(3rd)
Committee(s) Assignment:

2009-2013 Affordable Housing Plan

Keeping Chicago's neighborhoods affordable.

2012 NOV -8 AM 9:48
CITY OF CHICAGO
RECEIVED IN THE
CITY CLERK'S OFFICE

City of Chicago
Rahm Emanuel, Mayor

2012 Third Quarter Progress Report
July-September

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2012 Third Quarter Progress Report, which presents the Department of Housing and Economic Development's progress on the goals set forth in the City's fourth Affordable Housing Plan, covering the years 2009-2013.

Through the third quarter of 2012 the Department has committed \$197 million to support more than 5,600 units of affordable housing. This represents 54% of our annual resource allocation goal and 63% of our units assisted goal.

In the third quarter, the Department approved financing for two multifamily development projects, opened the first phase of a major mixed-income development on the West Side and launched a new foreclosure mitigation program targeting rental buildings.

As always, we would like to thank our many partners for their continued support and cooperation. We could not succeed in our work without the perseverance of these neighborhood and business groups, elected officials, state and federal agencies, and other community stakeholders. Through our joint efforts, we continue to progress in our goals to create and preserve affordable housing for the people of Chicago.

Andrew J. Mooney
Commissioner

INTRODUCTION

This document is the 2012 Third Quarter Progress Report on the Chicago Department of Housing and Economic Development's fourth Affordable Housing Plan, 2009-2013.

For 2012, HED has projected commitments of almost \$370 million to assist nearly 9,000 units of housing.

Through the third quarter of 2012, the Department committed \$197 million in funds to support more than 5,600 units, which represents 54% of the 2012 unit goal and 63% of the 2012 resource allocation goal..

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2012, the Department expects to commit over \$288 million to support more than 6,000 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

Through the third quarter, HED committed almost \$140 million in resources to support 4,200 units. These numbers represent 68% of the 2012 multifamily unit goal and 48% of the 2012 multifamily resource allocation goal. In addition to these projects that have already been reported, HED is projecting that an additional 500 units in affordable rental housing projects supported by over \$70 million in City resources will be approved before the end of 2012:

Multifamily Rehab and New Construction

Senior Suites of Midway Village

On October 3, 2012 the City Council approved loans and tax credits for the \$18.1 million third phase of a major senior housing development in the West Lawn community. Senior Suites of Midway Village will be an 89-unit, five-story affordable rental building to be built on City-owned land at 6730-6810 S. Keating Avenue in the 13th Ward.

City assistance will include up to \$3 million in loans along with \$1.4 million in Low Income Housing Tax Credits that will generate \$13.1 million in equity for the project. The City will also enter into a \$1.1 million land sale with the developer, Senior Suites of Midway Village LLC, and use the proceeds to pay down a bank loan on the parcels which were originally intended for condominium buildings.

When completed, the L-shaped structure will include studio, one- and two-bedroom apartments as well as a dining room, laundry facilities, a library and management offices. The Midway Village senior campus already contains a 126-unit rental building and two 12-unit condominium buildings.

Senior Suites of Midway Village represents the final phase of a 239-unit complex featuring a mix of rental and condo residences.

3208 N. Sheffield Avenue

Also on October 3, the Council approved a \$13.1 million proposal to redevelop Lakeview's vacant Diplomat Hotel into supportive housing for individuals with mental illness who are homeless or at risk of homelessness.

Located at 3208 N. Sheffield Ave. in the 44th Ward, the City-owned building will be sold for \$1 to BT-Diplomat LLC and converted into 51 modern studio apartments, each containing a bathroom and kitchenette. Six units will be fully accessible and two will be available to households with mobility impairments. The City acquired the 85-year-old building in 2011 following a series of building and fire code violations that the previous owner was unable to remedy. Additional City support will include \$10.7 million in tax credits.

BT-Development, comprised of Brinshore Development LLC and The Thresholds social service agency, was selected from seven developers that responded to a City request for redevelopment proposals last year. The rehabilitation plan for the four-story building features a rooftop garden with solar panels along with ground-floor retail space, including a flower shop that will be staffed by building residents.

A 91-unit SRO hotel at 3208 N. Sheffield will be converted into 51 units of affordable permanent supportive housing designed for adults at risk of homelessness and/or with severe mental illness.

Woodlawn Six Apartments

On August 17 the City closed on a \$24.8 million project to acquire, preserve and rehab 100 project-based Section 8 units in six 3-story buildings in Woodlawn. The properties, known as the Woodlawn Six Apartments, are located on S. Drexel Ave., S. Kimbark Ave. and E. 62nd St. in the 20th Ward. The City has approved \$1.3 million in Illinois Donation Tax Credits to support the renovation. The project will also receive \$8 million in Low Income Housing Tax Credits and \$9.5 million in tax exempt bonds issued by IHDA.

