The 2012 Senior Lien Project and Refunding Bonds, other than Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, shall be issued as fully registered bonds without coupons in denominations of \$1,000 or any integral multiple of that amount or \$5,000 or any integral multiple of that amount, as shall be determined by the Chief Financial Officer at the time of sale of such 2012 Senior Lien Project and Refunding Bonds (the "**Authorized Denominations**"). They shall initially be dated either as of the date of their issuance or as of the first day of the month in which they are initially issued and delivered to the Senior Lien Bond Initial Purchasers, as determined by the Chief Financial Officer, or on the May 1 or November 1 on or next preceding the date of their authentication and delivery to which interest has been paid, whichever is later. Any Capital Appreciation 2012 Senior Lien Project and Refunding Bond shall be dated as of the date they are initially issued and delivered to the Senior Lien Bond Initial Purchasers and shall be issued as fully registered bonds without coupons in denominations of \$5,000 principal amount at maturity or any integral multiple of that amount. 2012 Senior Lien Project and Refunding Bonds shall be numbered as provided in the related Senior Lien Bond Determination Certificate.

Section 2.04. Maturity. The principal of the 2012 Senior Lien Project and Refunding Bonds (including the Compound Accreted Value at maturity for all Capital Appreciation 2012 Senior Lien Project and Refunding Bonds) shall be payable (either at maturity or pursuant to mandatory sinking fund redemption), on November 1 in the years and in the amounts provided in the Senior Lien Bond Determination Certificate, subject to the limitation that no 2012 Senior Lien Project and Refunding Bond shall mature later than November 1, 2043. Capital Appreciation 2012 Senior Lien Project and Refunding Bonds also may mature on May 1 of the years (but no later than 2043) and in the Compound Accreted Values at maturity provided in the related Senior Lien Bond Determination Certificate. The 2012 Senior Lien Project and Refunding Bonds may be issued as serial bonds, as term bonds subject to mandatory sinking fund redemption, as Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, or any combination of serial bonds, term bonds or Capital Appreciation 2012 Senior Lien Project and Refunding Bonds. The maturity dates and principal amounts of the 2012 Senior Lien Project and Refunding Bonds and any designation of 2012 Senior Lien Project and Refunding Bonds as Capital Appreciation 2012 Senior Lien Project and Refunding Bonds shall be as provided in the Senior Lien Bond Determination Certificate, which shall be consistent with the terms of the sale of the 2012 Senior Lien Project and Refunding Bonds in the Senior Lien Bond Purchase Agreement.

Section 2.05. Redemption; Notice of Redemption.

(a) **Redemption Terms.** The 2012 Senior Lien Project and Refunding Bonds, other than Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, shall be subject to redemption, in whole or in part, at the option of the City, at a price equal to their principal amount, plus accrued interest to the date of redemption if not an interest payment date, and, subject to the remaining provisions of this Section 2.05, upon such other terms as the Chief Financial Officer shall provide in the related Senior Lien Bond Determination Certificate, each and all of which the Chief Financial Officer is authorized to determine and approve on behalf of and in the name of the City. Capital Appreciation 2012 Senior Lien Project and Refunding Bonds shall be subject to redemption, in whole or part, at the option of the City, if the Chief Financial Officer determines that such redemption is advantageous to and desirable for the City, such determination to be reflected in the related Senior Lien Bond Determination Certificate, and which such determination the Chief Financial Officer is authorized to make and approve on behalf of and in the name of the City. Any Capital Appreciation 2012 Senior Lien Project and Refunding Bonds subject to optional redemption shall be redeemed at a price equal to their Compound Accreted Value as of the applicable redemption date and, subject to the remaining provisions of this Section 2.05, upon such other terms as the Chief Financial Officer shall provide in the related Senior Lien Bond Determination Certificate, each and all of which each the Chief Financial Officer is authorized to determine and approve on behalf of and in the name of the City. The 2012 Senior Lien Project and Refunding Bonds, other than Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, shall be subject to optional redemption at a redemption price not exceeding 103 percent of the principal amount of the 2012 Senior Lien Project and Refunding Bonds to be so redeemed. Any Capital Appreciation 2012 Senior Lien Project and Refunding Bonds which are subject to optional redemption shall be redeemable at a redemption price not exceeding 103 percent of the Compound Accreted Value of Capital Appreciation 2012 Senior Lien Project and Refunding Bonds to be so redeemed.

The 103 percent limitations set forth in the preceding paragraph on the redemption price of 2012 Senior Lien Project and Refunding Bonds shall not apply where the redemption price is to be based upon a formula designed to compensate the owner of the Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as

a "make-whole" redemption price (the "Make-Whole Redemption Price"). At the time of sale of the 2012 Senior Lien Project and Refunding Bonds, the Chief Financial Officer shall determine the provisions of the formula to be used to establish any Make-Whole Redemption Price, which may vary depending on whether such Bonds are issued as Taxable Bonds or issued on a tax-exempt basis or, in the case of the redemption of Federal Compliant Obligations, on whether such Bonds are being redeemed as a result of an occurrence of an "Extraordinary Event" as determined by the Chief Financial Officer, including, but not limited to, any determination by the City that a change has occurred to any applicable section of the Internal Revenue Code or of the applicable Federal Compliant Obligation Authorization, or there is any guidance published by the Internal Revenue Service, the Treasury Department or other applicable department or agency of the United States Government with respect to such sections or any other determination by the Internal Revenue Service, the Treasury Department or other applicable department or agency of the United States Government, pursuant to which the Federal Subsidies with respect to the Federal Compliant Obligations are reduced, eliminated or adversely affected. The Chief Financial Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

(b) Mandatory Sinking Fund Redemption. Any term 2012 Senior Lien Project and Refunding Bonds subject to mandatory sinking fund redemption shall be selected for redemption by lot by the Bond Registrar, as provided below, and shall be so redeemed at a price of 100 percent of the principal amount of the 2012 Senior Lien Project and Refunding Bonds to be redeemed plus accrued interest to the date fixed for redemption if not an interest payment date. In lieu of making all or any part of any sinking fund payment in cash, the City may, at its option, redeem the 2012 Senior Lien Project and Refunding Bonds through the purchase of 2012 Senior Lien Project and Refunding Bonds in the open market or by tender therefor. 2012 Senior Lien Project and Refunding Bonds shall not be purchased in the open market from money in the Water Fund at a price in excess of the principal amount of the 2012 Senior Lien Project and Refunding Bonds plus the redemption premium applicable to the redemption of such 2012 Senior Lien Project and Refunding Bonds on the next date on which they may be optionally redeemed and accrued and unpaid interest on the principal of the purchased 2012 Senior Lien Project and Refunding Bonds to the date of purchase (or for Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, their Compound Accreted Value at such date of purchase plus any redemption premium on their next redemption date). The amount of mandatory sinking fund redemption payments due for any 2012 Senior Lien Project and Refunding Bonds shall be reduced upon the redemption of 2012 Senior Lien Project and Refunding Bonds other than pursuant to mandatory sinking fund redemption (or by the purchase for cancellation of 2012 Senior Lien Project and Refunding Bonds from money otherwise to be used for such redemption not pursuant to mandatory sinking fund redemption), on or prior to the due dates of specific mandatory sinking fund payments. The total credit against mandatory sinking fund payments shall equal the amount of 2012 Senior Lien Project and Refunding Bonds so redeemed or purchased. An amount equal to the aggregate principal amount of the Outstanding 2012 Senior Lien Project and Refunding Bonds that have been redeemed or purchased and canceled shall be applied to reduce the sinking fund installments due, provided that such amount shall reduce the sinking fund installments in denominations of \$5,000 and integral multiples of \$5,000. The Chief Financial Officer shall in his or her sole discretion determine the amounts and due dates of the mandatory sinking fund payments against which the redemption or purchase shall be credited, and shall notify the Bond Registrar in writing of such determination.

(c) Partial Redemption of Bonds. At the time of sale of any 2012 Senior Lien Project and Refunding Bonds, the Chief Financial Officer is authorized to determine the manner of redeeming such Bonds either by lot or on a pro-rata basis as provided herein.

(i) *Redemption by lot.* In the event of a redemption of fewer than all the 2012 Senior Lien Project and Refunding Bonds of a specified maturity and interest rate within such maturity, the Bond Registrar shall assign to each Outstanding 2012 Senior Lien Project and Refunding Bond of a denomination greater than the applicable minimum Authorized Denomination (the "**Minimum Denomination**") a distinctive number for each portion of such Bond equal to the applicable Minimum Denomination so as to distinguish each such portion from each other portion of such 2012 Senior Lien Project and Refunding Bond. The Bond Registrar shall select by lot, using such method of selection as it shall deem proper in its sole discretion, from the numbers assigned to the 2012 Senior Lien Project and Refunding Bonds as many numbers as, at the applicable Minimum Denomination for each number, shall equal the principal amount of 2012 Senior Lien Project and Refunding Bonds to be redeemed. The 2012 Senior Lien Project and Refunding Bonds to be redeemed shall be the 2012 Senior Lien Project and Refunding Bonds to which were assigned the numbers so selected, but only so much of the principal amount of each such 2012 Senior Lien Project and Refunding Bond of a denomination greater than the applicable Minimum Denomination shall be redeemed as shall equal the applicable Minimum Denomination for each number assigned to it and so selected. The foregoing procedure shall be applied to any Capital Appreciation 2012 Senior Lien Project and Refunding Bonds to be so redeemed in denominations equal to the applicable Minimum Denomination of Compound Accreted Value at maturity.

(ii) *Pro-rata Redemption.* In the event of a redemption of fewer than all of the 2012 Senior Lien Project and Refunding Bonds of a specified maturity and interest rate within such maturity, if the 2012 Senior Lien Project and Refunding Bonds are held in book-entry form at the time of redemption, at the time of sale of such Bonds, the Chief Financial Officer is authorized to direct the Bond Registrar to instruct the book-entry depository to select the specific 2012 Senior Lien Project and Refunding Bonds within such maturity and interest rate for redemption pro-rata among such Bonds. If so determined by the applicable book-entry depository, the particular 2012 Senior Lien Project and Refunding Bonds or portions thereof to be redeemed may be selected on a pro-rata pass-through distribution of principal basis in accordance with the applicable procedures and operational arrangements of such depository. The City shall have no responsibility or obligation to insure that the book-entry depository properly selects such Bonds for redemption.

(d) Notice of Redemption. Notice of redemption shall be given by first class mail, postage prepaid, not fewer than 30 nor more than 60 days prior to the date fixed for redemption to each Registered Owner of 2012 Senior Lien Project and Refunding Bonds to be redeemed at such Registered Owner's address as shown in the bond register kept by the Bond Registrar and by such other additional method, if any, as the City shall deem appropriate. Notice of redemption shall specify the maturities and interest rates within such maturities of the 2012 Senior Lien Project and Refunding Bonds to be redeemed, the date fixed for redemption and, if fewer than all of the 2012 Senior Lien Project and Refunding Bonds of any specified maturity and interest rate within such maturity are to be redeemed, the numbers of such 2012 Senior Lien Project and Refunding Bonds to be redeemed and, in the case of 2012 Senior Lien Project and Refunding Bonds to be redeemed in part only, the respective portions of the principal amounts of such 2012 Senior Lien Project and Refunding Bonds to be redeemed. Failure to

give such notice by mail or a defect in the notice or the mailing as to any 2012 Senior Lien Project and Refunding Bond will not affect the validity of any proceedings for redemption as to any other 2012 Senior Lien Project and Refunding Bond as to which notice was given properly and the failure of any Registered Owner of a 2012 Senior Lien Project and Refunding Bond to receive the notice shall not affect the validity of the redemption.

With respect to an optional redemption of any 2012 Senior Lien Project and Refunding Bonds, unless moneys sufficient to pay the principal of, redemption premium, if any, and interest on the 2012 Senior Lien Project and Refunding Bonds to be redeemed shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the City, state that said redemption shall be conditional upon the receipt of such moneys by the Paying Agent on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such 2012 Senior Lien Project and Refunding Bonds and the Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such 2012 Senior Lien Project and Refunding Bonds will not be redeemed.

If less than the entire principal amount of a 2012 Senior Lien Project and Refunding Bond shall be called for redemption, the City shall execute and the Authenticating Agent shall authenticate and deliver, upon surrender of such 2012 Senior Lien Project and Refunding Bond, without charge to the Registered Owner, one or more new 2012 Senior Lien Project and Refunding Bonds of any authorized denomination, of like maturity, interest rate and aggregate principal amount as the unredeemed balance of the principal amount of the 2012 Senior Lien Project and Refunding Bond so surrendered. If, on the date fixed for redemption, (a) money in an amount equal to the redemption price of the 2012 Senior Lien Project and Refunding Bonds to be redeemed shall be held by the Paying Agent and is available for such redemption and (b) notice of redemption shall have been given as described above, interest on the 2012 Senior Lien Project and Refunding Bonds so redeemed shall cease from and after the date fixed for redemption.

Section 2.06. Interest. The 2012 Senior Lien Project and Refunding Bonds shall bear interest from their date until principal is paid at a rate or rates per year determined by the Chief Financial Officer and provided in the related Senior Lien Bond Determination Certificate, which shall be in the judgment of the Chief Financial Officer the best interest rates for which the 2012 Senior Lien Project and Refunding Bonds can be sold in the market and which, in the aggregate, result in a net interest cost (expressed as a percentage) not in excess of 15 percent per year computed on the basis of a 360-day year consisting of twelve 30-day months. Interest on the 2012 Senior Lien Project and Refunding Bonds, other than Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, shall be payable semi-annually on May 1 and November 1 in each year, with the first interest payment date being as provided by the Chief Financial Officer in the related Senior Lien Bond Determination Certificate. Capital Appreciation 2012 Senior Lien Project and Refunding Bonds shall bear interest payable either solely by an appreciation in their principal amount, from their date, compounded on each May 1 and November 1, or by such appreciation to a specified compounding date and then by current interest as provided for current interest 2012 Senior Lien Project and Refunding Bonds, all as provided in the related Senior Lien Bond Determination Certificate.

Section 2.07. Places and Medium of Payment.

(a) Interest on each 2012 Senior Lien Project and Refunding Bond (other than Capital Appreciation 2012 Senior Lien Project and Refunding Bonds), shall be paid on each

interest payment date to the person in whose name the 2012 Senior Lien Project and Refunding Bond is registered in the bond register kept by the Bond Registrar at the close of business on the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date. Interest shall be paid by check or draft mailed to such Registered Owner at such owner's address as it appears in the bond register or, at the request of Registered Owners of more than \$1,000,000 total principal amount of 2012 Senior Lien Project and Refunding Bonds (other than Capital Appreciation 2012 Senior Lien Project and Refunding Bonds), by wire transfer to such bank in the continental United States as the Registered Owner of the 2012 Senior Lien Project and Refunding Bonds shall request in writing to the Bond Registrar.

(b) Principal of and redemption premium, if any, on any 2012 Senior Lien Project and Refunding Bond shall be paid only upon presentation and surrender of that 2012 Senior Lien Project and Refunding Bond for cancellation at the principal corporate trust office of the Paying Agent. The Paying Agent is authorized to pay the principal of and the premium, if any, on the 2012 Senior Lien Project and Refunding Bonds as provided in this paragraph.

(c) Payment shall be made in lawful money of the United States of America.

Section 2.08. Transfers and Exchanges of Bonds. The City shall cause a bond register for the registration and transfer of 2012 Senior Lien Project and Refunding Bonds to be maintained at the principal corporate trust office of the Bond Registrar.

Any 2012 Senior Lien Project and Refunding Bond of a series may be transferred only upon surrender of such 2012 Senior Lien Project and Refunding Bond to the Bond Registrar, upon which the City shall execute and the Authenticating Agent shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new 2012 Senior Lien Project and Refunding Bonds of any authorized denomination, of like series, maturity, interest rate and aggregate principal amount as the 2012 Senior Lien Project and Refunding Bond surrendered.

At the option of the Registered Owner of a 2012 Senior Lien Project and Refunding Bond of a series, such 2012 Senior Lien Project and Refunding Bond may be exchanged for another 2012 Senior Lien Project and Refunding Bond or 2012 Senior Lien Project and Refunding Bonds of any authorized denomination, of like series, maturity, interest rate and aggregate principal amount, upon surrender of the 2012 Senior Lien Project and Refunding Bond to be exchanged to the Bond Registrar. Upon such surrender for exchange, the City shall execute and the Authenticating Agent shall authenticate and deliver the 2012 Senior Lien Project and Refunding Bonds which the Registered Owner making the exchange is entitled to receive.

Every 2012 Senior Lien Project and Refunding Bond presented or surrendered for transfer or exchange shall (if so required by the Bond Registrar) be duly endorsed, or shall be accompanied by a written instrument of transfer in form satisfactory to the Bond Registrar duly executed by the Registered Owner of the Bond or such owner's duly authorized representative.

In all cases in which 2012 Senior Lien Project and Refunding Bonds are to be transferred or exchanged, the Bond Registrar may require payment of a sum sufficient to cover any tax, fee or other general governmental charge that may be imposed and to reimburse it for any expenses incurred in connection with such transfer or exchange. The Bond Registrar shall not be required to transfer or exchange any 2012 Senior Lien Project and Refunding Bond during a period beginning at the opening of business on the 15th day next preceding any date of

selection of 2012 Senior Lien Project and Refunding Bonds to be redeemed and ending at the close of business on the day on which notice of redemption is given or after notice selecting such Bond for redemption has been given.

The 2012 Senior Lien Project and Refunding Bonds may be deposited with a fiscal agent in New York, New York, or such other agent as the Bond Registrar may designate, for transmission to the Bond Registrar for purposes of exchange or transfer.

The City and any agent of the City may deem and treat the person in whose name any 2012 Senior Lien Project and Refunding Bond is registered as the absolute owner of such 2012 Senior Lien Project and Refunding Bond for the purpose of receiving payment of or on account of the principal of, redemption premium, if any, and interest on such 2012 Senior Lien Project and Refunding Bond, and for all other purposes. Neither the City nor any agent of the City shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such 2012 Senior Lien Project and Refunding Bond to the extent of the sum or sums paid.

