NOW, THEREFORE, in consideration of the promises and the mutual obligations of the parties hereto, each of them hereby covenant and agree with the other as follows:

SECTION 1. INCORPORATION OF RECITALS. EFFECT OF THIS AGREEMENT

A. The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

B. Developer shall record the Release (as defined herein) and this Agreement with the Office of the Recorder of Deeds of Cook County (the "Recorder's Office") within ten (10) business days of the City's execution and delivery of the Release and this Agreement. The date on which the Release and this Agreement are recorded is referred to herein as the "Recording Date".

C. Regardless of whether and to what extent the Developer Acquisition Date or Recording Date occurs or has occurred, Developer has not, and shall in no way be deemed to have, assumed or succeeded to any one or more obligations or liabilities of Purchaser under the 2002 Agreement or 2002 Deed, it being expressly acknowledged and agreed by the City that Developer is not a successor or assign of Purchaser under the 2002 Agreement, and Developer has had no contractual or other relationship with Purchaser nor any responsibility for Purchaser's defaults under the 2002 Agreement or 2002 Deed.

D. Accordingly, from and after the Recording Date:

(i) the 2002 Agreement shall be amended, restated and superseded in its entirety by the terms of this Agreement, and the Property and each portion thereof shall be released in its entirety from each term, provision and restriction contained in the 2002 Agreement;

(ii) the restrictions on the Property set forth in the 2002 Deed shall be terminated, ended, released and no longer of any express or implied force or effect pursuant to the recordation, on the Recording Date, of an instrument substantially in the form attached as Exhibit C; and

(iii) the Property and each portion thereof shall become subject to the terms, provisions and restrictions of this Agreement until such time as the Certificate of Completion is issued in accordance with Section 7 of this Agreement, or the City terminates this Agreement including, without limitation, a termination pursuant to Section 13.C. of this Agreement.

SECTION 2. EARNEST MONEY AND PERFORMANCE DEPOSIT.

A. Earnest Money. Developer shall not be required to deposit any Earnest Money.

B. Performance Deposit. Prior to the Recording Date, Developer shall deposit with the City, Fifty-Seven Thousand Five Hundred Dollars (\$57,500.00) as security for the performance of its obligations under this Agreement (the "Performance Deposit"). The Performance Deposit shall be retained by the City until a Certificate of Completion (as discussed in Section 7, below) has been issued by the City.

SECTION 3. PROJECT BUDGET; PROOF OF FINANCING; MBE/WBE/RESIDENCY MONITORING PROVISIONS.

A. Project Budget; Proof of financing. The City acknowledges that it has received and approved Developer's project budget attached hereto as Exhibit D (the "Budget"). Upon Developer's application for building permit, Developer also shall submit to the City a written notice with an affirmation from Developer that Developer has funds adequate to finance the construction of the Improvements.

B. MBE/WBE/Residency Monitoring Provisions. Prior to execution of this Agreement, Developer shall meet with DHED's Monitoring and Compliance unit to review the MBE/WBE commitments.

1. Not less than fourteen (14) days prior to the submission for a building permit, Developer, the general contractor and all prequalified major subcontractors shall meet with DHED to discuss Developer's plan to achieve the MBE/WBE/Residency commitments. Within the same time frame, Developer shall submit acceptable evidence to DHED that the general contractor has met at least once with, and provided bid documents to, applicable MBE/WBE contractor associations.

2. Before the start of construction, Developer shall submit to DHED its

construction contracts for review, and its MBE/WBE Utilization Plan, including schedules C and D, for approval. Each month during construction, Developer shall provide DHED with evidence of compliance with the MBE/WBE goals.

SECTION 4. SITE PLANS AND ARCHITECTURAL DRAWINGS.

A. Developer agrees that Developer's construction of the Improvements on the Property and adjacent public sidewalks shall be commenced and completed by Developer in substantial accordance with the Drawings, subject however, to: (i) such minor modifications, if any, as shall receive the prior written approval of DHED and/or CDOT; and (ii) such major or material modifications, if any, as shall receive the prior written approval of the City Council. Material or major deviations include, but are not limited to changes in square footage that would cause the Project to exceed the approved floor area ratio ("FAR") or changes in the basic use of the Property or the Improvements as a private surface parking lot. The provision of this Section 4.A. shall terminate and be of no further force and effect following issuance of the Certificate of Completion.

B. Developer shall be solely responsible for and shall pay all costs in regard to any and all of the following that is necessary for installation of the Improvements and completion of the Project in accordance with the Drawings: the relocation, installation or construction of public or private utilities; curb cuts and driveways; the repair or reconstruction of any curbs, sidewalks or parkways deteriorated or damaged as a result of Developer's redevelopment; the removal of existing pipes, utility equipment or building foundations; and the termination of existing water or other services.

