WHEREAS, the management of its finances is a matter pertaining to the government and affairs of the City; and

WHEREAS, it is appropriate and in the best interests of the City that the City Council adopt an annual appropriation for the year 2012 in accordance with the powers granted to the City, including its powers as a home rule municipality; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The following sums of money set apart according to departments and other separate agencies of the City Government are appropriated from the respective funds designated in this ordinance for the objects and purposes stated herein, and no other, to defray necessary expenses and liabilities of the City of Chicago to be paid or incurred during the fiscal year beginning January 1, 2012. The class grade for each class of positions in Schedule A to the Classification and Pay Plan shall determine the salary range applicable to all positions of the class. The Title Bargaining Unit Table, which the Department of Human Resources shall keep on file, shall determine the salary schedule applicable to bargaining unit and non-bargaining unit employees. The Classification and Pay Plan and the Salary Schedules thereto, and the "Regulations Governing the Administration of the Classification Plan and Employee Benefits for Classified Positions Set Forth in the Annual Appropriation Ordinance," also commonly known as the Salary Resolution, are by reference adopted by the City Council, and are incorporated into and made a part of this ordinance.

SECTION 5. The appropriation for estimated liabilities as of January 1, 2012, shall not be construed as approval of any such liabilities, but shall be regarded only as appropriations for the payment thereof when they have been found to be valid and legal obligations against the City

SECTION 6. The appropriations herein made for personal services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to personnel only as needed, or as may be required by law, not to exceed the maximum designated in this ordinance for any office or position by title. When there is no limitation as to the maximum that may be employed for any officer or position by title, one person may be employed or more than one person may be employed with the approval of the Budget Director and the Comptroller regardless of whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective offices or positions, provided that salaries or wage rates are subject to change by the City Council during the fiscal year in accordance with contracts approved by the City Council. The salary or wage rates fixed are on a yearly basis unless otherwise indicated. Abbreviations or symbols used in this ordinance are as follows: m. monthly; d. daily; h. hourly.

An employee may be assigned to a title not appearing within the appropriation of the employee's department, in lieu of a specific title appearing in the appropriation, upon the written recommendation of the department head and approval of the Commissioner of Human Resources, the Budget Director and the Chairman of the Committee on the Budget and Government Operations or their respective designees. Such assignment may be requested and approved when the title requested is appropriate to the function of the department, and reflects the skills, training and experience of the employee. In no event shall the authority conferred herein be exercised in violation of the Shakman Judgment.

No officer or employee shall have the right to demand continuous employment or compensation by reason of any appropriation if, upon the determination of the department head,

his or her services are not needed or it becomes necessary to lay him or her off on account of lack of work or lack of funds.

In case of a vacancy in any office or position, the head of the department in which the vacancy occurs shall not be required to fill such office or position if, in his or her judgment and discretion, there is no necessity thereof.

The Director of the Office of Budget and Management shall prepare a report to be presented to the City Council on the twentieth day following each quarter indicating all employees whose titles appear herein under one department or agency and who have been working for another department or agency for more than 60 days in the previous three-month period. Such report shall indicate the name, title and salary of each such employee, the department or agency in which the title appears, the department or agency to which the employee is assigned, and a description of the duties being performed under the assignment. This provision shall not apply to work performed by one department or agency for another pursuant to contract. The first report shall be presented on April 20, 2012, and shall cover the period beginning January 1, 2012.

SECTION 7. The Commissioner of Human Resources shall prepare and present to the City Council on the twentieth day of each month a written report of all vacancies occurring during the preceding month due to resignation, retirement, death, layoff, promotion, demotion, discharge, or termination. The report shall be submitted on a form to be prepared by the Commissioner of Human Resources. The Commissioner of Human Resources shall prepare and present to the City Council monthly reports on all City employees hired during the preceding quarter.

The City Comptroller shall prepare and present to the City Council on the twentieth day

of each month a report of the overtime compensation paid to employees during the preceding month, on a form to be prepared by the Committee on the Budget and Government Operations.

SECTION 8. In accordance with procedures prescribed by the Mayor, and subject to the limitations of this section, the Mayor and the heads of the various departments and agencies of the City Government are authorized to apply for grants from governmental and private grantors. With respect to such grants, and also with respect to city funds appropriated for grants to third parties, the Mayor and the heads of the various departments and agencies are authorized to execute grant and subgrant agreements and amendments thereto to effectuate the purposes of such grants and appropriations; to indemnify the grantor with respect to the performance of the grant, subject to the approval of the Corporation Counsel; and to execute such documents, and provide such additional information, assurances and certifications as are necessary, in connection with any of the foregoing.

To the extent that revenue of a grant is not described in the appropriation from Fund 925—Grant Funds, or that an amendment increases the budget of a project beyond the appropriation described hereinafter, no expenditure of such grant revenues shall be made without prior approval of the City Council.

The Comptroller and the heads of the various departments and agencies of the City

Government shall administer the revenues of grants received by standard accounts, in accordance with the standard classification of accounts and with the manual of the Department of Finance.

No later than the tenth day of each month, the Budget Director shall file with the Committee on Finance a compilation of all grants awarded to the City in the preceding month.

