OFFICE OF THE  
CITY CLERK

Strengthening neighborhoods—Increasing Affordability

2017 First Quarter  
Progress Report  
January - March

City of Chicago  
Rahm Emanuel, Mayor

## LETTER FROM THE COMMISSIONER

We are pleased to submit the 2017 First Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in the City's Five-Year Housing Plan. With this report we begin the fourth year of our plan, *Bouncing Back*, which covers the years 2014-18.

As we do at the beginning of each year, the Department is releasing estimates of housing production under our programs for all of 2017. This year we expect to deploy almost \$244 million to support nearly 7,700 units of housing through programs in the following three categories:

- *To Create and Preserve Affordable Rental Units:* \$204.5 million to assist 5,450 units
- *To Promote and Support Homeownership:* \$25.8 million to assist 434 units
- *To Improve and Preserve Homes:* \$13.3 million to assist 1,769 units

The Department's resources also include over \$3 million for other initiatives, including delegate agency programs that support our housing production efforts.

To help readers better understand the production tables included in these quarterly reports, we have included a user's guide to the Department's housing development and preservation programs. The user's guide breaks these programs down into the three categories noted above; it includes a brief description of each initiative along with information on funding sources and reporting methodologies.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. DPD also promotes economic development by helping existing businesses grow and attracting new industry to the city, and it coordinates all of our zoning, land use planning, sustainability and historic preservation initiatives.

The unprecedented budget impasse in Springfield, along with rising construction costs and the lingering effects of the housing market's 2007-8 collapse, continue to impact the affordable housing programs of our department—as well as our community partners who provide direct services in Chicago's neighborhoods. We at DPD could not succeed in our work without the ongoing support and cooperation of these valued partners, together with elected officials, state and federal agencies and other community stakeholders. Through these efforts, we will continue to move forward in creating and preserving affordable housing for the people of Chicago.

David L. Reifman  
Commissioner  
Department of Planning and Development

## INTRODUCTION

This document is the 2017 First Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Five-Year Housing Plan 2014-2018*.

For 2017, DPD is projecting commitments of almost \$244 million to assist nearly 7,700 units of housing.

During the first quarter of 2017, the Department committed almost \$43 million in funds to support over 3,700 units, which represents 49% of the 2017 unit goal and 17% of the resource allocation goal.

## CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2017, the Department of Planning and Development expects to commit almost \$205 million to support more than 5,400 units of affordable rental housing. DPD initiatives support new construction, rehab of abandoned or deteriorated properties and direct rental subsidies.

During the first quarter, DPD committed almost \$36 million in resources to support 3,106 units. These numbers represent 57% of the 2017 multi-family unit goal and 17% of the multi-family resource allocation goal:

The Department utilizes a variety of programs to support the creation and preservation of affordable rental housing. DPD's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

### User's Guide: Programs to Create and Preserve Affordable Rental Units

Program	Description	Funding Source(s)	Reporting Protocols (what gets counted and when)
<b>Low Income Housing Tax Credit Equity (LIHTC)</b>	Federal income tax credits to support construction or preservation of multi-family affordable housing.	Federal Low-Income Housing Tax Credit @ 9% rate	If a development is receiving other City assistance, such as a loan or City-owned land, then the financial commitments are reported at time of City Council approval. If no other City assistance is being provided, the equity is reported at time of allocation of Low Income Housing Tax Credits, which by itself does not require City Council approval. Financial commitment reported is the value of the equity generated by the LIHTCs.
<b>Multi-family Mortgage Revenue Bonds</b>	Provides bond financing for developers who build or rehabilitate large housing developments for low- and moderate-income renters; also generates private equity investment.	City tax-exempt bonding authority, with an automatic allocation of 4% Low Income Housing Tax Credits	Financial commitments are reported at time of City Council approval.
<b>Multi-family Loans</b>	Supports construction or rehab of developments to provide permanent affordable rental housing.	HOME, CDBG, Affordable Housing Opportunity Fund, TIF and/or Corporate	Financial commitments are reported at time of City Council approval. Loan funds may be used in conjunction with MAUI, LIHTCs, DTCs, TIF funds and/or revenue bonds.