Section 2.09. Lost, Stolen, Mutilated or Destroyed Bonds. If any 2012 Senior Lien Project and Refunding Bond becomes mutilated or is lost, stolen or destroyed, the City may execute and the Authenticating Agent shall authenticate and deliver a new 2012 Senior Lien Project and Refunding Bond of the same series, date of issue, maturity date, principal amount and interest rate per annum as the 2012 Senior Lien Project and Refunding Bond mutilated, lost, stolen or destroyed, provided that (a) in the case of a mutilated 2012 Senior Lien Project and Refunding Bond, the 2012 Senior Lien Project and Refunding Bond is first surrendered to the City, (b) in the case of any lost, stolen or destroyed 2012 Senior Lien Project and Refunding Bond, there is first furnished both evidence of loss, theft or destruction and an indemnity satisfactory to the City and the Bond Registrar, (c) all other reasonable requirements of the City are complied with and (d) expenses in connection with the transaction are paid by the Registered Owner of such 2012 Senior Lien Project and Refunding Bonds. Any new 2012 Senior Lien Project and Refunding Bonds issued pursuant to this Section 2.09 in substitution for 2012 Senior Lien Project and Refunding Bonds alleged to have been destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the City whether or not the 2012 Senior Lien Project and Refunding Bonds alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other 2012 Senior Lien Project and Refunding Bonds in any money or securities held by the City or any Paying Agent for the benefit of such Registered Owners.

Section 2.10. Form, Execution of Bonds.

(a) Each 2012 Senior Lien Project and Refunding Bond and the Authenticating Agent's Certificate of Authentication to be endorsed on such 2012 Senior Lien Project and Refunding Bond shall be in substantially the form attached to this Ordinance as Exhibit A, with necessary and appropriate variations, omissions and insertions as permitted or required by this Part B, including those necessary in connection with the issuance of such Bonds as (i) Capital Appreciation 2012 Senior Lien Project and Refunding Bonds and/or (ii) Federal Compliant Obligations.

(b) Each 2012 Senior Lien Project and Refunding Bond shall be executed by the manual or facsimile signature of the Mayor, shall be attested by the manual or facsimile signature of the City Clerk or the Deputy City Clerk, shall have the corporate seal of the City

affixed, impressed or printed on such 2012 Senior Lien Project and Refunding Bond and shall be authenticated by the manual signature of the Authenticating Agent. If any officer of the City whose manual or facsimile signature appears on any 2012 Senior Lien Project and Refunding Bond shall cease to be such officer before the delivery of such 2012 Senior Lien Project and Refunding Bond, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes, as if such officer had remained in office until delivery.

(c) The Mayor, the City Clerk and the Deputy City Clerk (if they have not already done so) are each authorized to file with the Illinois Secretary of State their manual signatures certified by them pursuant to the Uniform Facsimile Signature of Public Officials Act, as amended. The use of their facsimile signatures to execute the 2012 Senior Lien Project and Refunding Bonds is authorized by this Ordinance, and their facsimile signatures are adopted as their respective manual signatures, without further action on the part of such officers.

(d) No 2012 Senior Lien Project and Refunding Bond shall be valid for any purpose unless and until a certificate of authentication of the 2012 Senior Lien Project and Refunding Bond substantially in the form set forth in the form of 2012 Senior Lien Project and Refunding Bonds attached as Exhibit A to this Ordinance shall have been duly executed by the Authenticating Agent with respect to that 2012 Senior Lien Project and Refunding Bond. The executed certificate upon any such 2012 Senior Lien Project and Refunding Bond shall be conclusive evidence that such 2012 Senior Lien Project and Refunding Bond has been authenticated and delivered under this Ordinance. The Authenticating Agent's certificate of authentication on any 2012 Senior Lien Project and Refunding Bond shall be deemed to have been executed by it if signed by the Chief Financial Officer or signatory of the Authenticating Agent. It shall not be necessary that the same officer or signatory sign the certificate of authentication on each of the 2012 Senior Lien Project and Refunding Bonds. The Authenticating Agent is authorized and directed to cause 2012 Senior Lien Project and Refunding Bonds executed by the City to be authenticated at the request of the City in accordance with the provisions of this Part B.

Section 2.11. Sale of 2012 Senior Lien Project and Refunding Bonds.

(a) The Chief Financial Officer is authorized to execute on behalf of the City, with the concurrence of the Chairman of the Committee on Finance of the City Council, a Senior Lien Bond Purchase Agreement for the sale by the City to the Senior Lien Bond Initial Purchasers of a series of 2012 Senior Lien Project and Refunding Bonds pursuant to a negotiated sale on such terms as the Chief Financial Officer may deem to be in the best interests of the City as provided in this Ordinance. Such terms include, without limitation, (i) the aggregate principal amount of the 2012 Senior Lien Project and Refunding Bonds of such series, (ii) the amount of any original issue discount or premium, (iii) the principal amount of the 2012 Senior Lien Project and Refunding Bonds of such series maturing in each year, (iv) whether any of the 2012 Senior Lien Project and Refunding Bonds are being issued and sold as Taxable Bonds and/or Federal Compliant Obligations, (v) the issuance of the 2012 Senior Lien Project and Refunding Bonds of such series as serial bonds, non-callable term bonds, term bonds subject to mandatory sinking fund redemption or Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, or any combination of serial bonds, non-callable term bonds, term bonds subject to mandatory sinking fund redemption or Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, (vi) whether any Capital Appreciation 2012 Senior Lien Project and Refunding Bonds will also bear any current interest, (vii) the numbering of the 2012 Senior Lien Project and Refunding Bonds, (viii) the interest rate or rates for the 2012 Senior Lien Project and Refunding Bonds of such series, (ix) the method by which and rate at which the Compound Accreted Value of

Capital Appreciation 2012 Senior Lien Project and Refunding Bonds shall be established, (x) whether the Senior Lien Debt Service Reserve Requirement for the 2012 Senior Lien Project and Refunding Bonds of such series will be met by a Senior Lien Debt Service Reserve Account Credit Instrument or by cash from proceeds of the 2012 Senior Lien Project and Refunding Bonds or cash on hand in the Water Fund, (xi) the first interest payment and compounding dates, (xii) the purposes for which the 2012 Senior Lien Project and Refunding Bonds of such series are being issued pursuant to the authorization granted in Section 2.02 of this Part B, and (xiii) the prices and other terms upon which the 2012 Senior Lien Project and Refunding Bonds are subject to redemption, all as provided in and subject to the limitations expressed in this Article II, including the limitation specified in Section 2.05 of this Part B. The purchase price of the 2012 Senior Lien Project and Refunding Bonds of a series shall not be less than 97 percent of the principal amount of such 2012 Senior Lien Project and Refunding Bonds of a series plus accrued interest on such 2012 Senior Lien Project and Refunding Bonds (other than Capital Appreciation 2012 Senior Lien Project and Refunding Bonds) from their date to the date of their delivery, less any original issue discount on such 2012 Senior Lien Project and Refunding Bonds. The Chief Financial Officer shall determine the principal amount of the 2012 Senior Lien Project and Refunding Bonds of such series necessary to be issued for the purposes for which they are to be issued within the maximum aggregate principal amount specified in this Part B. The Senior Lien Bond Purchase Agreement shall be in substantially the form previously used for similar financings of the City with appropriate revisions to reflect the terms and provisions of the 2012 Senior Lien Project and Refunding Bonds of each series and such other revisions in text as the Chief Financial Officer shall determine are desirable or necessary in connection with the sale of the 2012 Senior Lien Project and Refunding Bonds of such series. The Chief Financial Officer may in the Senior Lien Bond Determination Certificate provide for such changes to the terms of the 2012 Senior Lien Project and Refunding Bonds of such series, the form of the 2012 Senior Lien Project and Refunding Bonds of such series and the various bond covenants from those provided in this Part B as he or she shall determine but which shall result in the 2012 Senior Lien Project and Refunding Bonds of such series having substantially the terms and being in substantially the form provided in this Part B. Nothing in this Section 2.11 shall limit or restrict the ability of the City to sell the 2012 Senior Lien Project and Refunding Bonds by one or more private placements.

(b) The Chief Financial Officer shall in the Senior Lien Bond Determination Certificate for the initial series of 2012 Senior Lien Project and Refunding Bonds designate the Authenticating Agent and the Bond Registrar in respect of the 2012 Senior Lien Project and Refunding Bonds. The Chief Financial Officer is further authorized to take the actions and execute and deliver the documents and instruments specified in this Part B. The Chief Financial Officer shall in the Senior Lien Bond Determination Certificate for any series of 2012 Senior Lien Project and Refunding Bonds. The 2012 Senior Lien Project and Refunding Bonds of such series shall be then duly prepared and executed in the form and manner provided in this Part B and delivered to the Senior Lien Bond Initial Purchasers in accordance with the terms of sale.

(c) The Chief Financial Officer is hereby authorized to designate in the Senior Lien Bond Determination Certificate for any series of 2012 Senior Lien Project and Refunding Bonds all or any portion of said Bonds as Federal Compliant Obligations pursuant to the applicable Federal Compliant Obligation Authorization and to make any necessary elections to have all applicable provisions of the Internal Revenue Code apply thereto, to the extent required by such applicable Federal Compliant Obligation Authorization.

(d) The Chief Financial Officer is authorized to cause to be prepared and delivered to prospective purchasers of the 2012 Senior Lien Project and Refunding Bonds of a series a

Preliminary Official Statement or other disclosure document, as shall be approved by the Chief Financial Officer, that shall be in substantially the form previously used for similar financings of the City with appropriate revisions to reflect the terms and provisions of the 2012 Senior Lien Project and Refunding Bonds of such series and to describe accurately the current condition of the Water System and the parties to the financing. Upon sale of the 2012 Senior Lien Project and Refunding Bonds of a series, the Chief Financial Officer is authorized to cause a final Official Statement or other disclosure document to be prepared, executed and (i) delivered to the Senior Lien Bond Initial Purchasers and (ii) filed with the Office of the City Clerk or the Deputy City Clerk directed to the City Council.

(e) Upon a finding by the Chief Financial Officer that the purchase of municipal bond insurance for the 2012 Senior Lien Project and Refunding Bonds of a series is likely to facilitate the marketing and sale of such 2012 Senior Lien Project and Refunding Bonds and permit completion of such sale in a timely fashion, and that such insurance is available at an acceptable premium, the Chief Financial Officer is authorized to cause the City to purchase a policy of municipal bond insurance for such 2012 Senior Lien Project and Refunding Bonds, payable from amounts received upon the sale of such 2012 Senior Lien Project and Refunding Bonds or from available funds in the Water Fund, and to execute any related agreements with the Senior Lien Bond Provider of such municipal bond insurance. Such policy shall be provided by a bond insurance company or association approved by the Chief Financial Officer. In addition, upon a finding by the Chief Financial Officer that the purchase of a Senior Lien Debt Service Reserve Account Credit Instrument is appropriate, and that such Senior Lien Debt Service Reserve Account Credit Instrument is available at an acceptable cost, the Chief Financial Officer is authorized to cause the City to obtain a Senior Lien Debt Service Reserve Account Credit Instrument to satisfy the Senior Lien Debt Service Reserve Requirement for the 2012 Senior Lien Project and Refunding Bonds of a series, the cost of which shall be payable from amounts received upon the sale of 2012 Senior Lien Project and Refunding Bonds of such series or from available funds in the Water Fund, and to execute a Senior Lien Bond Reimbursement Agreement and any related agreements with the Senior Lien Bond Provider of such Senior Lien Debt Service Reserve Account Credit Instrument. The Chief Financial Officer may on behalf of the City make necessary covenants with respect to any municipal bond insurance or Senior Lien Debt Service Reserve Account Credit Instrument consistent with this Ordinance, including, without limitation, granting the provider of a policy of municipal bond insurance or Senior Lien Bond Provider the right to consent to amendments to this Ordinance on behalf of the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds of a series so long as such provider is not in default and is observing its obligations under such policy or Senior Lien Debt Service Reserve Account Credit Instrument.

(f) Subsequent to each such sale, the Chief Financial Officer shall file in the Office of the City Clerk or the Deputy City Clerk directed to the City Council (i) a Senior Lien Bond Determination Certificate setting forth the terms of sale of the 2012 Senior Lien Project and Refunding Bonds of a series consistent with Section 2.11(a), (b), (c) and (e) of this Part B, (ii) an executed copy of the Senior Lien Bond Purchase Agreement, reflecting concurrence of the Chairman of the Committee on Finance of the City Council in the determinations made by the Chief Financial Officer as to the terms of sale of the 2012 Senior Lien Project and Refunding Bonds of such series and (iii) the Preliminary Official Statement, the final Official Statement and/or other disclosure document of the City as provided in Section 2.11(d) of this Part B.

Any amounts in any Subaccount of the Senior Lien Debt Service Reserve Account which are not required to be transferred to the Senior Lien Principal and Interest Account may, from time to time, be used to pay costs of acquiring a Senior Lien Debt Service Reserve Account Credit Instrument for that Subaccount or to make payments due under a Senior Lien Bond Reimbursement Agreement with respect to such Senior Lien Debt Service Reserve Account Credit Instrument, but only if after such payment, the value of the Subaccount of the Senior Lien Debt Service Reserve Account shall not be less than the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds. The City pledges and grants a lien on and security interest in the amounts on deposit in the Subaccounts of the Senior Lien Debt Service Reserve Account to any Senior Lien Bond Provider with respect to the particular Subaccount corresponding to such Senior Lien Bond Provider's Senior Lien Debt Service Reserve Account Credit Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the Registered Owners of Senior Lien Bonds of that series.

After the deposit of a Senior Lien Debt Service Reserve Account Credit Instrument into any Subaccount of the Senior Lien Debt Service Reserve Account and after the City has received notice of the value of the Subaccount of the Senior Lien Debt Service Reserve Account after such deposit, the Chief Financial Officer may then direct the transfer from the Subaccount of the Senior Lien Debt Service Reserve Account to any account of the Water Fund of any amounts in the Subaccount of the Senior Lien Debt Service Reserve Account in excess of the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds for use in accordance with Section 5.09.

The Chief Financial Officer is hereby authorized to pledge, at the time of, or at any time following, the issuance of any 2012 Senior Lien Project and Refunding Bonds, (i) to the owners of such Bonds, (ii) to the issuer or issuers of one or more letters of credit, lines of credit, standby purchase agreements, financial guaranty insurance policies or surety bonds (including Senior Lien Debt Service Account Credit Instruments) securing one or more series of 2012 Senior Lien Project and Refunding Bonds, including any fees or other amounts payable to the issuer of any such letter of credit, line of credit, standby purchase agreement, financial guaranty insurance policy or surety bond, whether such obligations are set forth in one or more reimbursement agreements entered into between the City and the issuer of any such letter of credit, line of credit, standby purchase agreement, financial guaranty insurance policy or surety bond, or in one or more notes or other evidences of indebtedness executed and delivered by the City pursuant thereto, or any combination thereof or (iii) to any Interest Rate Agreement Counterparties under any Interest

Rate Exchange Agreement related to such Bonds, any Federal Subsidies received by the City in connection with such 2012 Senior Lien Project and Refunding Bonds.

ARTICLE V

GENERAL COVENANTS

The City covenants and agrees with the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds as follows:

Section 5.01. Maintenance and Continued Operation of Water System. The City will maintain the Water System in good repair and working order, will continuously operate it on a Fiscal Year basis, and will punctually perform all duties with respect to the Water System required by the Constitution and laws of the State of Illinois.

The City will continue to operate the Water System as a revenue-producing system so as to produce Gross Revenues sufficient to satisfy the covenants of this Ordinance.

Section 5.02. Water Rates. The City will establish, maintain and collect at all times fees, charges and rates for the use and service of the Water System sufficient at all times to (a) pay Operation and Maintenance Costs, and (b) produce Net Revenues Available for Bonds sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and interest on all Bonds Outstanding from time to time and to establish and maintain the Senior Lien Principal and Interest Account and various Subaccounts of the Senior Lien Debt Service Reserve Account as may be covenanted in ordinances authorizing the issuance of Senior Lien Bonds, which Net Revenues Available for Bonds shall each Fiscal Year at least equal the greater of (i) 120 percent of the sum required to pay promptly when due the Senior Lien Debt Service Requirement for the Fiscal Year on all Senior Lien Bonds then Outstanding or (ii) the sum of (A) the Senior Lien Bond Debt Service Requirement for the Fiscal Year on all Senior Lien Bonds Outstanding, plus (B) the Annual Second Lien Bonds Requirement (as defined in the Second Lien Bonds Master Indenture) for the Fiscal Year on all Second Lien Bonds Outstanding, plus (C) the Subordinate Lien Debt Service Requirement (as defined in Part D of this Ordinance) for the Fiscal Year on all Subordinate Lien Obligations Outstanding, plus (D) the annual debt service requirement for the Fiscal Year on all CP Notes Outstanding, plus (E) the annual debt service requirement for the Fiscal Year on all Water System Line of Credit Notes Outstanding. These fees, charges and rates shall not be reduced, while any Senior Lien Bonds are Outstanding, below the level necessary to ensure compliance with the covenants of this Section 5.02.

The City will, prior to the end of each Fiscal Year, conduct a review to determine if it has been and will be in compliance with the rate covenant set forth above. Whenever the annual review indicates that projected Gross Revenues will not be sufficient to comply with the rate covenant, the City shall have prepared a rate study for the Water System identifying the rate changes necessary to comply with the rate covenant and the Office of Budget and Management of the City and the Chief Financial Officer shall recommend appropriate action to the City Council to comply with this rate covenant.

Section 5.03. Repairs, Replacements, Additions, Betterments. The City from time to time will make all necessary and proper repairs, replacements, additions and betterments to the Water System so that the Water System may at all times be operated efficiently, economically and properly. When any necessary equipment or facility shall have

been worn out, destroyed or otherwise is insufficient for proper use, it shall be promptly replaced so that the value and efficiency of the Water System shall be at all times fully maintained.

Section 5.04. Control and Operation of Water System. The City will establish such rules and regulations for the control and operation of the Water System as are necessary for the safe, lawful, efficient and economical operation of the Water System.

