Item 3. Legal Proceedings.

In addition to the matters described below, in the normal course of business, the Company has been named, from time to time, as a defendant in various legal actions, including arbitrations, class actions and other litigation, arising in connection with its activities as a global diversified financial services institution. Certain of the actual or threatened legal actions include claims for substantial compensatory and/or punitive damages or claims for indeterminate amounts of damages. In some cases, the entities that would otherwise be the primary defendants in such cases are bankrupt or in financial distress.

The Company is also involved, from time to time, in other reviews, investigations and proceedings (both formal and informal) by governmental and self-regulatory agencies regarding the Company's business, including, among other matters, accounting and operational matters, certain of which may result in adverse judgments, settlements, fines, penalties, injunctions or other relief.

The Company contests liability and/or the amount of damages as appropriate in each pending matter. Where available information indicates that it is probable a liability had been incurred at the date of the condensed consolidated financial statements and the Company can reasonably estimate the amount of that loss, the Company accrues the estimated loss by a charge to income.

In many proceedings, however, it is inherently difficult to determine whether any loss is probable or even possible or to estimate the amount of any loss. The Company cannot predict with certainty if, how or when such proceedings will be resolved or what the eventual settlement, fine, penalty or other relief, if any, may be, particularly for proceedings that are in their early stages of development or where plaintiffs seek substantial or indeterminate damages. Numerous issues may need to be resolved, including through potentially lengthy discovery and determination of important factual matters, and by addressing novel or unsettled legal questions relevant to the proceedings in question, before a loss or additional loss or range of loss or additional loss can be reasonably estimated for any proceeding. Subject to the foregoing, the Company believes, based on current knowledge and after consultation with counsel, that the outcome of such proceedings will not have a material adverse effect on the consolidated financial condition of the Company, although the outcome of such proceedings could be material to the Company's operating results and cash flows for a particular period depending on, among other things, the level of the Company's revenues or income for such period.

Recently, the level of litigation activity focused on residential mortgage and credit crisis related matters has increased materially in the financial services industry. As a result, the Company expects that it may become the subject of increased claims for damages and other relief regarding residential mortgages and related securities in the future and, while the Company has identified below certain proceedings that the Company believes to be material, individually or collectively, there can be no assurance that additional material losses will not be incurred from residential mortgage claims that have not yet been notified to the Company or are not yet determined to be material.

Residential Mortgage and Credit Crisis Related Matters.

Regulatory and Governmental Matters. The Company is responding to subpoenas and requests for information from certain regulatory and governmental entities concerning the origination, financing, purchase, securitization and servicing of subprime and non-subprime residential mortgages and related matters such as collateralized debt obligations ("CDOs"), structured investment vehicles ("SIVs") and credit default swaps backed by or referencing mortgage pass through certificates. These matters include, but are not limited to, investigations related to the Company's due diligence on the loans that it purchased for securitization, the Company's communications with ratings agencies, the Company's handling of foreclosure related issues, and the Company's compliance with the Service Members Civil Relief Act.

Class Actions. Beginning in December 2007, several purported class action complaints were filed in the United States District Court for the Southern District of New York (the "SDNY") asserting claims on behalf of participants in the Company's 401(k) plan and employee stock ownership plan against the Company and other

parties, including certain present and former directors and officers, under the Employee Retirement Income Security Act of 1974 ("ERISA"). In February 2008, these actions were consolidated in a single proceeding, which is styled *In re Morgan Stanley ERISA Litigation*. The consolidated complaint relates in large part to the Company's subprime and other mortgage related losses, but also includes allegations regarding the Company's disclosures, internal controls, accounting and other matters. The consolidated complaint alleges, among other things, that the Company's common stock was not a prudent investment and that risks associated with its common stock and its financial condition were not adequately disclosed. Plaintiffs are seeking, among other relief, class certification, unspecified compensatory damages, costs, interest and fees. On December 9, 2009, the court denied defendants' motion to dismiss the consolidated complaint.

