NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

The purpose of the land write-down is to facilitate the construction of the Project. The Developer acknowledges and agrees that the City has only agreed to provide the land write-down because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, the use restrictions set forth in Section 13.

2.2 Earnest Money. [INTENTIONALLY OMITTED]

2.3 Performance Deposit. [INTENTIONALLY OMITTED]

SECTION 3. CLOSING.

The closing of the transfer of the City Property to the Developer (the "Closing") shall take place at the downtown offices of _____ (the "Title Company") within fourteen (14) days after the Developer has satisfied all conditions precedent set forth in Section 8 hereof, unless the Department, in its sole discretion, waives such conditions (the "Closing Date"); provided, however, in no event shall the Closing Date occur any later than June 30, 2017 (the "Outside Closing Date"), unless at the Developer's request, the Department, in its sole discretion, extends such Outside Closing Date. On or before the Closing Date, the City shall deliver to the Title Company the Deed (as defined below); (b) all necessary state, county and municipal real estate transfer declarations, an ALTA statement; and (c) possession of the City Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the City Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and, without limiting the

quitclaim nature of the Deed, to the following:

- (a) the Plan for the Area;
- (b) the standard exceptions in an ALTA title insurance policy;
- (c) general real estate taxes and any special assessments or other taxes;
- (d) all easements, encroachments, covenants and restrictions of record and not shown of record;
- (e) such other title defects that may exist; and
- (f) any and all exceptions caused by the acts of the Developer or its agents.

4.2 Recording Costs. At the Closing, the Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the City Property to the Developer. This Agreement shall be recorded prior to any mortgage approved pursuant to Section 7. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number.

4.3 Escrow. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

4.4 Reconveyance Deed. On the Closing Date, the Developer shall execute and deliver a Reconveyance Deed (as defined in Section 8.12) to the City to be held in trust. The Developer acknowledges and agrees that the City shall have the right to record the Reconveyance Deed and revest title to the City Property and all improvements thereon in the City in accordance with Section 18 hereof.

SECTION 5. TITLE, SURVEY AND REAL ESTATE TAXES.

5.1 Title Insurance. Not less than fourteen (14) days before the anticipated Closing Date, the Developer shall obtain a commitment for an owner's policy of title insurance for the City Property issued by the Title Company. The Developer shall be solely responsible for and shall pay all costs associated with updating the title commitment (including all search, continuation and later-date fees), and obtaining a title insurance policy and such endorsements as it deems necessary or that the Corporation Counsel shall request, including, but not limited to, an owner's comprehensive endorsement and satisfactory endorsements regarding contiguity, location, access, and survey. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the City Property.

5.2 Survey. The Developer shall obtain, at the Developer's expense, a plat of survey of the City Property, acceptable in form and content to the City and the Title Company, prepared by a surveyor registered in the State of Illinois, certified to the City and the Title Company, and indicating whether the City Property is in a flood hazard area as identified by the United States Federal Emergency Management Agency ("Survey"), and deliver a copy of the Survey to the City not less than fourteen (14) days before the Closing

5.3 Correction of Title. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the City Property or liens for such unpaid property taxes, the City shall ask the County to void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Property is encumbered with any other exceptions that would adversely affect the use and insurability of the City Property for the development of the Project, the Developer shall have the option to (a) accept title to the City Property subject to the exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer does not elect to terminate this Agreement as aforesaid, then the Developer shall be deemed to have accepted title subject to all exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and other approvals, including, without limitation, zoning approval (collectively, the "Governmental Approvals") necessary for the Project, prior to the Closing Date, unless the Department, in its sole discretion, agrees to waive such requirement.

SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be \$2,397,087 (the "Preliminary Project Budget"). The Developer hereby certifies to the City that the Preliminary Project Budget attached hereto as Exhibit B is true, correct and complete in all material respects. Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the Department for approval: (a) a final budget for the Project which is materially consistent with the Preliminary Project Budget (the "Final Project Budget"); and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the Department in its sole discretion (the "Proof of Financing"). The Proof of Financing shall include binding commitment letters from the Developer's construction lenders, if any, and evidence of the Developer's ability to make an equity contribution in the amount of any gap in financing.

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following conditions being satisfied at least fourteen (14) days prior to the Closing Date, or by such other date as may be specified below, unless waived or extended in writing by the Department in its sole discretion:

8.1 Final Governmental Approvals. The Developer shall have delivered to the City evidence of its receipt of all Governmental Approvals necessary to construct the Project.