Program	Description	Funding Source(s)	Reporting Protocols (what gets counted and when)
<b>Donation Tax Credits (DTC, also known as Illinois Affordable Housing Tax Credits)</b>	A \$0.50 State of Illinois income tax credit for every \$1 that is donated to an eligible affordable housing development. DPD allocates 24.5% of the amount of credits authorized by the State.	State of Illinois income tax credit	DPD reports the value of the donation and/or any equity generated by the sale of the tax credits. If the development is receiving other City assistance, such as a loan or City-owned land, then the financial commitments and units assisted are counted at time of City Council approval. If no other City assistance is being provided, the donation or equity and units assisted are counted at the time of reservation of the tax credits, which by itself does not require City Council approval
<b>City Land</b>	Donation of City-owned land for multi-family rental developments in exchange for long-term affordability. Donated land value can generate private equity through Donations Tax Credits.	N/A	Financial commitments are reported at time of City Council approval. Financial commitment is the value of the land write-down.
<b>Multi-year Affordability through Up-front Investments (MAUI)</b>	Provides up-front financing to developments in exchange for long-term affordability for units that serve households making no more than 30% of area median income.	State of Illinois Rental Subsidy Program, Downtown Density Bonus funds	Financial commitments are reported at time of Chicago Low Income Housing Trust Fund board approval.
<b>Low Income Housing Trust Fund Rental Subsidy Program</b>	Provides rental subsidies to landlords for tenants whose earnings do not exceed 30% of area median income (\$24,300 for a family of 4 in 2017).	State of Illinois Rental Subsidy Program and Corporate funds	Financial commitments and units assisted are counted after DPD has a signed agreement with the landlord. Payments to landlords are made quarterly, but the annual financial commitment for each unit is reported in the first quarter of each year. Because new landlord agreements are signed throughout the year, any net change in financial commitments and units assisted is reported quarterly.
<b>Affordable Requirements Ordinance (ARO)</b>	Per City ordinance, developments with more than 10 units receiving zoning changes (including planned developments in a downtown zoning district). City land or City financial assistance must make 10-20% of units affordable.	N/A	Financial commitments and units assisted are reported after payment of in-lieu fee and/or filing of affordable housing covenant securing construction of required affordable units.

Program	Description	Funding Source(s)	Reporting Protocols (what gets counted and when)
<b>Heat Receiver</b>	In cases where buildings do not have functional heat and/or hot water, the City can initiate a process to appoint a receiver to make necessary repairs and restore heat and hot water to tenants.	CDBG	Units are counted when they enter court-ordered receivership.
<b>Troubled Buildings Initiative – Multi-family</b>	With Community Investment Corporation (CIC), Department of Buildings, Department of Law and other City departments, DPD identifies problem buildings and designates receivers to manage deteriorating and troubled properties. CIC manages properties on an interim basis, assesses the scope of work needed to preserve buildings and makes loans to new owners for acquisition and rehab.	CDBG	Units are counted only once, when they are first classified under one of the following categories: under rehab, in receivership or recovered. Units are not counted again if their status changes. Financial commitment is recorded at receipt of invoices from CIC.

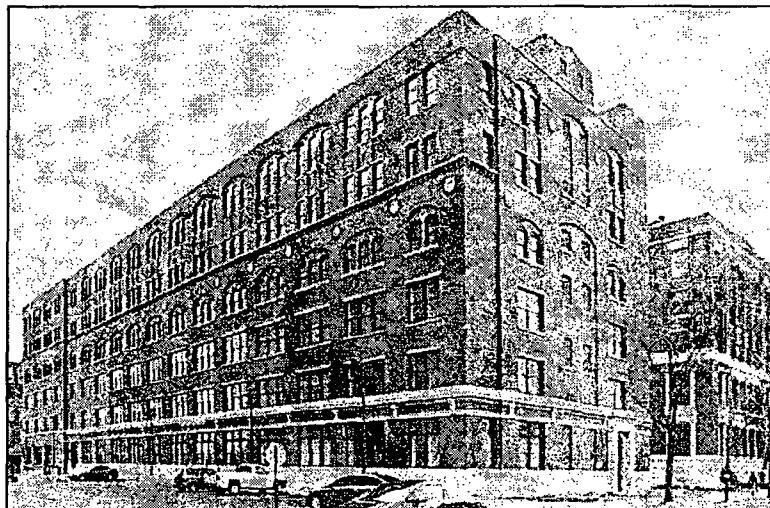

## Updates to Previously Reported Developments

### Sterling Park Apartments

On January 25 the City Council authorized the transfer of \$10 million in City bonding authority to the Chicago Housing Authority to complete the redevelopment of a vacant building on the former Sears headquarters campus in North Lawndale. The property, located at 3301 W. Arthington Street in the 24th Ward, is being converted by Mercy Housing Lakefront into 181 low-income rental apartments, including 66 units reserved for CHA tenants.

Financing for the **Sterling Park Apartments** project, as originally approved by the Council in October 2014, included the assignment of \$30 million of the City's bond volume cap to CHA. After the deal closed in July 2015, a number of unforeseen structural problems were discovered, including rotting floors and decking; brick deterioration; failed structural beams; and the presence of lead-based paint, mercury and asbestos hazards. To cover approximately \$10 million in unanticipated costs, the developer requested the City to cede additional tax-exempt bonding authority to CHA. The City will issue the 4% LIHTCs generated by the new bonds, and the project's permanent debt will not increase.

*Sterling Park Apartments will contain a mix of affordable one- through four-bedroom units in a former Sears headquarters building that has been vacant since 1999.*

## PROMOTION AND SUPPORT OF HOME OWNERSHIP

In 2017, the Department of Planning and Development expects to commit almost \$26 million to help over 400 households achieve or sustain homeownership. DPD initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties and financing programs for home purchase and rehabilitation.

