**SECTION 1.** Chapter 2-12 of the Municipal Code of the City of Chicago is hereby amended by adding a new section 2-12-015, as follows:

**2-12-015 Authority for agreements and amendments.**

The city clerk is authorized:

(a) to negotiate and execute agreements, and amendments thereto, with public or private entities to obtain property, supplies or services necessary or useful to the functions of the office of the City Clerk, and to participate jointly with other units of government in such agreements.

(b) to negotiate and execute amendments to agreements in existence that have as their subject matter property, supplies or services necessary or useful to the functions of the office of the City Clerk. The power to negotiate and execute such amendments shall be subject to any applicable limitations imposed in such agreements.

(c) to negotiate and execute agreements for the sponsorship of programs, initiatives and events under the City Clerk's jurisdiction. Such agreements may include provisions identifying sponsors on City-printed materials, electronic and digital publications, licenses, promotional materials, and other media, and provisions allowing sponsors to sell goods and services to the public through such programs, initiatives and events. For purposes of this section, "sponsor" or "sponsorship" means those persons providing money or other in-kind goods or services to the City in exchange for advertising or promotional rights.

(d) to perform any and all acts, including the expenditure of funds subject to appropriation therefor, as shall be necessary or advisable in connection with the implementation of the agreements and amendments set forth in paragraphs (a), (b) and (c) of this section.

(e) before entering any agreement or amendment pursuant to this section, the City Clerk first shall evaluate the legal feasibility of, and practical potential for, MBE/WBE participation, and shall, if such participation is legally feasible and appropriate, make all reasonable efforts to include such participation, at the levels contemplated by Chapter 2-92, in such agreement or amendment.

(f) the City Clerk is authorized to adopt rules and regulations for the proper administration and enforcement of the provisions of this section.

**SECTION 2.** This ordinance shall be in full force and effect following due passage and publication.
