for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall seek LEED certification (or equivalent alternative certification, such as Energy Star) and provide a 50% net green roof equivalent to an actual total of approximately \_\_\_\_\_ square feet.
15. The Applicant acknowledges and agrees that the rezoning of the Property from the B1-2 Neighborhood Shopping District to C2-5 Motor Vehicle-Related District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the "Required Units") as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or, with the Commissioner's approval, off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in a higher income area. The Property is located in a "higher income area" within the meaning of the ARO, and the Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 per unit ("Cash Payment") and/or providing 66 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [\_\_\_\_]. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the C2-5 Motor Vehicle-Related District.

**Re: Application for Residential-Business Planned Development  
Broadway 5050 LLC**

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents Broadway 5050 LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development amendment, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately June 15, 2016, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

**FIRST CLASS MAIL**

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about June 15, 2016, the undersigned, on behalf of Broadway 5050 LLC (the "Applicant"), intends to file an application to rezone the property located at 5036-5066 North Broadway; 1201-1213 West Carmen Avenue; 5047-5065 North Broadway; 5077-5085 North Broadway and 1125-1145 West Winona Street, Chicago, IL from the C2-5 Motor Vehicle-Related Commercial District and the B1-2 Neighborhood Shopping District to a unified C2-5 Motor Vehicle-Related Commercial District then to a Residential-Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently used for commercial and parking purposes. The application requests a rezoning of the subject property from the C2-5 Motor Vehicle-Related Commercial District and the B1-2 Neighborhood Shopping District to a unified C2-5 Motor Vehicle-Related Commercial District then to a Residential-Business Planned Development in order to allow for the re-use of the existing 11- and 6-story commercial building on the west side of Broadway and construction of a new +/- 90'6" residential building on the east side of Broadway containing an overall FAR of 5.0, up to 710 overall dwelling units, accessory parking, commercial uses on the ground floor, and accessory and incidental uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed Planned Development.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant owns the subject property as tenants-in-common with Aberdeen 327 – Broadway LLC, Fulton 1144 – Broadway LLC, Fulton West Loop Cedar – Broadway LLC, Central Park Cliff – Broadway LLC, Broadway 5050 Partners LLC and R-CP Cliff – Broadway LLC. The Applicant and other property owners' address is 1025 W. Sunnyside Avenue, Chicago, Illinois 60640.

Please contact me at 312-368-3493 with questions or to obtain additional information.

Very truly yours,

DLA Piper LLP (US)
