner of HED (the "Commissioner") or a designee of the Commissioner are each hereby authorized, subject to the approval of the Corporation Counsel to

SECTION 4. Open Space Fees in the amounts on Exhibit A from the Community Areas' Open Space Fees Funds are hereby appropriated for the purposes described herein.

SECTION 5. To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the City and Openlands agree as follows:

SECTION 1. THE GRANT

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Openlands for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by HED, and only after Openlands has submitted Certificate(s) of Expenditure to HED (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Openlands may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Openlands must submit documentation regarding the applicable expenditures to HED. Delivery by Openlands to HED of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that,

- (a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- (b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;
- (c) Openlands has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and
- (d) Openlands is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Openlands as related thereto.

1.3. Openlands hereby acknowledges and agrees that the Grant must be used exclusively for the Project. If the Grant should exceed the costs of the Project, Openlands must repay to the City any such excess Grant funds received by Openlands.

1.4. Openlands is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Openlands be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

1.5. The source of funds for the City's obligations under this Agreement are the funds identified by CAPS Codes: PS20 131 54 5020 2604, PS09 131 54 0920 2604 and PS11 131 54 5011 2604. Openlands hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Grant, then the City will notify Openlands in writing of that occurrence, and Openlands will have the right, but not the obligation to terminate this Agreement by written notice to the City.

SECTION 2. DEVELOPMENT AND CONSTRUCTION OF THE PROJECT

A. Title Commitment and Insurance; Survey. Openlands must be responsible for obtaining, at its own expense, any title commitment or title policy and survey with respect to the Property that it deems necessary.

B. Construction Documents and Landscape Plan. Openlands has developed the construction documents and a plan for the Project (the "Drawings") as shown on Exhibit C. No material deviation from the Drawings will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. The approval of the Drawings by HED are for the purposes of this Agreement only and other than as set forth in the Drawings, no structures or improvements are to be constructed on the Property by Openlands without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed and will not constitute the approval required by the City's Department of Buildings, or any other Department of the City.

C. Schedule. Openlands has prepared a preliminary schedule for the development and construction of the Project as set forth on Exhibit D (the "Schedule"). No material deviation from the Schedule will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of HED be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. Use. The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Openlands or any other person or entity to use the Project for private parties or events. Upon the City's request, Openlands will provide evidence of such compliance satisfactory to the City.

4.3. Openlands agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

4.4. Openlands has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

4.5. Signing, delivery and performance by Openlands of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which Openlands is party or by which it is bound.

4.6. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Openlands that would materially impair its ability to perform under this Agreement.

4.7. Openlands is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

4.8. If the Grant, or a portion thereof, is used for construction, Openlands and all its contractors and subcontractors must meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

4.9. Openlands must maintain and keep in force, at its sole cost and expense, at all times during the term of this Agreement, insurance in such amounts and of such type as set forth in Section 6 below.

4.10. Openlands must at all times perform its work in fulfilling its corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

Openlands must at all times during the term of this Agreement maintain such tax-exempt status.

4.12. Openlands must comply with all policies issued by the City relating to Illinois not-for-profit corporations and federal tax-exempt entities, as such policies may be modified, amended or supplemented from time to time.

4.13. The Parties agree and understand that the CPS will maintain the Project improvements on the Property in a condition and manner acceptable to the City.

4.14 It is the duty of Openlands and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Openlands and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Openlands represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform all contractors and subcontractors hired by Openlands in connection with this Agreement of this provision in writing and require their compliance.

Openlands represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Openlands in connection with this Agreement of this provision in writing and require their compliance.

4.15 Failure by Openlands or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

SECTION 5. ENVIRONMENTAL MATTERS

5.1. It will be the responsibility of Openlands to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

5.2. Openlands agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Openlands must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed.. The City reserves the right to inspect the work being done on the Property. Openlands agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Openlands.

5.3. Prior to inspecting the Property, Openlands or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

SECTION 6. INSURANCE

6.1. Openlands must provide and maintain at Openlands's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

The receipt of any certificate does not constitute agreement by the City that the

insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Openlands is not a waiver by the City of any requirements for Openlands to obtain and maintain the specified coverages. Openlands must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Openlands of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Openlands under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Openlands is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Openlands must require all subcontractors to provide insurance required in this Agreement, or Openlands may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Openlands unless otherwise specified in this Agreement.

9.2. Prior to termination, the City will give Openlands 30 days' advance written notice of the City's intent to terminate stating the nature of the default. If Openlands does not cure the default within the 30-day period, the termination will become effective at the end of the period. With

respect to those defaults that are not capable of being cured within the 30-day period, Openlands will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.