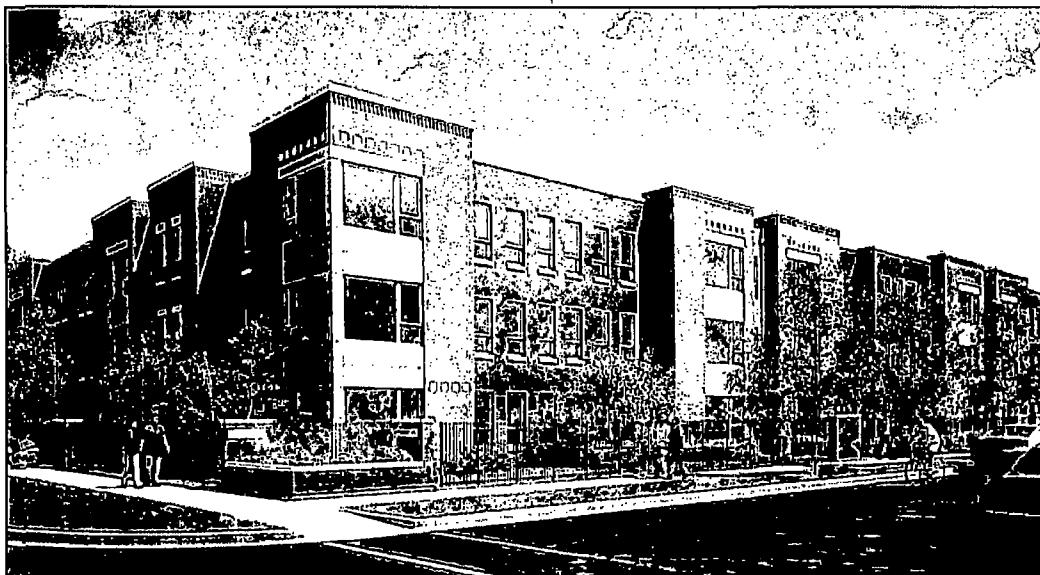

Updates on Previously Reported Developments

Dedication of Park Douglas—Phase I

In July the City dedicated the \$44 million first phase of a planned 300-unit, mixed-use development in the 28th Ward. Park Douglas, consisting of 137 units located in nineteen 3-story buildings, includes 60 apartments for former Chicago Housing Authority residents along with 28 market-rate and 49 affordable units. When completed, the complex will also include a new Mt. Sinai hospital and ambulatory care center.

The new, limestone-accented residences were constructed among existing vintage buildings, some of which already have been renovated. The project, approved in 2010 as a part of the CHA's Plan for Transformation, was made possible through the donation of City-owned land along with HED loans and tax credits valued at more than \$30 million.

The recently opened Park Douglas development contains 137 mixed-income units located in the vicinity of Roosevelt Road and California Avenue in the North Lawndale community.