On February 12, 2008, a plaintiff filed a purported class action, which was amended on November 24, 2008, naming the Company and certain present and former senior executives as defendants and asserting claims for violations of the securities laws. The amended complaint, which is styled *Joel Stratte-McClure, et al. v. Morgan Stanley, et al.*, is currently pending in the SDNY. Subject to certain exclusions, the amended complaint asserts claims on behalf of a purported class of persons and entities who purchased shares of the Company's common stock during the period June 20, 2007 to December 19, 2007 and who suffered damages as a result of such purchases. The allegations in the amended complaint relate in large part to the Company's subprime and other mortgage related losses, but also include allegations regarding the Company's disclosures, internal controls, accounting and other matters. Plaintiffs are seeking, among other relief, class certification, unspecified compensatory damages, costs, interest and fees. On April 27, 2009, the Company filed a motion to dismiss the amended complaint.

On May 7, 2009, the Company was named as a defendant in a purported class action lawsuit brought under Sections 11, 12 and 15 of the Securities Act of 1933, as amended (the "Securities Act"), alleging, among other things, that the registration statements and offering documents related to the offerings of approximately \$17 billion of mortgage pass through certificates in 2006 and 2007 contained false and misleading information concerning the pools of residential loans that backed these securitizations. The plaintiffs sought, among other relief, class certification, unspecified compensatory and rescissory damages, costs, interest and fees. This case, which was consolidated with an earlier lawsuit and is currently styled *In re Morgan Stanley Mortgage Pass-Through Certificate Litigation*, is pending in the SDNY. On August 17, 2010, the court dismissed the claims brought by the lead plaintiff, but gave a different plaintiff leave to file a second amended complaint. On September 10, 2010, that plaintiff, together with several new plaintiffs, filed a second amended complaint which purports to assert claims against the Company and others on behalf of a class of investors who purchased approximately \$4.7 billion of mortgage pass through certificates issued in 2006 by seven trusts collectively containing residential mortgage loans. The second amended complaint asserts claims under Sections 11, 12 and 15 of the Securities Act, and alleges, among other things, that the registration statements and offering documents related to the offerings contained false and misleading information concerning the pools of residential loans that backed these securitizations. The plaintiffs are seeking, among other relief, class certification, unspecified compensatory and rescissory damages, costs, interest and fees. On October 11, 2010, defendants filed a motion to dismiss the second amended complaint.

Beginning in 2007, the Company was named as a defendant in several putative class action lawsuits brought under Sections 11 and 12 of the Securities Act, related to its role as a member of the syndicates that underwrote offerings of securities and mortgage pass through certificates for certain non-Morgan Stanley related entities that have been exposed to subprime and other mortgage-related losses. The plaintiffs in these actions allege, among other things, that the registration statements and offering documents for the offerings at issue contained various material misstatements or omissions related to the extent to which the issuers were exposed to subprime and other mortgage-related risks and other matters and seek various forms of relief including class certification, unspecified compensatory and rescissory damages, costs, interest and fees. The Company's exposure to potential losses in these cases may be impacted by various factors including, among other things, the financial condition of the entities that issued the securities and mortgage pass through certificates at issue, the principal amount of the offerings underwritten by the Company, the financial condition of co-defendants and the

willingness and ability of the issuers (or their affiliates) to indemnify the underwriter defendants. Some of these cases, including *In Re Washington Mutual, Inc. Securities Litigation*, *In re: Lehman Brothers Equity/Debt Securities Litigation* and *In re IndyMac Mortgage-Backed Securities Litigation*, relate to issuers (or their affiliates) that have filed for bankruptcy or have been placed into receivership.

In Re Washington Mutual, Inc. Securities Litigation is pending in the United States District Court for the Western District of Washington. On October 12, 2010, the court issued an order certifying a class of plaintiffs asserting claims under the Securities Act related to three offerings by Washington Mutual Inc. in 2006 and 2007 in which the Company participated as an underwriter. The Company underwrote approximately \$1.3 billion of the securities covered by the class certified by the court.

