FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

"Familial relationship" means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:

LEASE AGREEMENT

THIS LEASE AGREEMENT (hereinafter referred to as the "Lease") is made on January 13, 2014, by and between Mack Packaging Group, Inc., an Illinois corporation ("Landlord") and Kehoe Designs, Inc., an Illinois corporation ("Tenant").

WITNESSETH:

WHEREAS, Landlord is the owner of certain real property (the "Real Property") commonly known as 2555 South Leavitt Street, Chicago, Illinois and having approximately 234,500 square feet of office and warehouse space (the "Building"), upon which there have been constructed certain improvements (the "Improvements"); and

WHEREAS, Landlord desires to lease to Tenant, and Tenant desires to lease from Landlord, the Real Property, Building and Improvements (sometimes referred to as the "Demised Premises").

NOW THEREFORE, for Ten and no/100 Dollars (\$10.00) and other good and valuable consideration in hand paid, the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. Premises. Landlord leases to Tenant, and Tenant leases from Landlord, the Demised Premises, upon and subject to the terms, covenants, conditions, provisions and agreements set forth in this Lease.
2. Landlord's Office. Tenant shall have the exclusive use of the Demised Premises, parking areas and garage areas. However, Tenant shall make available for the exclusive use of Landlord and its employees, one suitable office within the Demised Premises as delineated in the floor plan attached hereto as Exhibit A ("Landlord's New Office"). Landlord shall, prior to the Commencement Date, remove any or all of the furniture, including but not limited to desks, bookshelves, couches, chairs and tables, and any other equipment, possessions or personal property, whether attached or freestanding, from Landlord's existing offices to Landlord's New Office or remove such from the Demised Premises, as Landlord may desire.
3. Condition of Demised Premises. Tenant's acceptance of the Demised Premises or any portion thereof shall be conclusive evidence that the portion of the Demised Premises taken possession of was then in good order and satisfactory condition. No promises of Landlord to alter, remodel, improve, repair, decorate or clean the Demised Premises or any part thereof have been made, and no representation respecting the condition of the Demised Premises or the Real Property and Improvements have been made to Tenant by or on behalf of Landlord except to the extent expressly set forth herein. Landlord shall, following execution of this Lease and prior to the "Commencement Date" (defined hereinbelow), (i) carpet and paint, as needed, the office area, along with any conference rooms and connecting hallways (except that Landlord shall not carpet any area not already carpeted) and shall not remove or paint over any existing wallpaper, (ii) replace

damaged or stained ceiling tiles in the office area, (iii) clean the terrazzo floors and stairs, (iv) deliver the Demised Premises with the roof, plumbing, electrical, mechanical and sprinkler systems, dock doors, dock systems, sewer drains, roof drains, HVAC systems, light bulbs and landscaping around the parking lot and front door in good working order, (v) replace the lighting in the warehouse area, (vi) remove old tenant signs and (vii) repair all existing roof leaks.

4. Term. The term (the "Term") of the Lease shall be for ten (10) years and nine (9) months commencing on January 13, 2014, (the "Commencement Date") and terminating on October 13, 2024, subject to extension as provided hereinbelow. Landlord shall tender possession of the Demised Premises to Tenant on the Commencement Date.
5. Extension Option. Tenant shall have two (2) consecutive options (each an "Option") to extend the Term for an additional period of five (5) years (each an "Extension Period") upon all terms and conditions of the Lease, except that Tenant shall have no further right to extend the Term after the second Extension Period. Tenant may only exercise the second Option if Tenant exercised the first Option.

Each Option may be exercised only by Tenant giving Landlord irrevocable and unconditional written notice thereof no later than eight (8) months before the expiration of the Term or Extension Period, as applicable, and provided Tenant is not in "Default" (defined hereinbelow) under the Lease at the date of said notice.

If Tenant shall fail to timely exercise an Option in accordance with the terms hereof, the Option, and the second Option, if applicable, shall terminate and be null and void. If the Lease or Tenant's right to possession of the Demised Premises shall terminate in any manner whatsoever before Tenant shall exercise an Option, or before the commencement of the Extension Period, then immediately upon such termination, the Option and the second Option, if applicable, shall simultaneously terminate and become null and void. If the term of the Lease shall terminate for any reason prior to the expiration of the initial Term, then the first and second Options shall become null and void, whether or not the first Option has been previously exercised.

Without limitation, all provisions contained in the Lease for annual or other adjustment to charges shall remain in full force and effect during each Extension Period.

