5. Reserved Rights. Owner and Developer reserve the following rights with respect to that portion of the Easement Area that they own or lease, or any portion thereof, without any cost, fee or expense due or owing to the City so long as such reserved rights, in each such case, do not materially or unreasonably interfere with the use of the Easement Area by the public in accordance with this Agreement.

(a) to use the Easement Area, or any portion thereof, for any purpose (subject to the provisions of Sections 7 and 8 hereof), including, without limitation, for outdoor seating and related fixtures to the extent all applicable City permits are obtained therefore;

(b) to grant further easements or other interests in the Easement Area, with the approval of the City;

(c) to install, construct and maintain building foundations, to construct, install, maintain, reconstruct, replace and repair any buildings, structures or other improvements, and any appurtenance related thereto of every type and kind, including, without limitation, aprons; walkways; underground utilities; walls; fences; roofs or roofing; antenna; street lights; columns and poles; exterior stairways, fire escapes, and landings; screening and retaining walls; decks, balconies, and windbreaks; canopies, awnings, overhangs, including without limitation, building and structural overhangs, signs, and architectural elements; landscaping of any and all types and kinds, hedges, plantings, planted trees and shrubs; and exterior fixtures, equipment and/or furniture (together, the "Encroachments") within the Easement Area, provided any such Encroachments are in compliance with applicable codes, including but not limited to the City's Building Code, and permits and the plans and specifications related thereto or otherwise approved in writing by the City. into and not in length along an easement line) shall not constitute a material or unreasonable interference with the use of the Easement Area by the public, and (ii) the building support column to be located in the Easement Area at the approximate location depicted as such on Exhibit D shall be a permitted encroachment and a permitted exception to the easement granted by this Agreement;

(d) to have incidental temporary encroachments upon the Easement Area as a result of the use of ladders, scaffolds, store front barricades and similar facilities in connection with the construction, maintenance, repair, replacement, alteration or expansion of buildings or signage so long as all activities requiring the use of such equipment are expeditiously pursued to completion and are performed in such a manner as to minimize any interference with the use of the Easement Area by the public in accordance with this Agreement.

(e) to create and install all parking meters, parking signage, parking restrictions and other rights to parking with respect to any parking spaces located on the Easement Area;

(f) to legally restrict any use of the Easement Area which, in the reasonable opinion of the Owner or Developer, impedes the free and unobstructed ingress, egress and circulation within the Harper Court Development by members of the general public, including use for group gatherings, street performances, and solicitation, and individuals otherwise remaining on the Easement Area for extended periods of time;

(g) to remove, or cause to be removed from the Easement Area, in compliance with all applicable laws, regulations, and local ordinances, violent, vagrant, protesting or other persons, including persons creating a nuisance, and to assist in maintaining the general public safety, and the best interests of the Harper Court Development; and

(h) to utilize or permit the temporary use of a portion of the Easement Area from time to time for entertainment and special community events, and to close or restrict public access to a portion of the Easement Area in connection therewith, provided, however, that in no event shall any restriction of public use of the Easement Area pursuant to this sub-section (h) continue for more than seven (7) consecutive days. During any such temporary use, Owner and Developer shall provide an alternate temporary easement area that will provide reasonable pedestrian and vehicular access to and from the interior of Harper Court Development to the surrounding public streets and alleys;

6. Construction of Easement Area and Permitted Encroachments. The construction of the Easement Area and any permitted Encroachments that may be constructed in the Easement Area, as permitted in Section 5(c) above, and any repair or replacement thereof shall meet or exceed standards promulgated by the Chicago Department of Transportation for construction of public streets, sidewalks or other public rights-of-way, including but not limited to any requirement regarding construction of the sidewalks, road bed, curbs, road width, drainage, set back or installation of canopy lighting or trees along public streets.