Multi-Family Preservation

Heat Receiver Program Update

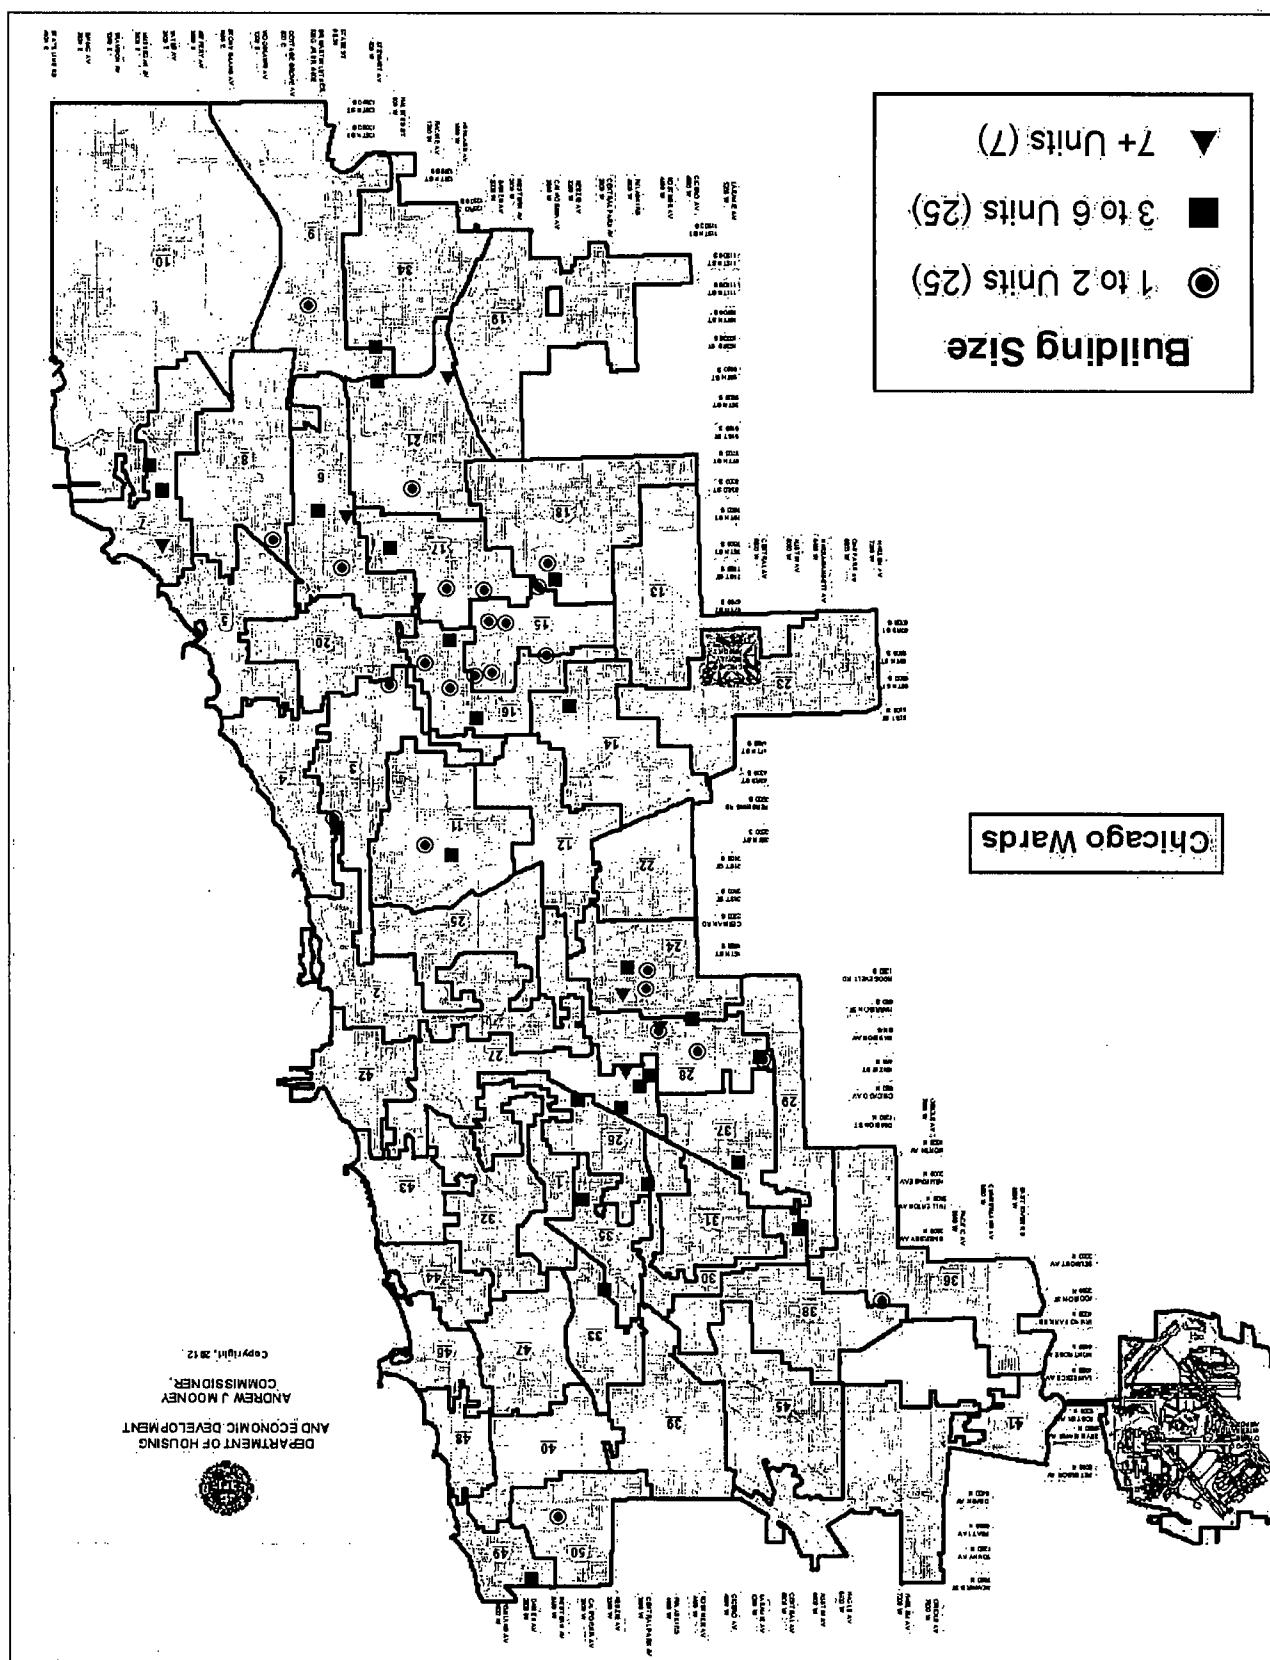

The Heat Receiver Program goes into action in situations where tenants in residential buildings lack essential services such as heat and hot water. Receiverships are generated by court orders appointing a Heat Receiver in emergency cases, which have been referred to court by the Departments of Law and Buildings as a result of tenant complaints received over the 311 City Services line. For the years 2008 through 2011, the program spent an average of \$700,000 and assisted some 600 units annually. Receivers were appointed in an average of 95 cases per year. So far in 2012, a total of 222 units have been assisted at a cost of nearly \$640,000.

Heat Receiver Program funds are used to pay for temporary gas service, emergency repairs, tenant relocations and property board-ups. The program generates income through repayment or foreclosure of receiver liens. The receiver often reduces City outlays through set-offs from rent collection and direct reimbursements by building owners.

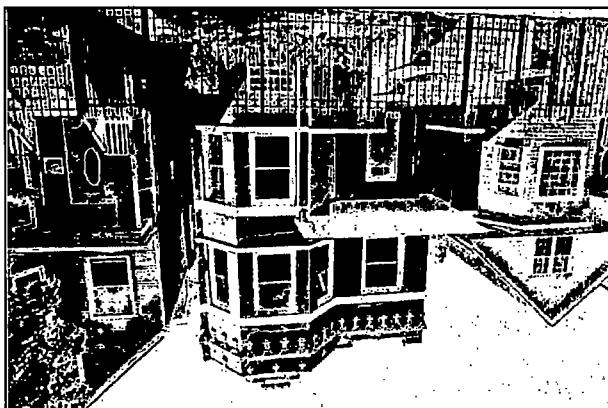

Although the incidence of no-heat complaints is determined largely by weather conditions, net program expenditures can be impacted by a variety of other factors, including overall economic conditions reflected in per-unit costs, the amount of rent collections by the receiver, the level of reimbursements by building owners, and the number of tenant relocations and board-ups required. Milder winters resulted in no-heat complaints dropping from 14,570 in the winter of 2008-09 to 6,310 in 2011-12. Yet during the same period, the economic downturn caused receiverships to increase from 53 in 2008 to 100 in 2011, and total program outlays peaked at \$1.17 million in 2011.