6. Rent. All amounts due from Tenant to Landlord hereunder shall constitute "Rent," including but not limited to the following:
 - a. Base Rent. Tenant shall pay to Landlord, without deduction, offset, notice or demand, as monthly "Base Rent," the sum of four dollars (\$4.00) per square foot, and for this purpose the Demised Premises shall be deemed to consist of two hundred thirty-four thousand five hundred (234,500) square feet, in advance, on the 1st day of each month during the Term. Upon termination of this Lease, any unpaid Base Rent shall be immediately due and payable. Notwithstanding the foregoing, (i) Base Rent shall be abated until October 1, 2014, and (ii) Tenant shall pay Base Rent on only one hundred eighty-five thousand (185,000) square

feet from October 1, 2014 through July 15, 2016, and thereafter Base Rent shall be due and payable on the full square footage of the building. On each of the first (1st), second (2nd) and third (3rd) anniversaries of the Commencement Date, Base Rent shall be increased by two percent (2%). On each of the fourth (4th), fifth (5th) and sixth (6th) anniversaries of the Commencement Date, Base Rent shall be increased by two and one-half percent (2.5%). On the seventh (7th) anniversary of the Commencement Date and on each subsequent anniversary of the Commencement Date during the Term, Base Rent shall be increased by three percent (3%).

- b. Extension Period Base Rent. The Base Rent for the first year of each applicable Extension Period shall be the lesser of (i) the then current market rent for the Demised Premises, or (ii) one hundred ten percent (110%) of the Base Rent for the year immediately preceding the first year of the applicable Extension Period. On the each anniversary of the commencement of the applicable Extension Period, the Base Rent shall be increased by three percent (3%).
- c. Real Estate Taxes. Tenant shall pay to Landlord as additional Rent all real estate taxes, general and special, ordinary and extraordinary, assessed on the Real Property which are in excess of the real estate taxes assessed on the Real Property and paid by Landlord in 2014.
- d. Cook County Class 6b Classification. Landlord and Tenant agree that it is in the best interest of the parties to seek to have the Real Property obtain a Class 6b classification from the Cook County Assessor for real estate reassessment. Landlord hereby agrees to allow Tenant to apply for such Class 6b classification and Tenant may use such attorney as Tenant decides in its sole discretion. Landlord agrees to provide reasonable cooperation to Tenant in the application and obtainment of a Class 6b exemption. All reasonable and verifiable expenses, including attorneys' fees and appraisers' fees, incurred in connection with obtaining any such Class 6b Classification, shall be shared equally between Tenant and Landlord.
- e. Common Area Maintenance. Tenant shall, at Tenant's expense, provide for snow removal, landscaping and exterior lighting.
- f. Payment. Base Rent and any additional sums due from Tenant to Landlord under this Lease shall be referred to as, and constitute, Rent. Rent for any partial month shall be prorated on the actual number of days elapsed based on the actual number of days in said month. All Rent shall be paid to Landlord at such place as Landlord may designate to Tenant. All Rent shall be paid in lawful money of the United States of America.
- g. Security Deposit. Tenant shall deposit with Landlord, not later than the Commencement Date, the sum of Ninety-Two Thousand Five Hundred Dollars and 00/100 (\$92,500.00) as security for the full and faithful performance of every provision of this Lease to be performed by Tenant. If Tenant is in Default with

respect to any provision of this Lease, including, but not limited to, the provisions relating to the payment of Rent, Landlord may use, apply or retain all or any part of the security deposit for the payment of any Rent and any other sum with respect to which Tenant is in Default, or for the payment of any other amount which Landlord may spend or become obligated to spend by reason of Tenant's Default or to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant's Default. If any portion of the security deposit is used or applied, Tenant, within five (5) days after written demand therefor, shall deposit cash with Landlord in an amount sufficient to restore the security deposit to its original amount and Tenant's failure to do so shall be a material breach of this Lease. Unless otherwise required by law, Landlord or its beneficiaries shall not be required to keep the security deposit separate from its general funds and Tenant shall not be entitled to interest on any security deposit. If Tenant fully and faithfully performs every provision of this Lease to be performed by it, the security deposit or any balance thereof shall be returned to Tenant (or at Landlord's option to the last assignee of Tenant's interest hereunder) within thirty (30) days after the expiration of the Term, including applicable Extension Periods and Tenant's vacating of the Demised Premises. Tenant may not apply the security deposit to any Rent due hereunder, including but not limited to the final month's Rent.

- h. Tenant Improvement Allowance. Landlord shall provide a Tenant Improvement Allowance ("Improvement Allowance") of Two Hundred Thousand Dollars (\$200,000), to be used by Tenant in its discretion for improvements to the Demised Premises. Landlord shall disburse said Improvement Allowance as follows: (i) to Tenant, upon receipt of general contractor statements, signed and sworn by said general contractor, for specific expenditures for improving the Demised Premises, up to the amount of the Improvement Allowance, and (ii) any portion of the Improvement Allowance remaining on September 1, 2014 shall be paid by Landlord to Tenant. Such Improvement Allowance is exclusive of the work to be performed by Landlord pursuant to Section 3 above.
- 7. Right of First Refusal. If Landlord desires to sell the Real Property prior to the eighth (8th) anniversary of the Commencement Date and receives a written offer ("Offer") from a third party to purchase the Real Property which Landlord desires to accept, then Landlord shall send a copy of such Offer to Tenant and Tenant shall have ten (10) business days from the date Tenant receives such copy of the Offer to elect, by written notice to Landlord, to purchase the Real Property from Landlord, in place of such third party, upon the same terms and conditions as stated in the Offer. If Tenant does not timely exercise such right of first refusal, then Landlord shall have the right to consummate the sale to the third party upon the terms stated in the Offer.
- 8. Purchase Right. Beginning upon the eighth (8th) anniversary of the Commencement Date and continuing until the expiration of the original Term of the Lease (the "Purchase Right Period"), Tenant shall have the right to purchase the Real Property ("Purchase Right"), exercisable by written notice delivered to Landlord. Tenant's purchase right may be assigned to any of its subsidiaries or affiliates or any other entity in which Thomas Kehoe