Section 5.05. Books and Records. The City will make and keep proper books, records and accounts (separate and apart from all other books, records and accounts of the City) in which correct and complete entries shall be made of all transactions relating to the Water System. Within 180 days following the close of each Fiscal Year, the City will cause the financial statements of the Water System to be audited by independent certified public accountants. Such audited financial statements will be available for inspection by the Registered Owners of any of the Senior Lien Bonds. The financial statements shall, without limitation, include the following:

- (a) a statement of revenue and expenses of the Water System for each Fiscal Year;
- (b) a balance sheet as of the end of such Fiscal Year, including the amounts in each of the accounts of the Water Fund;
- (c) a statement of cash flow of the Water System for such Fiscal Year; and
- (d) the amounts, maturities, interest rates and redemption provisions of all Outstanding Bonds.

All expenses of the audit required by this provision shall be regarded and paid as an Operation and Maintenance Cost.

The accountants who audit such financial statements shall also prepare a separate compliance letter regarding the manner in which the City has complied with the financial covenants of this Ordinance, which compliance letter may be prepared on a different basis than that of the financial statements. A copy of the financial statements shall be provided to any Registered Owner of Senior Lien Bonds upon request.

Section 5.06. Customer Report. The City shall prepare annually a report of the number of customers served by the Water System at the end of the Fiscal Year, the number of metered and nonmetered customers at the end of the Fiscal Year and the quantity of water provided.

Section 5.07. Water System Dispositions or Encumbrances. Except as provided in the immediately succeeding sentence, the City will not sell, lease, loan or mortgage or in any manner dispose of or encumber the Water System (subject to the rights of the City to issue Senior Lien Parity Bonds as provided in this Ordinance, to issue bonds payable from the Net Revenues Available for Bonds on a basis subordinate to the Senior Lien Bonds, including Second Lien Bonds, Subordinate Lien Obligations, CP Notes and Water System Line of Credit Notes, and to dispose of real or personal property which is no longer useful or necessary to the operation of the Water System). At such time as the Series 1993 Bonds and the Series 1995 Bonds are no longer Outstanding (as such term is defined in the respective ordinances authorizing the issuance of such Bonds), the City may, subject to Section 5.09(d), sell, lease, loan, mortgage, dispose of or encumber the Water System, provided that the then-existing

rating on the Series 1997 Bonds, the Series 2000 Senior Lien Bonds, the 2001 Senior Lien Bonds, the 2012 Senior Lien Project and Refunding Bonds and any Senior Lien Parity Bonds issued after the date of issuance of the 2012 Senior Lien Project and Refunding Bonds then Outstanding shall not be reduced as a result of such sale, lease, loan, mortgage, disposition or encumbrance.

Section 5.08. No Arbitrage. The City will not direct or permit any action which (or fail to take any action the failure of which) would cause any 2012 Senior Lien Project and Refunding Bond to be an "arbitrage bond" within the meaning of the Internal Revenue Code. The provisions of this Section 5.08 shall not apply to any Bond described in Section 1.09 of Part F of this Ordinance (other than any Federal Compliant Obligations for which the Federal Subsidy is pledged or is due and payable to owners of such Federal Compliant Obligations).

Section 5.09. Special Tax Covenant.

(a) The covenants and agreements of the City set forth in this Section 5.09 shall apply as long as any of the 2012 Senior Lien Project and Refunding Bonds continue to bear interest (whether or not they are Outstanding Senior Lien Bonds within the meaning of this Ordinance) (or for Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, so long as their principal amount continues to appreciate) and shall also apply after the 2012 Senior Lien Project and Refunding Bonds cease to bear interest (or for Capital Appreciation 2012 Senior Lien Project and Refunding Bonds, their principal amount ceases to appreciate) but only within such subsequent period as shall be required for the City to comply with the covenants of this Section 5.09. At the discretion of the Chief Financial Officer, the Chief Financial Officer may execute an agreement in the name of and on behalf of the City to ensure compliance with the requirements of this Section 5.09.

(b) The City (i) will take all actions which are necessary to be taken (and avoid taking any action which it is necessary to avoid being taken) so that interest on the 2012 Senior Lien Project and Refunding Bonds (including appreciation in principal amount for Capital Appreciation 2012 Senior Lien Project and Refunding Bonds) will not be or become subject to federal income taxation under present law and (ii) will take all actions reasonably within its power to take which are necessary to be taken (and avoid taking any actions which are reasonably within its power to avoid taking and which it is necessary to avoid) so that interest on the 2012 Senior Lien Project and Refunding Bonds (including appreciation in principal amount for Capital Appreciation 2012 Senior Lien Project and Refunding Bonds) will not be or become includable in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time. In furtherance and not in limitation of the foregoing, the City will proceed with due diligence to construct the Projects.

(c) The City will, without limitation, (i) restrict the yield on investments of amounts received upon the sale of the 2012 Senior Lien Project and Refunding Bonds and other amounts and (ii) timely rebate to the United States of America certain amounts which may be received as interest or other investment earnings on Accounts of the Water Fund, all as shall be necessary to comply with this Section. The City shall also make or cause to be made identifiable investments of amounts allocable to the 2012 Senior Lien Project and Refunding Bonds as shall be necessary or appropriate in order to be able to ascertain the amounts which may be required so to be rebated to the United States of America. The City shall from time to time determine the amounts in Accounts of the Water Fund which shall be subject so to be rebated and those amounts from time to time shall be held by the City in the Senior Lien Rebate Account for the 2012 Senior Lien Project and Refunding Bonds and shall be rebated to the

United States of America in the amounts and at the times as required. Such amounts so subject from time to time so to be rebated shall not be available for the other purposes for which the Water Fund and its accounts and accounts established by this Part B may be applied, except as provided in Section 4.03(c) of this Part B and, for purposes of computing the balance in the Water Fund and such various Accounts, shall be disregarded. At the time of delivery of the 2012 Senior Lien Project and Refunding Bonds, and from time to time after their delivery, the City shall provide instructions to appropriate officials as to the restrictions to be made on the yield and segregation of investments and as to the calculations and rebate of amounts to the United States of America, as are required in order for the City to comply with this Section 5.09.

(d) The City will not take any of the following actions without in each such event obtaining the opinion of nationally recognized bond counsel (which may represent the City from time to time in other matters) that such action will not contravene any covenant of this Ordinance and will not make compliance with those covenants impossible: (i) defease any Senior Lien Bonds; (ii) sell, lease or otherwise dispose of any material portion of the Water System; (iii) enter into or amend any short-term or long-term contract for the supply of water by the City other than pursuant to general rates charged to the general public; or (iv) enter into or amend any contract or arrangement for persons other than its employees to manage the Water System.

(e) The provisions of this Section 5.09 shall not be interpreted to impose upon the City any obligation to redeem or to purchase any 2012 Senior Lien Project and Refunding Bonds other than with proceeds or other amounts available under this Ordinance.

(f) Except as may otherwise be determined by the Chief Financial Officer pursuant to the following Paragraph (g) of this Section 5.09, the provisions of this Section 5.09 shall not apply to any Bond described in Section 1.09 of Part F of this Ordinance.

(g) If in the best interest of the City, as determined by the Chief Financial Officer at the time of sale of any 2012 Senior Lien Project and Refunding Bonds, the Senior Lien Bond Determination Certificate delivered by the Chief Financial Officer at the time of sale of such Bonds may include covenants of the City that it will take no action with respect to (i) the investment or use of the proceeds of any 2012 Senior Lien Project and Refunding Bonds issued as Federal Compliant Obligations pursuant to this Ordinance, (ii) the earnings on the proceeds of such Bonds or (iii) any other moneys on deposit in any fund or account maintained in respect of such Bonds which would adversely affect the qualification and treatment of such Bonds as Federal Compliant Obligations.

(h) The Chief Financial Officer is hereby authorized to execute such certifications, tax returns and agreements as shall be necessary, in the opinion of nationally recognized bond counsel, to (i) evidence the City's compliance with the covenants contained in the preceding Section 5.09(g), (ii) establish and maintain the qualification of 2012 Senior Lien Project and Refunding Bonds as Federal Compliant Obligations, (iii) apply for and obtain any Tax Credits and transfer any such Tax Credits to such owners to the extent the City is the direct recipient of such Tax Credits as a result of any of the 2012 Senior Lien Project and Refunding Bonds being issued as Federal Compliant Obligations and (iv) apply for and obtain any Federal Subsidy pursuant to any applicable Federal Compliant Obligation Authorization that may be available to the City or the owners of the 2012 Senior Lien Project and Refunding Bonds and transfer any Federal Subsidy to such owners if so determined by the Chief Financial Officer to be in the best interest of the City and upon such terms and conditions as determined by the Chief Financial Officer.

ARTICLE VI

ISSUANCE OF ADDITIONAL SENIOR LIEN BONDS

Section 6.01. Senior Lien Parity Bonds. As long as there are any Outstanding 2012 Senior Lien Project and Refunding Bonds, no bonds, notes or other obligations of any kind which are payable from Net Revenues or any Accounts of the Water Fund with a claim senior to that of the Senior Lien Bonds shall be issued. As long as there are any Outstanding 2012 Senior Lien Project and Refunding Bonds, the City may issue Senior Lien Parity Bonds for any lawful purpose of the Water System, including without limitation to pay the cost of repairs, replacements, renewals, improvements, equipment or extensions to the Water System, funding capitalized interest and reserve funds for Senior Lien Bonds or particular series of Senior Lien Bonds, funding working capital for the Water System, refunding Outstanding Senior Lien Bonds or obligations payable from revenues of the Water System on a basis subordinate to the Senior Lien Bonds, including Second Lien Bonds, Subordinate Lien Obligations, CP Notes and Water System Line of Credit Notes, or for paying Senior Lien Bond Costs of Issuance, and then only upon compliance with the following conditions:

(a) the funds required to be transferred to the Senior Lien Principal and Interest Account, the various Subaccounts of the Senior Lien Debt Service Reserve Account and the various Subaccounts of the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account and the Line of Credit Notes Account shall have been transferred in full up to the date of delivery of such Senior Lien Parity Bonds;

(b) the ordinance authorizing the issuance of Senior Lien Parity Bonds shall require either (i) the transfer at the time of the delivery of such Senior Lien Parity Bonds of sufficient proceeds of such Senior Lien Parity Bonds or Net Revenues Available for Bonds, or the deposit of a Senior Lien Debt Service Reserve Account Credit Instrument, or any combination of Senior Lien Bond proceeds, Net Revenues Available for Bonds and Senior Lien Debt Service Reserve Account Credit Instruments, to the various Subaccounts of the Senior Lien Debt Service Reserve Account so that the balance in such Subaccounts is at least equal to the Senior Lien Debt Service Reserve Requirement for each series of Senior Lien Bonds, or (ii) equal monthly transfers to the Subaccount of the Senior Lien Debt Service Reserve Account for such Senior Lien Parity Bonds during a period not exceeding 60 months following the delivery of such Senior Lien Parity Bonds sufficient to cause the balance in such Subaccount to be an amount at least equal to the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Parity Bonds; and

(c) Net Revenues Available for Bonds for the last completed Fiscal Year prior to the issuance of the Senior Lien Parity Bonds (as shown by the audit of an independent certified public accountant), or Net Revenues Available for Bonds for such last completed Fiscal Year, adjusted as described below, shall equal at least 120 percent of the maximum annual Senior Lien Debt Service Requirement for Senior Lien Bonds which will be Outstanding following the issuance of the proposed Senior Lien Parity Bonds, computed on a *pro forma* basis assuming the issuance of the proposed Senior Lien Parity Bonds, and the application of the proceeds of any Senior Lien Parity Bonds as provided in the ordinance authorizing their issuance, sale and delivery. For purposes of this Section 6.01, Net Revenues Available for Bonds may be adjusted as follows for purposes of this paragraph (c):

(i) if there shall have been an increase in the rates of the Water System from the rates in effect for such last completed Fiscal Year, which increase is in effect at the

time of the issuance of any such Senior Lien Parity Bonds, Net Revenues Available for Bonds may be adjusted to reflect the Net Revenues Available for Bonds for such last completed Fiscal Year as they would have been had the existing rates been in effect during all of that last completed Fiscal Year, provided, that in the case of an enactment by the City of a rate schedule under which rates increase from time to time, the rate to be used in applying the test set forth in this clause (i) shall be the lowest rate effective for any period described in such rate schedule; and

(ii) any such adjustment shall be evidenced by the certificate of an independent Consulting Engineer or an independent certified public accountant employed for that purpose, which certificate shall be filed with the City Council prior to the sale of the proposed Senior Lien Parity Bonds.

The addition of the proviso at the end of clause (i) above is solely intended to clarify the application of the adjustment described in said clause (i) and not to make any substantive revisions to the current application thereof.

Notwithstanding the foregoing, from and after the earlier to occur of (i) the date all Senior Lien Bonds issued prior to the date of issuance of the 2000 Senior Lien Bonds are no longer Outstanding; or (ii) the effective date of amendments to the ordinances authorizing Outstanding Senior Lien Bonds issued prior to the date of issuance of the 2000 Senior Lien Bonds which permit the following, any such adjustment shall be evidenced solely by the certificate of the Chief Financial Officer. For purposes of calculating the adjustment described in this paragraph (c), any rate increase enacted by the City and scheduled to take effect in a future Fiscal Year may be reflected in Net Revenues Available for Bonds for purposes of calculating debt service coverage for the last completed Fiscal Year.

If during the first six months of a Fiscal Year, an audit of the Water System for the preceding Fiscal Year by an independent certified public accountant is not available, the conditions of paragraph (c) shall be deemed to have been satisfied if both (1) Net Revenues Available for Bonds for the second preceding Fiscal Year (as shown by the audit of an independent certified public accountant), adjusted as described in this paragraph (c), and (2) Net Revenues Available for Bonds for the preceding Fiscal Year (as estimated by the Chief Financial Officer and estimated either by an independent Consulting Engineer or by an independent certified public accountant based on a review the scope of which, as specified by such accountant, may be less complete than an audit), adjusted as described in this paragraph (c), shall equal at least 120 percent of the maximum Senior Lien Debt Service Requirement for any Fiscal Year for Senior Lien Bonds which will be Outstanding following the issuance of the proposed Senior Lien Parity Bonds, computed on a *pro forma* basis assuming the issuance of the proposed Senior Lien Parity Bonds and the application of the proceeds of any Senior Lien Parity Bonds as provided in the ordinance authorizing their issuance, sale and delivery. Notwithstanding the foregoing, from and after the earlier to occur of (i) the date all Senior Lien Bonds issued prior to the date of issuance of the 2000 Senior Lien Bonds are no longer Outstanding or (ii) the effective date of amendments to the ordinances authorizing Outstanding Senior Lien Bonds issued prior to the date of issuance of the 2000 Senior Lien Bonds which permit the following, Net Revenues Available for Bonds for the preceding Fiscal Year shall be estimated for purposes of clause (2) solely by the Chief Financial Officer, and an estimate by an independent Consulting Engineer or independent certified public accountant shall no longer be required.

(d) The City may issue Senior Lien Parity Bonds without complying with either of the tests in paragraph (c) of this Section 6.01:

(i) to pay, redeem or refund Bonds if in the judgment of the City there will be no money available to make payments of interest or principal of those Bonds (at maturity or on sinking fund installment dates) as such amounts become due; and

(ii) to pay, redeem or refund any Bonds if the total Senior Lien Debt Service Requirement on all Senior Lien Bonds Outstanding after the issuance of the Senior Lien Parity Bonds and the payment, redemption or refunding of such Bonds will not be in excess of the total Senior Lien Debt Service Requirement on all Senior Lien Bonds Outstanding prior to the issuance of the Senior Lien Parity Bonds in each Fiscal Year in which there was to be any Senior Lien Debt Service Requirement on those prior Outstanding Senior Lien Bonds.

Section 6.02. Subordinate Obligations. Other obligations, including bonds, may be issued payable from Net Revenues Available for Bonds on a basis subordinate to the Senior Lien Bonds and on a parity with or subordinate to any 2012 Second Lien Project and Refunding Bonds.

ARTICLE VII

DEFEASANCE

Section 7.01. Defeasance.

(a) If the City shall in accordance with Section 7.01(b) below pay or cause to be paid, or there shall otherwise be paid, to the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds then Outstanding, the principal, redemption premium, if any, and interest to become due on all or a portion of the 2012 Senior Lien Project and Refunding Bonds, at the times and in the manner stipulated in this Part B and in the 2012 Senior Lien Project and Refunding Bonds, then the covenants, agreements and other obligations of the City to the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds with respect to which such payment has been made shall be discharged and satisfied. In such event, the Paying Agent shall pay over or deliver to the City all money or securities held by it pursuant to this Ordinance which are no longer required for the payment or redemption of such 2012 Senior Lien Project and Refunding Bonds with respect to which such payment has been made not already then surrendered for such payment or redemption.

(b) 2012 Senior Lien Project and Refunding Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Paying Agent (through deposit by the City of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such 2012 Senior Lien Project and Refunding Bonds, shall be deemed to have been paid within the meaning of and with the effect expressed in paragraph (a) of this Section 7.01. 2012 Senior Lien Project and Refunding Bonds shall, prior to their maturity or redemption date, be deemed to have been paid within the meaning of and with the effect expressed in paragraph (a) of this Section 7.01 if:

(i) there shall have been deposited with the Paying Agent or a refunding escrow agent selected by the Chief Financial Officer either money in an amount which shall be sufficient, or Defeasance Obligations the principal of and interest on which when

due will provide money which, without reinvestment, when added to the money, if any, deposited with the Paying Agent or refunding escrow agent at the same time, shall be sufficient to pay the principal of such 2012 Senior Lien Project and Refunding Bonds at maturity, or on sinking fund installment dates for term 2012 Senior Lien Project and Refunding Bonds, or the principal, redemption premium, if any, and interest due and to become due on such 2012 Senior Lien Project and Refunding Bonds on and prior to the redemption date or maturity date (or sinking fund installment dates for term 2012 Senior Lien Project and Refunding Bonds) of the 2012 Senior Lien Project and Refunding Bonds, as the case may be;

(ii) in case any such 2012 Senior Lien Project and Refunding Bonds are to be redeemed on any date prior to their maturity, the City shall have given to the Bond Registrar irrevocable instructions to give any required notice of redemption as provided in Article II of this Part B, which instructions the Bond Registrar has accepted in writing; and

(iii) if applicable, the City shall receive an opinion of nationally recognized bond counsel to the effect that the defeasance of such 2012 Senior Lien Project and Refunding Bonds shall not cause interest on such 2012 Senior Lien Project and Refunding Bonds to be included in "gross income" of their Registered Owners for federal income tax purposes.

