12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and

city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

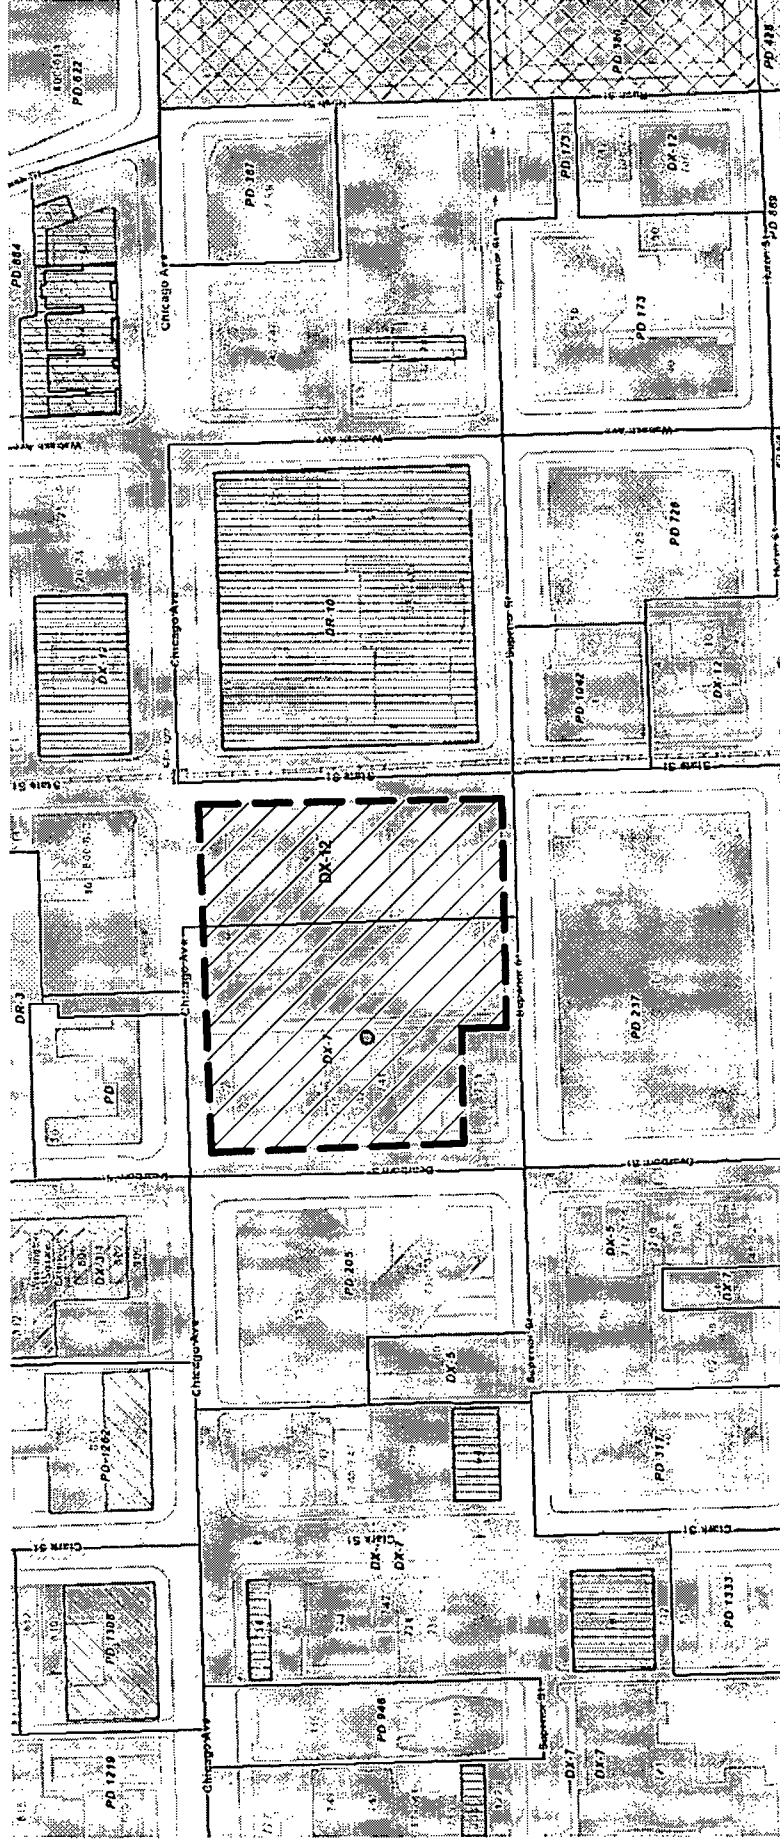

16. The Applicant acknowledges and agrees that the rezoning of the Property from the DX-7 Downtown Mixed-Use District to the DX-12 Downtown Mixed-Use District and then to this Planned Development (PD) triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a downtown district within the meaning of the ARO and the project has a total of 914 units. As a result, the Applicant's affordable housing obligation is 91 affordable units (10% of 914, rounded down), 23 of which are Required Units (25% of 91, rounded up). Applicant has agreed to satisfy its affordable housing obligation by providing 91 affordable units in an off-site building located at TBD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit _____. The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.
17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the DX-12 Downtown Mixed-Use District.

Dear Chairman Solis:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about October 5, 2017, the undersigned, on behalf of JDL Superior LLC (the "Applicant"), intends to file an application to rezone the property located at 2-24 W Superior / 733-755 N Dearborn / 1-35 W Chicago / 728-754 N State from the DX-7 and DX-12 Downtown Mixed-Use District to a unified DX-12 Downtown Mixed-Use District then to a Residential-Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently used for surface parking and commercial uses. The Applicant seeks a rezoning of the subject property from the DX-7 and DX-12 Downtown Mixed-Use District to a unified DX-12 Downtown Mixed-Use District then to a Residential-Business Planned Development to permit the construction of a mixed-use building containing up to 914 residential units, approximately 200,000 square feet of retail, 45,000 square feet of office and 659 parking spaces, together with accessory and incidental uses.

The proposed change of zoning does not apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the Cook County Assessor's records indicate that you own property within 250 feet of the development site.

I am an authorized representative of the Applicant and my address is 908 N Halsted, Chicago, IL 60642. The owner of the property located at 2-24 W Superior / 733-743 and 747-755 N Dearborn / 1-35 W Chicago / 728-754 N State is The Catholic Bishop of Chicago and its address is 835 N Rush Street, Chicago, IL 60611. The owner of the property located at 745 N Dearborn is V&K Holdings LLC and its address is 1812 N Waukegan Road, Glenview, IL 60026.
