Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and Sub-Area B-1 project has a total of 300 units. As a result, the Applicant's affordable housing obligation is 30 affordable units (10%

of 300 rounded up/down), 8 of which are Required Units (25% of 30, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 per unit (Cash Payment) and/or providing 8 affordable units in the rental/for sale building to be constructed in the PD and/or 8 affordable units in an off-site building located at TBD and/or entering into an agreement with the Chicago Housing Authority (CHA) to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. The applicant acknowledges the importance of the CTA Blue Line Station located near the Property and also acknowledges the City's goals of encouraging convenient access to public transportation. Accordingly, the applicant agrees to cooperate with the City and adjacent land owners to permit pedestrian access from the CTA Station to the Property.
18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance and shall comply with by the development of either Sub-Area B-1 or B-2. Should this Planned Development ordinance lapse as to Sub-Area B, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the Property to Planned Development Number 44, as approved by the City Council on December 10, 2014

Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and Sub-Area B-1 project has a total of 300 units. As a result, the Applicant's affordable housing obligation is 30 affordable units (10%

of 300 rounded up/down), 8 of which are Required Units (25% of 30, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 per unit (Cash Payment) and/or providing 8 affordable units in the rental/for sale building to be constructed in the PD and/or 8 affordable units in an off-site building located at TBD and/or entering into an agreement with the Chicago Housing Authority (CHA) to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. The applicant acknowledges the importance of the CTA Blue Line Station located near the Property and also acknowledges the City's goals of encouraging convenient access to public transportation. Accordingly, the applicant agrees to cooperate with the City and adjacent land owners to permit pedestrian access from the CTA Station to the Property.
18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance and shall comply with by the development of either Sub-Area B-1 or B-2. Should this Planned Development ordinance lapse as to Sub-Area B, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the Property to Planned Development Number 44, as approved by the City Council on December 10, 2014