(c) Neither Defeasance Obligations nor money deposited with the Paying Agent or refunding escrow agent selected by the Chief Financial Officer pursuant to this Section 7.01 nor principal of or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal (at maturity or pursuant to mandatory sinking fund redemption), redemption premium, if any, and interest on those 2012 Senior Lien Project and Refunding Bonds, provided that any cash received from such principal or interest payments on such Defeasance Obligations, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in principal amounts sufficient to pay when due the principal, redemption premium, if any, and interest to become due on those 2012 Senior Lien Project and Refunding Bonds on and prior to such redemption date or maturity date of the 2012 Senior Lien Project and Refunding Bonds, as the case may be. Nothing in this Ordinance shall prohibit a defeasance deposit of Defeasance Obligations, as provided in this Part B, from being subject to a subsequent sale of such Defeasance Obligations and reinvestment of all or a portion of the proceeds of that sale in Defeasance Obligations which, together with money to remain so held in trust with the Paying Agent or such refunding escrow agent selected by the Chief Financial Officer, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any defeased 2012 Senior Lien Project and Refunding Bonds as provided in and subject to the conditions set forth in this Part B. Amounts held by the Bond Registrar in excess of the amounts needed so to provide for payment of the defeased 2012 Senior Lien Project and Refunding Bonds may be subject to withdrawal by the City for deposit in the Water Fund. The Mayor or the Chief Financial Officer is authorized to execute and deliver from time to time one or more agreements with counterparties selected by the Chief Financial Officer, with respect to the investment and use of such excess amounts held by the Paying Agent or such refunding escrow agent.

Section 7.02. Unclaimed Money. Anything in this Ordinance to the contrary notwithstanding, any money held by the Paying Agent in trust for the payment and discharge of any of the 2012 Senior Lien Project and Refunding Bonds which remain unclaimed for two years

after the date when such 2012 Senior Lien Project and Refunding Bonds became due and payable shall, at the written request of the City, be repaid by the Paying Agent to the City, as its absolute property and free from trust, and the Paying Agent shall then be released and discharged with respect to such amounts and the Registered Owners of such 2012 Senior Lien Project and Refunding Bonds shall look only to the City for the payment of such 2012 Senior Lien Project and Refunding Bonds.

ARTICLE VIII

AMENDMENT OF PART B OF THIS ORDINANCE

Section 8.01. Amendment of Part B of this Ordinance. Subject to Sections 8.02 and 8.03 of this Part B, the City may amend or modify this Part B from time to time and may modify the rights and obligations of the City and of the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds by adopting a supplemental ordinance to this Ordinance. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter or impair the obligation of the City to pay the principal of, redemption premium, if any, or interest on any 2012 Senior Lien Project and Refunding Bond without the express consent of the Registered Owner of such 2012 Senior Lien Project and Refunding Bond, nor permit the creation by the City of any mortgage, pledge, lien or security interest on the Water System, or upon the Net Revenues Available for Bonds or other money pledged or held pursuant to this Ordinance, other than those contemplated by this Ordinance, including Section 8.02 of this Part B, nor permit the preference or priority of any Senior Lien Bond over any other Senior Lien Bond, nor reduce the percentages of 2012 Senior Lien Project and Refunding Bonds required for the written consent to an amendment or modification of this Part B, nor modify any of the rights or obligations of any Paying Agent at the time acting pursuant to this Ordinance without the written consent of such Paying Agent.

Section 8.02. Amendments Without Written Consent. The City may amend or modify this Part B from time to time for any one or more of the following purposes without obtaining the prior written consent of any of the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds:

(a) to add additional covenants and agreements of the City for the purpose of further securing the payment of the 2012 Senior Lien Project and Refunding Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the City contained in this Ordinance;

(b) to prescribe further limitations and restrictions upon the issuance of Senior Lien Parity Bonds and the incurring of obligations by the City which are not contrary to or inconsistent with the limitations and restrictions on such issuance or incurring of obligations in effect prior to the adoption of such supplemental ordinance;

(c) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Ordinance;

(d) to confirm as further assurance any covenant, lien, pledge or security interest created or recognized by the provisions of this Ordinance;

(e) to take any further action necessary or desirable for the collection and application of Net Revenues Available for Bonds sufficient to pay the 2012 Senior Lien Project and

Refunding Bonds as to principal, at maturity or on mandatory sinking fund installment dates, and to pay interest on the 2012 Senior Lien Project and Refunding Bonds as it falls due; and

(f) to correct any ambiguity or defect or inconsistent provisions in this Part B or to insert such provisions clarifying matters or questions arising under this Part B as are necessary or desirable, provided that any such amendments or modifications are not contrary to or inconsistent with this Ordinance as in effect prior to the adoption of any such supplemental ordinance, and provided further that any such amendments or modifications are not adverse to the interests of the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds.

Section 8.03. Amendments by Majority Consent of Registered Owners; Consent of Registered Owners of 2012 Senior Lien Project and Refunding Bond to Certain Amendments; Right of Bond Insurer or Senior Lien Bond Provider to Vote in Certain Circumstances. The City may amend or modify this Part B from time to time for any purpose other than one or more of the purposes not prohibited in Section 8.01 of this Part B and not authorized by Section 8.02 of this Part B of this Ordinance only pursuant to the consent of Registered Owners of 51 percent in principal amount of all Outstanding 2012 Senior Lien Project and Refunding Bonds by written instrument. For purposes of this Section, 2012 Senior Lien Project and Refunding Bonds registered in the name of the book-entry depository selected by the Chief Financial Officer, or its nominee, shall be treated as separate bonds with \$5,000 denominations and such book-entry depository, or its nominee, may consent to the amendment or modification with respect to certain of such bonds and not others. The City may grant to the provider of a policy of municipal bond insurance or a Senior Lien Bond Provider the right to consent to amendments of this Ordinance on behalf of the Registered Owners of the 2012 Senior Lien Project and Refunding Bonds of a series so long as such provider is not in default in observing its obligations under such policy or Senior Lien Bond Debt Service Reserve Account Credit Instrument.

Section 8.04. Method of Obtaining Written Consent of Registered Owners. The City may at any time adopt a supplemental ordinance amending the provisions of the 2012 Senior Lien Project and Refunding Bonds or of this Part B, to the extent that such an amendment is permitted by the provisions of Section 8.03 of this Part B, to take effect when and as provided in this Section. A copy of such supplemental ordinance, together with a written consent form, shall be mailed by the City to Registered Owners of the 2012 Senior Lien Project and Refunding Bonds, first class postage prepaid, at the address appearing for such owner upon the bond register maintained by the Bond Registrar. Failure to mail copies of such supplemental ordinance and written consent form as to any Registered Owner shall not affect the validity of the supplemental ordinance when assented to as provided in this Article VIII.

A supplemental ordinance adopted in accordance with this Section shall not be effective unless and until there shall have been filed with the City the written consents of the Registered Owners of percentages in principal amount of Outstanding 2012 Senior Lien Project and Refunding Bonds specified in Section 8.03 of this Part B as provided in this paragraph. Each such consent shall be effective only if accompanied by proof of ownership of the 2012 Senior Lien Project and Refunding Bonds for which such consent is given, which proof shall be such as the City may prescribe from time to time. (c) The 2012 Second Lien Project and Refunding Bonds shall mature not later than November 1, 2043, and shall bear interest from their date, or from the most recent date to which

Each series of 2012 Second Lien Project and Refunding Bonds may be subject to mandatory and optional redemption and demand purchase or mandatory purchase provisions prior to maturity, upon the terms and conditions set forth in the Seventh Supplemental Indenture and each other Supplemental Indenture.

Each 2012 Second Lien Project and Refunding Bond shall be issued in fully registered form and in the denominations set forth in the Seventh Supplemental Indenture and each other Supplemental Indenture; and shall be dated and numbered and further designated and identified as provided in the Seventh Supplemental Indenture and each other Supplemental Indenture. (d) Principal of and premium, if any, on the 2012 Second Lien Project and Refunding Bonds shall be payable as provided in the Seventh Supplemental Indenture and each other Supplemental Indenture.

(e) Subject to the limitations set forth in this Section and Section 2.01 of this Part C, authority is delegated to either the Mayor or the Chief Financial Officer to determine the aggregate principal amount of 2012 Second Lien Project and Refunding Bonds to be issued, the date of such 2012 Second Lien Project and Refunding Bonds, the maturities of such 2012 Second Lien Project and Refunding Bonds, any provisions for optional redemption of such 2012 Second Lien Project and Refunding Bonds (which optional redemption shall be at redemption prices not exceeding 103 percent of the principal amount of the 2012 Second Lien Project and Refunding Bonds to be so redeemed), the schedule of sinking fund payments (if any) to be applied to the mandatory redemption of such 2012 Second Lien Project and Refunding Bonds (which mandatory redemption shall be at a redemption price equal to the principal amount of each 2012 Second Lien Project and Refunding Bond to be redeemed, without premium, plus accrued interest), the rate or rates of interest payable on such 2012 Second Lien Project and Refunding Bonds or method or methods for determining such rate or rates and the first interest payment of such 2012 Second Lien Project and Refunding Bonds.

The 103 percent limitations set forth in the preceding paragraph on the redemption price of 2012 Second Lien Project and Refunding Bonds shall not apply where the redemption price is to be based upon a formula designed to compensate the owner of the Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the "Make-Whole Redemption Price"). At the time of sale of the 2012 Second Lien Project and Refunding Bonds, the Chief Financial Officer shall determine the provisions of the formula to be used to establish any Make-Whole Redemption Price, which may vary depending on whether such Bonds are issued as Taxable Bonds or on a tax-exempt basis or, in the case of the redemption of Federal Compliant Obligations, on whether such Bonds are being redeemed as a result of an occurrence of an "Extraordinary Event" as determined by the Chief Financial Officer, including, but not limited to, any determination by the

City that a change has occurred to any applicable section of the Internal Revenue Code or of the applicable Federal Compliant Obligation Authorization, or there is any guidance published by the Internal Revenue Service, the Treasury Department or other applicable department or agency of the United States Government with respect to such sections or any other determination by the Internal Revenue Service, the Treasury Department or other applicable department or agency of the United States Government, pursuant to which the Federal Subsidies with respect to the Federal Compliant Obligations are reduced, eliminated or adversely adjusted. The Chief Financial Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

Notwithstanding the foregoing, in the event the 2012 Second Lien Project and Refunding Bonds are issued as Taxable Bonds (including Federal Compliant Obligations), at the time of sale of such Bonds, the Chief Financial Officer is authorized to determine the manner of redeeming such Bonds, either pro rata or by lot, in the event less than all of the 2012 Second Lien Project and Refunding Bonds of a single maturity and the same interest rate are to be redeemed. If the 2012 Second Lien Project and Refunding Bonds are held in book-entry form at the time of redemption, at the time of sale of such Bonds, the Chief Financial Officer is authorized to direct the Bond Registrar to instruct the book-entry depository to select the specific 2012 Second Lien Project and Refunding Bonds within such maturity and interest rate for redemption pro-rata among such Bonds. If so determined by the applicable book-entry depository, the particular 2012 Second Lien Project and Refunding Bonds or portions thereof to be redeemed may be selected on a pro-rata pass-through distribution of principal basis in accordance with the applicable procedures and operational arrangements of such depository. The City shall have no responsibility or obligation to insure that the book-entry depository properly selects such Bonds for redemption.

(a) The Chief Financial Officer is authorized to execute on behalf of the City, with the concurrence of the Chairman of the Committee on Finance of the City Council, a Second Lien Bond Purchase Agreement for the sale by the City to the Second Lien Bond Initial Purchasers of the 2012 Second Lien Project and Refunding Bonds of a series pursuant to a negotiated sale on such terms as the Chief Financial Officer may deem to be in the best interests of the City as provided in this Ordinance. Upon sale of the 2012 Second Lien Project and Refunding Bonds of a series, the Chief Financial Officer is authorized to cause a final

Official Statement or other disclosure document to be prepared, executed and (i) delivered to the Second Lien Bond Initial Purchasers and (ii) filed with the Office of the City Clerk or the Deputy City Clerk directed to the City Council.

(d) The Chief Financial Officer is authorized to enter into a remarketing agreement pertaining to the remarketing of the 2012 Second Lien Project and Refunding Bonds of a series while bearing interest at a variable rate or rates with the remarketing agent designated in the related Second Lien Bond Determination Certificate for such 2012 Second Lien Project and Refunding Bonds. (e) The Chief Financial Officer is also authorized to incur Section 2.08 Obligations (as such term is defined in the Second Lien Bonds Master Indenture) with one or more institutions with respect to the 2012 Second Lien Project and Refunding Bonds of a series while such Bonds bear interest at a variable rate. The Chief Financial Officer is authorized to enter into one or more agreements relating to each Section 2.08 Obligation and to execute and issue to the institution providing such agreement a promissory note in connection with the provision of each Section 2.08 Obligation. Any Section 2.08 Obligation and any agreement relating to such Section 2.08 Obligation shall be in substantially the form of the Section 2.08 Obligations and agreements relating to such Section 2.08 Obligations previously entered into by the City in connection with the sale of adjustable rate bonds or notes, but with such revisions in text as the Chief Financial Officer shall determine are necessary or desirable, the execution of the same by the Chief Financial Officer to evidence the City Council's approval of all such revisions. The annual fee paid to any institution that provides a Section 2.08 Obligation shall not exceed one and one-half percent of the average principal amount of such 2012 Second Lien Project and Refunding Bonds Outstanding during such annual period. The final form of agreement relating to such Section 2.08 Obligation entered into by the City with respect to the 2012 Second Lien Project and Refunding Bonds shall be attached to the Second Lien Bond Determination Certificate. Such obligations shall be limited obligations of the City payable only from the amounts in the Subaccount of the 2012 Second Lien Project and Refunding Bonds Revenue Fund created in the Seventh Supplemental Indenture relating to such 2012 Second Lien Project and Refunding Bonds or other Supplemental Indenture. The Chief Financial Officer is authorized to execute and deliver each such agreement relating to

such Section 2.08 Obligation under the seal of the City affixed and attached by the City Clerk or the Deputy City Clerk.

(f) Upon a finding by the Chief Financial Officer that the purchase of municipal bond insurance for the 2012 Second Lien Project and Refunding Bonds of a series is likely to facilitate the marketing and sale of such 2012 Second Lien Project and Refunding Bonds and permit completion of such sale in a timely fashion, and that such insurance is available at an acceptable premium, the Chief Financial Officer is authorized to cause the City to purchase a Section 2.08 Obligation consisting of a policy of municipal bond insurance for the 2012 Second Lien Project and Refunding Bonds of such series, payable from amounts received upon the sale of such 2012 Second Lien Project and Refunding Bonds or from available funds in the Water Fund. Such policy shall be provided by a bond insurance company or association approved by the Chief Financial Officer. The Chief Financial Officer may on behalf of the City make necessary covenants with respect to any policy of municipal bond insurance or Qualified Reserve Account Credit Instrument consistent with this Ordinance, including, without limitation, granting the provider of a policy of municipal bond insurance or the Second Lien Bond Provider the right to consent to amendments to this Ordinance on behalf of the Registered Owners of the 2012 Second Lien Project and Refunding Bonds of a series so long as such provider is not in default and is observing its obligations under such policy or Qualified Reserve Account Credit Instrument.

(g) Subsequent to each such sale, the Chief Financial Officer shall file in the Office of the City Clerk or the Deputy City Clerk directed to the City Council (i) a Second Lien Bond Determination Certificate setting forth the terms of sale of the 2012 Second Lien Project and Refunding Bonds of such series consistent with Section 2.04(a) and (f) of this Part C and, if appropriate, the designations described in Section 2.04(b) of this Part C, (ii) an executed copy of the Second Lien Bond Purchase Agreement, reflecting concurrence of the Chairman of the Committee on Finance of the City Council in the determinations made by the Chief Financial Officer as to the terms of sale of such 2012 Second Lien Project and Refunding Bonds, (iii) the Preliminary Official Statement, the final Official Statement and/or other disclosure document of the City as provided in Section 2.04(c) of this Part C, (iv) the Seventh Supplemental Indenture or Supplemental Indenture, as appropriate, (v) an executed copy of the remarketing agreement, if any and (vi) if applicable, an executed copy of the agreement relating to such Section 2.08 Obligation and promissory note.

If so determined and directed by the Chief Financial Officer in the Second Lien Bond Determination Certificate in connection with the sale of any of the 2012 Second Lien Project and Refunding Bonds, the 2012 Second Lien Project and Refunding Bonds shall be issued in book-entry only form. In connection with the issuance of 2012 Second Lien Project and Refunding Bonds in book-entry only form, the Chief Financial Officer is authorized to execute and deliver to the book-entry depository selected by the Chief Financial Officer such depository's standard form of representation letter.

(h) If in the best interest of the City, as determined by the Chief Financial Officer at the time of sale of any 2012 Second Lien Project and Refunding Bonds, the Second Lien Bond Determination Certificate delivered by the Chief Financial Officer at the time of sale of such Bonds may include covenants of the City that it will take no action with respect to (i) the investment or use of the proceeds of any 2012 Second Lien Project and Refunding Bonds issued as Federal Compliant Obligations pursuant to this Ordinance, (ii) the earnings on the proceeds of such Bonds or (iii) any other moneys on deposit in any fund or account maintained in respect of such Bonds which would adversely affect the qualification and treatment of such Bonds as Federal Compliant Obligations.

Section 4.01. Subordinate Lien Principal and Interest Subaccount. Funds in the Subordinate Lien Principal and Interest Subaccount shall be used only for the purpose of paying the principal of and interest on Outstanding Subordinate Lien Obligations as the same shall become due.