On or before May 15, 2012, and on or before November 15, 2012, the Office of Budget and Management shall file with the City Council a report showing all federal and state funds

received or administered by the City for the time periods October 1, 2011, through March 31, 2012, and April 1, 2012, through September 30, 2012, respectively. Community Development Block Grant funds shall be excluded from this report. The report shall list the amounts disbursed and purposes for which disbursements were made, and shall indicate the Grantor of the funds, purpose, service area(s) and number of positions supported.

In connection with any delegate agency grant agreements entered into between the City and the respective delegate agencies for 2012, the Chief Procurement Officer shall be authorized to resolve disputes between the respective delegate agency and the appropriate City department or agency and to promulgate and implement regulations in connection therewith.

SECTION 9. Any employee who is required and is authorized to use his or her personally owned automobile in the regular conduct of official City business shall be allowed and paid at the rate established from time to time by the Internal Revenue Service for the number of miles per month use of such privately owned automobile, to a maximum amount of \$550 per month, such maximum to be adjusted upward on February 1 of each year by the percentage increase, if any, in the Transportation Expenditure Category of the Consumer Price Index for All Urban Consumers (CPI-U): U.S. City Average for the previous year, as rounded to the nearest \$5 increment. Each annual adjustment shall be based on the adjusted amount for the previous year. Provided further, the foregoing computation shall be subject to provisions contained in contracts approved by the City Council between the City and recognized collective bargaining agents; and provided further that this allowance is subject to change by the City Council during the fiscal year in accordance with such contracts.

SECTION 10. In accordance with Section 2-60-080 of the Municipal Code, no

expenditure may be made from any fund or line item account herein for the purpose of executing settlement agreements or entering into consent orders except upon order of the City Council. Provided, however, that this section shall not apply to: (i) settlement agreements or consent orders entered into where the amount is \$100,000 or less, or (ii) offers of judgment of \$500,000 or less made and accepted pursuant to Federal Rule of Civil Procedure 68, if before making any such offer of judgment, the Corporation Counsel obtains the written concurrence of both the Chairman and Vice-Chairman of the Committee on Finance, following a careful review of the facts and circumstances, that the making of such an offer is likely to reduce the City's liability in the case in question.

SECTION 11. The head of each department or other agency shall submit to the Committee on the Budget and Government Operations on or before June 15, 2012, a detailed report showing what steps have been taken to improve or maintain productivity in the department or agency since June 1, 2011, and the results which those steps have brought about. The form of the report shall be defined by the Committee on the Budget and Government Operations, and shall be submitted to the Budget Director by May 1, 2012, for distribution to the various departments and other agencies.

SECTION 12. This Section 12(A) and (B) applies to an ordinance passed by the City Council on December 4, 2008 regarding a metered parking transaction and associated concession agreement and published in special pamphlet form (for purposes of this Section, the "Meter Ordinance"). Any provision of the Meter Ordinance not amended by this Section or otherwise amended shall remain in full force and effect.

(A) Subparagraph 5(b)(i) of the Meter Ordinance is hereby amended by deleting the

struck-through text, as follows:

(b) The Authorized Officers and the City Treasurer are each hereby authorized to use the proceeds from the Concession Transaction, in addition to the uses described in subsection (a) above, and such funds are hereby appropriated (except where it is indicated below that any such funds are appropriated in another ordinance), to:

i. establish a revenue replacement fund to be held by the City (the "Revenue Replacement Fund") in the amount of \$400,000,000, from which the investment earnings thereon (as determined by an Authorized Officer and reduced by such portion thereof as such Authorized Officer shall determine to be necessary to maintain the principal value of the Revenue Replacement Fund), shall be transferred each year, commencing in 2009, to the Corporate Fund, together with, upon the direction of an Authorized Officer, an amount of proceeds from such Fund as shall be sufficient to cause the total amount of funds transferred for such year from the Revenue Replacement Fund to the Corporate Fund to equal \$20,000,0000 (if for such year the investment earnings on the Revenue Replacement Fund shall be less than \$20,000,000); and upon such transfer, all such funds shall be subject to appropriation by the City Council;

(B) The sum of Five Million Dollars (\$5,000,000.00) in the "Human Infrastructure Fund" established in Subparagraph 5(b)(ii) of the Meter Ordinance is hereby transferred to the Corporate Fund and appropriated to support human infrastructure-related programs.

SECTION 13. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 14. This ordinance shall take effect upon its passage and approval, notwithstanding any provision of state law or any ordinance to the contrary.

(056/1005/2005)

The mission of the Independent Police Review Authority (IPRA) is to establish the public's trust in IPRA and the Chicago Police Department through fair, objective, fact finding investigations into allegations of misconduct against its members. IPRA continues its commitment to the community by utilizing the most current forensic techniques and reaffirm its goals and objectives through each contact with the citizens and police officers. Through constant vigilance, IPRA exposes excessive force and verbal abuse, as it relates to the use of bias-based language, when it exists and absolve those allegations where an officer has acted properly. IPRA also aggresively investigates all deaths occuring while a person is in police custody to identify and address any misconduct by department members.

2011 and 2012 Initiatives

The 2011 Special Events and Municipal Hotel Operators' Occupation Tax Fund budget for the Office of the Mayor did not include one position that was budgeted in another City department but was permanently detailed to work in the Mayor's Office.