is the majority owner. The purchase price ("Purchase Price") for the Real Property shall be determined as follows: the Real Property was appraised in 2013 and 2014 by the parties (each using their own independent appraiser) and the parties have mutually agreed that the Real Property has a market value as of the date of the execution of this Lease of \$8,000,000.00 (the "Original Market Value"), and the Original Market Value shall then be increased by the cumulative increase in the "Consumer Price Index for All Urban Consumers, U.S. City Average, All Items" published by the Bureau of Labor Statistics, or any successor index or government agency, from February, 2014 through the date in which the Purchase Right is exercised. If the Purchase Price is below the Original Market Value, then (i) the Purchase Price shall be the Original Market Value, and (ii) if the first Option is exercised, then the Purchase Right Period shall be extended until the second anniversary of the commencement of the first Extension Period. The Purchase Price, once determined, shall be valid for one hundred twenty (120) days ("Sale Consummation Period") and Landlord agrees to reasonably cooperate with Tenant to consummate a sale of the Real Property to Tenant during such period, with the full amount of the Purchase Price due and payable to Landlord at closing in good and immediately available funds. If no sale of the Real Property to Tenant is consummated during such Sale Consummation Period, then Tenant may subsequently re-exercise the Purchase Right and the Purchase Price shall be redetermined in the manner provided hereinabove. Notwithstanding the foregoing, Tenant may not exercise the Purchase Right again for twelve (12) months following the expiration of a Sale Consummation Period.

9. Parking Spaces. Landlord hereby makes available to Tenant, on an exclusive and reserved basis, all of the parking spaces at the Building. In connection therewith, Tenant shall be entitled, at its sole cost and expense, to install signs or other identifying markers to advise third parties that said parking spaces are reserved for Tenant. Notwithstanding the foregoing, Landlord's personnel, agents and visitors may park in parking spaces at the Building for purposes of using or visiting Landlord's New Office, inspecting, maintaining or repairing the Building or for other reasonable purposes, without unreasonable interference to Tenant.
10. Signs. Tenant may, with Landlord's prior written approval which shall not be unreasonably withheld or delayed, affix, display and maintain signage on the Building and/or a monument sign on the Real Property, consistent with Landlord's rules and regulations concerning the size, style and location of allowable signs, and provided Tenant obtains all requisite governmental approvals therefor.
11. Maintenance. Tenant shall maintain on and as part of the Demised Premises all trade fixtures, equipment, furnishings and other items of personal property which are necessary or required to enable it to conduct its business in or from the Demised Premises in a good and businesslike manner. Tenant shall be responsible for all cleaning, housekeeping and garbage removal required in the Demised Premises.
 - a. Landlord shall, at Landlord's sole cost and expense, maintain in good order, repair and condition, ordinary wear and tear excepted, all structural components of the building and improvements located on the Demised Premises, including the

bearing parts of the roof and the roofing membrane (not including any damage to the roof caused by Tenant's installation, maintenance, repair or replacement of any heating, cooling, ventilating units or other equipment on the roof), the exterior walls and internal load bearing walls, footings and the foundation of the buildings that are now part of the Demised Premises; provided, however, that Landlord's obligation herein shall not extend to any damage or disrepair caused by Tenant's neglect or fault, which damage or disrepair shall be repaired by Landlord and charged to Tenant as additional Rent.

- b. Tenant shall, at Tenant's sole cost and expense, maintain in good order, repair and condition the entire Demised Premises, promptly making all necessary repairs, interior and exterior, structural (except as provided above), and nonstructural, ordinary and extraordinary, foreseen and unforeseen, including, but without limiting the generality of the foregoing, repairs to: the heating, cooling, ventilating, and all other mechanical equipment; the water, sewer, plumbing, and electrical systems; the driveways, parking areas, windows and other glass, lights and all other areas of the Demised Premises. When used in this Section the term "repairs" shall include replacements or renewals when necessary, and all such repairs made by the Tenant, to the extent possible, shall be of equal quality in workmanship, parts and materials as the original work. Tenant shall make all repairs, alterations, additions or replacements to the Demised Premises required by any law or ordinance or any order or regulation of any public authority, or fire underwriters or underwriters' fire prevention engineers relating to the use of the Demised Premises by Tenant; to keep the Demised Premises equipped with all safety appliances required because of Tenant's use; and to procure any licenses and permits required and otherwise comply with the orders and regulations of all governmental authorities relating to the use of the Demised Premises by Tenant. Tenant shall provide to Landlord, at such time or times as Landlord may require, copies of all inspection and service reports, invoices and other records together with any other information Landlord may request relating to the inspection, maintenance, repair and condition of the heating, cooling and ventilating equipment servicing the Demised Premises.
- c. At the end of the Term and any applicable Extension Periods, or any sooner termination of the Lease or Tenant's right to possession hereunder (whether as provided in this Lease, by operation of law or otherwise), Tenant shall deliver to Landlord each and every part of the Demised Premises in at least the same order, condition and repair as shall exist on the Commencement Date, ordinary wear and tear excepted.