7. Relocation For Construction and Other Purposes. Subject to compliance with the construction requirements of the Harper Court Development Project as set forth in the Redevelopment Agreement, and the requirements of this Agreement, Developer or Owner shall have the right to modify temporarily the location of the Easement Area to the extent necessary to avoid unreasonable interference with public use of the Easement Area arising from the construction, development or projected development of the Harper Court Development. If Developer or Owner wishes to permanently change the location of the Easement Area, it shall

first notify the City of the new proposed location and acquire the City's approval of same, which approval the City shall not unreasonably be withheld or delayed. The City retains the right to require that the relocation of the Easement Area enter the public right of way at substantially the same place as the Easement Area it replaces. As a condition to temporarily changing the location of the Easement Area, Owner shall grant, and Developer shall join and consent, to the City, for the benefit of the public, an easement and right of way comparable to the easement and right of way granted herein, over, under and across said location of the Easement Area. The City shall then execute and deliver such documents as Owner or Developer shall reasonably require for the easement change of location. All the provisions of this document shall apply with equal force to the relocation of the Easement Area. Owner, Developer or any of their respective successors or assigns shall not, at any time, block, close off, or unreasonably interfere with the E. 52nd Place ingress and egress access of any of the businesses fronting 52nd Place or 53rd Street, which such ingress and egress access lies between the east line of S. Harper Ave. to the west and the west line of the Easement Area to the east (once constructed) (the "Access Area"). Notwithstanding the foregoing, after obtaining any necessary City permits, an Owner shall have the right to temporarily close off a portion of E. 52nd Place for its construction purposes, including without limitation, placement of barricades and fencing and placing and operating a crane or other construction equipment in that area; provided, however, that in no event shall any part of the Access Area be entirely closed off (other than on a short term basis to move equipment and materials in and out on any given day) or the unrestricted portion of Access Area be fewer than twelve (12) feet in width after taking into account the installation of such fencing or barricades. At no time shall the Easement Area or any portion thereof be permanently relocated without the approval of the Commissioner of the City's Department of Transportation and City Council approval. Notwithstanding anything to the contrary contained in this Agreement, neither Owner nor Developer shall be required to maintain the easement or the Easement Area granted by this Agreement during the initial construction of the Harper Court Development prior to the issuance of the Certificate of Completion by the City; however, during such period, Developer shall be required to maintain barricades around any restricted portions of the Easement Area and shall at all times keep open an unobstructed 12-foot one-way access drive through the entire Access Area allowing ingress and egress to any of the business fronting 53rd Street from Harper Avenue.

8. Maintenance of Easements. The Easement Area, or any portion thereof, shall be maintained throughout the term hereof in good and safe condition and suitable for the purpose intended. Owner, and/or any of its successors and assigns, shall cause Developer (as tenant under the Ground Lease), and/or any of their respective successors and assigns, to hereby undertake and agree to maintain, at their own cost and expense, the Easement Area, or any portion thereof owned, leased, occupied, or maintained by Developer for any Owner in said condition. Owner, Developer, and/or any of their respective successors and assigns, shall reasonably remove from the Easement Area snow, ice, debris, and other things and substances not properly upon said areas. In addition, Owner, Developer, and/or any of their respective successors and assigns, shall, as to its portion of the Easement Area owned, leased, occupied, or maintained by any Developer for any Owner, repair and/or replace, as necessary, all Easement Areas, including but not limited to, paved areas and any lighting on the Easement Area to the same standards promulgated by the Chicago Department of Transportation or better as originally constructed and promptly pay the amount of all real estate taxes attributable to said areas, if any. Notwithstanding anything to the contrary contained in this Agreement, Developer shall not be responsible for any portion of the Easement Area after the initial construction thereof, that is not owned, leased, occupied, or maintained by Developer (as a tenant under the Ground Lease, or any other agreement relating to the Easement Area) on behalf of any Owner.

For purposes of this Section 8, upon the occurrence of any of the following events, and written notice of such event(s) is provided to the City, (in this Agreement, defined as a "**Lake Park Ownership Event**") (i) the Ground Lease is terminated, and as a consequence thereof, Lake Park Associates, Inc. ("Lake Park") has acquired ownership, possession and control of the Easement Area and the improvements located therein, or (ii) Lake Park assumes possession and/or control of the Easement Area and the improvements located therein under the Ground Lease, or any other agreement relating to the Easement Area, because of an Event of Default of Developer (as that term is defined in the Ground Lease, or any other agreement relating to the Easement Area), or (iii) Lake Park has otherwise acquired ownership, possession and/or control of the Easement Area and the improvements located therein, Lake Park shall perform the maintenance, repair and payment obligations set forth in this Section 8. At all other times, Lake Park may satisfy its obligations as Owner under this Section 8 by diligently enforcing the provisions of the Ground Lease, or any other agreement relating to the Easement Area, requiring Developer and/or any of its successors, sublessees, or assigns to perform the maintenance, repair and payment obligations set forth in this Section 8, and during such period of enforcement, shall not be in default under this Agreement.

