Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees. Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Housing and Economic Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation

4. This Plan of Development consists of sixteen (16) Statements: a Bulk Regulations Table; an Existing Land-Use Map; an Existing Zoning Map; a Planned Development Boundary and Property Line Map; a Site/Landscape Plan; a Green Roof Plan and Building Elevations submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Housing and Economic Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential Business Planned Development: Residential Dwelling Units; Retail and Office Uses; Wireless Communications Facilities; and accessory uses.

6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Housing and Economic Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a Net Site Area of 42,840 square feet and a base FAR of 5.0.

9. The Applicant acknowledges and agrees that the rezoning of the Property from C1-3 and B3-3 to a B2-5, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project as affordable units (the "Affordable Units"), or provide the Affordable Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Affordable Units; or (iii) any combination of (i) and (ii); provided, however, in higher income areas, residential housing projects with 20 or more units must provide a minimum of 25% of the Affordable Units on-site or off-site (the "Required Units"). If the developer elects to provide Affordable Units off-site, the off-site Affordable Units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. This Planned Development is located in a "higher income area" within the meaning of the ARO and permits the construction of 240 housing units. As a result, the number of Affordable Units is twenty-four (24) and the number of Required Units is six (6), calculated as follows: $240 \text{ housing units} \times 10\% = 24 \text{ Affordable Units}$ and $240 \text{ housing units} \times 25\% = 60 \text{ Required Units}$. The Applicant has submitted, and the Department of Planning and Development ("DPD") has approved, a proposal to build the six Required Units on-site, pay the fee in-lieu for the balance of the ARO units, and provide an additional six ARO units on-site, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [____]. The Applicant agrees that the Affordable Units must be affordable to households earning no more than 60% of the median household income for the Chicago Primary Metropolitan Statistical Area ("AMI") in the case of rental units, and 100% of the AMI in the case of owner-occupied units. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance

of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(K)(2). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Commissioner of DPD may enforce remedies for any breach of this Statement [____], including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Housing and Economic Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The applicant has agreed to provide a 50% green roof over the net roof area and achieve Building Certification to comply with the City of Chicago's Sustainable Matrix.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Housing and Economic Development shall initiate a Zoning Map Amendment to rezone the property to a B2-5 Neighborhood Mixed-Use District.
