1.3 This Assignment. As further security for the repayment of the Loan and for the payment and performance of all other Liabilities hereinafter described, Beneficiary is required by the Loan Docuruents to execute and deliver to Lender this Assignment.

II. ASSIGNMENT AND SECURITY

2.1 Assignment. In consideration of the Loan and other good and valuable consideration (whose receipt and sufficiency are hereby acknowledged), Beneficiary hereby grants to Lender a lien and security interest in, and assigns, sells and conveys to Lender: (a) all of Beneficiary's right, title, and interest in, under and to the Trust Agreement, including all power of direction; (b) all property (including the Real Estate) now or in the future held or owned by Trustee pursuant to the terms of the Trust Agreeeruent or other documents (collectively the "Collateral") and to any and all proceeds of the Collateral or any part thereof, including, without hmitation, all proceeds from rental, ruortgages, sales, conveyances, or other dispositions or realizations of any kind; and (c) the right to ruanage, direct, and control the Collateral and the actions of Trustee with respect to the Collateral.

2.2 Security for Liabilities. 2.3 Joint Power of Direction. Beneficiary hereby appoints Lender as a joint holder of the power of direction under the Tmst Agreement. Beneficiary and Lender shall jointly, not severally, exercise the power of direction. The exercise of Lender's power of direction must be evidenced in writing and be executed by an officer of Lender.

III. TITLE TO COLLATERAL

Beneficiary hereby warrants, represents, and agrees as follows:

- (a) Beneficiary is the owner of one hundred percent (100%) of the beneficial interest and power of direction under the Tmst Agreement;
- (b) the copy of the Tmst Agreement most recently delivered by Beneficiary to Lender is true, correct, and complete as of the date hereof and shall not be changed, amended, or superseded without Lender's prior written consent;
- (c) Except for Lender's security interest and except for transfers of the Collateral that are permitted pursuant to the terms of the Mortgage, Beneficiary is and shall remain the owner of all of the Collateral, including the beneficial interest, free from any lien, security interest, encumbrance, or other right, title or interest of any other person or entity;
- (d) Beneficiary shall defend the Collateral against any and all claims and demands adverse to Lender;
- (e) no financing statement is now on file in any public office covering or referring to any of the Collateral (except in favor of Lender). So long as any sum remains unpaid on any Liabilities or any credit from Lender to Beneficiary or Tmstee is in use by or available to Beneficiary or Tmstee, Beneficiary shall not execute and there shall not be on file in any public office any assignment (whether absolute or for security and whether or not stated to be subject to this Assignment) or any financing statement covering any of the Collateral (except in favor of Lender);

(f) Beneficiary shall execute and deliver to Lender, for filing where and as often as Lender deems necessary, all financing statements and other forms of notices as Lender may request, and Beneficiary shall pay the related filing costs;

(g) except for those "Permitted Encumbrances" as defined in and expressly allowed under the Mortgage, if any, the Real Estate (including fixtures) is and shall remain free of any security interest, mortgage, tmst deed, lien, encumbrance or other instrument or document granting an interest to any person other than to Lender; and

(h) Beneficiary has full power and authority to make this Assignment. This assignment does not violate any law or court order or any agreement to which Beneficiary or any general partner, venturer, controlling shareholder of Beneficiary, or a guarantor of Beneficiary's or Tmstee's obligations to Lender is now or becomes a party is subject.

IV. DEFAULTS AND REMEDIES

4.1 Events of Default. The following constitute an event of default hereunder ("Event of Defaults"):

(a) An Event of Default as defined in Paragraph 8.1 of the Mortgage.

4.2 Disposition of Collateral. At any time after the occurrence of an Event of Default, Lender may do any or all of the following:

(a) exercise any one or more or all of the rights or remedies set forth in the Note, the Mortgage, and the other Loan Documents, including acceleration of the maturity of the Liabilities or any portion thereof. In addition, with respect to the beneficial interest in the Tmst Agreement, Lender shall have full power and authority to exercise all or any one or more of the remedies, and shall have all the rights of a secured party under the Uniform Commercial Code of Illinois (the "Code"). Any Code requirements for reasonable notice shall be met if such notice is mailed by certified or registered mail, postage prepaid, to Tmstee and Beneficiary at their respective address at least ninety (90) days prior to the time of the sale, disposition, or other event or matter giving rise to the requirement of notice (which period and method of notice is agreed to be commercially reasonable). Any public sale of the Collateral by Lender shall be deemed commercially reasonable if notice is given to Beneficiary as provided herein, if notice of such sale stating the date, time, place and terms thereof is published in a newspaper of general circulation in the county in which the Real Estate is located one day per week for three consecutive weeks prior to the date of sale, and if such sale is held at the offices of Lender, its attorneys, or the Tmstee, or any other place reasonably accessible to the public, pursuant to said notices. The foregoing provisions for the giving of reasonable notice or the holding of a commercially reasonable public sale are by way of example and do not limit what is deemed by the parties hereto to be "reasonable" or "commercially reasonable" means of exercising Lender's rights and remedies herein or as provided by law. If Lender is also the Tmstee, either now or at the time of any sale or

other disposition of the Collateral, that fact shall not affect Lender's right to: (i) purchase for its own account at any such sale or other disposition of the Collateral, or (ii) sell, dispose of, or otherwise deal with the security interest granted herein;

(b) proceed immediately to exercise each and all of the powers, rights and privileges reserved or granted to Beneficiary under the Tmst Agreement to manage the Real Estate or any part thereof, including, but not limited to, the right to collect and receive the proceeds from rentals and from mortgages, sales, conveyances, or other disposition or realizations of any kind of or from such property or any part thereof; or

(c) protect and enforce this Assignment by suits or proceedings in equity, at law, or otherwise, whether for the foreclosure hereof or for the appointment of a receiver of the property covered by the Tmst Agreement or any part thereof, or for the enforcement of any other legal or equitable remedy available.