Section 4.02. Subordinate Lien Debt Service Reserve Subaccount. (a) Unless otherwise provided in the related Loan Agreement, at the time of the delivery of the 2012 Subordinate Lien Obligations of a series, either amounts received upon the sale of such 2012 Subordinate Lien Obligations or cash on hand in the Water Fund or a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument purchased as provided in this Part D shall be deposited to the credit of the 2012 Subordinate Lien Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount, to establish a balance in that Sub-subaccount at least equal to the Subordinate Lien Debt Service Reserve Requirement with respect to such 2012 Subordinate Lien Obligations. Amounts in the 2012 Subordinate Lien Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount shall be deposited in a separate account in a bank or banks designated by the Chief Financial Officer pursuant to a depository agreement. Whenever the balance in the various Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount is less than the Subordinate Lien Debt Service Reserve Requirement for the various series of Subordinate Lien Obligations, except as permitted pursuant to

Section 6.01(c) of this Part D, there shall be transferred to the Subordinate Lien Debt Service Reserve Subaccount within the next 12 months (or such longer period permitted by the related Loan Agreement but not exceeding 60 months) sufficient funds to maintain balances in the various Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount at least equal to the Subordinate Lien Debt Service Reserve Requirement for the various series of Subordinate Lien Obligations.

Funds in any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount and any Subordinate Lien Debt Service Reserve Subaccount Credit Instruments in that Sub-subaccount shall be used to pay principal of, redemption premium, if any, and interest on the Subordinate Lien Obligations of the series to which the Sub-subaccount relates as the same become due at any time when there are insufficient funds available for such purpose in the Subordinate Lien Principal and Interest Subaccount (after any available amounts in the Water Rate Stabilization Account have first been applied to that purpose). Any Subordinate Lien Debt Service Reserve Subaccount Credit Instrument for the 2012 Subordinate Lien Obligations shall not terminate prior to the date of the last maturity of any of the 2012 Subordinate Lien Obligations.

(b) All or any part of the Subordinate Lien Debt Service Reserve Requirement for any series of Subordinate Lien Obligations may, subject to the limitations in Section 3.01, be met by deposit with the City of one or more Subordinate Lien Debt Service Reserve Subaccount Credit Instruments. A Subordinate Lien Debt Service Reserve Subaccount Credit Instrument shall, for purposes of determining the value of the amounts on deposit in the Subordinate Lien Debt Service Reserve Subaccount and the Sub-subaccount to which it relates, be valued at the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument Coverage for the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument except as provided in the next sentence. If a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument is to terminate (or is subject to termination) prior to the last principal payment date for any Outstanding Subordinate Lien Obligation of the series of Subordinate Lien Obligations to which it relates, then the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument Coverage of that Subordinate Lien Debt Service Reserve Subaccount Credit Instrument shall be reduced each year, beginning on the date which is four years prior to the first date on which the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument is to terminate (or is subject to termination), by 25 percent of the coverage in each of the years remaining prior to such date, provided that if by the terms of the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument and the terms of the related Subordinate Lien Obligation ordinance, the City has the right and duty to draw upon such Subordinate Lien Debt Service Reserve Subaccount Credit Instrument prior to its termination for deposit in the related Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount (if and to the extent a substitute Subordinate Lien Debt Service Reserve Subaccount Credit Instrument is not deposited in that related Sub-subaccount) all or part of its Subordinate Lien Debt Service Reserve Subaccount Credit Instrument Coverage, then the reduction shall be in an amount equal to the difference between (A) the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Obligations and (B) the sum of the amounts on deposit in the related Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount and the amount which the City may draw under the Subordinate Lien Debt Service Reserve Credit Instrument prior to its termination for deposit in the related Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount. Any amounts in any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount which are not required to be transferred to the Subordinate Lien Principal and Interest Subaccount may, from time to time, be used to pay costs of acquiring a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument for

that Sub-subaccount or to make payments due under a reimbursement agreement with respect to that Sub-subaccount, but only if after such payment, the value of the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount shall not be less than the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Obligations. The City pledges and grants a lien on and security interest in the amounts on deposit in the Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount to any provider of a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument with respect to the particular Subaccount corresponding to such provider's Subordinate Lien Debt Service Reserve Subaccount Credit Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the Registered Owners of Subordinate Lien Obligations of that series.

After the deposit of a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument into any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount and after the City has received notice of the value of the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount after such deposit, the Chief Financial Officer may then direct the transfer from such Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount to any account of the Water Fund of any amounts in the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount in excess of the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Obligations:

(c) In the event of a deficiency in any Fiscal Year in the Subordinate Lien Principal and Interest Subaccount, the Subordinate Lien Debt Service Reserve Subaccount or any Sub-subaccount of either such Subaccount, the amount of such deficiency shall be included in the amount to be transferred from the Water Fund and deposited into such account during the next 12-month period or succeeding Fiscal Year, as required by this Part D.

(d) Whenever the balance in any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount exceeds the amount required to be on deposit in that Sub-subaccount, such excess may be transferred to the Water Fund; provided that no such transfers shall be made when any debt service payments on outstanding obligations of the City that are payable by their terms from the revenues of the Water System are past due. Any funds which remain in the Water Fund at the end of any Fiscal Year shall be retained in the Water Fund and shall be available for appropriation for any proper purpose of the Water System.

ARTICLE V

GENERAL COVENANTS

The City covenants and agree with the Registered Owners of the 2012 Subordinate Lien Obligation terms as follows:

(a) The City will establish, maintain and collect at all times fees, charges and rates for the use and service of the Water System sufficient at all times to (a) pay Operation and Maintenance Costs, and (b) produce Net Revenues Available for Bonds sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and interest on all Bonds Outstanding from time to time and to establish and maintain the Senior Lien Principal and Interest Account and various Subaccounts of the Senior Lien Debt Service Reserve Account as may be covenanted in ordinances authorizing the issuance of Senior Lien Bonds, which Net Revenues Available for Bonds shall each Fiscal Year at least equal the greater of

(i) 120 percent of the sum required to pay promptly when due the Senior Lien Debt Service Requirement for the Fiscal Year on all Senior Lien Bonds then Outstanding or (ii) the sum of (A) the Senior Lien Bond Debt Service Requirement for the Fiscal Year on all Senior Lien Bonds Outstanding, plus (B) the Annual Second Lien Bonds Requirement (as defined in the Second Lien Bonds Master Indenture) for the Fiscal Year on all Second Lien Bonds Outstanding, plus (C) the Subordinate Lien Debt Service Requirement for the Fiscal Year on all Subordinate Lien Obligations Outstanding, plus (D) the annual debt service requirement for the Fiscal Year on all CP Notes Outstanding, plus (E) the annual debt service requirement for the Fiscal Year on all Water System Line of Credit Notes Outstanding. These fees, charges and rates shall not be reduced, while any Subordinate Lien Obligations are Outstanding, below the level necessary to ensure compliance with the covenants of this Article V.

(b) The City will, prior to the end of each Fiscal Year, conduct a review to determine if it has been and will be in compliance with the rate covenant set forth above. Whenever the annual review indicates that projected Gross Revenues will not be sufficient to comply with such rate covenant, the City shall have prepared a rate study for the Water System identifying the rate changes necessary to comply with the rate covenant and the Office of Budget and Management of the City and the Chief Financial Officer shall recommend appropriate action to the City Council to comply with this rate covenant.

ARTICLE VI

ISSUANCE OF ADDITIONAL SUBORDINATE LIEN OBLIGATIONS

Section 6.01. Subordinate Lien Parity Obligations. As long as there are any Outstanding 2012 Subordinate Lien Obligations, the City may issue Subordinate Lien Parity Obligations for any lawful purpose of the Water System, provided such purpose is also a lawful purpose of the IEPA Program, and then only upon compliance with the following conditions:

(a) the funds required to be transferred to the Senior Lien Principal and Interest Account, the various Subaccounts of the Senior Lien Debt Service Reserve Account and the various Subaccounts of the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account and the Line of Credit Notes Account shall have been transferred in full up to the date of delivery of such Subordinate Lien Parity Obligations;

(b) the ordinance authorizing the issuance of Subordinate Lien Parity Bonds shall require either (i) the transfer at the time of the delivery of such Subordinate Lien Parity Obligations of sufficient proceeds of such Subordinate Lien Parity Obligations or Net Revenues Available for Bonds, or the deposit of a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument, or any combination of Subordinate Lien Obligation proceeds or Net Revenues Available for Bonds and Subordinate Lien Debt Service Reserve Subaccount Credit Instruments, to the various Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount so that the balance in such Sub-subaccounts is at least equal to the Subordinate Lien Debt Service Reserve Requirement for each series of Subordinate Lien Obligations, or (ii) equal monthly transfers to the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount for such Subordinate Lien Parity Obligations during a period not exceeding 60 months following the delivery of such Subordinate Lien Parity Obligations sufficient to cause the balance in such Sub-subaccount to be an amount at least equal to the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Parity Obligations; and

(c) Net Revenues Available for Bonds for the last completed Fiscal Year prior to the issuance of the Subordinate Lien Parity Obligations (as shown by the audit of an independent certified public accountant), or Net Revenues Available for Bonds for such last completed Fiscal Year, adjusted as described below, shall equal at least 100 percent of the maximum annual Subordinate Lien Debt Service Requirement for Subordinate Lien Obligations which will be Outstanding following the issuance of the proposed Subordinate Lien Parity Obligations, computed on a *pro forma* basis assuming the issuance of the proposed Subordinate Lien Parity Obligations, and the application of the proceeds of any Subordinate Lien Parity Obligations as provided in the ordinance authorizing their issuance, sale and delivery. Net Revenues Available for Bonds may be adjusted as follows for purposes of this paragraph (c):

(i) if there shall have been an increase in the rates of the Water System from the rates in effect for such last completed Fiscal Year, which increase is in effect at the time of the issuance of any such Subordinate Lien Parity Obligations, Net Revenues Available for Bonds may be adjusted to reflect the Net Revenues Available for Bonds for such last completed Fiscal Year as they would have been had the existing rates been in effect during all of that last completed Fiscal Year; provided, that in the case of an enactment by the City of a rate schedule under which rates increase from time to time, the rate to be used in applying the test set forth in this clause (i) shall be the lowest rate effective for any period described in such rate schedule; and

(ii) any such adjustment shall be evidenced by a certificate of the Chief Financial Officer.

The addition of the proviso at the end of clause (i) above is solely intended to clarify the application of the adjustment described in said clause (i) and not to make any substantive revisions to the current application thereof.

For purposes of calculating the adjustment described in this paragraph (c), any rate increase enacted by the City and scheduled to take effect in a future Fiscal Year may be reflected in Net Revenues Available for Bonds for purposes of calculating debt service coverage for that Fiscal Year.

If during the first six months of a Fiscal Year, an audit of the Water System for the preceding Fiscal Year by an independent certified public accountant is not available, the conditions of paragraph (c) shall be deemed to have been satisfied if both (1) Net Revenues Available for Bonds for the second preceding Fiscal Year (as shown by the audit of an independent certified public accountant), adjusted as described in this paragraph (c), and (2) Net Revenues Available for Bonds for the preceding Fiscal Year (as estimated by the Chief Financial Officer), adjusted as described in this paragraph (c), shall equal at least 100 percent of the maximum Subordinate Lien Debt Service Requirement for any Fiscal Year for Subordinate Lien Obligations which will be Outstanding following the issuance of the proposed Subordinate Lien Parity Obligations, computed on a *pro forma* basis assuming the issuance of the proposed Subordinate Lien Parity Obligations and the application of the proceeds of any Subordinate Lien Parity Obligations as provided in the ordinance authorizing their issuance, sale and delivery.

Section 6.02. Subordinate Obligations. Other obligations, including bonds, may be issued payable from Net Revenues Available for Bonds on a basis subordinate to the Subordinate Lien Obligations.

ARTICLE VII**AMENDMENT OF PART D OF THIS ORDINANCE**

The City may amend or modify this Part D from time to time and may modify the rights and obligations of the City and of the Registered Owners of the 2012 Subordinate Lien Obligations by adopting a supplemental ordinance to this Ordinance, provided that no such modification or amendment shall be adopted without the consent of IEPA.

PART E**WATER SYSTEM LINE OF CREDIT AGREEMENTS AND NOTES****ARTICLE I****AUTHORIZATION**

Section 1.01. Definitions. All capitalized terms used and not otherwise defined in this Part E shall have the meanings ascribed to them in Article I of Part B.

Section 1.02. Authority for Water System Line of Credit Agreements and Notes.

(a) The Mayor or the Chief Financial Officer is hereby authorized to execute and deliver from time to time one or more line of credit agreements (each, a "**Water System Line of Credit Agreement**") with commercial banks and other financial institutions (collectively, the "**Lenders**") and in the form customarily used to provide borrowers with a revolving line of credit for the purposes described in Section 1.03 of this Part E and with such terms and provisions as the Chief Financial Officer shall determine to be in the best interest of the City. Such terms and provisions may include (i) assurances on the part of the City as to the rate covenant required and additional bonds test set forth under ordinances and indentures securing revenue bonds of the City issued for purposes of the Water System, which assurances shall not require a more restrictive rate covenant or additional bonds test than existing rate covenants and additional bonds tests under existing ordinances and indentures of the City relating to the City's revenue bonds issued for purposes of the Water System and (ii) the payment to the Lenders of a termination fee if and to the extent the Water System Line of Credit Agreement is terminated prior to its stated expiration date. The City Clerk is authorized to attest the same and affix thereto the corporate seal of the City or a facsimile thereof, the execution and delivery thereof to constitute conclusive evidence of this City Council's approval of each such Water System Line of Credit Agreement.

(b) To evidence borrowings under each Water System Line of Credit Agreement, the City is authorized to issue from time to time one or more Water System Line of Credit Notes, each to be designated "Water System Line of Credit Note" (collectively, the "**Water System Line of Credit Notes**"). All obligations incurred by the City under any Water System Line of Credit Agreement shall be evidenced by a Water System Line of Credit Note or Notes as provided in this Section 1.02 of Part E. Subject to the limitations contained in this Ordinance, authority is hereby delegated to the Mayor or the Chief Financial Officer to determine the aggregate principal amount of Water System Line of Credit Notes to be issued, the date or dates thereof, the maturities thereof and the rate or rates of interest payable thereon or the method for determining such rate or rates.

(c) Without further authorization of this City Council, the maximum aggregate principal amount of all Series 2004 Commercial Paper Notes and Water System Line of Credit Notes to be issued and outstanding under this Ordinance at any one time shall not exceed the amount of the CP Authorization. No Water System Line of Credit Note shall mature later than November 1, 2030. Each Water System Line of Credit Note shall bear interest from its date at a rate or rates not in excess of 18 percent per annum.

(d) Any Water System Line of Credit Notes authorized herein may be issued and sold from time to time pursuant to the applicable Federal Compliant Obligation Authorization as Federal Compliant Obligations. In connection therewith, the Chief Financial Officer is hereby authorized to (i) designate all or any portion of such Water System Line of Credit Notes as Federal Compliant Obligations pursuant to the applicable Federal Compliant Obligation Authorization, (ii) to make any necessary elections to have all applicable provisions of the applicable Federal Compliant Obligation Authorization apply thereto and (iii) execute such certifications, tax returns and agreements as shall be necessary, in the opinion of nationally recognized bond counsel, to establish and maintain the qualification of such Water System Line of Credit Notes as Federal Compliant Obligations.

(e) The Water System Line of Credit Notes shall be executed on behalf of the City with the manual or facsimile signature of the Mayor of the City, and shall be attested with the manual or facsimile signature of the City Clerk of the City, and shall have impressed or imprinted thereon the official seal of the City (or a facsimile thereof). In case any officer of the City whose signature or whose facsimile signature shall appear on the Water System Line of Credit Notes shall cease to be such officer before the delivery of such Notes, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until delivery.

(f) To evidence the exercise of the authority delegated to the Mayor or the Chief Financial Officer by this Ordinance, the Mayor or the Chief Financial Officer, as the case may be, is hereby directed to execute and file with the City Clerk in connection with (i) the execution and delivery of each Water System Line of Credit Agreement, a copy of such Agreement and (ii) each issuance of Water System Line of Credit Notes, a certificate setting forth the determinations made pursuant to the authority granted herein, which certificate shall constitute conclusive evidence of the proper exercise by them of such authority. The City Clerk shall direct a copy of such filing to the City Council.

(g) The Mayor or the Chief Financial Officer is hereby authorized to execute and deliver from time to time one or more tax compliance certificates or agreements as determined to be necessary by nationally recognized bond counsel.

Section 1.03. Purposes. Water System Line of Credit Agreements shall provide for the issuance of Water System Line of Credit Notes to provide funds for any one or more of the following purposes:

(a) the payment, or the reimbursement of the City for the payment, of the cost of all or any portion of the Projects, including the making of grants or loans for such purpose to such parties and upon such terms as shall be determined by the Authorized Officer to be in the best interests of the City;

(b) the provision of funds to meet the cash flow needs of the Water System;

(c) the deposit of monies into funds and accounts as are provided for in the ordinance or related Water System Line of Credit Agreement;

(d) the payment of costs of issuance incurred in connection with the execution and delivery of each Water System Line of Credit Agreement and each series of Water System Line of Credit Notes.

Section 1.04. Pledge of Gross Revenues. The Water System Line of Credit Notes, together with interest thereon and any other amounts payable with respect thereto, shall be limited obligations of the City secured by and payable from all sums, amounts, funds or moneys which may be withdrawn from the Line of Credit Notes Account created and established within the Water Fund pursuant to the provisions of this Ordinance. The Water System Line of Credit Notes, together with interest thereon and any other amounts payable with respect thereto, shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory provision or limitation as to indebtedness and shall have no claim to be paid from taxes of the City. Each Water System Line of Credit Note shall contain a statement to that effect.

Section 1.05. Deposit of Federal Subsidies. Any Federal Subsidies to be received by the City as a result of any of the Water System Line of Credit Notes qualifying as Federal Compliant Obligations are hereby authorized (A) as determined by the Chief Financial Officer: (i) to be deposited into the Line of Credit Notes Account created and established within the Water Fund pursuant to the provisions of this Ordinance in such amounts and at such times as directed by the Chief Financial Officer; (ii) to be expended for the purposes for which proceeds of the Water System Line of Credit Notes are hereby authorized to be used; (iii) to pay any of the costs for which such Federal Subsidies may be pledged pursuant to Section 1.10 of this Part E and (iv) to be deposited in such funds as appropriate for miscellaneous revenues of the City; or (B) to be applied as otherwise directed by the City Council.