9. Insurance.

(a) Insurance coverage required hereunder of Owner, Developer, and/or any of their respective successors and/or assigns, shall meet the same insurance requirements set forth in Section 12 of the Redevelopment Agreement, and such insurance requirements shall be made a part hereof, as if fully set forth herein; and shall survive any termination of the Redevelopment Agreement, Ground Lease, or any other agreement relating to the Easement Area. Any such other insurance requirements requested by an Owner shall be subject to approval by the City's Risk Management Department in its sole but reasonable discretion.

(b) In addition to the insurance coverage required in Section 9(a) above, Owner, Developer, and/or any of their respective successors and/or assigns, shall each obtain, or cause the tenants, subtenants, and occupants of the Property, or any portion thereof, to keep, in force throughout the term of this Agreement comprehensive general liability insurance coverage from and against all claims, costs, judgments and liabilities for injury, damage, or death arising out of the use or existence of easements hereby granted, or asserted against Owner, Developer and/or the City by reason of the existence of this Agreement, including but not limited to the performance or non-performance by Owner and/or Developer of their respective obligations hereunder.

(c) The City of Chicago Risk Management Department maintains the right, in its sole but reasonable discretion, to reasonably modify, delete, alter or change these requirements ("Revised Insurance Requirements") during the term of this Agreement, and including making any reasonable Revised Insurance Requirements after the termination, expiration, lapse, or cancellation of the Redevelopment Agreement.

(d) The City is to be named as an additional insured on all insurance policies with respect to the Easement Area on a primary, non-contributory basis as its interest may appear.

(e) Notwithstanding the foregoing, until the occurrence of a Lake Park Ownership Event, Lake Park may satisfy its obligations as Owner under this Section 9 by diligently enforcing the provisions of the Ground Lease, or any other agreement relating to the Easement Area, requiring Developer and/or any of its successors, sublessees, or assigns to obtain the insurance required by this Section 9. If Lake Park becomes obligated to provide the insurance coverages specified above, as long as Lake Park remains a wholly-owned affiliate of the University of

Chicago, an Illinois not for profit corporation, Lake Park may elect to undertake a program of self insurance with respect to the coverages specified above.

10. Condemnation.

Any condemnation award or proceeds from a taking of private property shall be the sole property of the fee owner of such property; provided, however, all awards or proceeds from a taking of private property applicable to the Ground Lease shall be the sole property of Developer. The City shall not be entitled to a share in any such awards or proceeds and hereby assigns to the fee owner, or Developer, as applicable, all right, title, and interest in and to such award and proceeds. If the Easement area, or any portion thereof, is taken by condemnation by any governmental or quasi-governmental authority other than the City, Owner and Developer agree to provide a reasonable alternative (replacement) Easement that shall provide pedestrian and vehicular access to and from the interior of Harper Court Development to the surrounding public streets and alleys.

11. Remedies for Default.

(a) In the event any Owner or Developer shall fail to perform a covenant which such Owner or Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Owner or Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default. Any notice given pursuant to this Section shall be simultaneously delivered to any lender of whose existence the City has been advised in writing. Such lenders are hereby given the right to cure any default by Owner within an additional thirty (30) day period following the time periods provided by this Agreement for the cure of such defaults.

(b) If the default is not capable of being cured within the thirty day period, then provided the Owner or Developer or any such lender(s), as applicable, has commenced to cure the default and is diligently proceeding to cure the default within the thirty day period, and thereafter diligently prosecutes such cure through to completion, then the thirty day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

(c) In the event any Owner or Developer shall fail to maintain the Easement Area as set forth in Section 8 of this Agreement, and such failure substantially interferes with use of the Easement Area by the public, then, if Owner or Developer, as applicable, fails to complete such maintenance within the thirty day cure period after notice from the City (or such longer time as is reasonably necessary so long as Owner or Developer has commenced to cure such failure within thirty (30) days and is diligently proceeding with such cure), the City may make such repairs or undertake such maintenance in a reasonable manner, and the party responsible for such maintenance hereunder shall reimburse the City therefor within thirty (30) days after the completion of the maintenance by the City.

(d) Until the occurrence of a Lake Park Ownership Event, Lake Park may cure a default by it as Owner under this Agreement by diligently and continuously enforcing the provisions of the Ground Lease, or any other agreement relating to the Easement Area,

requiring Developer and/or any of its successors, sublessees, or assigns to perform the obligation which, because of the failure to be performed, has given rise to the default.

