DialogueDirect, Inc. Code of Practice

DialogueDirect Code of Practice for the Personal Solicitation of Committed Gifts ("Face to Face Street" and "Door to Door Fundraising")

- 1. We always tell potential donors clearly that we are paid fundraisers.
- 2. We always carry and display ID so that any potential donor can verify who we are, whom we are working for, and on whose behalf we are fundraising.
- 3. We always represent our Not for Profit Organization at the time, in the place, and in the manner that has been previously agreed upon, both with the NPO and with the relevant site owner or local authority, and as directed by our Team Guide or other responsible agency personnel.
- 4. We always explain to a donor how the NPO will communicate with them after subscribing; if they are likely to receive a follow-up phone call, we inform them of this,
- 5. We always ensure that forms with personal details provided by donors are handled at all stages in a secure manner.
- 6. We always end a conversation in a polite and respectful manner as soon as we are asked to.
- 7. We always ensure, wherever possible, that if a member of the public has a complaint, a full and accurate record of the complaint and the complainant's contact details are taken so that action can be taken promptly and appropriately. We will also offer the complainant contact details for a person in authority who can respond to their concerns.
- 8. We never say or do anything that could offend or harass people, and we do not use manipulative techniques or pressure-tactics.
- 9. We never confuse or mislead the public and we never <u>say</u>, <u>do</u>, or <u>display</u> anything related to the NPO for which we have not been given express permission by the NPO.
- 10. We never behave while on duty in any way that might bring the NPO or DialogueDirect into disrepute.