SECTION 5. LIMITED APPLICABILITY.

DHED's and CDOT's approval of the Drawings are for the purposes of this Agreement only and do not constitute the approval required by the City's Building Department or any other City department; nor does DHED and CDOT's approval of the Drawings as described in this Agreement constitute an approval of the quality, structural soundness or the safety of any Improvements located or to be located on the Property. The approval given by DHED and CDOT of the Drawings shall be only for the benefit of Developer and any lienholder authorized by this Agreement.

SECTION 6. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

A. Intentionally Omitted.

B. Within three (3) months of the Recording Date, Developer shall submit permit applications to the Department of Buildings for demolition of the existing improvements on the Property and for construction of the Improvements. The first date on which the City or other applicable governmental unit has issued all required governmental permits and approvals for the Project is referred to herein as the "Permit

Date".

C. Developer shall commence demolition of the existing improvements on the Property and construction or installation of the Improvements within six (6) months of the Permit Date. Within five (5) days after the commencement of construction, Developer shall notify the City that construction has begun.

D. Developer shall complete demolition of the existing improvements on the Property and construction or installation of the Improvements within twelve (12) months of the Permit Date.

E. At his or her discretion, the Commissioner of DHED may grant Developer one 6-month extension to the project schedule set forth in this Section 6, without City Council approval.

SECTION 7. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion upon the completion of the Improvements (the "Certificate of Completion"). Within thirty (30) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either (a) the Certificate of Completion, which the City shall issue along with the return of the Performance Deposit, if, in the City's reasonable discretion, the Developer has substantially completed the Project in conformity with this Agreement, or (b) a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default under this Agreement, and what measures or acts will be necessary, in the sole and reasonable opinion of the City, for the Developer to take or perform in order to complete the Project in conformity with this Agreement and obtain the Certificate or cure the alleged default. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement with respect to the Developer's obligations to complete the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction.

SECTION 8. RESTRICTIONS ON USE.

Developer agrees that:

A. As a covenant running with the land until the expiration of the Plan, the Property shall be devoted to uses that are: (i) allowed as permitted uses, special uses or planned developments under applicable zoning restrictions, as amended from time to

time, or (ii) allowed or recommended in the Plan (as amended through the date hereof), including, without limitation page 3 of the Plan, which recommends mixed residential and commercial and retail uses along 47th Street; and

B. As a covenant running with the land in perpetuity, no owner of the Property or any portion thereof shall discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, source of income, age, handicap, in the sale, lease, rental, use or occupancy of the Property or any improvements located or to be erected thereon.

SECTION 9. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion, in accordance with Section 7, above, Developer or its successors in interest shall not, without the prior written consent of the City: (a) sell or convey the Property or any part thereof or any interest therein; or (b) create any assignment with respect to this Agreement or the Property that would take effect prior to the issuance of the Certificate of Completion; or (c) contract or agree to: (1) sell or convey the Property or any part thereof or interest therein, or (2) create any assignment with respect to this Agreement or the Property.

The provisions of this Section 9 shall not: (i) limit or prevent Developer from leasing parking spaces that Developer has constructed on the Property on an hourly, daily, monthly or other basis; (ii) limit Developer's rights under Section 10 of this Agreement, or (iii) prohibit Developer from transferring or conveying the Property to an Illinois land trust of which Developer is the beneficiary or to a Limited Partnership of which Developer is the controlling General Partner or a Limited Liability Company of which Developer is the controlling Manager or Managing Member, provided that Developer grants to the City an irrevocable right to approve said documents. The foregoing shall not prevent Developer from admitting as a limited partner or member, an equity investor and, under the terms of the partnership or operating agreement, granting such equity investor approval or consent rights with respect to major decisions.

SECTION 10. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to issuance of the Certificate of Completion in accordance with Section 7 above,, Developer shall not, without the City's written consent, engage in any financing or other transaction that creates an encumbrance or lien upon the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds necessary to construct the Improvements; (c) mechanic lien rights arising in the ordinary course of construction; or (d) funds necessary for architects, surveyors, appraisers, environmental consultants or attorneys in connection with the Project.

SECTION 11. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the 2002 Deed, the

holder of any mortgage on the Property authorized by Section 10 of this Agreement shall not be obligated to construct or complete the Improvements; provided, however, that the foregoing provision shall not apply to any purchaser, other than the holder of the mortgage, of the Property at a foreclosure sale. Nothing in this Section 11 nor in any other section of this Agreement shall be deemed or construed to permit or authorize any such holder of a mortgage to devote the Property to any use, or to construct any improvements thereon, other than those uses or improvements permitted in the Plan.