12. Use of Premises. Tenant shall occupy and use the Demised Premises in a lawful manner, in accordance with the restrictions, conditions and other provisions of all matters of record now or hereafter affecting all or any part of the Demised Premises, and in strict compliance with all applicable governmental laws, rules, regulations and orders. Tenant shall, throughout the Term of this Lease, use and occupy the Demised Premises for warehouse, manufacturing, office and event venue purposes and any other purposes agreed to by Landlord in writing, and for no other use or purpose. Tenant shall not make

or permit to be made any use of the Demised Premises which, directly or indirectly, is dangerous to life, limb or property, or which may invalidate any policy of insurance relating to the Demised Premises or the use thereof. Tenant shall not obstruct or use for storage or for any purpose other than ingress, egress, loading and parking, the driveways, parking areas and other areas adjoining the building located upon and being part of the Demised Premises or the entrances and vestibules of the Demised Premises.

Throughout the Term, Landlord shall have free access to any and all mechanical, electrical, cabling and all other installations and Tenant agrees that there shall be no construction of partitions or other obstructions which might interfere with access to or the moving of servicing equipment to or from the enclosures containing such installations. Landlord shall not unreasonably interfere with Tenant's business operations during those periods of access. Tenant further agrees that neither Tenant nor its employees, agents, licensees, invitees or contractors shall at any time tamper with, adjust or otherwise in any manner affect Landlord's mechanical, electrical, cabling and all other installations without Landlord's prior written permission. Except as otherwise provided in this Lease, Tenant shall have access to the Demised Premises twenty-four (24) hours per day, seven (7) days per week, fifty-two (52) weeks per year.

13. Quiet Enjoyment. So long as Tenant shall observe and perform its covenants and agreements hereunder, Tenant shall, at all times during the Term herein granted, peacefully and quietly have and enjoy possession of the Demised Premises without any encumbrance or hindrance from Landlord, its successors or assigns, or anyone claiming by, through or under Landlord.
14. Electricity. Landlord shall permit Tenant to access electricity provided by an electric utility company serving the area in which the Real Property is located. Tenant shall make no alterations or additions to the electrical equipment or appliances without the prior written consent of Landlord in each instance, which consent shall not be unreasonably withheld or delayed.
15. Damage to Premises.
 - a. If the Demised Premises or the Real Property are damaged by fire or other casualty and if such damage does not render all or a substantial portion of the Demised Premises or the Real Property untenable, then Landlord shall proceed to repair and restore the same with reasonable promptness, subject to reasonable delays for insurance adjustments and delays caused by matters beyond Landlord's reasonable control. If any such damage renders all or a substantial portion of the Demised Premises or the Real Property untenable, Landlord, with reasonable promptness (but not longer than thirty (30) days) after the occurrence of such damage, shall estimate the length of time that will be required to substantially complete the repair and restoration of such damage and shall advise Tenant by notice of such estimate. If it is estimated that the amount of time required to substantially complete such repair and restoration will exceed one hundred twenty (120) days from the date such damage occurred, then either Landlord or Tenant (but as to Tenant, only if all or a substantial portion of the Demised Premises are

rendered untenable) shall have the right to terminate this Lease as of the date of such damage upon giving notice to the other at any time within twenty (20) days after Landlord gives Tenant the notice containing said estimate (it being understood that, if it elects to do so, Landlord may also give such notice of termination together with the notice containing said estimate). Unless this Lease is so terminated, Landlord shall proceed with reasonable promptness to repair and restore the Demised Premises, subject to reasonable delays for insurance adjustments and delays caused by matters beyond Landlord's reasonable control, and also subject to zoning laws and building codes then in effect. Landlord shall have no liability to Tenant, and Tenant shall not be entitled to terminate this Lease, except as hereinafter provided, if such repairs and restoration in fact are not completed within the time period estimated by Landlord or within one hundred twenty (120) days. If the Demised Premises are not repaired or restored within six (6) months after the date of such fire or other casualty, then either party may terminate this Lease, effective as of the date of such fire or other casualty, by written notice given to the other party not later than thirty (30) days after the expiration of said six (6) month period, but prior to substantial completion of repair or restoration. Notwithstanding anything to the contrary set forth herein, (a) Landlord shall have no duty pursuant to this Section to repair or restore any portion of the alterations, additions or improvements owned or made by Tenant in or to the Demised Premises or to expend for any repair or restoration amounts in excess of insurance proceeds paid to Landlord and available for repair or restoration; (b) Tenant shall not have the right to terminate this Lease pursuant to this Section if the damage or destruction was caused by the act or neglect of Tenant, its agents, employees or invitees and in such event Tenant, and not Landlord, shall pay all costs of repair and restoration; and (c) if any such damage rendering all or a substantial portion of the Demised Premises or the Real Property untenable shall occur during the last six (6) months of the Term, Landlord or Tenant shall have the option to terminate this Lease by giving written notice to the other within thirty (30) days after the date such damage occurred, and if such option is so exercised, this Lease shall terminate as of the date of such notice.