In re: Lehman Brothers Equity/Debt Securities Litigation is pending in the SDNY and relates to several offerings of debt and equity securities issued by Lehman Brothers Holdings Inc. during 2007 and 2008. The Company underwrote approximately \$232 million of the principal amount of the offerings at issue. On June 5, 2010, the underwriter defendants moved to dismiss the amended complaint filed by the lead plaintiffs.

In re IndyMac Mortgage-Backed Securities Litigation is pending in the SDNY and relates to offerings of mortgage pass through certificates issued by seven trusts sponsored by affiliates of IndyMac Bancorp during 2006 and 2007. The Company underwrote over \$1.4 billion of the principal amount of the offerings originally at issue. On June 21, 2010, the court granted in part and denied in part the underwriter defendants' motion to dismiss the amended consolidated class action complaint. The Company underwrote approximately \$46 million of the principal amount of the offerings at issue following the court's June 21, 2010 decision. On May 17, 2010, certain putative plaintiffs filed a motion to intervene in the litigation in order to assert claims related to additional offerings. The Company underwrote approximately \$1.2 billion of the principal amount of the additional offerings subject to the motion to intervene. The Company is opposing the motion to intervene.

On December 24, 2009, the Employees' Retirement System of the Government of the Virgin Islands filed a purported class action against the Company on behalf of holders of approximately \$250 million of AAA rated notes issued by the Libertas III CDO in March 2007. The case is styled *Employees' Retirement System of the Government of the Virgin Islands v. Morgan Stanley & Co. Incorporated, et al.* and is pending in the SDNY. The complaint asserts claims for common law fraud and unjust enrichment and alleges that the Company made misrepresentations regarding the AAA ratings of the CDO notes and the credit quality of the collateral held by the Libertas III CDO, and stood to gain if that collateral defaulted. The complaint seeks class certification, unspecified compensatory and punitive damages, equitable relief, fees and costs. On March 19, 2010, the Company filed a motion to dismiss the complaint.

Shareholder Derivative Matter. On November 15, 2007, a shareholder derivative complaint styled *Steve Staehr, Derivatively on Behalf of Morgan Stanley v. John J. Mack, et al.* was filed in the SDNY asserting claims related in large part to losses caused by certain subprime-related trading positions and related matters. On July 16, 2008, the plaintiff filed an amended complaint, which defendants moved to dismiss on September 19, 2008. The complaint seeks, among other relief, unspecified compensatory damages, restitution, and institution of certain corporate governance reforms.

Other Litigation. On August 25, 2008, the Company and two ratings agencies were named as defendants in a purported class action related to securities issued by a SIV called Cheyne Finance (the "Cheyne SIV"). The case is styled *Abu Dhabi Commercial Bank, et al. v. Morgan Stanley & Co. Inc., et al.* and is pending in the SDNY. The complaint alleges, among other things, that the ratings assigned to the securities issued by the SIV were false and misleading because the ratings did not accurately reflect the risks associated with the subprime residential mortgage backed securities held by the SIV. On September 2, 2009, the court dismissed all of the claims against the Company except for plaintiffs' claims for common law fraud. On June 15, 2010, the court denied plaintiffs' motion for class certification. On July 20, 2010, the Court granted plaintiffs leave to replead their aiding and abetting common law fraud claims against the Company, and those claims were added in an amended complaint filed on August 5, 2010. Since the filing of the initial complaint, various additional plaintiffs have been added to

the case. There are currently 14 plaintiffs asserting individual claims related to securities issued by the STV. Plaintiffs have not alleged the amount of their alleged investments, and are seeking, among other relief, unspecified compensatory and punitive damages.

