- 1) The design and drawing are proprietary and the property of Shooped. Any reproduction or use without prior written approval is prohibited.
 2) Channel LED modules and power supply quantities are ESTIMATES ONLY and are based on the supplier information and drawings. Channel letter design, lens color, material and thickness can vary, which may lead to an increase or decrease in product or the time of installation. To ensure accurate product requirements, it is recommended that product is tested using customer's specific lens material and letter configuration.
 3) Shooped highly recommends applying Light Enhancement Film (LEF) or Light Enhancement Film (LEF) inside channel letters for optimal illumination.
 4) Jacketed cable estimated minimum maximum run length of 15' per leg of the power supply.