- b. In the event any fire or casualty damage not caused by the act or neglect of Tenant, its agents, employees or invitees, renders the Demised Premises untenable and if this Lease is not terminated pursuant to Section 15(a) by reason of such damage, then Rent shall abate during the period beginning with the date of such damage and ending with the date Landlord tenders the Demised Premises to Tenant as being ready for occupancy. Such abatement shall be in an amount bearing the same ratio to the total amount of Rent for such period as the portion of the Demised Premises not ready for occupancy from time to time bears to the entire Demised Premises. In the event of termination of this Lease pursuant to Section 15(a), Rent shall be apportioned on a per diem basis and shall be paid to the date of the fire or casualty.

16. Insurance and Indemnification.

- a. Tenant, with respect to its use and occupancy of the Demised Premises, the condition of the Demised Premises and Tenant's property therein, agrees to indemnify, defend and hold harmless Landlord, and its agents, affiliates, servants, employees, managers, members, officers and directors, against every, any and all demand, claim, assertion of liability or action arising or alleged to have arisen out of any act or omission of Tenant, its agents, servants, employees or invitees, or any independent contractors acting under any written or oral contract with Tenant, or in any other way arising out of or related to the use, occupancy or condition of the Demised Premises, or Tenant's property therein, whether such demand, claim, assertion of liability or action be for damages, injury to person or property, made by any person, group or organization, whether employed by either of the parties hereto or otherwise, and agrees to assume legal liability for, indemnify and hold free and harmless Landlord and its agents, affiliates, servants, employees, members, managers, officers and directors, from any and all loss, damages, liability, cost or expenses (including, but not limited to, reasonable attorneys' fees, investigative and discovery expenses and court costs) and all other reasonable sums which Landlord and/or its agents, affiliates, servants, employees, officers and directors may pay or become obligated to pay on account of any, all and every demand, claim, assertion of liability or action arising or alleged to have arisen out of any act or omission of Tenant, its agents, servants, employees or invitees, or any independent contractors acting under any written or oral contract with Tenant, or in any other way arising out of or related to the use, occupancy or condition of the Demised Premises, or Tenant's property therein, whether such claim, demand, assertion of liability or action be for damages, injury to person or property, including the property of Landlord, or death of any person, made by any person, group or organization, whether employed by either of the parties hereto or otherwise.
- b. Landlord agrees to indemnify, defend and hold harmless Tenant, and its agents, affiliates, servants, employees, managers, members, officers and directors, against every, any and all demand, claim, assertion of liability or action arising out of any act of Landlord, its agents, servants, employees or invitees, or any independent contractors acting under any written contract with Landlord, or in any other way arising out of or related to the ownership of the Demised Premises, or Landlord's personal property therein, whether such demand, claim, assertion of liability or action be for damages, injury to person or property, made by any person, group or organization, whether employed by either of the parties hereto or otherwise, and agrees to assume legal liability for, indemnify and hold free and harmless Tenant and its agents, affiliates, servants, employees, members, managers, officers and directors, from any and all loss, damages, liability, cost or expenses (including, but not limited to, reasonable attorneys' fees, investigative and discovery expenses and court costs) and all other reasonable sums which Tenant and/or its agents, affiliates, servants, employees, officers and directors may pay or become obligated to pay on account of any, all and every demand, claim, assertion of liability or action arising out of any act of Landlord, its agents, servants,

employees or invitees, or any independent contractors acting under any written contract with Landlord, or in any other way arising out of or related to the ownership of the Demised Premises, or Landlord's personal property therein, whether such claim, demand, assertion of liability or action be for damages, injury to person or property, including the property of Landlord, or death of any person, made by any person, group or organization, whether employed by either of the parties hereto or otherwise.

- c. Tenant shall, at all times during the Term, procure and maintain in full force and effect a policy of insurance on and adequate for all of its personal property and trade fixtures, improvements and alterations, and Landlord shall have no obligation to insure such.
- d. Tenant shall, at all times during the Term, maintain in force a policy or policies of insurance written by one or more responsible insurance carriers reasonably acceptable to Landlord, and legally qualified to issue such insurance in the State of Illinois, which shall insure against liability for injury to and/or death of and/or damage to property of any person or persons, with policy limits acceptable to Landlord.
- e. Tenant shall maintain and keep in force, during the Term, all employee's compensation insurance required under the applicable Workmen's Compensation Act or similar statute.
- f. Upon Landlord's written request, Tenant shall promptly deliver to Landlord customary certificates of insurance evidencing the existence of the policies of insurance provided for in this Section or otherwise required by this Lease. Each such certificate shall name Landlord and Landlord's designee as additional insureds and shall provide that the insurance evidenced thereby shall not be canceled, reduced or otherwise materially amended unless thirty (30) days prior written notice of such cancellation or amendment is given to Landlord and Landlord's designee. Upon request by Landlord, Tenant shall deliver or cause to be delivered to Landlord certified copies of all policies of insurance required to be carried by Tenant under this Lease. Landlord shall have the right to approve (such approval not to be unreasonably withheld or delayed) the form and content of all such insurance, as well as the company or companies issuing same. Landlord's designees under insurance required of Tenant under this Lease may include, without limitation, the holder of any note or other evidence of indebtedness given by Landlord in connection with financing now existing or hereafter obtained by Landlord with respect to all or any part of the Real Property, the Demised Premises or Landlord's interest under this Lease.
- g. Tenant shall, at Tenant's sole expense, obtain, maintain and keep current and in good standing any and all licenses, certifications, certificates, permits and any and all other permissions required from any governmental or regulatory agency or entity to operate Tenant's business.