HEAT RECEIVER PROGRAM
BUILDINGS ASSISTED: JANUARY-SEPTEMBER 2012

This 2-flat at 2107 N. Karlov is one of four newly rehabbed homes featured in a recent house tour sponsored by Chicago's Neighborhood Stabilization Program.

For a complete list of NSP homes currently available for sale, please visit their website at <http://www.chicagosp.org/directory/category/59>.

To purchase a home through NSP, buyers must qualify under HUD income guidelines and follow steps of a similar tour sponsored by NSP last year in the Pullman and Roseland neighborhoods. Those homes sold quickly, and the four properties featured this year are already under contract.

Four newly rehabbed homes in the Logan Square and Hermosa neighborhoods were showcased in September 29 house tour sponsored by the Neighborhood Stabilization Program (NSP). The tour highlighted foreclosed properties, which were acquired by Mercy Portfolio Services and rehabbed mostly vacant, foreclosed properties, were visited by some 100 potential home buyers over the course of the day. The event, hosted at the McCormick Tribune YMCA, also provided an opportunity for home shoppers to speak with lenders and meet with housing counselors.

Through the third quarter, the Department committed \$51 million to support 316 units, achieving 82% of the annual homeownership resource allocation goal and 48% of the annual homelessness ship unit goal.

In 2012, the Department expects to commit over \$62 million to help more than 700 households achieve or sustain homeownership. HED initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties and financing programs for home purchase and rehabilitation.

