3.01 The Project. The Developer will complete construction of the Project pursuant to the Plans and Specifications, but subject to the provisions of Section 18.17, no later than July 31, 2016 or such later date as to which DPD may consent (which consent shall not be unreasonably withheld provided that construction is completed on or before December 31, 2016 in connection with the federal low-income housing tax credits allocated to the Project.).

3.02 Plans and Specifications. The Developer has delivered the Plans and Specifications to DPD for the Project and DPD has approved same. After such initial approval, subsequent proposed changes to the Plans and Specifications shall be submitted to DPD as a Change Order pursuant to Section 3.05 hereof. The Plans and Specifications shall at all times conform to the Redevelopment Plan and all applicable federal, state and local laws, ordinances and regulations. The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of DPD's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer.

3.06 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.07 Other Approvals. Any DPD, City Department of Transportation, City Department of Buildings, or other City departmental approval under the Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Project until the Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Plans and Specifications) and, to the extent required, proof of the General Contractor's and each subcontractor's bonding.

3.08 Progress Reports and Survey Updates. After commencement of construction, the Developer shall provide DPD with written monthly progress reports detailing the status of the Project, including the amount of TIF-Funded Improvements incurred and revised completion dates if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.05). **[[The Developer may satisfy this reporting requirement through submission of the monthly construction draw, so long as any additional information DPD requests regarding status of the Project and the amount of TIF-Funded Improvements shall be provided upon request by DPD.]]** The Developer shall provide three (3) copies of an updated Survey to DPD if the same is required by any lender providing Lender Financing, reflecting improvements made to the Property.

The inspecting agent or architect shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to DPD, prior to requests for disbursement for

costs related to the Project. **[[At the Developer's option (but still subject to DPD approval as set forth above), the inspecting architect may be the inspecting architect engaged by any lender providing Lender Financing for the Project, provided that said architect is an independent architect licensed by the State of Illinois, an inspecting agent of DPD or the Architect.]]**

3.10 **Barricades.** Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. 3.12 **Utility Connections.** The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.13 **Permit Fees.** In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City and are of general applicability to other property within the City.

funds in a principal amount not to exceed Four Million Dollars (\$4,000,000) (the "City Funds") from Available Incremental Taxes to pay for (through the Escrow) or reimburse the LLC for the costs of the TIF-Funded Improvements. City Funds will be provided in three installments as follows: i) the first payment of up to \$1,000,000 will occur after construction is 25% complete, as evidenced by an Architect's Certificate; ii) the second payment of up to \$1,000,000 will occur after construction is 50% complete, as evidenced by an Architect's Certificate, and iii) the third and final payment will consist of the balance of the City Funds (which is anticipated to be approximately \$2,000,000) and will occur upon the issuance of the Certificate of Completion.

(v) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project's construction. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any [disbursement] by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions for each disbursement of City Funds, including but not limited to requirements set forth in the TIF Ordinances, this Agreement and/or the Escrow Agreement.

Notwithstanding any other provision in this Agreement, the City shall not terminate this Agreement upon the occurrence of an Event of Default if foreclosure proceedings have been commenced under any mortgage securing any Lender Financing or a deed in lieu of such foreclosure has been executed and delivered and provided that either lender providing Lender Financing, or transferee of such lender, has cured or has commenced and is pursuing the cure of the Event of Default within the curative time period provided under Section 15.03.

Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

4.07 Cost Overruns. The Developer shall be solely responsible for any Project costs in excess of those set forth in the Project Budget and shall hold the City harmless from any and all such costs.

(n) payments of City Funds are subject to the amount of Available Incremental Taxes deposited into the _____ Account being sufficient for such payments. If, and that if the Available Incremental Taxes turn out to be insufficient to make such payments, such insufficiency shall not give the Developer or any other party any claim or right to any other Incremental Taxes or City funds.;

(o) such party understands that (A) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the _____ Account; (B) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (C) such party will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (D) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(p) such party has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(q) such party understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amount of City Funds actually received by such party may be less than the maximum amounts set forth in Section 4.03(b);

(r) except as otherwise authorized in this Agreement, such party understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part without the prior written consent of the City, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any, sale, assignment, pledge or transfer by such party of City Funds in violation of this [RDA]; and

(s) such party acknowledges that the City has no continuing obligation to provide it with any information concerning the City Funds or otherwise, except as set forth in this [RDA].