12. Indemnities. Owner, Developer, and/or any of their respective successors and/or assigns, and the City agree that the same indemnification requirements ("Indemnification Requirements") set forth in Section 13 of the Redevelopment Agreement shall be applicable to this Agreement, as if fully set forth herein and made a part hereof and shall survive any termination of the Redevelopment Agreement, Ground Lease, or any other agreement relating to the Easement Area; provided, however that with respect to Lake Park, unless the claim giving rise to the indemnification obligation is caused by a breach by Lake Park of its obligations under this Agreement, Lake Park may satisfy its obligations as Owner under this Section 12 by diligently enforcing the provisions of the Ground Lease, or any other agreement relating to the Easement Area, requiring Developer and/or any of its successors, sublessees, or assigns to provide the indemnification required by this Section.

13. Assignment; Running With the Land; Relation to Mortgage. This Agreement and all the provisions hereof shall run with the land so as to be binding upon and inure to the benefit of Owner, Developer, and the City, respectively, and to each of the Parties' successors in interest in and to the Property, or any portion thereof with respect only to such portion of their respective interests therein. Upon Owner's transfer of its fee interest in the Property or the Developer's transfer of its leasehold interest in the Property, or any respective portions thereof, Owner and Developer, as applicable, shall provide written notice of such transfers to the City. Owner and Developer shall each cause each successive fee and leasehold owner of any portion of the Property to automatically assume all the rights, covenants, obligations and undertakings of Owner and Developer applicable to the portion of the Property transferred accruing during the period of such transferor's fee or leasehold ownership, and such rights and liability shall continue with respect to the portion of the Property until the City has received written notice that the fee and/or leasehold ownership of such portion of the Property has been further conveyed. Once written notice of transfer has been given, the transferor shall be released of all future liability and shall have no further rights hereunder as of the date of the transfer with respect to the transferred portion of the Property but shall not be released from liability for acts or omissions that occurred prior to any such transfer. Owner shall also have the right, after written notice to the City, to assign to its beneficiaries, tenants, or other parties in actual possession or control of the Property, or any portion thereof, from time to time all its rights hereunder, provided that such assignee shall assume all the obligations of Owner accruing during the time such assignee shall be in possession or control of the Property. Upon any such assignment, the Owner, as the assignor, shall be released from all future liability and shall have no further rights hereunder as of the date of such assignment under this Agreement, but shall not be released for liability for acts or omissions that occurred prior to any such assignment. Without limitation of the generality of the foregoing, it is expressly agreed that this Agreement and the easements granted herein shall be prior and superior not only to the rights of the holder or holders of all subsequent mortgages or other security instrument in the nature of a mortgage upon the Property, but also, upon the consent of Citibank, N.A. ("Citibank") evidenced by its signature affixed to this Agreement, shall be prior and superior to the mortgage held by Citibank, dated as of the date hereof, it being further agreed that at such times and to such extent as the holder of such mortgage or any other mortgage or security instrument in the nature of a mortgage upon the Property, shall come into actual possession or ownership (other than as security for debt) of the Property, the said holder or such successor (as may be the case) shall succeed to all the rights and obligations of Owner and Developer hereunder.

14. Notices. All notices, demands and requests given or required to be given by, pursuant to, or relating to, this Agreement shall be in writing. All notices shall be deemed to have been properly given if mailed by United States registered or certified mail, with return receipt requested, postage prepaid, or by FedEx or other comparable overnight courier service to the Parties at the addresses set forth below (or to such other reasons or at such other addresses as shall be given in writing by any Party to the others) and shall be deemed complete upon receipt or refusal to accept delivery as indicated in the return receipt or in the receipt of such FedEx or courier service.

(a) Amendments. Any and all agreements by the Parties hereto to amend, change, extend, revise or discharge this Agreement, in all or in part, shall be binding on the Parties, and upon any lender if joined in by such lender, so long as in writing and executed by the Party agreeing to be bound thereby. (d) Partial Invalidity. If any part of this Agreement shall be held invalid for any reason, the remainder of this Agreement shall continue in full force and effect.

(e) Applicable Law. The validity, construction and enforceability of this Agreement shall be governed in all respects by the laws of the State of Illinois. Venue shall be proper only in the Circuit Court of Cook County, Illinois and in all courts to which appeals may be taken therefrom.