PROMOTION AND SUPPORT OF HOME OWNERSHIP

The plans also call for a total of \$2 million in new funding to be made available for homes in Humboldt Park's Chicago/Central Park TIF district (bounded generally by Pulaski Road, Grand Avenue, Kedzie Avenue and Lake Street) and Woodlawn's West Woodlawn TIF district (bounded generally by King Drive, 60th Street, Cottage Grove Avenue and 68th Street). Both areas are participating in HED's Micro-Market Recovery Program, which focuses affordable housing resources in nine Chicago neighborhoods that have been significantly affected by foreclosures and residential disinvestment.

The City Council on September 12 approved plans to expand the Tax Increment Financing Neighborhood Improvement Program (TIF-NIP) and provide additional funding for its operation (ranging from \$16,850 for a single-family residence up to \$30,050 for a 4-flat) to accommodate energy upgrades aimed at cutting a home's energy costs.

Through the second quarter, HED committed \$7.3 million in resources to support over 1,100 units, achieving 49% of the annual improvement and preservation resource allocation goal and 55% of the annual improvement and preservation unit goal.

In 2012, the Department of Housing and Economic Development expects to commit nearly \$15 million to assist more than 2,000 households repair, modify or improve their homes.

IMPROVEMENT AND PRESERVATION OF HOMES

The City remains on track to meet HUD's 2013 deadlines for the full expenditure of NSP1 and NSP2 dollars. Property acquisitions funded under NSP3 will continue into 2014. Through the end of the third quarter of 2012, a total of 799 units in 167 properties have been acquired (or are under contract to buy) using funds from Chicago's three NSP grants. Rehab construction has started on 646 units in 124 properties; 271 units (57 properties) have been finished or are nearing completion. Fifty-five units (35 properties) have been sold to qualified homeowners, and several multifamily properties are partially occupied and in the lease-up process. A list of all properties that have been assisted through NSP can be found in the Appendix. An updated version of this list is always available at www.chicagonsp.org.

Neighborhood Stabilization Update

The program is expected to provide homes for up to forty families. It will be administered by the Community Investment Corporation, a not-for-profit mortgage lender specializing in multi-family rental buildings.

The program will be funded with \$1 million from the Ogden/Pulaski TIF District. Properties must be located within the district to qualify, and at least half of the units must be rented to income-qualified households.

On July 25 the City Council approved a new foreclosure mitigation program that will help responsible developers to buy and repair abandoned apartment buildings in the North and South Lawndale communities. The Multi-Family TIF Purchase Rehab Program will provide grants covering up to 50 percent of the cost of acquiring and rehabilitating buildings of five or more rental units.

Multifamily TIF Purchase Rehab Program

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Up in First Half of 2012 Foreclosure Filings Flat but Completed Foreclosures

The rate of new foreclosure filings remained virtually flat in Chicago in the first half of 2012 from the year-earlier period, but significant growth was seen in several low-income communities, reports the Woodstock Institute. Citywide filings totaled 9,922, an increase of 1% from 2011. But filings rose by 58.7 percent in West Pullman, 24.1 percent in Englewood, and 22.4 percent in Roseland—all community areas that had experienced declines in foreclosures filings during the previous two years.

In contrast to filings, completed foreclosure auctions in Chicago jumped by 87.7 percent in the first half of 2012. Woodstock attributes this surge in large part to the settlement of legal issues surrounding foreclosure processes caused by the robo-signing scandal that broke in 2010. Among community areas experiencing the greatest increases were South Lawndale (132.5%), Chicago Lawndale (120.3%), West Ridge (118.6%) and Austin (109.8%). To view the full report, please visit the Woodstock Institute website at: www.woodstockinst.org/publications/foreclosure-updates.

Income limits are based on the Chicago-Naperville-Joliet, IL HUD Metro FMR Area.

Effective until superseded.

Income limits for 30%, 50%, 60%, 80%, and 120% AMI as published by HUD.

Income limits for all other income levels extrapolated per HUD methodology (PDR 2008-02), using the very low income limit (50% AMI) as a starting point for calculating other income limits. Income limits for 9-person household calculated by multiplying the 4-person limit by 140%. Income limits for 10-person household calculated by multiplying the 4-person limit by 148%.

5	\$74	\$184	\$159	\$87	\$66

NOTE: Gross rent limits for 50% and 65% AMI, the High HOME Rent, and the Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."

** Semi-detached, row house, duplex, townhouse, elevator/high-rise apartments, garden/walk-up apartments