(t) the Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer or HHDC of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer, HHCD and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by the Developer and HHDC, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract among the Developer, HHCD and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer and HHDC represent and warrant that from the date the City approached the Developer or HHDC or the date the Developer or HHDC approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to the LLC shall be used by the LLC solely to pay for or reimburse the LLC for the TIF-Funded Improvements as provided in this Agreement. The City acknowledges that the LLC shall loan the City Funds to the Partnership in accordance with the Partnership's amended and restated limited partnership agreement for the Project.

8.05 TIF Bonds. The Developer Parties shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) TIF Bonds in connection with the Redevelopment Area; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds; and provided further, that the proceeds of TIF Bonds shall not be used to make any payments to the Developer Parties hereunder. The Developer Parties shall, at the Developer Parties' expense, cooperate and provide reasonable assistance in connection with the marketing of any such TIF Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 [Intentionally Omitted]

8.07 **Employment Opportunity; Progress Reports.** The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered quarterly to the City. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 **Employment Profile.** The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 **Prevailing Wage.** Unless required to pay federal "Davis-Bacon" wages pursuant to the terms of the Lender Financing or project-based section 8 federal rental subsidy for the Project, the Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 **Arms-Length Transactions.** Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 **Conflict of Interest.** Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 **Disclosure of Interest.** The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 **Financial Statements.** Commencing in the earlier of first fiscal year in which Developer engaged in economic activity or 2015, the Developer shall obtain and provide to DPD Financial Statements for the Developer for such fiscal year for which such statements are available and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit

unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 **Insurance.** The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 **Non-Governmental Charges.**

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) **Right to Contest.** The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 **Developer's Liabilities.** The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 **Compliance with Laws.** To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property, including but not limited to the Municipal Code of Chicago, Section 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550, or

11-4-1560, whether or not in the performance of this Agreement. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) **Payment of Governmental Charges.** The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) **Right to Contest.** The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect; provided, however, nothing contained in this provision shall preclude Developer from applying for and receiving any reduction in the amount of real estate taxes payable for the Project or the Property, subject to the provisions of clause (ii) below.

(ii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property for Real Estate Taxes applicable until the tax year that ends on December 31, 2023; provided, however, the Developer is permitted to apply for a Class 9 or similar designation from Cook County (including the Cook County Assessor's Affordable Housing Initiative program) even if such designation with respect to the Property would result in a reduced assessed value. As part of the Class 9 or similar designation, the Cook County Assessor may consider the income approach permitted for projects financed with the federal low income housing tax credit per 35 ILCS Section 10-260.

(iii) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property; provided, however, the Developer is permitted to apply for a Class 9 or similar designation from Cook County and may defend against any Underassessment Complaint that seeks to challenge the Class 9 (or similar designation) assessment.

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date

hereof; provided however, that the covenants shall be released upon the expiration of the Term of the Agreement or as otherwise provided in Section (c)(ii) above. The Developer agrees that any sale (including, without limitation, any sale and leaseback), lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof, including the transfer of title from HHDC to the Partnership, shall be made explicitly subject to such covenants and restrictions.

Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer or its successors and assigns, may waive and terminate the Developer's covenants set forth in this Section 8.19(c).

8.20 Affordable Housing Covenant. In connection with the Affordable Housing Loan, a certain Regulatory Agreement between the City and the Developer, dated as of the date hereof, shall be recorded against the Property, which shall impose certain affordability restrictions on the Project as set forth therein.

Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement as of the date hereof shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing for senior citizens ages 55 and older;

(b) Sixty-nine units in the Facility shall be available for occupancy to and be occupied solely by one or more senior citizens qualifying as Low Income Families (as defined below) upon initial occupancy; and

(c) Sixty-one units in the Facility have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this Section 8.20, the following terms have the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.20 shall run with the land and be binding upon any transferee.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.20.]

8.21 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.22 Annual Compliance Report. Beginning with the calendar year in which the Certificate is issued and continuing throughout the Term of the Agreement, the Developer shall submit to DPD the Annual Compliance Report by February 1st of the year following the end of the calendar year to which the Annual Compliance Report relates. For example, if the Certificate is issued in 2014, then the first Annual Compliance Report will be due no later than February 1, 2015.

8.23 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's member (for the LLC), officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.24 FOIA and Local Records Act Compliance

(a) **FOIA.** Each of the Partnership and the LLC acknowledge that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 *et. seq.*, as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then such Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request will be a breach of the Agreement.