With respect to property insurance, the City will accept either a 2003 ACORD 28 form, or a 2006 ACORD 28 form with a policy endorsement showing the City as a loss payee. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the policy showing the City as an additional insured.

8.5 Legal Opinion. The Developer shall have delivered to the Department a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. Such opinion shall be in form and substance reasonably acceptable to the City's Corporation Counsel.

8.6 Due Diligence. The Developer and the Affiliate have submitted to the Corporation Counsel the following due diligence searches in their names and the names of their parent companies, if applicable, showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel:

- (a) Bankruptcy Search, U. S. Bankruptcy Court for the N.D. Illinois;
- (b) Pending Suits and Judgments, U. S. District Court for the N.D. Illinois;

8.7 Organization and Authority Documents. The Developer shall have delivered to the City certified articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; the Developer's operating agreement; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by

8.8 Subordination Agreement. The Developer shall have delivered to the Department a subordination agreement in a form reasonably acceptable to the Corporation Counsel (the "Subordination Agreement"), in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land. The Subordination Agreement shall be recorded prior to any mortgage approved pursuant to Section 7.

8.9 MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall have met with staff from the Department regarding compliance with the MBE/WBE, city residency hiring, and other requirements set forth in Section 22, and the Department shall have approved the Developer's compliance plan in accordance with Section 22.4.

No material deviation from the Plans may be made without the prior written approval of the Department. The Plans shall at all times conform to all applicable Laws

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

9.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues the final Certificate of Completion, any authorized representative of the City shall have access to the relevant portions of the Project and the City Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, the Waste Sections (as defined in Section 29) of the Municipal Code of Chicago (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect and maintain such signs as the City may reasonably require identifying the site as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the City Property and the Project in the City's promotional literature and communications. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades and all signage. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the City Property.

9.5 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and cause the general contractor and each subcontractor to abide by the terms set forth in Section 22.2 (City Resident Construction Worker Employment Requirement) and Section 22.3 (MBE/WBE Commitment) of this Agreement. The Developer shall deliver to the Department written progress reports detailing compliance with such requirements on a quarterly basis. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to Department which shall outline, to Department's satisfaction, the manner in which the Developer shall correct any shortfall.

SECTION 10. LIMITED APPLICABILITY.

Any approval given by Department pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the City Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Property or any part thereof.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all necessary Governmental Approvals, the Developer shall commence construction of the Project no later than three (3) months after the Closing Date, and shall complete the Project (as evidenced by a final Certificate of Completion) no later than twenty-four (24) months after the construction commencement date; provided, however, the Department, in its sole discretion, may extend the construction commencement and completion dates for good cause shown but in no event more than five (5) years after the adoption of the ordinance for the Project. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with this Agreement, the Working Drawings and Specifications, the Final Project Budget, and all applicable Laws and covenants and restrictions of record.

SECTION 12. CERTIFICATE OF COMPLETION.

12.1 Prior to the sale of each Home and the Side Yard, the Developer shall deliver to the Department a notice of closing ("Notice of Closing") in substantially the form attached hereto as **Exhibit D**. In the case of the Homes, the Notice of Closing must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as **Exhibit E**. Within forty-five (45) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the Department shall determine whether the Developer has satisfied the requirements set forth in Section 12.2, and shall thereafter deliver to the Developer either a Certificate of Completion for the Home or Side Yard, as applicable ("Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the Home or Side Yard, as applicable, in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response.

12.2 A Certificate of Completion will not be issued for any Home or the Side Yard until the following requirements have been satisfied:

(a) The Home is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and the Developer has received a Certificate of Occupancy or other evidence acceptable to the Department that the Home is in full compliance with all building permit requirements.

(b) With respect to each Home, the Developer has obtained a Final NFR Letter covering the City Property to be conveyed.

(c) With respect to the Side Yard, the Developer has obtained a Final NFR Letter covering City Parcel 2 and the Private Parcel.

(d) The Department's Monitoring and Compliance Unit has verified in writing that the Developer is in full compliance with all City requirements set forth in Section 22.2 (City Resident Construction Worker Employment Requirement) and Section 22.3 (MBE/WBE Commitment) with respect to the Project.

