Dear Alderman Reilly,

For the past several years you and your staff have been very helpful in facilitating our Church's annual Homecoming Celebration and Parish Picnic. As this annual event has become increasingly popular with our parishioners and the friends of Assumption, we are hoping for your support and assistance again this year.

Specifically we are requesting that Illinois Street between Orleans and the entrance to our parking lot near Franklin be closed between the hours of 7:00am and 7:00pm on Sunday August 14, 2011. We expect to erect several tents in front of the church on Illinois Street where we would welcome parishioners past and present and others residents from the neighborhood. The main events outside would take place during the afternoon when there would be complimentary catered food, beverages, and live music.

Assumption Church has been part of the River North community since 1881, when the parish was founded to serve the Italian immigrants who had settled in the area north of the river following the Great Fire. Through the many changes in this community over the past 130 years, Assumption has remained an active part of the neighborhood; and we now serve the growing number of new residents who have chosen to live in River North.

Your assistance in getting approval for this event by the City of Chicago and obtaining permission to close the street (and, if possible, to have the fee waived) would be much appreciated.

Sincerely yours,

Fr. Joseph Chamblain, O.S.M.  
Pastor