(b) **Exempt Information.** Documents that the Developer submits to the City under Section 8.22 (Annual Compliance Report) or otherwise during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that the Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with the Agreement and the transactions contemplated in the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that $1/20$ of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in Exhibit F-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

report]] and other environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, Plans and Specifications and all amendments thereto, and the Redevelopment Plan[[, **provided however that the Developer acknowledges that the environmental review of the Property by 2FM on behalf of the City is currently on-going and may require that the Property be enrolled in the Site Remediation Program of IEPA.]].** Notwithstanding the foregoing or any other provision to the contrary contained in this Agreement, 2FM shall have the right to review and approve the sufficiency of the Phase I [[and Phase II]] ESA reports and any other reports prepared for the Property[[, including, without limitation the SRP Documents, if any shall be required]]. Upon 2FM's request, the Developer shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project, including, without limitation, updating or expanding the Phase I Report and performing additional Phase II testing. HHDC and the Developer agree to deliver to the City a copy of each report prepared by or for HHDC or the Developer regarding the environmental condition of the Property.

11.02 [[[Environmental Remediation. The IEPA shall review the SRP Documents and requested follow-up actions and corrections pursuant to letter dated _____, 2014. The Developer agrees to take all such follow-up actions and other necessary and proper steps to obtain a Draft NFR Letter for the Property. The Developer acknowledges and agrees that if the Property is enrolled in the SRP, it may not commence construction on the Property until the IEPA issues, and 2FM approves, a Draft NFR Letter. After 2FM approves the Draft NFR Letter, **if any shall be required,** the Developer covenants and agrees to complete the Remediation Work, **if any.** The City shall have the right to review in advance and approve any material changes to **any** SRP Documents, **that may be required,** the RACR for the Property and the Developer's estimate of the cost to perform **any** Remediation Work **that shall be required.** The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters, including, without limitation, any plans or proposals the Developer may have that would materially increase or decrease the costs of the Remediation Work. The Developer shall bear sole responsibility for all aspects of the Remediation Work and any other investigative and cleanup costs associated with the Property, including, without limitation, the removal and disposal of all Hazardous Substances, debris and other materials excavated during the performance of the Remediation Work. The Developer shall promptly transmit to the City copies of all documents and other written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work. The Developer acknowledges and agrees that the City will not issue a Certificate until the IEPA has issued, and the City has approved, a Final NFR Letter for the Property, and the Final NFR Letter has been recorded against the Property; provided, however, if the Final NFR Letter is materially consistent with the Draft NFR Letter (as approved by the City in accordance with this Section 11.02) and no new environmental conditions were discovered on the Property during construction of the Project, then the Final NFR Letter shall be presumed reasonably satisfactory to the City.]]

11.03 Survival. This Section 11 shall survive the termination of this Agreement.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from the Developer shall not be deemed to be a waiver by the City. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve the Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate this Agreement until proper evidence of insurance is provided.

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 15. DEFAULT AND REMEDIES

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity (after the expiration of any applicable cure period) if such failure may have a material adverse effect on the Developer's ability to perform, keep or observe any of its conditions, promises or obligations hereunder;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens and/or liens bonded by the Developer or insured by the Title Company, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer that impacts the Developer's ability to perform, keep or observe any of its conditions, promises or obligations hereunder and which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Partnership, the General Partner or the LLC;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of the Agreement and without the prior written consent of the City, (i) the sale or transfer of an ownership interest in the Developer, except to the extent that the syndicator of low-income tax credits, including the Limited Partner, may acquire or sell an interest in the Partnership, but only to one of its affiliates, or (ii) a change in the General Partner of the Partnership or the sole member of the LLC.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds and seek reimbursement from the Developer of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy against the Developer, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days

of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within sixty (60) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such sixty (60) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such sixty (60) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured which cure shall be completed within one-hundred eighty (180) days unless the City shall agree to extend such 180 day period in writing; provided, further, notwithstanding anything to the contrary contained herein, the City hereby agrees that any cure of any default made or tendered by the Limited Partner shall be deemed to be a cure by the Developer and shall be accepted or rejected on the same basis as if made or tendered by the Developer.