(e) There exists neither an Event of Default nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Home and remediate the City Property. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Home and the remediation of the City Property, and shall not serve as any "guaranty" as to the quality of the construction or remediation. Nor shall the Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement

SECTION 13. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the Plans, this Agreement and all applicable Laws.

13.2 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the City Property or any part thereof, except as permitted by applicable law.

13.3 The Developer shall devote the City Property to a use consistent with the Plan.

13.4 The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter for the City Property

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 13 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Plan.

SECTION 14. PROHIBITION AGAINST TRANSFER OF CITY PROPERTY.

14.1 Restriction on Transfer Prior to Issuance of Certificate of Completion. Prior to the issuance of the final Certificate of Completion for the Project, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of the City Property or the Project or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the final Certificate of Completion for the Project to anyone other than another principal party, without the prior written consent of the Department, which consent shall be in the Department's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 14 shall not prohibit the Developer from contracting to sell or from selling individual Homes or the Side Yard in the ordinary course of development, provided the Developer has received a Certificate of Completion in accordance with Section 12. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the City Property, the Developer shall deliver to the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to the City's anti-scofflaw requirement).

14.2 Limits on Developer Actions Prior to Issuance of Final Certificate of Completion. Prior to the issuance of the final Certificate of Completion for the Project, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) be a party to any merger, liquidation or consolidation; (b) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets; (c) enter into any transaction outside the ordinary course of Developer's business that would materially adversely affect the ability of the Developer to complete the Project; (d) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (e) enter into any transaction that would cause a material and detrimental change to Developer's financial condition.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF CITY PROPERTY.

Prior to the issuance of the final Certificate of Completion for the Project, the Developer shall not, without the Department's prior written consent, which shall be in the Department's sole discretion, engage in any financing or other transaction which would create an encumbrance or

lien on the City Property, except for the construction financing approved pursuant to Section 7 hereof.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at the Closing, shall execute a Subordination Agreement (as defined in Section 8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the City Property (or any portion thereof) prior to the issuance of the final Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the City Property (or any portion thereof) to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The Developer agrees, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of City Property), Section 15 (Limitation Upon Encumbrance of City Property), and Section 21.5 (Release for Environmental Conditions) touch and concern and shall be appurtenant to and shall run with the City Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Section 11, Section 13.1, and Section 14 upon the issuance of the final Certificate of Completion for the Project; Section 13.2 and Section 21.5 with no limitation as to time; Section 13.3 upon the expiration of the Plan, as such expiration may be amended from time to time in accordance with and pursuant to applicable law; and Section 13.4 in accordance with the terms of the Final NFR Letter.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any other agreement entered into with the City with respect to this Project; or

(b) the making or furnishing by the Developer of any warranty, representation, statement or certification to the City (whether in this Agreement, an

Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect; or

(c) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the City Property, or the making or any attempt to make any levy, seizure or attachment thereof; or

(d) the entry of any judgment or order against the Developer which is related to the City Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution; or

(e) the commencement of any proceedings in bankruptcy by or against the Developer for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings; or

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof; or

(g) the occurrence of an event of default under any mortgage lien affecting the City Property, which default is not cured within any applicable cure period; or

(h) the dissolution of the Developer; or

(i) a change in the Developer's financial condition or operations that would materially and adversely affect the Developer's ability to complete the Project.

18.3 Cure. Except as provided in Section 32.7 (Force Majeure), if the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have forty-five (45) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the City Project) (the "Cure Period"). If the Developer does not cure such default within the Cure Period, then the City shall have available all remedies set forth in this Agreement. Notwithstanding the foregoing or any other provision of this Agreement to the contrary

(a) there shall be no notice requirement and no Cure Period with respect to Events of Default described in Section 3 (with respect to Outside Closing Date); and

(b) there shall be no notice requirement and no Cure Period with respect to Events of Default described in Section 11 (Commencement and Completion of Project), Section 14 (Prohibition Against Transfer of City Property) Section 15 (Limitation Upon Encumbrance of City Property), and Section 27.5 (Prohibition on Certain Contributions Pursuant to Mayoral Executive Order No. 2011-4).

18.4 Prior to Conveyance. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 18.3, the City may terminate this Agreement and institute any action or proceeding at law or in equity against the Developer.

