Dear Louis,

Our 37<sup>th</sup> Annual Food Festival is approaching. You were kind enough to assist us with the approval for the Office of Special Events consideration and special permits in all the years past. We are now asking for your assistance this year with a written approval so we may expedite the review of our Special Events Permit Package.

We are also asking for the first year if its possible to waive the City of Chicago Special Event license since this event is for a The Annunciation Greek Orthodox Cathedral which is a not for profit religious entity.

The event will take place entirely on our property which consists of enclosed parking lot, Church and Church Community Hall. The dates for the event are Friday June 24th through Sunday June 26<sup>th</sup>.

The Annunciation Cathedral appreciates your assistance in our event which helps us continue to serve not only the Greek Orthodox Community, but also to serve those from the community at large who increasingly turn to the Cathedral on a daily basis for help. This annual Festival is the single largest fundraising event for our Cathedral and your office's assistance is greatly appreciated.

Sincerely,  
Speleos Dravillas, Co-Chairman
