WHEREAS, the special services authorized in the Establishment Ordinance included maintenance and beautification activities, security services, including, but not limited to, the development of safety programs, recruitment and promotion of new businesses to the Original Area and retention and promotion of existing businesses within the Original Area; coordinated marketing and promotional activities; strategic planning for the general development of the Original Area, financing of storefront facade improvements, and other technical assistance activities to promote commercial and economic development, including, but not limited to, streetscape improvements, strategic transit/parking improvements including parking management studies, and enhanced land-use oversight and control initiatives such as monitoring zoning and building code compliance (the "Original Special Services"), and

WHEREAS, the City desires to alter the boundaries of the Original Area and to alter the authorized Original Special Services, and

WHEREAS, the City Council finds (a) that it is in the public interest that consideration be given to (i) terminating the authorization of the levy of the Original Services Tax for the Original Area, (ii) the creation of an area with new boundaries to be known and designated as City of Chicago Special Service Area Number 27 (the "Area"), and (iii) the authorization of a special annual services tax (the "Services Tax") for a period of fifteen (15) years within the Area for the provision of certain special services as set forth herein; (b) that the Area is contiguous, and (c) that the proposed special services are in addition to municipal services provided by and to the City generally, and it is, therefore, in the best interests of the City that the creation of the Area and the levy of the Services Tax within the Area for the proposed special services to be provided be considered; now, therefore,
