ZONING AMENDMENT APPLICATION

PROJECT NARRATIVE

Integrity 3, LLC, an Illinois limited liability company (“**Integrity**”) is the owner of the multi-family residential property situated at 6726 N. Glenwood Avenue, Chicago, Illinois (the “**Property**”).

The Property is older than 50-years, currently zoned RS2, legally non-confirming, and contains 37 dwelling units. Integrity, in partnership with Housing Plus, a not-for-profit corporation who has a public interest in working with landlords to convert vacant space into affordable housing, intends to add one (1) ADA compliant dwelling unit within the building’s existing structure. Pursuant to a deceleration to be recorded against the land, this unit shall only be leased to tenants whose household income is no more than 60% of the Area Median Income, as recognized by the City of Chicago.

Under the Property’s current zoning, Integrity cannot add this unit, and is thus seeking to rezone the property to RM6 to accommodate a floor area ratio of 2.4 and a minimum lot area per unit of 165. Such accommodation can only be achieved under the RM6 zoning classification. The project will not modify the building’s land use, floor area ratio, density, setbacks, or building height. The project does not include the addition of any parking as the Chicago Zoning Ordinance states that no parking requirements are triggered when increasing a building’s dwelling count by less than two (2) units when such building is more than 50-years old. 17-10-0101-B(2)(a).
