**4-240-045 License — Limitations - Restrictions.**

- (A) Number of licenses issued In order to maintain the safety of the citizens, pawnbroker licenses shall be limited in the City of Chicago by population. Specifically, there shall be no more than 1 licensed pawn shop per every 36,000 residents with a maximum total number of 75 pawn shops.
- (B) Review of license limitations. This total number of licenses shall remain limited to 75 or fewer unless and until such time that the City of Chicago exceed 3 million residents. - (D) Pawnbroker license moveable. Once a pawnbroker license application has been approved, and should circumstances require it, that license may be moved to a new location.