Section 1.06. Pledge of Federal Subsidies. The Chief Financial Officer is hereby authorized to pledge, at the time of, or at any time following the issuance of any Water System Line of Credit Notes, to the owners of such Notes or to any provider of credit or liquidity support with respect to any Water System Line of Credit Notes, any Federal Subsidies received by the City in connection with such Notes.

Section 1.03. Conflict. To the extent that any ordinance, resolution, provision of the Municipal Code, rule or order is in conflict with or is inconsistent with the provisions of this Ordinance, including, without limitation, Section 2-32-520 of the Municipal Code, the provisions of this Ordinance shall be controlling. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to impair the validity of this Ordinance or the instruments authorized by this Ordinance, including the Series 2012 Project and Refunding Bonds, the Second Lien Bonds Master Indenture, the Seventh Supplemental Indenture or any Supplemental Indenture, or to make any such document or instrument voidable at the option of the City, or to impair the rights of the owners of the Series 2012 Project and Refunding Bonds to receive payment of the principal of, premium, if any, or interest on the Series 2012 Project and Refunding Bonds or to impair the security for the Series 2012 Project and Refunding Bonds; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

Section 1.04. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 1.05. Registered Owner Remedy. Any Registered Owner of a Series 2012 Project and Refunding Bond may proceed by civil action to compel performance of all duties required by this Ordinance, including the establishment and collection of sufficient fees, charges and rates for services supplied by the Water System and the application of Gross Revenues and the various Accounts of the Water Fund as provided by this Ordinance.

Section 1.08. Continuing Disclosure Undertaking. The Mayor and the Chief Financial Officer are each authorized to execute and deliver, as to each series of 2012 Senior Lien Project and Refunding Bonds and 2012 Second Lien Project and Refunding Bonds, an undertaking (a "Continuing Disclosure Undertaking") evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as from time to time in effect, in a form approved by the Corporation Counsel of the City. Upon its execution and delivery on behalf of the City, the Continuing Disclosure Undertaking shall be binding upon the City, and the officers, employees and agents of the City are authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. The Chief Financial Officer is further authorized to make such amendments to the Continuing Disclosure Undertaking in accordance with its terms from time to time following its execution and delivery as said officer shall deem necessary. Notwithstanding any other provision of this Ordinance, the sole remedies for failure by the City to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any 2012 Senior Lien Project and Refunding Bond or 2012 Second Lien Project and Refunding Bonds, as appropriate, to seek mandamus or specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking. No failure by the City to comply with the Continuing Disclosure Undertaking shall constitute a default under this Ordinance or under any Bonds.

Section 1.09. Taxable Bonds. If determined by the Chief Financial Officer to be in the City's financial interest, 2012 Senior Lien Project and Refunding Bonds, 2012 Second Lien Project and Refunding Bonds, 2012 Subordinate Lien Obligations and Water System Line of Credit Notes may be issued hereunder such that the interest thereon is subject to Federal income taxation ("Taxable Bonds"). Any Federal Compliant Obligations shall, to the extent required by the applicable Federal Compliant Obligation Authorization, be issued as Taxable Bonds.

Section 1.10. Restructuring of Outstanding Water System Revenue Indebtedness. Any series of Senior Lien Bonds, Second Lien Bonds or Subordinate Lien Obligations (collectively, the "Outstanding Water System Revenue Indebtedness") bearing interest at a variable rate may be restructured in a manner authorized by the Mayor or the Chief Financial Officer, including but not limited to: (a) providing for one or more new interest rate modes for Outstanding Water System Revenue Indebtedness including (1) a mode where the interest rate is based upon an index, such as LIBOR or SIFMA, plus an applicable spread (subject to adjustment as a result of rating agency changes) and (2) a mode where the interest rate is fixed for a specified term, and subject to reset at the end of such term and each additional term during such mode (collectively, the "New Mode"), (b) providing for mechanics of conversion into, conversion out of and extension of the New Mode after the initial period and providing for tender by owners of the Outstanding Water System Revenue Indebtedness at the end of the New Mode and specified terms within such New Mode and for optional and mandatory redemption of Outstanding Water System Revenue Indebtedness by the City; (c) permitting direct purchase of Outstanding Water System Revenue Indebtedness in such New Mode by purchasers selected by the Chief Financial Officer either at par or with a discount or premium, (d) selecting an index calculation agent for the New Mode, and (e) terminating any liquidity or credit enhancement during such New Mode. With respect to any series of Outstanding Water System Revenue Indebtedness for which the City is obligated to obtain approval from another governmental entity before amending, modifying or supplementing the authorizing ordinance or related indenture with respect to such series of Outstanding Water System Revenue Indebtedness, the authority provided pursuant to this section with respect to the restructuring of such series shall be effective only upon receipt by the City of such required approval. The Mayor or the Chief Financial Officer is hereby authorized to enter into any amendments to or restatements of existing documents or to execute new documents, to consent to actions being taken by others or to obtain the consent of other parties, and to cause to be prepared such remarketing documents, including disclosure documents, as may be necessary or desirable to effect any such debt restructuring and facilitate the remarketing of the Outstanding Water System Revenue Indebtedness; and to pay the fees, costs and expenses relating thereto, as the Mayor or the Chief Financial Officer executing the same determines is necessary and desirable, the execution thereof by the Mayor or the Chief Financial Officer to evidence the City Council's approval of all such amendments.

Section 1.11. Amendment of Section 1.04 and Section 1.06(a) of Part E of the Series 2004 Second Lien Bond Ordinance.

(a) The final sentence of Section 1.04 of Part E of the Series 2004 Second Lien Bond Ordinance, relating to the authorization and final maturity of the CP Notes, is hereby amended and restated to read as follows:

"No C.P. Note issued from and after the effective date of this Ordinance, including C.P. Notes representing extensions and renewals of outstanding borrowings, shall mature later than November 1, 2030."

(b) The third sentence of Section 1.06(a) of Part E of the Series 2004 Second Lien Bond Ordinance, relating to the maturity and maximum interest rate of each CP Note, is hereby amended and restated to read as follows:

"Each C.P. Note shall mature not later than two hundred seventy (270) days after its date of issuance and each C.P. Note issued from and after the effective date of this Ordinance shall bear interest from its date at a rate or rates not in excess

of the lesser of (i) eighteen percent (18%) per annum, computed in the manner set forth in the C.P. Indenture, or (ii) as long as such C.P. Note is secured by a credit or liquidity facility (a "C.P. Credit Facility"), the maximum interest rate provided for under such C.P. Credit Facility."

(c) To the extent determined by the Chief Financial Officer to be necessary, the Chief Financial Officer is authorized to execute and deliver (i) a Supplemental Indenture and (ii) an indenture supplementing and amending the Series 2004 Commercial Paper Program Indenture giving effect to the amendments contained in paragraphs (a) and (b) of this Section 1.11 and the City Clerk and the Deputy City Clerk are each authorized to attest the same and to affix to the same the corporate seal of the City or a facsimile of such seal.

Section 1.12. Escrow Restructuring. Nothing in this Ordinance shall restrict or limit the ability of the City to restructure securities held for the payment of Senior Lien Bonds, Second Lien Bonds, or Subordinate Lien Obligations.

Section 1.13. Book-Entry. In order to provide for the initial issuance of obligations issued pursuant to this Ordinance ("Obligations") in a form that provides for a system of book-entry only transfers, the ownership of one fully registered Obligation for each maturity in the aggregate principal amount of such maturity may be registered in the name of Cede & Co., as a nominee of The Depository Trust Company, New York, New York ("DTC"), or a successor nominee or successor securities depository. In the event that the City determines that the system of book-entry only transfers through DTC (or a successor securities depository) is not in the best interests of the Beneficial Owners (as hereinafter defined) of the Obligations or is burdensome to the City, the City may notify DTC, whereupon DTC will notify the DTC Participants (as hereinafter defined) of the availability through DTC of Obligation certificates. In such event, the City shall issue and the note registrar shall authenticate, transfer and exchange Obligation certificates as requested by DTC of like principal amount, series and maturity, in authorized denominations, to the identifiable Beneficial Owners, in replacement of such Beneficial Owners' beneficial interests in the Obligations. For the purposes of this paragraph, the term "Beneficial Owners" shall mean (a) those persons for whom DTC was created to hold their securities ("DTC Participants"), and (b) the persons for whom the DTC Participants acquire interests in the Obligations as nominees.

Section 1.14. Headings. Any headings preceding the texts of the several Articles and Sections of this Ordinance shall be solely for convenience or reference and shall not constitute a part of this Ordinance nor shall they affect its meaning, construction or effect.

They shall not be included in any Series 2012 Project and Refunding Bonds which are Capital Appreciation Bonds. The Chief Financial Officer (as defined in the Bond Ordinance) may in the Determination Certificate set forth language to be included in the form of Bond for (i) any Series 2012 Project and Refunding Bond which is a Capital Appreciation Bond and (ii) any Series 2012 Project and Refunding Bond which is a Build America Bond (as defined in the Bond Ordinance).

The Bonds due on or after November 1, _____ are subject to redemption prior to maturity at the option of the City, in whole on any date on or after November 1, _____ or in part on _____, _____ or on any interest payment date after that date, at the redemption prices set forth in the table below, expressed as a percentage of the principal amount to be redeemed, plus accrued interest to the date fixed for redemption.

| <u>Date of Redemption</u> | <u>Redemption Price</u> |
|------------------------------|-------------------------|
| _____ to and including _____ | _____ % |
| _____ to and including _____ | _____ |
| on and after _____ | _____ |

The Bonds maturing on November 1, _____ and _____ 1, _____ are subject to mandatory sinking fund redemption prior to maturity on _____ 1 of each of the years and in the principal amounts set forth in the table below, as selected by lot by the Bond Registrar as provided below, at a price of 100 percent of the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

| Bonds Maturing November 1, _____: | | | |
|-----------------------------------|--------|------|--------|
| Year | Amount | Year | Amount |
| | \$ | | \$ |

| Bonds Maturing November 1, _____: | | | |
|-----------------------------------|--------|------|--------|
| Year | Amount | Year | Amount |
| | \$ | | \$ |

To the extent that the Bonds maturing on November 1, _____ or November 1, _____ have been previously called for redemption in part other than from sinking fund payments or purchase by the City, annual sinking fund payments for the Bonds maturing on November 1, _____ or on November 1, _____, as the case may be, shall be reduced as provided in the Bond Ordinance.

In the event of a redemption of fewer than all the Bonds of a specified maturity and interest rate within such maturity, the Bond Registrar shall assign to each outstanding Bond of such maturity and interest rate within such maturity of a denomination greater than \$5,000 a distinctive number for each \$5,000 portion of such Bond so as to distinguish each such \$5,000 portion from each other portion of such Bond. The Bond Registrar shall select by lot, using such method of selection as it shall deem proper in its sole discretion, from the numbers assigned to the Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned the numbers so selected, but only so much of the principal amount of each such Bond of a denomination of greater than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected.

If less than the entire principal amount of a Bond shall be called for redemption, the City shall execute and the Authenticating Agent shall authenticate and deliver, upon surrender of such Bond, without charge to the Registered Owner, one or more new Bonds of any authorized denomination, of like maturity, interest rate and aggregate principal amount as the unredeemed balance of the principal amount of the Bond so surrendered. If, on the date fixed for redemption, (a) money in an amount equal to the redemption price of the Bonds to be redeemed shall be held by the Paying Agent and is available for such redemption and (b) notice of redemption shall have been given as described above, interest on the Bonds so redeemed shall cease from and after the date fixed for redemption.

Notice of redemption shall be given by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the date fixed for redemption to each Registered Owner of Bonds to be redeemed at such owner's address as shown in the bond register kept by the Bond Registrar and by such other additional method, if any, as the City shall deem appropriate. Notice of redemption shall specify the maturities and interest rates within such maturities of the Bonds to be redeemed, the date fixed for redemption and, if less than all of the Bonds of any specified maturity and interest rate within such maturity are to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amounts of such Bonds to be redeemed. Failure to give such notice by mail or a defect in the notice or the mailing as to any Bond will not affect the validity of any proceedings for redemption as to any other Bond as to which notice was given properly and the failure of any owner of a Bond to receive the notice shall not affect the validity of the redemption.

If less than the entire principal amount of a Bond shall be called for redemption, the City shall execute and the Authenticating Agent shall authenticate and deliver, upon surrender of such Bond, without charge to the Registered Owner, one or more new Bonds of any authorized denomination, of the same maturity, interest rate and aggregate principal amount as the unredeemed balance of the principal amount of the Bond so surrendered. If, on the date fixed for redemption, (a) money in an amount equal to the aggregate principal amount of all of the Bonds or portions of Bonds to be redeemed, together with any redemption premium and interest accrued on the Bonds to the redemption date, shall be held by the Paying Agent and are available for such redemption, and (b) notice of redemption shall have been given as described above, interest on the Bonds so redeemed shall cease from and after the date fixed for redemption.

The following seven paragraphs and the Assignment for Transfer shall appear on all Bonds.

This Bond is negotiable, subject to the following provisions for registration, registration of transfer and exchange. The City shall maintain books for the registration of this Bond at the principal corporate trust office of the Bond Registrar. This Bond shall be registered on those books.

This Bond is transferable on the bond register upon surrender of this Bond for transfer at the principal corporate trust office of the Bond Registrar, upon which one or more new Bonds of any authorized denomination of like maturity, interest rate and aggregate principal amount will be issued to the designated transferee or transferees.

At the option of the Registered Owner, any Bond may be exchanged for another Bond or Bonds of any authorized denomination, of the same maturity, interest rate and aggregate principal amount, upon surrender of the Bond to be exchanged to the Bond Registrar. Upon such surrender for exchange, the City shall execute and the Authenticating Agent shall authenticate and deliver the Bonds which the Registered Owner making the exchange is entitled to receive.

Every Bond presented or surrendered for transfer or exchange shall (if so required by the Bond Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Bond Registrar duly executed, by the Registered Owner of such Bond or such owner's duly authorized representative.

In all cases in which Bonds are to be transferred or exchanged, the Bond Registrar may require payment of a sum sufficient to cover any tax, fee or other general governmental charge that may be imposed and to reimburse it for any expenses incurred in connection with such transfer or exchange. The Bond Registrar shall not be required to transfer or exchange any Bond during a period beginning at the opening of business on the 15th day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day on which notice of redemption is given or after notice selecting such Bond for redemption has been given.

The Bonds may be deposited with a fiscal agent in New York, New York, or such other agent as the Bond Registrar may designate, for transmission to the Bond Registrar for purposes of exchange or transfer.

The City and any agent of the City may deem and treat the person in whose name this Bond is registered as the absolute owner of this Bond for the purpose of receiving payment of or on account of principal, redemption premium, if any, and interest due on this Bond and for all other purposes. Neither the City nor any agent of the City shall be affected by any notice to the contrary.

Canceled 2012_ Second Lien Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City. Upon the date of final maturity or redemption of all 2012_ Second Lien Bonds, the Trustee shall destroy any inventory of unissued certificates.

Section 2.09. Book-Entry Provisions. The provisions of this Section shall apply as long as the 2012_ Second Lien Bonds are maintained in book-entry form with DTC or another Securities Depository, any provisions of this Seventh Supplemental Indenture to the contrary notwithstanding;

(a) The 2012 Second Lien Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the 2012_ Second Lien Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the 2012_ Second Lien Bonds is due as set forth in this Seventh Supplemental Indenture and the 2012

Second Lien Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the 2012_ Second Lien Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee written notice thereof, and the Trustee shall make payments with respect to the 2012_ Second Lien Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the 2012_ Second Lien Bonds to Participants or the beneficial owners of the 2012_ Second Lien Bonds or their nominees.

(b) The Registered Owners of the 2012_ Second Lien Bonds have no right to the appointment or retention of a Securities Depository for the 2012_ Second Lien Bonds. If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the 2012_ Second Lien Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the beneficial owners that they obtain certificated 2012_ Second Lien Bonds, the City may (or, in the case of clause (ii) above, the City shall) cause the Trustee to authenticate and deliver 2012_ Second Lien Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the 2012_ Second Lien Bonds in book-entry form with the then current Securities Depository, the City will issue replacement 2012_ Second Lien Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the 2012_ Second Lien Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the 2012_ Second Lien Bonds shown on the records of such Participant. Replacement 2012_ Second Lien Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the 2012_ Second Lien Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than \$1,000,000 principal amount of 2012_ Second Lien Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the replacement 2012_ Second Lien Bonds are payable only upon presentation and surrender of such replacement 2012_ Second Lien Bond or Bonds at the principal corporate trust office of the Trustee.

(d) The Securities Depository and its Participants, and the beneficial owners of the 2012 Second Lien Bonds, by their acceptance of the 2012_ Second Lien Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the 2012_ Second Lien Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the 2012 Second Lien Bonds.

(e) As long as Cede & Co. is the Registered Owner of the 2012_ Second Lien Bonds, as nominee of DTC, references herein to the Registered Owners of the 2012_ Second Lien Bonds shall mean Cede & Co. and shall not mean the beneficial owners of the 2012_ Second Lien Bonds.

(f) As long as Cede & Co. is the Registered Owner of the 2012_ Second Lien Bonds:

(1) selection of 2012_ Second Lien Bonds to be redeemed upon partial redemption or presentation of 2012_ Second Lien Bonds to the Trustee upon partial redemption shall be deemed made when the right to exercise ownership rights in such 2012 Second Lien Bonds through DTC or DTC's Participants is transferred by DTC on its books;

(2) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Seventh Supplemental Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2012_ Second Lien Bonds through DTC or its Participants.

(b) In lieu of redeeming the 2012_ Term Bonds pursuant to the mandatory sinking fund redemption provisions described above, on or before the 60th day next preceding any mandatory sinking fund redemption date for the 2012_ Term Bonds, the Trustee may, at the written direction of the Chief Financial Officer, use such funds available under the Indenture to purchase 2012_ Term Bonds in the open market at a price not exceeding par plus accrued interest.