During the first quarter, the Department committed over \$4 million to support 191 units. These numbers represent 44% of the 2017 homeownership unit goal and 17% of the homeownership resource allocation goal.

The Department utilizes a variety of programs to support and promote homeownership. DPD's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

## New Homes Planned for Former Industrial Site in Woodlawn

Seven single-family homes will be built on a former industrial property in Woodlawn through City land sales approved on January 25 by the City Council.

The \$2.7 million project will be developed on land once occupied by a commercial laundry and dry cleaner on the 1300 block of E. Marquette Road in the 5th Ward. Appraised at \$58,000, the four lots will be sold by the City for \$1 each to help defray an estimated \$240,000 in environmental remediation costs required to prepare the sites for construction.

The two-story, four-bedroom homes will be priced at \$389,900. The developer, Bloom on Marquette LLC, is expected to finish construction by the summer of 2018.

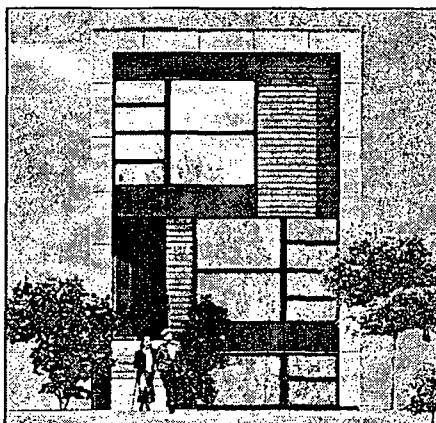

## **City Land Sales Kick Off Third Ward Parade of Homes**

Up to forty single-family residences will be built in Bronzeville through City-owned land sales approved by the City Council on March 29. The homes will be built under the Third Ward Parade of Homes initiative on scattered sites in the 3900 to 4500 blocks of S. Prairie, Calumet and Indiana Avenues. The program was announced by Mayor Emanuel and Alderman Pat Dowell on January 10. "The Parade of Homes will foster new residential development that, in turn, will support commercial development that's occurring throughout Bronzeville," Mayor Emanuel said.

To launch the initiative, five home builders were selected by the Chicago Department of Planning and Development through a Request for Qualifications (RFQ) process in late 2016. Each of these developers will construct a model home on the 4500 block of Prairie Avenue on City-owned lots conveyed for \$1 each. Following the construction and sales of these homes, additional lots will be sold to developers at half of their current appraised values.

The two-story residences will range in size from 3,200 to 4,000 square feet. The largest will contain five bedrooms and 3.5 baths. Sale prices will start at \$450,000.

In the past year, 31 construction permits have been issued for new single-family housing in the surrounding Grand Boulevard community. Over the last twenty years DPD has directly supported the creation of more than 1,500 units of affordable rental housing in the community, most recently the \$132 million rehabilitation of the historic Rosenwald Courts apartments.

*This sustainable, energy-efficient, five-bedroom design will be constructed at 4516 S. Prairie by Greenline Homes LLC in the first phase of the Third Ward Parade of Homes.*

In 2017, the Department of Planning and Development expects to commit over \$13 million to assist nearly 1,800 households repair, modify or improve their homes. DPD initiatives support emergency repairs, energy efficiency improvements and financing programs to help existing homeowners keep their homes.

During the first quarter, DPD committed more than \$2 million in resources to support over 400 units, achieving 24% of the 2017 improvement and preservation unit goal and 19% of the improvement and preservation resource allocation goal.

## POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

### **City to Fund Creation of 100 Supportive Housing Units Under Mayor's New “Housing Homeless Families” Initiative**

Housing Homeless Families is Mayor Emanuel's new joint initiative with the Chicago Coalition for the Homeless and its HomeWorks Campaign to address homelessness experienced by families in high-crime areas. Under the program, matching financial commitments from the Chicago Low Income Housing Trust Fund and the City's new surcharge on the house-sharing industry will enable the creation of 100 new supportive housing units for homeless families in the most at-risk communities.

Beginning this summer, the Chicago Department of Family and Support Services and the Coalition for the Homeless, along with lead project partner CSH (a respected national provider and operator of supportive housing), will launch the first phase of this effort to identify families who currently are homeless or have touched the homeless shelter system in recent months, with a focus on those with school-aged children. Once families are selected for the program, they will receive housing vouchers and will be matched to a service provider who can help them find housing and ensure a smooth transition. The second phase will involve placement of the eligible families into 100 new permanent supportive housing units that will be created through a \$1 million investment by the Trust Fund.

“Working with our partners at the Chicago Coalition for the Homeless on this new initiative, we will ensure that more families experiencing or on the verge of homelessness can find and maintain the housing and stability they need to thrive and provide for their children,” said Mayor Emanuel. Because families that are homeless have a significantly greater risk of becoming victims of violence, the program will focus on communities experiencing some of the city’s highest rates of violence, including Austin, Humboldt Park, Englewood and West Englewood.