On January 16, 2009, the Company was named as a defendant in an interpleader lawsuit styled *U.S. Bank, N.A. v. Barclays Bank PLC and Morgan Stanley Capital Services Inc.*, which is pending in the SDNY. The lawsuit relates to credit default swaps between the Company and Tourmaline CDO I LTD ("Tourmaline"), in which Barclays Bank PLC ("Barclays") is the holder of the most senior and controlling class of notes. At issue is whether, pursuant to the terms of the swap agreements, the Company was required to post collateral to Tourmaline, or take any other action, after the Company's credit ratings were downgraded in 2008 by certain ratings agencies. The Company and Barclays have a dispute regarding whether the Company breached any obligations under the swap agreements and, if so, whether any such breaches were cured. The trustee for Tourmaline, interpleader plaintiff U.S. Bank, N.A., has refrained from making any further distribution of Tourmaline's funds pending the resolution of these issues and is seeking a judgment from the court resolving them. On January 11, 2011, the court conducted a bench trial, but has not yet issued its ruling. As of December 31, 2010, the Company believed that it was entitled to receivables from Tourmaline in an amount equal to approximately \$273 million.

On September 25, 2009, the Company was named as a defendant in a lawsuit styled *Citibank, N.A. v. Morgan Stanley & Co. International, PLC*, which is pending in the SDNY. The lawsuit relates to a credit default swap referencing the Capmark VI CDO, which was structured by Citibank, N.A. ("Citi N.A."). At issue is whether, as part of the swap agreement, Citi N.A. was obligated to obtain the Company's prior written consent before it exercised its rights to liquidate Capmark upon the occurrence of certain contractually-defined credit events. Citi N.A. is seeking approximately \$245 million in compensatory damages plus interest and costs. On October 8, 2010, the court issued an order denying Citi N.A.'s motion for judgment on the pleadings as to the Company's counterclaim for reformation and granting Citi N.A.'s motion for judgment on the pleadings as to the Company's counterclaim for estoppel. The Company moved for summary judgment on December 17, 2010. Citi N.A. opposed the Company's motion and cross moved for summary judgment on January 21, 2011.

On December 23, 2009, the Federal Home Loan Bank of Seattle filed a complaint against the Company and another defendant in the Superior Court of the State of Washington, styled *Federal Home Loan Bank of Seattle v. Morgan Stanley & Co. Inc., et al.* An amended complaint was filed on September 28, 2010. The complaint alleges that defendants made untrue statements and material omissions in the sale to plaintiff of certain mortgage pass through certificates backed by securitization trusts containing residential mortgage loans. The total amount of certificates allegedly sold to plaintiff by the Company was approximately \$233 million. The complaint raises claims under the Washington State Securities Act and seeks, among other things, to rescind the plaintiff's purchase of such certificates. On October 18, 2010, defendants filed a motion to dismiss the action.

On March 15, 2010, the Federal Home Loan Bank of San Francisco filed two complaints against the Company and other defendants in the Superior Court of the State of California. Deutsche Bank Securities Inc. et al.*, respectively. Amended complaints were filed on June 10, 2010. The complaints allege that defendants made untrue statements and material omissions in connection with the sale to plaintiff of a number of mortgage pass through certificates backed by securitization trusts containing residential mortgage loans. The amount of certificates allegedly sold to plaintiff by the Company in these cases was approximately \$704 million and \$276 million, respectively. The complaints raise claims under both the federal securities laws and California law and seek, among other things, to rescind the plaintiff's purchase of such certificates. On July 12, 2010, defendants removed these actions to the United States District Court for the Northern District of California, and on December 20, 2010, the cases were remanded to the state court.