On or before the 60th day next preceding any mandatory sinking fund redemption date for the 2012_ Term Bonds (or such shorter period as may be acceptable to the Trustee), the City may, at its option, (i) deliver to the Trustee for cancellation, 2012_ Term Bonds or portions thereof in Authorized Denominations subject to mandatory sinking fund redemption or (ii) receive a credit in respect of its mandatory sinking fund redemption obligation for 2012_ Term Bonds or portions thereof in Authorized Denominations which prior to said date have been redeemed (otherwise than through the operation of such mandatory sinking fund redemption) and canceled by the Trustee and not theretofore applied as a credit against any mandatory sinking fund redemption obligation. Each such 2012_ Term Bond or portion thereof subject to mandatory sinking fund redemption so delivered or previously redeemed will be credited against future mandatory sinking fund redemption obligations on 2012_ Term Bonds in such order as the City designates, or if no such designation is made, in chronological order, the principal amount of such 2012_ Term Bonds to be redeemed by operation of such mandatory redemption to be accordingly reduced.

Section 3.03. Redemption Terms; Notice of Redemption.

(a) 2012_ Second Lien Bonds may be called for redemption by the Trustee pursuant to Section 3.01 hereof upon receipt by the Trustee at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption. 2012_ Second Lien Bonds shall be called for redemption by the Trustee pursuant to Section 3.02 hereof without further request or direction from the City or any other party.

(b) Unless waived by any owner of Bonds to be redeemed, notice of the call for any optional or mandatory redemption pursuant to Section 3.01 or 3.02 hereof shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 45 days prior to the date fixed for redemption to the Registered Owner of the 2012_ Second Lien Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any 2012_ Second Lien Bond shall not affect the validity of the proceedings for the redemption of any other 2012_ Second Lien Bond. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

(c) All notices of redemption shall specify, at a minimum: (i) the series name and designation and certificate numbers of 2012_ Second Lien Bonds being redeemed, (ii) the CUSIP numbers of the 2012_ Second Lien Bonds being redeemed, (iii) the principal amount of 2012_ Second Lien Bonds being redeemed and the redeemed amount for each certificate (for partial calls), (iv) the redemption date, (v) the redemption price, (vi) the Date of Issuance of the 2012_ Second Lien Bonds being redeemed, (vii) the interest rate and maturity date of the 2012_ Second Lien Bonds being redeemed, (viii) the date of mailing of notices to Registered Owners and information services (if required), and (ix) the name of the employee of the Trustee which may be contacted with regard to such notice. With respect to an optional redemption of any 2012_ Second Lien Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the redemption price of the 2012_ Second Lien Bonds being redeemed. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such 2012_ Second Lien Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such 2012_ Second Lien Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for a series of 2012_ Second Lien Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the redemption price of all 2012_ Second Lien Bonds or portions thereof which are to be redeemed on that date.

(d) Notice of redemption having been given as aforesaid, the 2012_ Second Lien Bonds, or portions thereof, so to be redeemed shall, on the redemption date (unless the redemption has been canceled as described in Section 3.03(c) hereof), become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such 2012_ Second Lien Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such 2012_ Second Lien Bonds for redemption in accordance with said notice, such 2012_ Second Lien Bonds shall be paid by the Trustee at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption (i) of any 2012_ Second Lien Bond, there shall be prepared for the Registered Owner a new 2012_ Second Lien Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal. In the event of the redemption of fewer than all the 2012_ Second Lien Bonds of the same maturity, the aggregate principal amount thereof to be redeemed shall be in an Authorized Denomination, and the Trustee shall assign to each 2012_ Second Lien Bond of such maturity a distinctive number for each minimum Authorized Denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such 2012_ Second Lien Bonds to be redeemed. The 2012 Second Lien Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each 2012_ Second Lien Bond shall be redeemed as shall equal such minimum Authorized Denomination for each number assigned to it and so selected. For purposes of any redemption of fewer than all of the outstanding 2012_ Second Lien Bonds of a single maturity, the particular 2012_ Second Lien Bonds or portions thereof to be redeemed shall be selected not more than 60 days prior to the redemption date by the Trustee.

WATER REVOLVING CREDIT AGREEMENT

This WATER REVOLVING CREDIT AGREEMENT (as amended, modified or supplemented from time to time, this "Agreement") is entered into as of October 16, 2015, between the CITY OF CHICAGO, a municipal corporation and home rule unit of local government duly organized and existing under the Constitution and laws of the State of Illinois (the "City"), and Morgan Stanley Bank, N.A., a national banking association (the "Lender").

The City has requested that the Lender provide a water revolving credit facility, and the Lender is willing to do so on the terms and conditions set forth herein. In consideration of the mutual covenants and agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I

DEFINITIONS AND ACCOUNTING TERMS

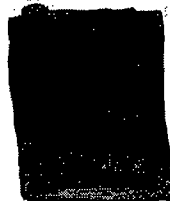

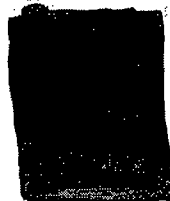

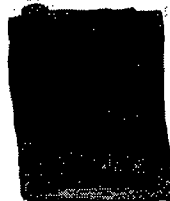

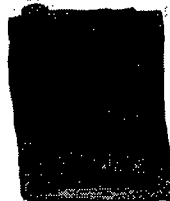

Section 1.01. Defined Terms. As used in this Agreement, the following terms have the meanings set forth below:

"Affiliate" means, with respect to a Person, any Person (whether for-profit or not-for-profit), which "controls," is "controlled" by, or is under common "control" with such Person. For purposes of this definition, a Person "controls" another Person when the first Person possesses or exercises directly, or indirectly through one or more other affiliates or related entities, the power to direct the management and policies of the other Person, whether through the ownership of voting rights, membership, the power to appoint members, trustees or directors, by contract, or otherwise.

"Agreement" has the meaning set forth in the introductory paragraph hereto.

"Applicable Rate" means, the rates per annum associated with the Rating as specified below:

For the period from the Closing Date through but not including July 16, 2016:

| LEVEL | FITCH RATING | S&P RATING | APPLICABLE RATE |
|---------|--------------|--|---|
| Level 1 | A- or above |  or above |  |
| Level 2 | BBB+ | BBB+ |  |
| Level 3 | BBB | BBB |  |
| Level 4 | BBB- | BBB- |  |

For the period from and including July 16, 2016 and thereafter:

| LEVEL | FITCH RATING | S&P RATING | APPLICABLE RATE |
|---------|--------------|-------------|---|
| Level 1 | A- or above | A- or above |  |
| Level 2 | BBB+ | BBB+ | |
| Level 3 | BBB | BBB | |
| Level 4 | BBB- | BBB- | |

In the event there is a split Rating (*i.e.*, the Rating of either S&P or Fitch is at a different Level in the pricing grid set forth above than the rating of the other Rating Agency), the Applicable Rate shall be based upon the Level in which the lower Rating appears. Any change in the Applicable Rate resulting from a change in a Rating will be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system by any such Rating Agency including, without limitation, any recalibration of the long-term debt rating of any Debt of the City secured by Second Lien Bond Revenues in connection with the adoption of a "global" rating scale, each of the Ratings from the Rating Agency in question referred to above will be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. The City acknowledges, and the Lender agrees, that as of the Closing Date the Applicable Rate is that specified above for Level 1. During any period during which the City does not maintain a Rating from either S&P or Fitch, the interest rate on the Loans shall be the Default Rate.

"*Authorized Officer*" means the Mayor, the Chief Financial Officer, the City Comptroller or any other officer of the City authorized to act on its behalf.

"*Availability Period*" means the period from and including the Closing Date to the Commitment Termination Date.

"*Bank Agreement*" means any credit agreement, liquidity agreement, standby bond purchase agreement, reimbursement agreement, direct purchase agreement (such as a continuing covenant agreement or supplemental bondholder's agreement), bond purchase agreement, or other agreement or instrument (or any amendment, supplement or other modification thereof) entered into by the City and under which, directly or indirectly, any Person or Persons undertake(s) to make or provide funds to make payment of, purchase or provide credit enhancement or advance loans thereunder; *provided* that the term Bank Agreement does not include any Swap Agreement.

"*Base Rate*" means, for any day, a fluctuating rate of interest per annum equal to the greatest of (i) the Prime Rate in effect at such time *plus* one percent (1.0%), (ii) the Federal Funds Rate in effect at such time *plus* two percent (2.0%), and (iii) seven and one-half percent (7.5%).

"Borrowing" means a borrowing of Loans from the Lender pursuant to Section 2.01 hereof.

"Business Day" means a day which is not (a) a Saturday, Sunday or legal holiday on which banking institutions in New York, New York or Chicago, Illinois are authorized by law to close, (b) a day on which the New York Stock Exchange or the Federal Reserve Bank of New York is closed or (c) a day on which the principal office of the Lender is closed.

"Change in Law" means the occurrence, after the Closing Date, of any of the following: (a) the adoption or taking effect of any law, rule, regulation or treaty, (b) any change in any law, rule, regulation or treaty or in the administration, interpretation, implementation or application thereof by any Governmental Authority or (c) the making or issuance of any request, rule, guideline or directive (whether or not having the force of law) by any Governmental Authority; provided that notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, will in each case be deemed to be a *"Change in Law"*, regardless of the date enacted, adopted or issued.

"Chief Financial Officer" has the meaning set forth in the Ordinance.

"City" has the meaning set forth in the introductory paragraph hereto.

"City Comptroller" means the City Comptroller of the City.

"Closing Date" means the first date all the conditions precedent in Section 4.01 are satisfied or waived in accordance with Section 8.01 hereof.

"Code" means the Internal Revenue Code of 1986, as amended, and, where appropriate any statutory predecessor or any successor thereto.

"Commercial Paper Notes" has the meaning set forth in the Ordinance.

(d) The Lender shall promptly notify the City of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate and the date on which such Interest Period ends. Such determination shall be made in accordance with the terms of this Agreement.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than six Interest Periods in effect with respect to Loans.

Section 2.03. Prepayments. (a) The City may, upon notice to the Lender, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty; *provided that* (i) such notice must be received by the Lender not later than 2:00 p.m. (A) two Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Floating Rate Loans; and (ii) any prepayment of Eurodollar Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$1,000 in excess thereof; and (iii) any prepayment of Floating Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of at least \$1,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if Eurodollar Rate Loans are to be prepaid, the Interest Period(s) of such Loans. If the City gives such notice, the City shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of principal shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05.

(b) If for any reason the Total Outstandings at any time exceed the Commitment then in effect, the City shall immediately prepay Loans in an aggregate amount equal to such excess.

(c) Upon receipt of notice from the City in accordance with Section 6.01(o) hereof, the Bank may elect to terminate this Agreement. Upon such termination, all outstanding Obligations hereunder shall become immediately due and payable and thereafter such amounts shall bear interest at the Default Rate, payable on demand.

Section 2.04. Termination or Reduction of Commitment. The City may, upon written notice to the Lender, terminate the Commitment, or from time to time permanently reduce the Commitment; *provided that* (i) any such notice shall be received by the Lender not later than

2:00 p.m. three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$500,000 or any whole multiple of \$1,000 in excess thereof, (iii) the City shall not terminate or reduce the Commitment if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Outstandings would exceed the Commitment, and (iv) the City shall pay to the Lender a Termination Fee or Reduction Fee, if any, as set forth in Section 2.07(c) hereto. All Commitment Fees accrued until the effective date of any termination of the Commitment shall be paid on the effective date of such termination.

Section 2.05. Repayment of Loans. The City shall repay to the Lender on the Commitment Termination Date the aggregate principal amount of Loans outstanding on such date. Any Loan not paid on such date will bear interest at the Default Rate thereafter, payable on demand.

Section 2.06. Interest. (a) Subject to the provisions of subsection (b) below, (i) each Eurodollar Rate Loan will bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period, *plus* the Applicable Rate; and (ii) each Floating Rate Loan will bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Floating Rate *plus* the Applicable Rate; *provided*, that subject to Section 2.12 hereof, at no time shall the interest rate on a Loan be payable in excess of the Maximum Rate. Each invoice for interest sent by the Lender to the City shall include a detailed breakdown of the Eurodollar Rate or Floating Rate, as applicable, for such period being invoiced.

(b) (i) While any Event of Default exists, the City shall pay interest on all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided*, that subject to Section 2.12 hereof, at no time shall the Default Rate be payable in excess of the Maximum Rate.

(ii) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.07. Fees. (a) *Commitment Fee.* The City shall pay to the Lender, a daily commitment fee (the "*Commitment Fee*") equal to the product of (i) the Commitment Fee Rate for such day and (ii) the actual daily amount by which the Commitment Amount exceeds the Outstanding Amount of Loans on such day. The Commitment Fee will accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Section 4.02 is not met, and shall be due and payable quarterly in arrears on the first Business Day of each October, January, April and July (each a "*Fee Payment Date*"), commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period. The Commitment Fee will be calculated quarterly in arrears, and if there is any change in the Commitment Fee Rate during any quarter, the actual daily amount will be computed and

multiplied by the Commitment Fee Rate separately for each period during such quarter that such Commitment Fee Rate was in effect.

(b) *Amendment and Waiver Fees.* The City hereby agrees to pay to the Lender, on the date of each amendment to or extension of this Agreement or the Note, or execution of any standard waiver or consent relating thereto after the Closing Date, a non-refundable fee equal to \$2,500, plus, in each case, the reasonable fees and expenses of counsel to the Lender in an amount to be agreed upon by the parties prior to the commencement of such action. Such fees will be fully earned when paid and will not be refundable for any reason whatsoever.

(c) *Termination or Reduction Fee.* The City shall pay to the Lender a Reduction Fee or Termination Fee, as applicable, in connection with each permanent reduction or termination of the Commitment pursuant to Section 2.04 hereof prior to the date nine months from the Closing Date, in an amount equal to the Reduction Fee or Termination Fee, as applicable, payable on the date of such termination or each such reduction.

Section 2.08. Computation of Interest and Fees. All computations of fees and interest will be made on the basis of a year of three hundred sixty (360), and actual days elapsed. Interest will accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.10, bear interest for one day. Each determination by the Lender of an interest rate or fee hereunder will be conclusive and binding for all purposes, absent manifest error.

Section 2.09. Evidence of Debt. The Borrowings made by the Lender shall be evidenced by one or more accounts or records maintained by the Lender in the ordinary course of business. The accounts or records maintained by the Lender shall be conclusive absent manifest error of the amount of the Borrowings made by the Lender to the City and the interest and payments thereon. Any failure to so record or any error in doing so will not, however, limit or otherwise affect the obligation of the City hereunder to pay any amount owing with respect to the Obligations. The City shall execute and deliver to the Lender a Note, which evidences the Lender's Loans in addition to such accounts or records. The Lender may attach schedules to its Note and endorse thereon the date, amount and maturity of its Loans and payments with respect thereto.

Section 2.10. Payments. General. Subject to Section 8.19 hereof, all payments to be made by the City shall be made in Dollars and immediately available funds by wire transfer as directed by the Lender by 3:00 p.m. in accordance with wire transfer instructions provided by the Lender, on the date specified and without condition or deduction for any counterclaim, defense, recoupment or setoff. Unless the Lender provides written notice to the contrary, payments shall be made to MS Bank NA USD, Citibank, N.A., New York, NY 10043 ABA No. 021-000-089, Account Name: Morgan Stanley Bank, N.A., Account No. 3044-0947, Ref: City of Chicago Water Revolving Credit Agreement, Attention: Morgan Stanley Loan Servicing. If any payment to be made by the City is due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time will be reflected in computing interest or fees, as the case may be. All payments received by the Lender after 3:00 p.m. will be deemed

received on the next succeeding Business Day and any applicable interest or fee will continue to accrue.

Section 2.11. Extension of Commitment Termination Date. At least sixty (60) days and no more than two hundred and ten (210) days prior to the Commitment Termination Date, the City may make a request to the Lender, upon written notice, to extend the Commitment Termination Date. Not more than thirty (30) days from the date on which the Lender receives any such notice from the City pursuant to the preceding sentence, the Lender shall notify the City of the initial consent or nonconsent of the Lender to such extension request, which consent shall be given at the sole and absolute discretion of the Lender. If the Lender consents to such extension request, the Lender shall deliver to the City written notice of the Lender's election to extend Commitment Termination Date. Failure of the Lender to respond to a request for extension of the Commitment Termination Date constitutes denial of such extension.

Section 2.12. Maximum Rate. If the rate of interest payable hereunder exceeds the Maximum Rate for any period for which interest is payable, then (a) interest at the Maximum Rate shall be due and payable with respect to such interest period, and (b) interest at the rate equal to the difference between (i) the rate of interest calculated in accordance with the terms hereof and (ii) the Maximum Rate (the "*Excess Interest*"), will be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Rate, at which time the City shall pay to the Lender, with respect to amounts then payable to the Lender that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Lender to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until the earlier of (i) the date of payment in full of all Obligations (other than Excess Interest which has not been recaptured) and on which this Agreement is no longer in effect, and (ii) the date on which all deferred Excess Interest is fully paid to the Lender.

ARTICLE III

TAXES, YIELD PROTECTION AND ILLEGALITY

Section 3.01. Taxes.

(a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.*

(i) Any and all payments by or on account of any Obligation of the City hereunder or under the Note shall to the extent permitted by applicable Laws be made free and clear of and without reduction or withholding for any Taxes. If any applicable Laws require the withholding or deducting of any Tax, such Tax shall be withheld or deducted in accordance with such Laws as determined by the City or the Lender, as the case may be, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If the City is required by any applicable Laws to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment, then (A) the City, as required by such Laws, shall withhold or make such deductions as

are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the City, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the City will be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the Lender, receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) *Payment of Other Taxes by the City.* Without limiting the provisions of subsection (a) above, the City shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Lender at its option to timely reimburse it for the payment of, any Other Taxes.

(c) *Tax Indemnifications.* (i) Without limiting the provisions of subsection (a) or (b) above, the City shall, and does hereby, indemnify the Lender, and shall make payment in respect thereof within thirty (30) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by the Lender or required to be withheld or deducted from a payment to the Lender, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the City by the Lender is conclusive absent manifest error.

