TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Transportation, I transmit herewith an ordinance authorizing the establishment of a bicycle sharing system.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago wishes to launch a large bikesharing system (the "System") in Chicago, to encourage healthful activity, decrease traffic congestion, improve the environment, and increase the amenities of the City, enhancing its reputation as a world-class, progressive city; and

WHEREAS, as part of this program, the City wishes to purchase and cause to be installed the System's infrastructure, including docking stations and bicycles, as well as appurtenant, informational signage and panels, and to procure the System's operation, marketing and maintenance; and

WHEREAS, the City has received a grant of \$18,000,000 from the federal government ("Grantor") to pay for the purchase and installation of the System's infrastructure, which will be supplemented and user fees related to the System; and

WHEREAS, the City expects that the rental fees paid by users will fund the operation and maintenance of the System, it being understood that, to the extent the rental proceeds exceed the operations and maintenance costs and the selected operator achieves performance requirements to be included in its agreement with the City, the City will pay performance incentives to the operator out of such profits; and

WHEREAS, the City has selected, pursuant to an RFP process, an operator, Alta Bicycle Share, Inc., to provide, install, operate, and maintain the System (the "Operator"); and

WHEREAS, because the System provides revenue-generating opportunities for the City through advertisements and sponsorships of corporate advertising, the City issued an RFP to select one or more brokers for such sponsorships and advertising; and

WHEREAS, pursuant to authority conferred by Section 2-32-055 of the Municipal Code, the Chief Financial Officer intends to enter into a contract with one or more brokers selected by an RFP process, and enter into agreements with such advertisers and sponsors;

NOW THEREFORE, be it ordained by the City Council of the City of Chicago:

1. **Incorporation of Recitals.** The recitals to this Ordinance are incorporated herein.
2. **Establishment of Fees.** The Commissioner of Transportation, or his duly authorized designee, ("Commissioner") is authorized to establish the fee schedule, to be charged to user's, for rental of the System's bicycles.
3. **Location of Bicycle Stations and Permitting.** The Commissioner is authorized to identify and establish the sites at which System bicycle stations shall be located. The Commissioner may, in his discretion, include provisions in the

agreement with the operator allowing for coordination and input from the operator regarding such sites. The City's Department of Transportation shall be responsible for securing and issuing the required permits. The City Council authorizes the Commissioner to, at no cost to the Operator, issue such permits as may be necessary or appropriate to the installation and operation of the bikesharing system on the public right of way. The City Council also authorizes the Commissioner to execute such lease agreements, easement agreements, license agreements, and other use and ancillary agreements as may be necessary or appropriate to locate and operate bikesharing system stations on public and private properties, including, without limitation, on property owned by the Chicago Transit Authority, the Chicago Park District, the Board of Education, the Metropolitan Pier and Exposition Authority, METRA, universities and other public and private parties desiring to have such stations located on their properties (collectively, "Bikesharing Station Agreements"). Such Bikesharing Station Agreements shall be (i) on such terms and conditions as the Commissioner deems appropriate, including indemnification by the City, and (ii) in a form and substance satisfactory to the Commissioner and to the Corporation Counsel.

4. **Authorization of Agreement with Operator; Agreement(s) with Broker(s).** The Commissioner is authorized to negotiate and enter into an agreement with the selected Operator, on substantially the terms as set forth on Exhibit 1, which is attached hereto and incorporated herein ("Operator Agreement Term Sheet"), with such changes and additional terms as are approved by the Commissioner. Nothing in this ordinance shall be construed in derogation of the authority granted to the Chief Financial Officer ("CFO") under Section 2-32-055 of the Municipal Code. The bikesharing system and associated equipment, informational signage and advertising panels shall be deemed "Assets" for the purposes of such Section.
 5. **Revenues.** Any revenues generated from the System will be used to fund the expenses of the System including but not limited to any performance incentives as described in the Agreement, and for any other Title 23 Federal-aid eligible transportation improvements or programs.
 6. **Effective Date.** This Ordinance shall be effective upon passage and approval.

EXHIBIT 1: OPERATOR AGREEMENT TERM SHEET

Parties: City of Chicago and Alta Bicycle Share, Inc. ("Alta") or ("Operator")

Term: Initial 5 Year Term. City has the option to extend, on the same terms and conditions, for 2 additional periods of 5 years each.

Source of Funding: A majority of the funding will come from a grant from the Federal Highway Administration ("FHWA") in the amount of \$18,000,000 and other federal sources.

Elements of Bicycle Share System:

A. INITIAL PURCHASE

2012: Purchase of 3000 Bicycles, 301 Stations (Including Docking Station and Technical Platform)

Estimated Cost: \$17,027,714

Software Licenses Fees: Included in cost of Operations.