15.04 Right to Cure by Lender or Limited Partner. In the event that Developer fails to perform a covenant as set forth in Section 15.03 above, the City shall, prior to exercising any such right or remedy, send notice of such failure by Developer to the Lender and the Limited Partner in accordance with Section 17 (which notice may be sent concurrently with any notice sent to Developer pursuant to this Section 15) and the Lender or the Limited Partner shall have the right (but not the obligation) to cure such failure to perform by the Developer in the same manner and time period as the Developer provided however that Developer shall have such additional cure rights as follows:

(a) Notwithstanding the provisions of this Section 15 regarding the cure periods hereunder, if Developer's failure to perform is for a non-monetary covenant as set forth in Section 15.01(e), (f), (g), (h), (i) or (j) hereof or other failure to perform by the Developer that is not reasonably capable of being cured within such 60 day period (each such failure being a "Personal Developer Default"), the Lender or the Limited Partner shall provide written notice to the City within 30 days of receipt of notice of such Personal Developer Default stating that it shall cure such Personal Developer Default by the assignment of all of the Developer's rights and interests in this Agreement to the Lender or the Limited Partner or any other party agreed to in writing by the Lender, the Limited Partner and the City. Upon receipt by the City of such notice from the Lender or the Limited Partner, as applicable, the cure period shall be extended for such reasonable period of time as the City may determine to be necessary to complete such assignment and assumption of Developer's rights hereunder; provided, however, that no payment of City Funds shall occur until such time as such Personal Developer Default is cured.

(b) If Developer's failure to perform involves any non-monetary covenant and such non-monetary default is not reasonably capable of being cured by the Lenders or the Investor Limited Partner within the applicable cure period, such period shall be extended, if possession of the Project is necessary to effect such cure, provided that the party seeking such cure must (i) have begun to cure such default within the applicable cure period and continues diligently to pursue such cure and (ii) the party seeking such cure must have instituted appropriate legal proceedings to obtain possession. In addition, upon such party obtaining possession of the Project, in the City's sole discretion, the City shall waive any Event of Default that cannot reasonably be cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default or indemnification obligation of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit A hereto without the consent of any party hereto, and DPD may grant consents as explicitly provided for under certain sections of this Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to materially reduce the scope of the Project, to materially change the Project or business operations of the Developer at the Property, or increases the City Funds payable to the Developer, or a change in the Term of the Agreement.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, and any bond ordinances relating to the Redevelopment Area, if any, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.15 Assignment. Except as provided in Section 8.01(j), the Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City, which consent shall be in the City's sole discretion and which, if granted, may be conditioned upon, among other things, the assignee's assumption of all of the Developer's obligations under this Agreement. The foregoing limitation shall not prevent the Developer from collaterally assigning their respective interests in this Agreement to a lender that is providing Lender Financing for the Project, including any such lenders identified after the Closing Date and approved by the City that also require such collateral assignment so long as such collateral assignment does not give any such assignee lender any rights as Developer under this Agreement unless it assumes all of Developer's obligations under this Agreement as otherwise required by the City hereunder. Any successor in interest to the Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Sections 8.19(c) and 8.20. The Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.16 Binding Effect. This Agreement shall be binding upon the Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall within ten (10) business days after the date of the occurrence of the event causing such delay, give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.18 Exhibits. All of the exhibits attached hereto are incorporated herein by reference.

18.19 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if the Developer is required to provide notice under the WARN Act, the Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where the Developer has locations in the State. Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.22 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. -- Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. Bank of America Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

Bank of America Corporation makes all required disclosures in its Form 10-k as filed with the Securities

and Exchange Commission and its Annual Report as posted on its website at <http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>. In addition, Bank of America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statutes, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business ..."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION V(B)(6)

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party verifies that a) the Disclosing party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of any slave or slaveholders.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

SECTION VII(B) and (C). Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the

corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

ADDITIONAL INFORMATION

SECTION II(A) Disclosure of Ownership Interests

The disclosing Party operates as a national bank association incorporated under the laws of the United States and subject to examination by the Office of the Comptroller of Currency.

SECTION II(B) Ownership Information

Bank of America Corporation owns 100% of NB Holdings Corporation, which owns 100% of FIA Card Services, National Association and 100% of BAC North America Holding Company, which owns 100% of BANA Holdings Corporation, which owns 100% of Bank of America National Association. The address of each of these entities is 100 N Tryon Street, Charlotte NC 28255, United States.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. – Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. BANA Holding Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

Bank of America Corporation makes all required disclosures in its Form 10-k as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at <http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>. In addition, Bank of America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

The Disclosing party performed due diligence within the Public Sector Banking and Markets Group of Bank of America determine whether any Public Sector Banking and Markets Group of Bank of America employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statutes, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing

cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that

title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION V(B)(6)

In response to question 6, Bank of America Corporation and its affiliates maintain strict policies and procedures to ensure compliance with applicable, local, state and federal law and regulations, including Chapter 2-156 of the Municipal Code. To the best of the individual signing this EDS, Bank of America Corporation and its affiliates are currently in compliance, and has policies and procedures in place to ensure continued compliance.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party verifies that a) the Disclosing party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of any slave or slaveholders.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without

independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

B. FURTHER CERTIFICATIONS

We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

The Disclosing Party makes the above pledge.

