General

MB Financial, Inc., headquartered in Chicago, Illinois, is a financial holding company with banking offices located primarily in the Chicago area. The words "MB Financial," "the Company," "we," "our" and "us" refer to MB Financial, Inc. and its wholly owned subsidiaries, unless we indicate otherwise. Our primary market is the Chicago metropolitan area, in which we operate approximately 90 banking offices through our bank subsidiary, MB Financial Bank, N.A. (MB Financial Bank), including one banking office in the city of Philadelphia, Pennsylvania. Through MB Financial Bank, we offer a broad range of financial services primarily to small and middle market businesses and individuals in the markets that we serve. Our primary lines of business include commercial banking, retail banking and wealth management. As of December 31, 2010, we had total assets of \$10.3 billion, deposits of \$8.2 billion, stockholders' equity of \$1.3 billion, and \$3.9 billion of client assets under administration in our Wealth Management Group (including \$2.3 billion in our trust department, \$598 million in our broker/dealer subsidiary, Vision Investment Services, Inc., and \$1.0 billion in our majority owned asset management firm, Cedar Hill Associates LLC).

We have grown significantly in the past several years through a number of acquisitions, including the following most recent transactions.

In August 2006, we acquired Oak Brook Bank, based in Oak Brook, Illinois, and its parent, First Oak Brook Bancshares, Inc.

In April 2008, we purchased an 80% interest in Cedar Hill Associates LLC (Cedar Hill), an asset management firm located in Chicago, Illinois.

During 2009 and 2010, MB Financial Bank acquired certain assets and assumed certain liabilities of Glenwood, Illinois-based Heritage Community Bank (Heritage), Oak Forest, Illinois-based InBank, Chicago-based Corus Bank, N.A. (Corus), Aurora, Illinois-based Benchmark Bank (Benchmark), Chicago, Illinois-based New Century Bank (New Century) and Chicago, Illinois-based Broadway Bank (Broadway) in transactions facilitated by the Federal Deposit Insurance Corporation (FDIC). For the Heritage, Benchmark, New Century and Broadway transactions, MB Financial Bank entered into loss-share agreements with the FDIC. Under the loss-share agreements, MB Financial Bank will share in the losses on assets (loans and other real estate owned) covered under the agreements (referred to as "covered loans" and "covered other real estate owned"). See Note 2 of the notes to our December 31, 2010 audited consolidated financial statements contained in Item 8 of this report for additional information.

MB Financial Bank, our largest subsidiary, has two wholly owned subsidiaries with significant operating activities: LaSalle Systems Leasing, Inc. and Vision Investment Services, Inc.; MB Financial Bank also has a majority owned subsidiary with significant operating activities, Cedar Hill Associates, LLC.

LaSalle Systems Leasing, Inc. (LaSalle) focuses primarily on leasing technology-related equipment to middle market and larger businesses located throughout the United States. LBS specializes in selling and administering third party equipment maintenance contracts as well as technology-related equipment. We acquired LaSalle in 2002.

Vision Investment Services, Inc. (Vision) is registered with the Securities and Exchange Commission as a broker/dealer, is a member of the Financial Industry Regulatory Authority, is a member of the Securities Investor Protection Corporation, and is a licensed insurance agency. Vision has one wholly owned subsidiary: Vision Insurance Services, Inc. Vision Insurance Services, Inc. is a licensed insurance agency which functions as a distribution firm for certain insurance and annuity products. Vision provides both institutional and retail clients with investment and wealth management services. It had \$598 million in assets under administration at December 31, 2010.

As noted above, Cedar Hill is an asset management firm located in Chicago, Illinois that we acquired in April 2008, with approximately \$1.0 billion in assets under management at December 31, 2010.

MBRE Holdings LLC, a Delaware limited liability company and a subsidiary of MB Financial Bank N.A., was established in August 2002 as the holding company of MB Real Estate Holdings LLC, which is also a Delaware limited liability company. MB Real Estate Holdings LLC and MBRE Holdings LLC were established as part of an initiative to enhance our earnings by providing alternative methods of raising capital and funding. Recent Developments

On January 28, 2011, the Company announced that it will pay a cash dividend of \$0.01 per share to stockholders of record as of February 11, 2011.

Primary Lines of Business

Our operations are currently managed as one unit, and we have one reportable segment. Our chief operating decision-makers use consolidated results to make operating and strategic decisions.

We concentrate on serving middle market businesses and their owners. We also serve consumers who live or work near our branches. We have established three primary lines of business: commercial banking; retail banking; and wealth management. Each is described below.

