RE: Execution of Consent to Letter of Credit Amendment
Farwell Building Restoration

The City is the beneficiary of an existing Letter of Credit ("L/C") that was issued to secure the performance of certain historic preservation work related to the redevelopment of the Farwell Building on North Michigan Avenue. Much of this work is now done. Under the terms of the existing transaction documents, the developer is entitled to a reduction in the L/C amount to an amount equal to the cost of the remaining work to be done.

I've attached a copy of the L/C amendment that effects such reduction. I've reviewed it and approved its form. DHED/Landmarks has approved the estimate of the cost of the work to be done and it is consistent with the reduced amount (\$787,000).

I've attached for your execution a one page acknowledgment form for you to sign relating to such amendment, which I will then fax back to the issuer.

If you have any further questions, please call me at 4-6934. Otherwise, please sign the form and I will stop by to pick it up.