4.3 Application of Proceeds. Any and all net proceeds received by Lender by reason of any action taken by it under Paragraph 4.2, after deducting all related attorneys' fees and other costs and expenses, shall be applied to pay any or all of the Liabilities as Lender, in its sole discretion, shall deem proper, and any surplus shall be returned to Beneficiary. Upon full payment and performance of all Liabilities, this Assignment and the lien created hereby shall be released.

4.4 Preservation of Collateral. At its sole election, Lender may (but shall not be required to) advance and pay such funds as in its discretion is desirable to preserve and protect the Real Estate. Any funds so advanced shall become part of the Liabilities and be due and payable upon demand.

4.5 Beneficiary Remains Liable under Tmst Agreement. Notwithstanding anything to the contrary in the Tmst Agreement, the interest herein described is assigned and transferred to Lender as collateral security only. Accordingly, Lender by its acceptance shall not be deemed to have assumed or become liable for any of the obligations or liabilities of Beneficiary under the Tmst Agreement, whether provided by the terms thereof, arising by operation of law, or otherwise. Beneficiary hereby acknowledges that Beneficiary remains liable thereunder to the same extent as though this Assignment had not been made.

V. MISCELLANEOUS

5.1 Notices. Any notice that Lender or Beneficiary may desire to be required to give to the other shall be in writing and shall be mailed or delivered to the intended recipient at its address set forth above or at such other address as such intended recipient may, from time to time, designate in writing to the other party. Any such notice shall be deemed to have been delivered five (5) days after mailing by United States registered or certified mail, return receipt requested, or when delivered in person if personal delivery is used or when delivered by a nationally recognized overnight express delivery service, the date of such delivery or in the case of a facsimile transmission, upon receipt. Except as otherwise specifically required, notice to

Beneficiary of the exercise of any right or option granted to Lender by this Assignment is not required.

5.2 Governing Law. The negotiation, execution, and delivery of this Assignment has taken place in the State of Illinois, and this Assignment shall be construed and enforced according to the laws of the State of Illinois.

5.3 Rights and Remedies. All rights and remedies set forth in this Assignment are cumulative. The holder of the Note or of any other obligation secured hereby may recover judgment thereon, issue execution therefor, and resort to every other right or remedy available at law or in equity, without first exhausting and without affecting or impairing the security hereof or any right or remedy afforded hereby. No consent or waiver by a party to or of a particular breach or default by another party shall be deemed a consent to or waiver of the breach or default by such defaulting party of any future default or any other obligations or by any other party of the same or of any other obligations.

5.4 Interpretation. If any provision of this Assignment is held invalid, the validity of the remainder of this Assignment shall be determined as if such invalid part were never included. The headings of sections and paragraphs are for convenience or reference only and shall not be construed in any way to limit or define the content, scope, or intent of the provisions. As used in this Assignment, the singular shall include the plural, and masculine, feminine, and neuter pronouns shall be fully interchangeable, where the context so requires.

5.5 Successors and Assigns. This Assignment and all provisions hereof shall be binding upon Beneficiary, its successors, assigns, and legal and personal representatives, administrators, executors, heirs and devisees, and all other persons or entities claiming under or through Beneficiary. The word "Beneficiary" when used herein, shall include all such persons and entities and any others liable for the payment of the indebtedness secured hereby or any part thereof, whether or not they have executed the Note, this Assignment or any of the other Loan Documents. The word "Lender" when used herein, shall include Lender's successors, assigns, and legal representatives, including all other holders, from time to time, of the Note.

5.6 Multiple Assignors. If this Assignment is executed by more than one person or entity, the word "Beneficiary," when used herein, shall include all such persons and entities and each of them; all obligations of Beneficiary contained herein shall be the joint and several obligations of such assignors and each of them.

5.7 Non-Recourse Provisions. Beneficiary shall be liable upon the indebtedness evidenced by the Note, for all sums to accrue or to become payable thereon and for performance of all covenants contained in the Note or in any of the other Loan Documents, to the extent, but only to the extent, of Lender's security for the same, including, without limitation, all properties, rights, estates and interests covered by the Mortgage and the other Loan Documents. No attachment, execution or other writ or process shall be sought, issued or levied upon any assets, properties or funds of Beneficiary other than the properties, rights, estates and interests described in the Mortgage and the other Loan Documents. In the event of foreclosure of such liens, mortgages or security interests, by private power of sale or otherwise, no judgment for any deficiency upon such indebtedness, sums and amounts shall be sought or obtained by Lender

against Beneficiary. Subject to the foregoing, nothing herein contained shall be construed to prevent Lender from exercising and enforcing any other remedy relating to the Collateral allowed at law or in equity or by any statute or by the terms of any of the Loan Documents.

5.8 Direction to Trustee. Beneficiary hereby irrevocably directs Trustee to accept no further assignments, sales, pledges, transfers or encumbrances of the collateral, or otherwise act with respect to the Collateral or the Real Estate in any manner which violates or is inconsistent with the terms and conditions of this Assignment, without the prior written consent of Lender.

5.9 Mortgage Compliance. Beneficiary hereby affirms all representations and warranties, and shall fully comply with, or shall cause Beneficiary to fully comply with, all duties, obligations, covenants, and agreements, pertaining to the use, occupancy, maintenance, management, transfer or ownership for the Real Estate and contained in the Mortgage or any other Loan Documents.