Commercial Banking. Commercial banking focuses on serving middle market businesses, primarily located in the Chicago metropolitan area. We provide a full set of credit, deposit, and treasury management products to these companies. In general, our credit products are designed for companies with annual revenues between \$5 million and \$150 million and credit needs of up to \$35 million. We have a broad range of credit products for our target market, including working capital loans and lines of credit; accounts receivable financing; inventory and equipment financing; industrial revenue bond financing; business acquisition loans; owner occupied real estate loans; and financial, performance and commercial letters of credit. Our deposit and treasury management products are designed for companies with annual revenues up to \$500 million and include: internet banking products, investment sweep accounts, zero balance accounts, automated tax payments, ATM access, telephone banking, lockbox, automated clearing house transactions, account reconciliation, controlled disbursement, detail and general information reporting, wire transfers, vault services for currency and coin, a variety of international banking services, and checking accounts. We also provide a full set of credit, deposit and treasury management services for real estate operators and investors.

Commercial banking also serves small and medium size equipment leasing companies located throughout the United States. We have provided banking services to these companies for more than three decades. Competition in serving equipment lessors generally comes from large banks, finance companies, large industrial companies and some community banks. We compete based upon rapid decision making and excellent service and by providing flexible financial solutions to meet our customers' needs. We provide full banking services to leasing companies by financing the debt portion of leveraged equipment leases (referred to as lease loans), providing short and long-term equity financing and by making working capital and bridge loans. For lease loans, a lessee's credit is often rated as investment grade for its public debt by Moody's, Standard & Poors or the equivalent. Whether or not a lessee has a public debt rating, they are subject to the same internal credit analysis as any other customer of MB Financial Bank. We also invest directly in equipment that we lease to other companies located throughout the United States (referred to as operating leases). Our operating lease portfolio is made up of various kinds of equipment, generally technology related, such as computer systems, satellite equipment, and general manufacturing equipment. We seek leasing transactions where we believe the equipment leased is integral to the lessee's business, thereby increasing the likelihood of renewal at the end of the lease term.