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

The disclosing Party operates as a national bank association incorporated under the laws of the United States and subject to examination by the Office of the Comptroller of Currency.

SECTION II(B) Ownership Information

Bank of America Corporation owns 100% of NB Holdings Corporation, which owns 100% of FIA Card Services, National Association and 100% of BAC North America Holding Company, which owns 100% of BANA Holdings Corporation, which owns 100% of Bank of America National Association. The address of each of these entities is 100 N Tryon Street, Charlotte NC 28255, United States.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. -- Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. Bank of America Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

Bank of America Corporation makes all required disclosures in its Form 10-k as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at <http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>. In addition, Bank of America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

The Disclosing party performed due diligence within the Public Sector Banking and Markets Group of Bank of America determine whether any Public Sector Banking and Markets Group of Bank of America employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statutes, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing

cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that

title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party verifies that a) the Disclosing party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of any slave or slaveholders.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, *non-public investigation conducted by any government investigator unless required to do so by law*. Further, to the knowledge of the individual signing below and without

independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

ADDITIONAL INFORMATION

SECTION II(A) Disclosure of Ownership Interests

The disclosing Party operates as a national bank association incorporated under the laws of the United States and subject to examination by the Office of the Comptroller of Currency.

SECTION II(B) Ownership Information

Bank of America Corporation owns 100% of NB Holdings Corporation, which owns 100% of FIA Card Services, National Association and 100% of BAC North America Holding Company, which owns 100% of BANA Holdings Corporation, which owns 100% of Bank of America National Association. The address of each of these entities is 100 N Tryon Street, Charlotte NC 28255, United States.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. -- Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. Bank of America Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified

within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

Bank of America Corporation makes all required disclosures in its Form 10-k as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at <http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>. In addition, Bank of America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional

information is needed. SECTION V(B)(2)d

The Disclosing party performed due diligence within the Public Sector Banking and Markets Group of Bank of America determine whether any Public Sector Banking and Markets Group of Bank of America employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statutes, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we

satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to

government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION V(B)(6)

In response to question 6, Bank of America Corporation and its affiliates maintain strict policies and procedures to ensure compliance with applicable, local, state and federal law and regulations, including Chapter 2-156 of the Municipal Code. To the best of the individual signing this EDS, Bank of America Corporation and its affiliates are currently in compliance, and has policies and procedures in place to ensure continued compliance.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party verifies that a) the Disclosing party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the

Disclosing party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of any slave or slaveholders.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity. Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity); with respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor nor any Agents have, during the five years before the date this EDS is signed, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the five years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in a. or b. above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions of Municipal Code Section 2-92-610 (Living Wage Ordinance).

I certify the above to be true.

4. Neither the Disclosing Party, Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

I certify the above to be true.

5. Neither the Disclosing Party nor any Affiliated Entity is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or the Bureau of Industry and Security of the U.S. Department of Commerce or their successors: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

~~I have a disclosure to make.~~

Please see additional information.

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

8. ADDITIONAL INFORMATION

SECTION II(A) Disclosure of Ownership Interests

The disclosing Party operates as a national bank association incorporated under the laws of the United States and subject to examination by the Office of the Comptroller of Currency.

SECTION II(B) Ownership Information

Bank of America Corporation owns 100% of NB Holdings Corporation, which owns 100% of FIA Card Services, National Association and 100% of BAC North America Holding Company, which owns 100% of BANA Holdings Corporation, which owns 100% of Bank of America National Association. The address of each of these entities is 100 N Tryon Street, Charlotte NC 28255, United States.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. -- Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. Bank of America Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

In addition, Bank of America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

The Disclosing party performed due diligence within the Public Sector Banking and Markets Group of Bank of America determine whether any Public Sector Banking and Markets Group of Bank of America employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statutes, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing

cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that

title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without

independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.