- h. Tenant shall maintain the following insurance coverages at all times during the Term: (a) property and casualty insurance in commercially reasonable amounts; provided, however, that Tenant shall not be required to insure Landlord's personal property; and (b) commercial general liability and property damage insurance in commercially reasonable amounts.
- i. Landlord shall maintain property and casualty insurance on the Building in commercially reasonable amounts.

17. Condemnation.

- a. If, during the Term of this Lease, the whole or any portion of the Demised Premises shall be taken by any governmental or municipal authority or other entity having powers of eminent domain, or if the whole or any portion of the Demised Premises is sold to any such authority or other entity by Landlord under threat of the exercise of the power of eminent domain with respect thereto (either of the foregoing hereinafter called a "Taking," which shall be deemed to occur on the date the condemning authority takes possession of the Demised Premises), the effect of any such Taking on this Lease and the rights of Landlord and Tenant with respect thereto shall be as provided for in this Section. Landlord shall have the sole right to defend any Taking and negotiate and settle with the condemning authority. Notwithstanding the preceding sentence, Tenant shall have the right (provided that such right is available to Tenant under the then existing and applicable condemnation law or eminent domain code), but only to the extent that the same shall not reduce Landlord's award, to claim and recover from the condemning authority, but not from Landlord, such compensation as may be separately awarded or recoverable by Tenant, in Tenant's own right, on account of any cost or loss incurred by Tenant as a result of such Taking.
- b. In the event of any Taking of all (or such a portion of the Demised Premises as materially interferes with the operation of the Tenant's business) of the Demised Premises, then, at the option of either Landlord or Tenant, this Lease shall terminate as of the date of such Taking, but such termination shall not affect rights and obligations which have accrued or are applicable to the period prior thereto. If neither Landlord nor Tenant so terminates this Lease, this Lease shall continue in full force and effect without diminution in accordance with those provisions still applicable (including, without limitation, the obligation to pay Rent).

18. Utility Charges. Tenant shall pay throughout the Term all electricity, natural gas, water, telephone, scavenger, Internet access and other charges specifically applicable to its occupancy and use of the Demised Premises, including all costs of operating and maintaining all equipment therein, and all business licenses and other permit fees required in connection therewith.

19. Covenants Against Liens. Tenant covenants and agrees that it shall not, during the Term of this Lease, suffer or permit any lien to be attached to or upon the Demised Premises of

any part thereof or any interest of Tenant under this Lease, except any lien arising by reason of an act of Landlord. Tenant shall indemnify and hold Landlord harmless from or against any such lien or claim of lien, including any loss or damage or attorneys' fees arising therefrom. In the event that any such lien does so attach and is not released within thirty (30) days after notice to Tenant thereof, or if Tenant has not indemnified Landlord against such lien within said thirty (30) day period in a manner reasonably satisfactory to Landlord, then Landlord, in its sole discretion, may pay and discharge the same and relieve the Demised Premises therefrom, and Tenant agrees to repay and reimburse Landlord upon demand for the amount so paid by Landlord. Notwithstanding the foregoing, if Tenant is contesting the lien in good faith and said time period exceeds thirty (30) days, Landlord shall not pay-off said lien so long as Landlord's interest is adequately protected as determined by Landlord in its reasonable discretion.

20. Assignment and Subletting. Tenant shall not assign all or any part of its interest under this Lease, or sublet the Demised Premises or any part thereof, other than to a parent, subsidiary or affiliate entity, without in each case the prior written consent of Landlord, which shall not be unreasonably withheld or delayed. In the event Tenant assigns this Lease or sublets the Demised Premises resulting in the payment of rent in excess of the rent applicable to Tenant, then Landlord and Tenant shall divide any net profits equally between them.
21. Notices. Any notices required to be given under this Lease, or which either party hereto may desire to give to the other, shall be in writing. Such notice may be given either by personal or messengered delivery, by mailing the same by United States mail, registered or certified, return receipt requested, postage prepaid, by a nationally-recognized overnight courier (such as Federal Express) for next business day delivery, or by email or facsimile transmission:

22. Right to Go Upon Premises. Throughout the Term of this Lease, Landlord hereby reserves the right for itself and/or its duly authorized agents and representatives, upon reasonable prior notice and at reasonable times during business hours of Tenant, to enter upon the Demised Premises for the purpose of inspecting the same and of showing the same to any prospective tenant, purchaser or lender. Such entry shall not unreasonably interfere with Tenant's operation in the Demised Premises. In an emergency, Landlord may enter upon the Demised Premises at any time for purposes of responding to the emergency to protect life or property, but Landlord shall not have the obligation to do so.
23. Rights Reserved to Landlord. Landlord reserves the following rights, exercisable without notice and without liability to Tenant for damage or injury to property, person or business and without effecting an eviction or disturbance of Tenant's use or possession or giving rise to any claim for setoff or abatement of Rent or affecting any of Tenant's obligations under this Lease:
- a. Except as otherwise provided herein, to install and maintain signs on the exterior and interior of the Real Property;
 - b. To retain at all times, and to use in appropriate instances, pass keys to the Demised Premises;

- c. To exhibit the Demised Premises at reasonable hours, to display "for rent" signs on the Real Property, the Building and/or the Demised Premises during the last six (6) months of the Term or Extension Period, as applicable, and to display "for sale" signs on the Real Property, the Building and/or the Demised Premises;
- d. To decorate, remodel, repair, alter or otherwise prepare the Demised Premises for reoccupancy at any time after Tenant vacates or abandons the Demised Premises;
- e. To enter the Demised Premises at reasonable hours for reasonable purposes, including inspection;
- f. In case of fire, war, invasion, insurrection, mob, riot, civil disorder, terrorism, public excitement or other commotion, or threat thereof, Landlord reserves the right to limit or to prevent access to the Real Property and the Demised Premises during the continuance of the same, to shut down elevator service, to activate elevator emergency controls, or otherwise to take such action or preventive measures deemed necessary by Landlord for the safety or security of the tenants or other occupants of the Real Property or for the protection of the Real Property and the property in the Real Property. Tenant agrees to cooperate with any reasonable safety or security program developed by Landlord;
- g. To secure other portions of the Real Property and/or the Building to allow Landlord or any other tenant to comply with security and/or access controls, including but not limited to such security, actions and/or controls required to comply with the Health Insurance Portability and Accountability Act and any related or similar laws, statutes, ordinances, rules or regulations;
- h. Provided that reasonable access to the Demised Premises shall be maintained and the business of Tenant shall not be interfered with unreasonably, to rearrange, relocate, enlarge, reduce or change corridors, exits, entrances in or to the Real Property and to decorate and, at its own expense, to make repairs, alterations, additions and improvements, structural or otherwise, in or to the Real Property or any part thereof, and any adjacent building, land, street or alley, including for the purpose of connection with or entrance into or use of the Real Property in conjunction with any adjoining or adjacent building or buildings, now existing or hereafter constructed, and may for such purposes erect scaffolding and other structures reasonably required by the character of the work to be performed; and
- i. Landlord specifically excepts and reserves to itself all rights to the land and improvements below the improved floor level of the Demised Premises, to the improvements and air rights above the Demised Premises and to the improvements and air rights located outside the demising walls of the Demised Premises and to such areas within the Demised Premises required for installation of utility lines and other installations required to serve other occupants of the Real Property and to maintain and repair same, and no rights with respect thereto are conferred upon Tenant, unless otherwise specifically provided herein. This Lease does not grant any rights to light or air.

24. Default.

- a. Any of the following events shall be considered an event of default (sometimes a "Default"):
- i. if Tenant fails to pay Rent when due (or any other monetary amount due hereunder) and such default shall continue either for a period of five (5) days after notice of such non-payment from or on behalf of Landlord is sent to Tenant, or for a period of fifteen (15) days after the date payment is due, whichever period is shorter; or
 - ii. if Tenant fails to pay Rent when due (or any other monetary amount due hereunder) more than twice within any twelve (12) month period; or
 - iii. if Tenant shall abandon the Demised Premises, temporarily or permanently, without notice or grace period of any kind; or
 - iv. if default shall be made by Tenant in the performance of or compliance with any of the other covenants, agreements, terms or conditions contained in this Lease and such default shall continue for a period of fifteen (15) days after notice thereof from or on behalf of Landlord to Tenant; provided, however, if such default cannot be reasonably cured within such fifteen (15) day period, the length of such period shall be extended for the period reasonably required therefor if Tenant commences curing such default within such fifteen (15) day period and continues the curing thereof with reasonable diligence and continuity; or
 - v. if Tenant or any guarantor of this Lease shall file a voluntary petition in bankruptcy or shall be adjudicated bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, dissolution or similar relief under any law or regulation relating to bankruptcy, insolvency, or the rights of creditors generally, or if Tenant or any such guarantor shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Tenant or such guarantor or the business or affairs of either, or shall make any general assignment for the benefit of creditors, in any such event without notice or grace period of any kind; or
 - vi. if there shall be filed against Tenant or any guarantor of this Lease an involuntary petition in bankruptcy or a proceeding seeking to reorganize, dissolve or liquidate Tenant or such guarantor, or if a trustee or receiver shall be appointed for Tenant or such guarantor or over the business or substantially all of the property of either of them, and such petition, proceeding, trustee or receiver is not dismissed within thirty (30) days, in any such event without notice or cure period of any kind.

