## AGREEMENT

This Agreement for the management of Special Service Area Number 13 is entered into on January 1, 2011 by and between Back of the Yards Neighborhood Council, an Illinois not-for-profit corporation ("Contractor"), and the City of Chicago ("City"), a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through the Special Service Area Commission at Chicago, Illinois.

WHEREAS, the City Council of the City of Chicago ("City Council") has established a special service area known and designated as "Special Service Area Number 13" ("Area"), to provide special services in addition to those services provided generally by the City ("Special Services"). The City Council has further authorized the levy of an annual ad valorem real property tax in the Area sufficient to produce revenues required to provide those Special Services but not to exceed 1.90% of the equalized assessed value of all property within the Area ("Service Tax"), all as provided in the Establishment Ordinance (hereinafter defined); and

WHEREAS, the City Council, on \_\_\_\_\_, 2010, authorized the levy of the Service Tax and appropriation of the funds therefrom for the Area for fiscal year 2011 for the provision of the Special Services in the Area, and the City wishes to provide that the Contractor, beginning on January 1, 2011, and continuing until December 31, 2011, may use those funds to provide the Services, subject to the terms and conditions of this Agreement; and

WHEREAS, the Contractor and the City desire to enter into this Agreement to provide such Special Services in the Area and the Contractor is ready, willing and able to enter into this Agreement to provide the Special Services to the full satisfaction of the City;

The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperfomed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. Part 60 et seq. (1990); and all other applicable federal statutes, regulations and other laws.

##### (ii) State Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 44 Ill. Admin. Code § 750 Appendix A. Furthermore, Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq. (1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) City Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 et seq. of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and mles.

(b) Subcontractors

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

**3.05 Insurance**

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm, such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

**3.06 Indemnification**

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal

have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

“City Indemnitees” means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

“Losses” means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys’ fees, court costs, and experts’ fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

“Arising under this Agreement” means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor’s performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor’s liability that it would otherwise have by virtue of the Worker’s Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker’s Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

### **3.07 Records and Audits**

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date

of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the

audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

### **3.08 Subcontracts and Assignments**

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

### **3.09 License, Permits and Safety Considerations**

#### **A. Licenses and Permits**

If the Contractor engages in Constmction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits,

licenses, authorizations and approvals as are necessary for it to engage Constmction under this Agreement.

#### **B. Safety Considerations**

If the Contractor engages in Constmction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Constmction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Constmction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

#### **3.10 Performance Bond**

If the Contractor engages in Constmction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Constmction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

#### **ARTICLE 4 TERM OF SERVICES**

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

## **ARTICLE 5 COMPENSATION**

### **5.01 Basis of Payment**

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011 is the sum of (a) \$1,197,411 or the total amount of Service Tax Funds actually collected for tax year 2010, whichever is less; and (b) the total amount of Surplus Funds in the amount of \$154,800 which are being carried over from previous program years and which the Contractor hereby acknowledges are in its possession; the maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011, therefore, shall not exceed \$1,352,211.

For each subsequent year of this Agreement, if any, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax Funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

### **5.02 Budget for Services**

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$1,352,211, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

### **5.03 Method of Payment**

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized

to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES. The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is \_\_\_\_\_ and the wire transfer and the Account numbers are \_\_\_\_\_.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

#### **5.04 Criteria for Payment**

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

#### **5.05 Funding**

Payments under this Agreement shall be made from Service Tax Funds in fund number \_\_\_\_\_ and are subject to the availability of funds therein.

#### **5.06 Non-Appropriation**

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

### **ARTICLE 6 SPECIAL CONDITIONS**

"Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor understands and will abide by all provisions of Chapter 2-26 of the Municipal Code of the City of Chicago.

## **6.02 Economic Disclosure Statement and Affidavit**

## **6.03 Conflict of Interest**

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

#### **6.04 Non-liability of Public Officials**

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof

#### **6.05 Independent Contractor**

#### **6.06 Business Relationships with Elected Officials**

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. ## 6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Contractor has 25 or more full-time employees, and
- (ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
- (iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up

to 3 years.

(e) **Not-for-Profit Corporations:** If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

#### **6.08 Deemed Inclusion**

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

#### **6.09 Environmental Warranties and Representations**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

#### **6.10 EDS / Certification Regarding Suspension and Debarment**

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

#### **6.11 Ethics**

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

#### **6.12 MacBride Ordinance**

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

#### **6.13 Cooperation in Investigations**

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents,

partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

## **ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION**

### **7.01 Events of Default Defined**

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

- (1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;
- (2) failure to perform the Services in a manner satisfactory to the City;
- (3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
- (4) discontinuance of the Services for reasons within the Contractor's reasonable control;
- (5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

## **7.02 Remedies**

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the

City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

### **7.03 Right to Offset**

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

### **7.04 Suspension**

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

### **7.05 No Damages for Delay**

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

### **7.06 Termination for Convenience**

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is

described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

#### **8.10 Miscellaneous Provisions**

Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. #### **8.12 Contractor Affidavit**

The Contractor must provide to the City, no later than thirty days after the end of each year, a fully executed and notarized Affidavit certifying the expenditures and Services provided for the prior year. The form of this affidavit is attached as Exhibit 8 and incorporated by reference.

Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

The Security Firm must furnish the Contractor and City of Chicago, Department of Community Development, City Hall, Room 1000, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Contract, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Contract. The receipt of any certificate does not constitute agreement by the Contractor that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the Contractor to obtain certificates or other insurance evidence from Security Firm is not a waiver by the Contractor of any requirements for the Security Firm to obtain and maintain the specified coverages. The Security Firm shall advise all insurers of the Contract provisions regarding insurance. Non-conforming insurance does not relieve Security Firm of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the Contractor retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

The insurance must provide for 60 days prior written notice to be given to the Contractor in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Security Firm.

The Security Firm hereby waives and agrees to require their insurers to waive their rights of subrogation against the Contractor and the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Security Firm in no way limit the Security Firm's liabilities and responsibilities specified within the Contract or by law.

Any insurance or self insurance programs maintained by the Contractor do not contribute with insurance provided by the Security Firm under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.

If Security Firm is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Security Firm must require all subcontractors to provide the insurance required herein, or Security Firm may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Security Firm unless otherwise specified in this Contract.

If Security Firm or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

## Explanations

### COOK COUNTY

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

### EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.