On June 10, 2010, the Company was named as a new defendant in a pre-existing purported class action related to securities issued by a SIV called Rhinebridge plc ("Rhinebridge SIV"). The case is styled *King County, Washington, et al. v. IKB Deutsche Industriebank AG, et al.* and is pending in the SDNY. The complaint asserts

claims for common law fraud and aiding and abetting common law fraud and alleges, among other things, that the ratings assigned to the securities issued by the SIV were false and misleading, including because the ratings did not accurately reflect the risks associated with the subprime residential mortgage backed securities held by the SIV. On July 15, 2010, the Company moved to dismiss the complaint. That motion was denied on October 29, 2010. The case is pending before the same judge presiding over the litigation concerning the Cheyne SIV, described above. While reserving their ability to act otherwise, plaintiffs have indicated that they do not currently plan to file a motion for class certification. Plaintiffs have not alleged the amount of their alleged investments, and are seeking, among other relief, unspecified compensatory and punitive damages.

On July 9, 2010, Cambridge Place Investment Management Inc. filed a complaint against the Company and other defendants in the Superior Court of the Commonwealth of Massachusetts, styled *Cambridge Place Investment Management Inc. v. Morgan Stanley & Co., Inc., et al.* The complaint asserts claims on behalf of certain of plaintiff's clients and alleges that defendants made untrue statements and material omissions in the sale of a number of mortgage pass through certificates backed by securitization trusts containing residential mortgage loans. The total amount of certificates allegedly issued by the Company or sold to plaintiff's clients by the Company was approximately \$242 million. The complaint raises claims under the Massachusetts Uniform Securities Act and seeks, among other things, to rescind the plaintiff's purchase of such certificates. On August 13, 2010, defendants removed this action to the United States District Court for the District of Massachusetts and on September 13, 2010, plaintiff filed a motion to remand the case to the state court. On December 28, 2010, the magistrate judge recommended that the district court grant the motion to remand. The defendants objected to the magistrate's report and recommendation on January 18, 2011.

On July 15, 2010, The Charles Schwab Corp. filed a complaint against the Company and other defendants in the Superior Court of the State of California, styled *The Charles Schwab Corp. v. BNP Paribas Securities Corp., et al.* The complaint alleges that defendants made untrue statements and material omissions in the sale to one of plaintiff's subsidiaries of a number of mortgage pass through certificates backed by securitization trusts containing residential mortgage loans. The total amount of certificates allegedly sold to plaintiff's subsidiary by the Company was approximately \$180 million. The complaint raises claims under both the federal securities laws and California law and seeks, among other things, to rescind the plaintiff's purchase of such certificates. On September 8, 2010, defendants removed this action to the United States District Court for the Northern District of California and on October 1, 2010, plaintiff filed a motion to remand the case to the state court.

In July 15, 2010, China Industrial Development Bank ("CIDB") filed a complaint against the Company, which is styled *China Industrial Development Bank v. Morgan Stanley & Co. Incorporated* and is pending in the Supreme Court of the State of New York, New York County. The Complaint relates to a \$275 million credit default swap referencing the super senior portion of the STACK 2006-1 CDO. The complaint asserts claims for common law fraud, fraudulent inducement and fraudulent concealment and alleges that the Company misrepresented the risks of the STACK 2006-1 CDO to CIDB, and that the Company knew that the assets backing the CDO were of poor quality when it entered into the credit default swap with CIDB. The complaint seeks compensatory damages related to the approximately \$228 million that CIDB alleges it has already lost under the credit default swap, rescission of CIDB's obligation to pay an additional \$12 million, punitive damages, equitable relief, fees and costs. On September 30, 2010, the Company filed a motion to dismiss the complaint.