(ii) Without limiting the provisions of subsection (a) or (b) above, the Lender shall, and does hereby, indemnify the City and shall make payment in respect thereof within ten (10) days after demand therefor, against any and all Taxes and any and all related losses, claims, liabilities, penalties, interest and expenses (including the reasonable fees, charges and disbursements of any counsel for the City) incurred by or asserted against the City by any Governmental Authority as a result of the failure by the Lender to deliver, or as a result of the inaccuracy, inadequacy or deficiency of, any documentation required to be delivered by the Lender to the City pursuant to subsection (e). The agreements in this clause (ii) survive any assignment of rights by, or the replacement of, the Lender, the termination of the Commitment and the repayment, satisfaction or discharge of all other Obligations.

(d) *Evidence of Payments.* Upon request by the City or the Lender, as the case may be, after any payment of Taxes by the City or by the Lender to a Governmental Authority as provided in this Section 3.01, the City shall deliver to the Lender or the Lender shall deliver to the City, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the City or the Lender, as the case may be.

(e) *Status of the Lender; Tax Documentation.* (i) If the Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under this

Agreement or the Note, the Lender shall deliver to the City, at the time or times reasonably requested by the City, such properly completed and executed documentation reasonably requested by the City as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Lender, if reasonably requested by the City, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the City as will enable the City to determine whether or not the Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject the Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Lender.

(ii) Without limiting the generality of the foregoing, the Lender shall deliver to the City (and from time to time thereafter upon the reasonable request of the City), executed originals of IRS Form W-9 certifying that the Lender is exempt from U.S. federal backup withholding tax.

(f) *Treatment of Certain Refunds.* If the Lender determines that it has received a refund of any Taxes as to which it has been indemnified by the City or with respect to which the City has paid additional amounts pursuant to this Section 3.01, it shall pay to the City an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the City under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by the Lender, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the City, upon the request of the Lender, agrees to repay the amount paid over to the City (plus any penalties, interest or other charges imposed by the relevant Governmental Authority, *provided*, that the City shall not be obligated to pay the Lender for any penalties, interest or expenses relating to Taxes or Other Taxes arising from the Lender's gross negligence or willful misconduct) to the Lender in the event the Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the Lender be required to pay any amount to the City pursuant to this subsection the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This subsection shall not be construed to require the Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the City or any other Person.

(g) *Survival.* Each party's obligations under this Section survive the repayment, satisfaction or discharge of all other Obligations.

Section 3.02. Increased Costs.

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with

or for the account of, or credit extended or participated in by, the Lender (except any reserve requirement contemplated by Section 3.02(e));

(ii) subject the Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on the Lender or the London interbank market any other condition, cost or expense affecting this Agreement, the Loans made by the Lender or participation therein;

and the result of any of the foregoing increases the cost to the Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest or any other amount) then, upon request of the Lender, the City will pay to the Lender, such additional amount or amounts as will compensate the Lender, for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If the Lender determines that any Change in Law affecting the Lender or any Lending Office of the Lender or the Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on the Lender's capital or on the capital of the Lender's holding company, if any, as a consequence of this Agreement, the Commitment or the Loans, to a level below that which the Lender or the Lender's holding company could have achieved but for such Change in Law (taking into consideration the Lender's policies and the policies of the Lender's holding company with respect to capital adequacy), then from time to time the City will pay to the Lender, as the case may be, such additional amount or amounts as will compensate Lender or the Lender's holding company for any such reduction suffered.

(c) All payments of amounts referred to in paragraphs (a) and (b) of this Section shall be due and payable, in full, by the date which is thirty-one (31) days following the City's receipt of notice. Interest on the sums due as described in paragraphs (a) and (b) of this Section, and in the preceding sentence, will begin to accrue at a rate per annum equal to (i) the Base Rate from the date which is thirty-one (31) days following the City's receipt of notice thereof to and including the date which is sixty (60) days following the City's receipt of notice thereof and (ii) the Default Rate from and including the date which is sixty-one (61) days following the City's receipt of notice thereof and at all times thereafter and shall otherwise be payable in accordance with Section 2.06 hereof. A certificate as to such increased cost, increased capital or reduction in return incurred by the Lender as a result of any event mentioned in paragraphs (a) or (b) of this Section setting forth, in reasonable detail, the basis for such calculation and the amount of such calculation shall be submitted by the Lender to the City and shall be deemed conclusive if reasonably determined. In making the determinations contemplated by the above referenced certificate, the Lender may make such reasonable estimates, assumptions, allocations and the like that the Lender in good faith determines to be appropriate; *provided* that the Lender

shall provide to the City such additional information in connection with such certificate as the City may reasonably request in writing.

(d) *Delay in Requests.* Failure or delay on the part of the Lender to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of the Lender's right to demand such compensation; *provided* that the City shall not be required to compensate the Lender pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that the Lender notifies the City of the Change in Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above will be extended to include the period of retroactive effect thereof).

(e) *Reserves on Eurodollar Rate Loans.* The City shall pay to the Lender, as long as the Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "*Eurocurrency liabilities*"), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by the Lender (as determined by the Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan, *provided* the City shall have received at least 30 days' prior notice of such additional interest from the Lender. If a Lender fails to give notice 30 days prior to the relevant Interest Payment Date, such additional interest shall be due and payable 30 days from receipt of such notice.

Section 3.03. Illegality. If the Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for the Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of the Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by the Lender to the City, any obligation of the Lender to make or continue Eurodollar Rate Loans or to convert Floating Rate Loans to Eurodollar Rate Loans shall be suspended, until the Lender notifies the City that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the City shall, upon demand from the Lender, prepay or, if applicable, convert all Eurodollar Rate Loans of the Lender to Floating Rate Loans, either on the last day of the Interest Period therefor, if the Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if the Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, the City shall also pay accrued interest on the amount so prepaid or converted. In the event of any such prepayment by the City, no amount shall be payable by the City to the Lender pursuant to Section 3.05 hereof.

Section 3.04. Inability to Determine Rates. If the Lender determines that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, (b) adequate

and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Floating Rate Loan, or (c) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to the Lender of funding the Loan, the Lender will promptly so notify the City. Thereafter, the obligation of the Lender to make or maintain Eurodollar Rate Loans shall be suspended, until the Lender revokes such notice. Upon receipt of such notice, the City may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Floating Rate Loans in the amount specified therein, and upon any such revocation or request for a Borrowing of Floating Rate Loans solely for the reasons specified in this Section 3.04, no amount shall be payable by the City to the Lender pursuant to Section 3.05 hereof.

Section 3.05. Compensation for Losses. Except as otherwise provided herein, upon demand of the Lender from time to time, the City shall promptly compensate the Lender for and hold the Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); or

(b) any failure by the City (for a reason other than the failure of the Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan on the date or in the amount notified by the City;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

For purposes of calculating amounts payable by the City to the Lender under this Section 3.05, the Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

Section 3.06. Survival; Limited Obligation. All of the City's and Lender's obligations under this Article III survive termination of the Commitment and repayment of all other Obligations hereunder. The City's payment obligations under this Article III are subject to Section 8.19 hereof.

Section 3.07. Information. In the event the Lender requests that the City make any payment pursuant to this Article III, such request shall be in writing and shall provide a written explanation of the amount due and owing.

ARTICLE IV

For purposes of determining compliance with the conditions specified in this Section 4.01, execution and release by the Lender of its signature pages to this Agreement shall be deemed conclusive evidence of the Lender's consent, approval, acceptance or satisfaction with, each document or other matter required hereunder to be consented to or approved by or be acceptable or satisfactory to the Lender.

Section 4.02. Conditions to All Borrowings. The obligation of the Lender to honor any Request for Borrowing is subject to the following conditions precedent:

(a) The representations and warranties of the City contained in Article V hereof, or which are contained in any document furnished by the City at any time under or in connection herewith or therewith, are true and correct on and as of the date of such Borrowing, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date, and except that for purposes of this Section 4.02, the representations and warranties contained in Section 5.12 will be deemed to refer to the most recent statements furnished pursuant to clause (b)(i) of Section 6.01.

(b) No Default or Event of Default exists hereunder and no event of default or termination event exists under any agreement or Swap Agreement secured by Net Revenues Available for Bonds, or would result from such proposed Borrowing or from the application of the proceeds thereof, other than with respect to any Water Swaps which will be terminated upon the application of the proceeds of the proposed Borrowing.

(c) The Lender has received a Request for Borrowing in accordance with the requirements hereof.

(d) After giving effect to any Loan, the amount of Total Outstandings does not exceed the Commitment.

(e) Such Borrowing does not violate any order, judgment or decree of any court or authority of competent jurisdiction or any provision of law as then in effect.

(f) The Lender shall have received, in form and substance satisfactory to it, such other assurances, certificates, documents or consents related to the foregoing as the Lender reasonably may require.

(g) From and after the date on which the City issues any additional Second Lien Bonds, it shall be a condition precedent to the City's ability to make additional

Borrowings that the Lender shall have provided its prior written consent to any such Borrowing.

Each Request for Borrowing submitted by the City will be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) have been satisfied on and as of the date of the applicable Borrowing.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

The City makes the following representations and warranties to the Lender:

Section 5.01. Due Authorization. The City has or had, at the applicable time, the full legal right, power and authority to (i) adopt the Ordinance, (ii) enter into, to execute and deliver this Agreement and the Note as provided herein and in the Ordinance, and (iii) own and operate the Water System and to carry on its business with respect thereto. The City has duly authorized and approved the execution and delivery of this Agreement and the Note.

Section 5.02. Enforceability. No further authorization or approval is required for the City's execution and delivery of this Agreement or the Note, and this Agreement and the Note constitute legal, valid and binding obligations of the City, enforceable in accordance with their respective terms, except as such enforcement may be limited by bankruptcy, reorganization, insolvency, moratorium or other laws relating to or affecting the enforcement of creditors' rights generally or by general principles of equity; and no further authorization or approval is required with respect to the enforceability of the City's obligations hereunder or thereunder.

Section 5.03. Ordinance. The City Council has duly adopted the Ordinance, which is in full force and effect. This Agreement and the Note have been duly authorized, executed and delivered by authorized officers of the City and are in full force and effect. In connection with the execution and delivery of this Agreement and the Note, the City has complied in all material respects with the Ordinance, the Constitution and the laws of the State.

Section 5.04. Priority. The Obligations (including the Note) constitute limited obligations of the City for the payment of principal of and interest on which moneys in the Line of Credit Notes Account will be applied as provided in the Ordinance and Section 8.20 hereof and will rank equally in right of payment by the City from Line of Credit Notes Revenues with all other Parity Debt as provided in the Ordinance.

Section 5.05. Consents. All approvals, consents registrations, declarations and filings (except, if any, under applicable state blue sky or securities laws) with, any federal, state or other governmental body or instrumentality, having jurisdiction which would constitute a condition precedent to the performance by the City of its obligations hereunder, under the Ordinance or the Note have been obtained or made.

Section 5.06. No Violation. The adoption of the Ordinance and compliance with the provisions thereof do not, and the execution and delivery of this Agreement and the Note do not and will not violate any existing law or administrative regulation of the State or of any department, division, agency or instrumentality thereof or of the United States, or any court or administrative regulation, judgment, decree or order to which the City is subject, or conflict with in a material manner or constitute on the part of the City a material breach of, or a material default under, any material provision of any agreement, indenture, mortgage, lease, note, ordinance, resolution, agreement or other instrument to which the City is subject or by which it is bound.

Section 5.07. Litigation. Except as otherwise previously disclosed in writing to the Lender, no action, suit or proceeding, at law or in equity, or before any court, public board or body is pending (or to the knowledge of the City threatened) against the City or any officers of the City in their respective capacities as such (i) to restrain or enjoin the delivery by the City of this Agreement or the Note, or (ii) questioning the authority of the City to have adopted the Ordinance or to have issued the Note, or the validity of the Note, this Agreement or any other Revenues Secured Debt of the City or (iii) questioning the constitutionality of any statute or the validity of any proceeding that authorized the issuance of the Note or this Agreement, or (iv) questioning the collection or deposit or proposed collection or deposit of any material portion of the Net Revenues Available for Bonds, or (v) which could reasonably be expected to have a Material Adverse Effect.

Section 5.08. Security; No Prior Lien. The Ordinance creates, for the benefit and security of the Obligations (including the Note), a legally valid, binding and irrevocable lien on and pledge of the Line of Credit Notes Revenues. The lien securing the payment of the Obligations (including the Note) is subordinate only to the lien securing the payment of the Senior Lien Bonds, the Second Lien Bonds and the Subordinate Lien Obligations and ranks on a parity with all other Parity Debt. The moneys to be deposited in the 2015 Line Subaccount and the Line of Credit Notes Account have not been, and will not be, pledged by the City to the payment of any obligation, other than the Obligations, and upon transfer to the 2015 Line Subaccount, such moneys will not be subject to any prior claim or prior lien.

Section 5.09. Revenue Pledge. The moneys pledged pursuant to the Ordinance for payment of the Obligations have not been, and will not be, pledged by the City to the payment of any other obligation, except as contemplated and permitted by the Ordinance.

Section 5.10. Validity of Lien. The Lien granted under the Ordinance on the Line of Credit Notes Revenues on deposit in the Line of Credit Notes Account and the 2015 Line Subaccount is a valid and enforceable Lien securing payment of the Note and the Obligations. No filing, registering, recording of the Ordinance or any other instrument is required to establish the pledge or perfect, protect or maintain such Lien.

Section 5.11. Organization. The City is a municipal corporation and "home rule unit" as that term is defined in Section 6 of Article VII of the 1970 Constitution of the State.

Section 5.12. Financial Statements. The 2014 Water Fund CAFR fairly presents the financial position and results of operation of the Water Fund as of December 31, 2014, and has been prepared in accordance with Generally Accepted Accounting Principles as consistently applied to governmental units, except as otherwise noted therein. Except as otherwise previously disclosed in writing to the Lender, to the best knowledge of the Chief Financial Officer, no material adverse change in the financial position of the Water Fund as shown on the 2014 Water Fund CAFR has occurred since December 31, 2014.

Section 5.13. Complete and Correct Information. Neither this Agreement nor any other certificate, report, statement or other document or information furnished to the Lender, with respect to the City in connection therewith or with the consummation of the transactions contemplated hereby, contains any material misstatement of fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading in any material respect. As of the Effective Date, there is no non-disclosed fact known that could reasonably be expected to have a Material Adverse Effect that has not been reflected in the 2014 Water Fund CAFR.

Section 5.14. Absence of Default. The City is not in default under any material provision of the Ordinance, the Senior Lien Bonds, the Second Lien Bonds, the ordinances and trust indentures authorizing and securing the Senior Lien Bonds and Second Lien Bonds, or any other document or agreement evidencing Revenues Secured Debt or secured by Net Revenues Available for Bonds. The City is not in default under any material agreements or instruments relating to the Water System to the extent such default could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred or is continuing hereunder.

Section 5.15. Liens. Net Revenues Available for Bonds have not been pledged by the City to the payment of any other obligation, except Senior Lien Bonds, Second Lien Bonds, Subordinate Lien Obligations, Short Term Obligations and Parity Debt. The Note and the Obligations are secured on a parity with all other Parity Debt. As of the Effective Date, the only outstanding Short-Term Obligation is the Note.

Section 5.16. No Existing Revenues Secured Debt Subject to Acceleration. As of the Effective Date, no Person, including, without limitation, any credit facility provider or liquidity provider, either of which provides credit enhancement or liquidity support to any Revenues Secured Debt, or any holder of Revenues Secured Debt, has a right under any indenture, or supplemental indenture relating to any such Revenues Secured Debt or under any other document or agreement relating to any Revenues Secured Debt, to direct the trustee to cause a mandatory acceleration of such Revenues Secured Debt, or to otherwise declare the principal of and interest on any Revenues Secured Debt to be immediately due and payable, prior to its maturity, other than the 2000 Second Lien Bonds and the Series 2004 Second Lien Bonds.

Section 5.17. Environmental Laws. Except as otherwise previously disclosed in writing to the Lender, the City has not received notice to the effect that the operations of the Water System are not in compliance with any Environmental Laws or are the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a

release of any toxic or hazardous waste or substance into the environment, which non-compliance or remedial action would reasonably be expected to have a Material Adverse Effect.

Section 5.18. No Proposed Legal Changes. Except as otherwise previously disclosed in writing to the Lender, there is no amendment, or to the knowledge of the City, proposed amendment certified for placement on a statewide ballot, to the Constitution or any published administrative interpretation of the Constitution or any State law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which could reasonably be expected to have a Material Adverse Effect.

Section 5.19. Usury. The Note does not provide for any payments that would violate any applicable State law regarding permissible maximum rates of interest.

Section 5.20. Margin Stock. The City is not engaged in the business of extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of the Loans will be used to purchase or carry any such Margin Stock or extend credit to others for the purpose of purchasing or carrying any such Margin Stock.

Section 5.21. OFAC Sanctions. To the actual knowledge of the Chief Financial Officer, the City (i) is in compliance with the requirements of all OFAC Sanctions Programs to the extent applicable to the City, and (ii) neither the City nor the Water System is, as of the date hereof, named on the current OFAC SDN List.

Loans in an aggregate principal amount of \$85,665,000 as of December 31, 2014.

Section 5.23. Other Subaccounts. As of the Effective Date, the City has not established any subaccounts within the Line of Credit Notes Account other than the 2015 Line Subaccount.

Section 8.03. No Waiver; Cumulative Remedies; Enforcement. No failure by the Lender to exercise, and no delay by the Lender in exercising, any right, remedy, power or privilege hereunder or under, the Note or the Ordinance will operate as a waiver thereof; nor will any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under the Note and the Ordinance, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 8.04. Costs and Expenses; Damage Waiver. (a) The City shall pay (i) promptly after closing and upon receipt of an invoice, all reasonable out-of-pocket expenses incurred by the Lender (including the reasonable fees, charges and disbursements of counsel for the Lender), in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the Note or any amendments, modifications or waivers of the provisions hereof or thereof, and (ii) all out-of-pocket expenses incurred by the Lender (including the fees, charges and disbursements of any counsel for the Lender), and shall pay all fees and time charges for attorneys who may be employees of the Lender, in connection with the enforcement or protection of its rights (A) in connection with this Agreement, the Note and the Ordinance, including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(c) *Certain Pledges.* The Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under the Note) to secure obligations of the Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.