SECTION 12. COVENANTS RUNNING WITH THE LAND.

The parties agree that the covenants provided in Sections 6, 8, 9 and 10 hereof shall be covenants running with the land comprising the Property, shall bind Developer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City; provided, however, the covenants provided in Sections 6, 9 and 10 hereof shall automatically terminate and be of no further force and effect if and when: (i) the City issues the Certificate of Completion as described in Section 7 hereof; or (ii) the City terminates this Agreement, including, without limitation, a termination pursuant to Section 13.C. hereof.

SECTION 13. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the parties' performance of their obligations under this Agreement.

B. Permitted Delays. Developer shall not be considered in breach of its obligations with respect to the commencement or completion of construction of the Improvements in the event of a delay in the performance of such obligations due to unforeseeable causes beyond Developer's control and without Developer's fault or negligence, including but not limited to, delays or halts in construction of the Improvements which are compelled by court order, acts of God, acts of the public enemy, acts of the United States government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the delay if Developer requests it in writing of the City within twenty (20) days after the beginning of any such delay.

C. Breach/Remedies.

1. Generally. Except as otherwise provided in this Agreement, in the event of a default by either party in the performance of its obligations under this Agreement, the defaulting party, upon written notice from the other, shall cure or remedy the default not later than sixty (60) days after receipt of such notice. If the default is not capable of being cured within the sixty (60) day period but the defaulting party has commenced action to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, then the sixty (60)

day period shall be extended for the length of time that is reasonably necessary to cure the default. In the event that Developer has requested in writing that notice of default be provided to Developer's Mortgagee, said Mortgagee shall have an additional thirty (30) day period in which to cure the default. If the default is not cured in the time period provided for herein, the available remedy for the aggrieved party shall be the right to unilaterally terminate this Agreement by written notice to the other party, provided, however, (i) the City shall have the additional remedy of retaining the Performance Deposit; and (ii) this Section 7.C. 1 shall not limit the City's rights and remedies under Section 29.5 hereof. Following any such termination, the written notice of termination may be recorded by either party.

2. Event of Default. For purposes of this Agreement, the occurrence of any one or more of the following shall constitute an "event of default":

- a. Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations required under this Agreement; or
- b. Developer makes or furnishes a warranty, representation, statement or certification to the City which is not true and correct in any material respect; or
- c. A petition is filed by or against Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
- d. Developer abandons or substantially suspends the construction work, and such abandonment or suspension is not cured, ended, or remedied within sixty (60) days of the date Developer receives written demand by the City to cure such default; or
- e. Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property; or
- f. Developer makes an assignment, pledge, encumbrance, transfer or other disposition in violation of this Agreement; or
- g. Developer's financial condition or operations adversely changes to such an extent that would materially affect Developer's ability to complete the Improvements; or
- h. Developer fails to comply with the terms of any other written agreement entered into with the City or any loan issued by the City.

D. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No

waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer.

E. Access to the Property. After the Developer Acquisition Date and Recording Date have both occurred, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of confirming Developer's compliance with this Agreement.

SECTION 14. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligation under the terms of this Agreement.

SECTION 15. INDEMNIFICATION.

Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (i) the failure of Developer to perform its obligations under this Agreement; or (ii) the failure of Developer or any Contractor to pay Contractors, subcontractors or material suppliers in connection with the construction of the Improvements. This indemnification shall survive any termination of this Agreement.

SECTION 16. ENVIRONMENTAL MATTERS.

If an environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a condition entirely suitable for the intended use of the Property. The Developer agrees to release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Developer Acquisition Date.

SECTION 17. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. Employment Opportunity. Developer agrees, and shall contractually

obligate its various Contractors, (as hereinafter defined), subcontractors or any affiliate of Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements:

1. Neither Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer and each Employer shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

2. To the greatest extent feasible, Developer and each Employer is required to present opportunities for training and employment of low and moderate income residents of the City for work in connection with the construction of the Improvements and to provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part, by persons residing in the City.

3. Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, but not limited to, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto for work in connection with the construction of the Improvements.

4. Developer, in order to demonstrate compliance with the terms of this Section 17.A., shall cooperate with and promptly and accurately respond to

inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

5. Developer and each Employer shall include the foregoing provisions of subparagraphs 1 through 4 in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each Contractor, subcontractor or affiliate, as the case may be.

6. Failure to comply with the employment obligations described in this Section 17.A. shall be a basis for the City to pursue remedies under the provisions of Section 13, above.

B. City Resident Employment Requirement. Developer agrees, and shall contractually obligate the Employers to agree that during the construction of the Improvements they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 3-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, Developer and the Employers shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago (the "Purchasing Agent").