On October 15, 2010, the Federal Home Loan Bank of Chicago filed two complaints against the Company and other defendants. One was filed in the Circuit Court of the State of Illinois and is styled *Federal Home Loan Bank of Chicago v. Bank of America Funding Corporation et al.* The other was filed in the Superior Court of the State of California and is styled *Federal Home Loan Bank of Chicago v. Bank of America Securities LLC, et al.* The complaints allege that defendants made untrue statements and material omissions in the sale to plaintiff of a number of mortgage pass through certificates backed by securitization trusts containing residential mortgage loans. The total amount of certificates allegedly sold to plaintiff by the Company in the two actions was approximately \$203 million and \$75 million respectively. The complaint filed in Illinois raises claims

under Illinois law. The complaint filed in California raises claims under the federal securities laws, Illinois law and California law. Both complaints seek, among other things, to rescind the plaintiff's purchase of such certificates. The defendants removed both actions to federal court, on November 23, 2010 and November 24, 2010, respectively. On January 18, 2011, the United States District Court for the Northern District of Illinois remanded the Illinois action to the state court. The complaint is styled *MBIA Insurance Corporation v. Morgan Stanley, et al.* and is pending in New York Supreme Court, Westchester County. The complaint asserts claims for fraud, breach of contract and unjust enrichment and alleges, among other things, that the Company misled MBIA regarding the quality of the loans contained in the securitization, that loans contained in the securitization breached various representations and warranties and that the loans have been serviced inadequately. The complaint seeks, among other relief, compensatory and punitive damages, an order requiring the Company to comply with the loan breach remedy procedures in the transaction documents and/or to indemnify MBIA for losses resulting from the Company's alleged breach of the transaction documents, as well as costs, interests and fees. On February 2, 2011, the Company filed a motion to dismiss the complaint.

Part II—Other Information.

Item 1. Legal Proceedings.

In addition to the matters described in the Company's Annual Report on Form 10-K for the year ended December 31, 2010 (the "Form 10-K"), and those described below, in the normal course of business, the Company has been named, from time to time, as a defendant in various legal actions, including arbitrations, class actions and other litigation, arising in connection with its activities as a global diversified financial services institution. Certain of the actual or threatened legal actions include claims for substantial compensatory and/or punitive damages or claims for indeterminate amounts of damages. In some cases, the entities that would otherwise be the primary defendants in such cases are bankrupt or in financial distress.

The Company is also involved, from time to time, in other reviews, investigations and proceedings (both formal and informal) by governmental and self-regulatory agencies regarding the Company's business, including, among other matters, accounting and operational matters, certain of which may result in adverse judgments, settlements, fines, penalties, injunctions or other relief.

The Company contests liability and/or the amount of damages as appropriate in each pending matter. Where available information indicates that it is probable a liability had been incurred at the date of the condensed consolidated financial statements and the Company can reasonably estimate the amount of that loss, the Company accrues the estimated loss by a charge to income.

In many proceedings, however, it is inherently difficult to determine whether any loss is probable or even possible or to estimate the amount of any loss. The Company cannot predict with certainty if, how or when such proceedings will be resolved or what the eventual settlement, fine, penalty or other relief, if any, may be, particularly for proceedings that are in their early stages of development or where plaintiffs seek substantial or indeterminate damages. Numerous issues may need to be resolved, including through potentially lengthy discovery and determination of important factual matters, and by addressing novel or unsettled legal questions relevant to the proceedings in question, before a loss or additional loss or range of loss or additional loss can be reasonably estimated for any proceeding. Subject to the foregoing, the Company believes, based on current knowledge and after consultation with counsel, that the outcome of such proceedings will not have a material adverse effect on the consolidated financial condition of the Company, although the outcome of such proceedings could be material to the Company's operating results and cash flows for a particular period depending on, among other things, the level of the Company's revenues or income for such period.

Recently, the level of litigation activity focused on residential mortgage and credit crisis related matters has increased materially in the financial services industry. As a result, the Company expects that it may become the subject of increased claims for damages and other relief regarding residential mortgages and related securities in the future and, while the Company has identified below certain proceedings that the Company believes to be material, individually or collectively, there can be no assurance that additional material losses will not be incurred from residential mortgage claims that have not yet been notified to the Company or are not yet determined to be material.

The following developments have occurred with respect to certain matters previously reported in the Form 10-K or concern new actions that have been filed since December 31, 2010:

Residential Mortgage and Credit Crisis Related Matters.