Purchases of Equipment after initial purchase: Subject to the availability of funding, the City retains the option to purchase additional bicycles and stations, on the same terms and conditions as prior purchases subject to certain price escalations as determined in the Agreement.

Additional station installation beyond first 301: \$5,200 per station

B. INSTALLATION and START-UP COSTS

Start Up Services and Costs (Including Marketing for System Launch, Creation of Website, Leasing of Warehouse): Maximum Cost: \$2,454,755

Installation Services and Costs: \$1,558,700

C. OPERATION, SUPPORT, AND MAINTENANCE.

Operation and Support and Maintenance include, but are not limited to the following services: Ongoing Marketing; operation of website; provision of call center for use by the public; Bicycle Redistribution; On-Street Bike Checking; Bike and Station Maintenance.

Financial Arrangement for Operation and Maintenance:

Costs: The Operator will be reimbursed for actual Operation and Maintenance Costs, which will be estimated in an annual budget negotiated between CDOT and the Operator. The total amount of such budget will act as a cap over which Operator may not seek reimbursement ("Annual Cost Cap"). Operator will be paid for actual costs incurred, and only in categories of costs included in the annual budget. Categories of costs in the budget may not be exceeded without Commissioner approval. Operator is otherwise responsible for any costs that exceed the Annual Cost Cap.

Source of Payment: Operation and Maintenance Costs will be paid out of System revenues unless otherwise directed by the City.

Year 1: Annual Cost Cap for Operation and Maintenance: \$7,837,356

Due to both the uncertainty in adoption rates inherent in this System, which is novel in Chicago in size and scope, and the City's strong desire that the System ultimately be a success for the reasons stated herein, in Year 1, the City shall be responsible for 90% of any shortfall between revenues from the System and actual costs incurred up to the Annual Cost Cap. Therefore, in Year 1, the City will be entitled to keep 90% of the excess in revenues over actual costs incurred up to the Annual Cost Cap even if Operator meets all performance Benchmarks.

Thereafter, the City and Operator shall determine an Annual Cost Cap for Operations, an Annual Loss Cap, and the corresponding performance benchmarks and Incentive Payments as part of annual budget negotiations. It is expected that revenues from bike rentals shall be sufficient to cover all Operations and Maintenance Costs. In the event that operating costs exceed operating revenues the Operator will absorb these losses up to an Annual Loss Cap.

After the first year, if Operations and Maintenance Costs significantly exceed the revenues from the System, and system losses exceed the Annual Loss Cap, the parties must undertake the following actions designed to decrease costs and ensure financial self-sufficiency while maintaining high quality service, in the following order: (i) provided that they do not significantly impact performance standards, undertake actions that will lead to a decrease in Operation and Maintenance Costs, then (ii) if the foregoing actions do not prove fruitful, revise Benchmarks and Incentive Payments for the Agreement and finally (iii) the parties may recalibrate the bike share system requirements and amend the Agreement to reduce costs and increase revenues with the aim of fiscal self-sustainability. Any revisions affecting scope, performance standards, or compensation must be made by written amendment to the Agreement; any substantial changes pursuant to (iii) above may require approval by City Council.

Incentive Payment Structure: Incentive Payments will be paid to Operator, based upon Operator's meeting of defined performance benchmarks. Incentive Payments will be paid only to the extent that revenues from rental fees exceed Operational

Costs incurred pursuant to the annual approved budget. Incentive fees may not exceed 70% of such profits in any calendar year.

Other Important Provisions:

Site Selection: The Operator shall recommend siting, and the Commissioner retains final authority over site selection. Station placement will be subject to certain engineering siting criteria, including the distance from the nearest station.

Rate: The Operator shall recommend a rate structure to the Commissioner. The Commissioner retains final authority over bike rental rates. The rate structure will be consistent with peer systems in North America. Annual membership rates will range from between \$60-\$85 and one-day usage rates will range from \$4-\$7.

Early Termination: The City has the right to early termination pursuant to the Agreement.

Bike Rental Agreement with Users: Users are required to sign Bike Rental Agreements. The City is not a party. The Operator and users agree to hold City harmless from all liability. Operator agrees to keep all data confidential.

Indemnity: Operator indemnifies the City for all losses arising or relating to Operator's negligence or wrongful acts or omissions. Operator indemnifies the City for patent infringement.

Warranties: Equipment warranty is 5 years for all Equipment.

Insurance: Alta will provide insurance coverage, and list the City as an additional insured on its insurance policies, for types of insurance, and in coverage amounts, to be approved by City Comptroller's Office.

Missing and Damaged Bicycles: The Operator is responsible for all missing and damaged bicycles beyond the first 1% of the number of bikes in the current fleet. The Operator will be required to maintain the fleet at a certain level and in working order.

Compliance with Grant: Operator will agree to comply with all terms of the federal grant.