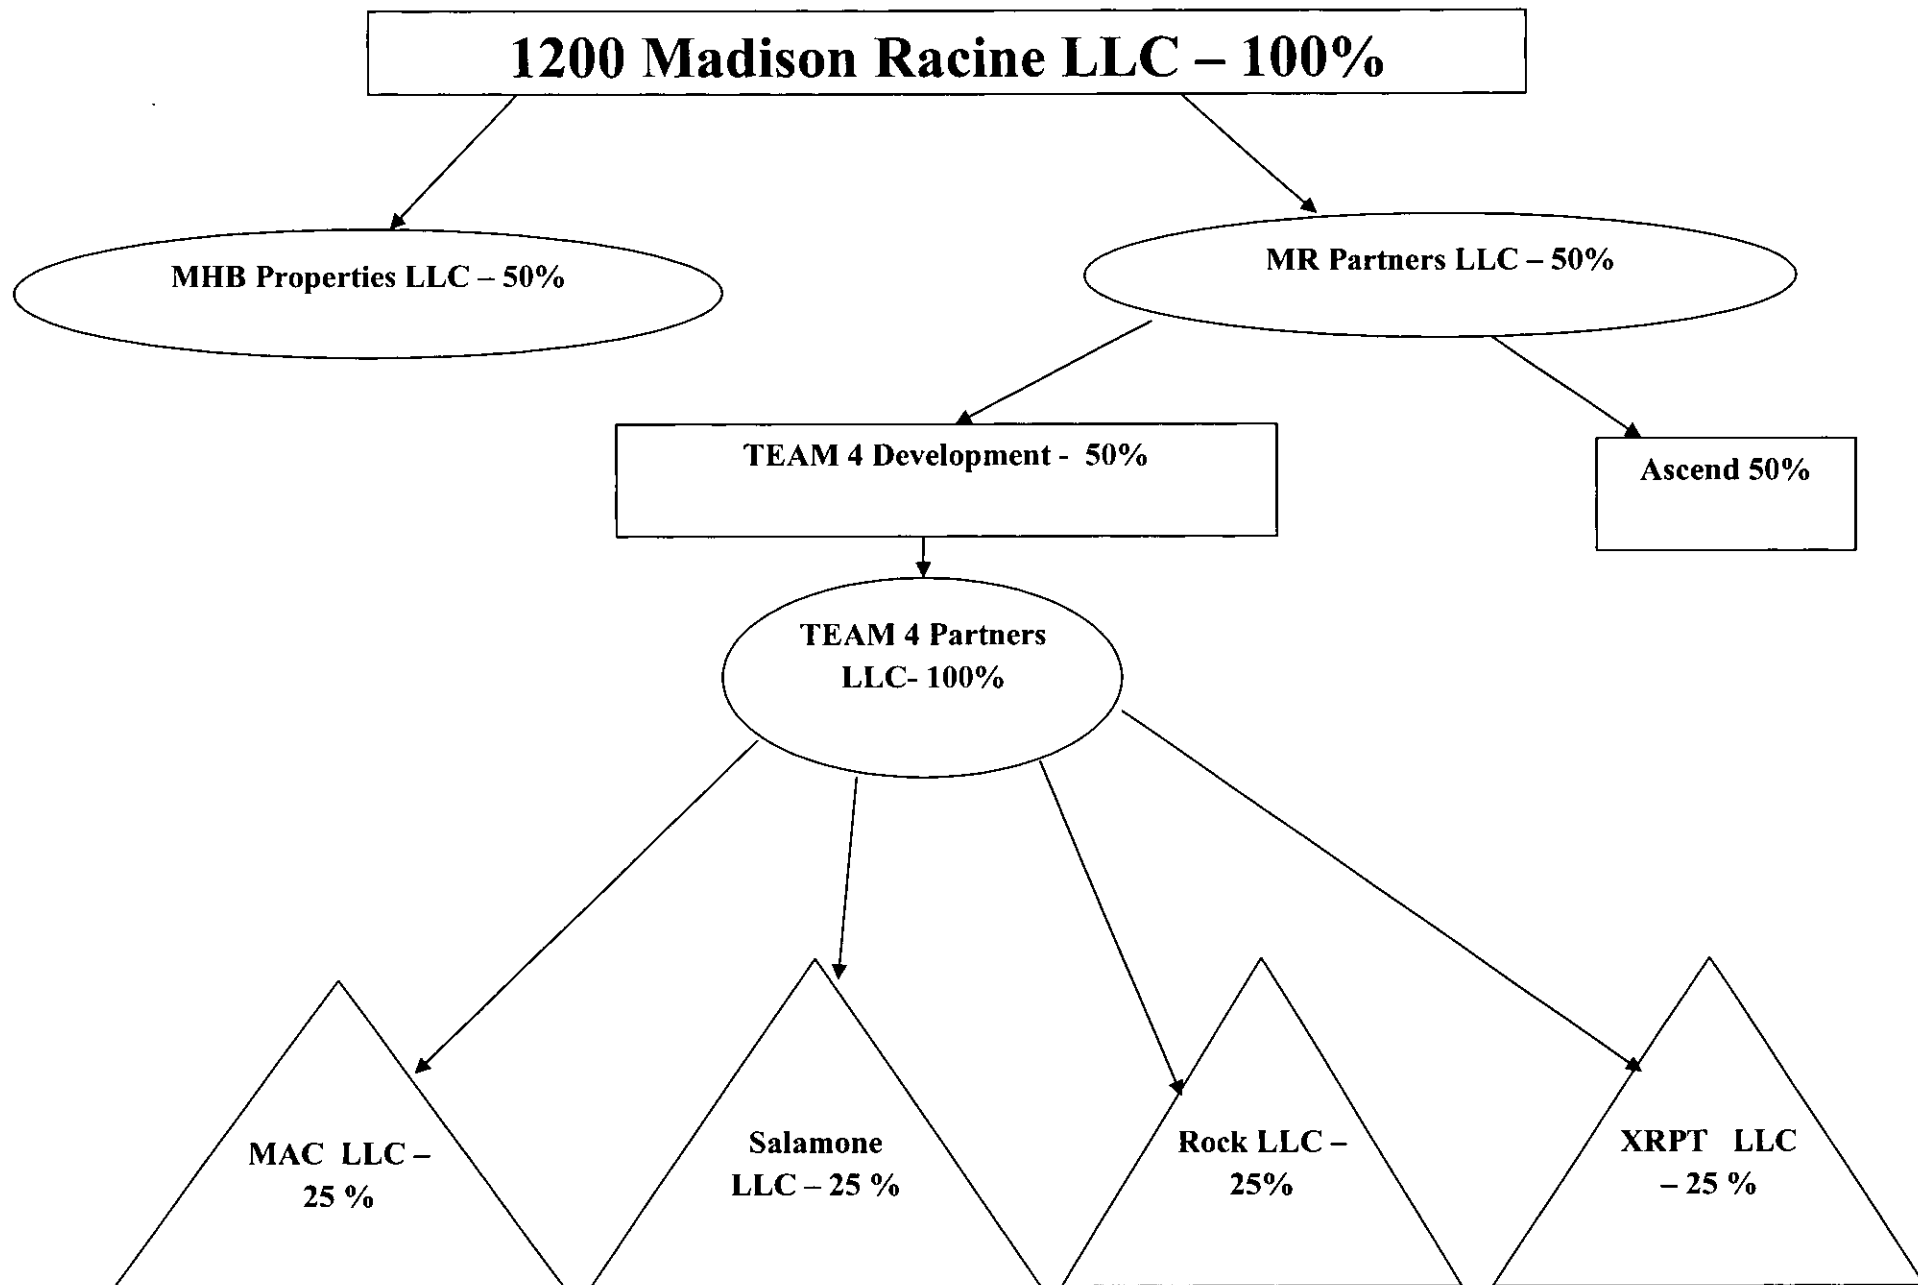

Additionally, our subsidiary LaSalle primarily focuses on leasing technology-related equipment and providing related services to middle market and larger businesses throughout the United States and provides us the additional ability to directly originate leases.