18.5 After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the final Certificate of Completion, and the default is not cured in the time period provided for in Section 18.3, the City shall have the right, in its sole and absolute discretion, to terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to re-enter and take possession of the City Property, terminate the estate conveyed to the Developer, and record the Reconveyance Deed for the purpose of reverting title to the City Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the City records the Reconveyance Deed, the Developer shall be responsible for all real estate taxes and assessments which accrued during the Developer's period of ownership, and shall cause the release of all liens or encumbrances placed on the City Property during the Developer's period of ownership. The Developer agrees to cooperate with the City to ensure that the Reconveyance Deed is effective for purposes of transferring title to the City Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the City Property to the Developer. Notwithstanding anything contained herein to the contrary, the City's Right of Reverter shall terminate on the date on which the City issues the final Certificate of Completion.

18.6 Resale of the City Property. Upon the reverting in the City of title to the City Property as provided in Section 18.5, the City may complete the Project or convey the City Property, subject to any mortgage lien authorized by this Agreement, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to the Department, and otherwise comply with the covenants that run with the land as specified in Section 17.

18.7 Disposition of Resale Proceeds. If the City sells the City Property as provided for in Section 18.6, the net proceeds from the sale, after payment of all amounts owed under any mortgage lien authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Property (less any income derived by the City from the City Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the City Property.

18.8 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the City Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (a) an Event of Default under this Agreement; (b) the failure of the Developer or its agents or affiliates to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (c) any misrepresentation or omission made by the Developer or its agents or affiliates relating to this Agreement; and (d) any activity undertaken by the Developer or its agents or affiliates on the City Property or relating to this Agreement prior to or after the Closing, including but not limited to, conducting environmental tests; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are caused by the City or its agents. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

"Draft NFR Letter" means a draft comprehensive "No Further Remediation" letter issued by the IEPA for the City Property and the Private Parcel based on the IEPA's TACO Tier 1 residential remediation objectives, as amended or supplemented from time to time. 21.2 "AS IS" SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE CITY PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT,

REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED ABOVE) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

21.3 Environmental Due Diligence. The Developer represents and warrants to the City that it has performed a Phase I and other environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement. The City's Department of Fleet and Facilities Management ("2FM") shall have the right to review and approve the sufficiency of the Phase I and any Phase II or other follow-up reports. Upon 2FM's request, the Developer shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project, including, without limitation, updating or expanding the Phase I and performing initial or additional Phase II testing.

21.4 Environmental Remediation.

(a) The Developer acknowledges and agrees that the environmental assessment of the City Property disclosed the presence of contaminants exceeding residential remediation objectives on the City Property. Prior to Closing, the Developer shall enroll the City Property and the Private Parcel (or the applicable portions thereof) in the IEPA's SRP Program and take all necessary and proper steps to obtain a Draft NFR Letter for such property. The Developer acknowledges and agrees that it may not close and commence construction on the City Property until the IEPA issues, and 2FM approves, a Draft NFR Letter for the City Property and the Private Parcel.

(b) After 2FM approves the Draft NFR Letter for the City Property and the Private Parcel, the Developer covenants and agrees to complete the Remediation Work and diligently pursue the Final NFR Letter for the City Property and the Private Parcel using all reasonable means. The City shall have the right to review in advance and approve all SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for any Home or the Side Yard until the IEPA has issued, and the City has approved, a Final NFR Letter for the property to be conveyed, which approval shall not be unreasonably withheld.

21.5 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the Indemnitees from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Property or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnitees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

21.6 Release Runs with the City Property. The covenant of release in Section 21.5 above shall run with the City Property, and shall be binding upon all successors and assigns of the Developer with respect to the City Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer arise or be alleged to arise in connection with any environmental, soil or other condition of the City Property, the Developer shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.5 contains a full, complete and final release of all such claims.

21.7 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the City Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the City Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours

performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of

demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs, as set forth in **Exhibit F** (the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned

business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the City Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the City Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which

could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the City Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 25. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 26. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be

deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 27. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

27.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between the Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

27.2 The Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

27.3 The Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

27.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

27.5 The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

27.6 If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

27.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 28. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 29. COMPLIANCE WITH WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer, its general contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of the Department. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This Section does not limit the duty of the Developer, the general contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 30. 2014 CITY HIRING PLAN.

30.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

30.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are

the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 32. MISCELLANEOUS.

The following general provisions govern this Agreement:

32.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

32.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

32.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

32.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

32.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

32.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

32.7 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of contractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

32.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

32.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.