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to DHED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time

that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

Developer and the Employers shall provide full access to their employment records to the Purchasing Agent, DHED, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate of Completion.

At the direction of DHED, Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this Section 17 concerning the worker hours performed by actual Chicago residents.

In the event that the City has determined that Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 17. Therefore, in such a case of non-compliance which has not been remedied in accordance with the breach and cure provisions contained in Section 13.C. herein, it is agreed that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in Developer's budget shall be surrendered by Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer and/or the other Employers or employee to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

Developer shall cause or require the provisions of this Section 17.B. to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. Developer agrees, and shall contractually obligate the Employers to agree, that during the construction of the Improvements:

1. Consistent with the findings which support the Minority-Owned and Women Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq. of the Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 17.C., during the course of construction of the Improvements, at least the following percentages of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"):
 - a. At least 25% by MBEs.
 - b. At least 5% by WBEs.
2. For purposes of this Section 17.C. only, Developer (and any party to whom a contract is let by Developer pursuant to this Agreement) shall be deemed a "Contractor" and this Agreement (and any contract let pursuant thereto) shall be deemed a "Contract" as such terms are defined in Section 2-92-420 of the Municipal Code of Chicago. In addition, the term "minority-owned business" or MBE shall mean a business enterprise identified in the Directory of Certified Minority Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a minority-owned business enterprise; and the term "women-owned business" or WBE shall mean a business enterprise identified in the Directory of Certified Women Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a women-owned business enterprise.
3. Consistent with Section 2-92-440 of the Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved by Developer utilizing a MBE or a WBE as a Contractor, by subcontracting or causing a Contractor to subcontract a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the construction of the Improvements from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 17.C.
4. Developer shall deliver monthly reports to DHED describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include inter alia the name and business address of each MBE and WBE

solicited by Developer or a Contractor to work on the Improvements, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DHED in determining Developer's compliance with this MBE/WBE commitment. DHED shall have access to Developer's books and records, including, without limitation, payroll records and tax returns, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation.

5. The City shall have the right to terminate this Agreement upon the disqualification of a Contractor as a MBE or WBE, if the Contractor's status as a MBE or WBE was a factor in the approval of the Developer, and such status was misrepresented by the Contractor or the Developer. In addition, the City shall have the right to terminate this Agreement upon the disqualification of any MBE or WBE subcontractor or supplier of goods or services if the subcontractor's status as a MBE or WBE was a factor in the approval of the Developer, and such status was misrepresented by the Contractor or the Developer. In the event that Developer is determined not to have been involved in any misrepresentation of the status of the disqualified Contractor, subcontractor or supplier, Developer shall be obligated to discharge or cause to be discharged the disqualified Contractor or subcontractor or to terminate any contract or business with the disqualified supplier, and, if possible, identify a qualified MBE or WBE as a replacement. Failure by Developer to diligently pursue such course of action will result in the City's option to unilaterally terminate this Agreement. For purposes of this subparagraph 5, the disqualification procedures are further described in Section 2-92-540 of the Municipal Code of Chicago. The City acknowledges that no Contractor's or subcontractor's status as a MBE or WBE was a factor in the approval of the Developer.
6. Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 17.C. shall be undertaken in accordance with Section 2-92-450 of the Municipal Code of Chicago.

D. Pre-Construction Meeting; Monitoring Requirements. Prior to the commencement of construction of the Improvements, Developer shall meet with the monitoring staff of DHED with regard to Developer's compliance with its employment obligations, the sufficiency of which must be approved by DHED as a pre-condition to DHED's approval to allow Developer to commence with the construction of Improvements. During the construction of the Improvements, Developer shall submit documentation (as required in Sections 17.A. and 17.C., above) to the monitoring staff of DHED. The failure to submit such documentation on a timely basis, or a

determination by DHED, upon analysis of the documentation, that Developer is not complying with its employment obligations described in this Section 17, shall upon the delivery of written notice to, be deemed a default. In such event, the City may pursue any remedy described in this Section 17 or in Section 13 above.

E. In the event of a default by Developer in the performance of its obligations under this Section 17, the notice and cure provisions contained in Section 13, above, shall apply.

SECTION 27. BUSINESS RELATIONSHIPS.

Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

Developer represents and warrants that neither Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this Section 28 only, an "Affiliate" shall be deemed to be a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("**Contractors**"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

29.2 Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Developer, or the date Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

29.3 Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

29.4 Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

29.5 Notwithstanding anything to the contrary contained herein, Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for

default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

29.6 If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Developer Acquisition Date, the City may elect to rescind its consent to the designation of Developer as developer for the Project and conveyance of the Property to Developer.

29.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

- (A) joint ownership of a motor vehicle;
- (B) joint credit account;
- (C) a joint checking account;
- (D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 30. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 31. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.