b. Upon the occurrence of an event of default, Landlord, in addition to the other rights or remedies provided at law or in equity, shall have any one or more of the following described remedies:

i. Landlord may terminate this Lease and forthwith repossess the Demised Premises upon forcible entry and detainer suit and be entitled to recover from Tenant forthwith as damages a sum of money equal to the total of:

1. the reasonable cost of recovering possession of the Demised Premises;
2. the unpaid Rent earned at the time of termination, plus interest thereon as provided in Section 39 below;
3. the present value of the balance of the Rent for the remainder of the then current Term; and
4. any other sum of money or damages owed by Tenant to Landlord.

ii. Landlord may terminate Tenant's right of possession without terminating this Lease and may repossess the Demised Premises by forcible entry and detainer suit or otherwise, without demand or notice of any kind to Tenant, in which event Landlord may, in its sole discretion, attempt to relet the Demised Premises for the account of Tenant for such rent and upon such terms as shall be satisfactory to Landlord in its sole and absolute discretion. For the purpose of such reletting, Landlord is authorized to decorate or to make any repairs, changes, alterations or additions in or to the Demised Premises as Landlord shall deem reasonably necessary or appropriate. If Landlord shall fail to relet some or all of the Demised Premises, or if the Demised Premises are relet and a sufficient sum is not realized from such reletting after paying the Rent earned but unpaid at the time of reletting, the cost of recovering possession (including, without limitation, reasonable attorneys' fees), the costs and expenses of such decorations, repairs, changes, alterations and additions and the expense of such reletting (including, without limitation, brokerage fees and commissions) and of the collection of the Rent accruing therefrom to satisfy Landlord's claims against Tenant hereunder, then Tenant shall pay to Landlord as damages a sum equal to any such deficiency upon demand therefor from time to time but not more often than monthly. Landlord may file a suit or suits to recover any sums falling due under the terms of this provision from time to time. Reletting by Landlord shall not be construed as an election on the part of Landlord to terminate this Lease unless a notice of such intention is given by Landlord to Tenant. Notwithstanding any reletting without termination of this Lease, Landlord may at any time thereafter elect to terminate this Lease.

iii. Neither termination of this Lease by reason of Tenant's default nor termination of Tenant's rights of possession by reason of Tenant's default shall be construed as acceptance by Landlord of a surrender of the Demised Premises from Tenant.

c. In the event of any default by Landlord under this Lease, Tenant shall give Landlord written notice specifying such default with reasonable detail, and Landlord shall thereupon have thirty (30) days in which to cure any such default. Unless Landlord fails to cure any default after such notice, Tenant shall not have any remedy or cause of action by reason thereof. If such default cannot reasonably be cured within such thirty (30) day period, the length of such period shall be extended for the period reasonably required therefor if Landlord commences curing such default within such thirty (30) day period and continues the curing thereof with reasonable diligence and continuity. The obligations of Landlord under this Lease shall be binding upon Landlord only during the period of its ownership of or leasehold interest in the Demised Premises and not thereafter. The term "Landlord" shall mean the owner or leasehold interest holder of the Demised Premises, and in the event of the transfer by such owner of the Demised Premises, such owner shall thereupon be released and discharged from all covenants and obligations of the Landlord thereafter accruing, but such covenants and obligations shall be binding during the term of this Lease upon each new owner of the Demised Premises for the duration of such owner's ownership of the Demised Premises.

25. Holding Over. If Tenant continues to occupy the Demised Premises after the expiration of the Term or any Extension Period, and Landlord elects to accept rent, thereafter, a monthly tenancy terminable by either party on one (1) month's notice shall be created, which shall be upon the same terms and conditions of this Lease, except that Rent shall be one hundred fifty percent (150%) of the Base Rent most recently paid by Tenant. The provisions of this Section shall not constitute a waiver of Landlord's right of re-entry or of any other right or remedy provided herein or at law.

26. Successors in Interest. Except as otherwise provided in this Lease, each and all of the covenants, agreements, obligations, conditions, indemnifications, and provisions of this Lease shall inure to the benefit of and shall bind Landlord and Tenant and the respective successors and assigns of each.

27. Remedies Cumulative, No Waiver.

a. Except as expressly limited by this Lease, the various rights and remedies contained and reserved in this Lease to each of the parties shall not be considered as exclusive of any other right or remedy of such party, but shall be construed as cumulative and shall be in addition to every other remedy now or hereafter existing at law, in equity, or by statute. No delay or omission of the right to exercise any power by either party shall impair any such right or power, nor shall any such delay or omission be construed as a waiver of any default or as acquiescence therein. Any waiver of any covenant, agreement, term or condition

of this Lease by either party must be in writing signed by the party to be charged, and unless expressly set forth in such writing shall not be construed by the other party as a waiver of any prior or subsequent breach of the same covenant, agreement, term or condition. The consent or approval by either party to or of any act by the other party of a nature requiring consent or approval must be in writing and, except as expressly set forth in such writing, shall not be deemed to waive or render unnecessary consent to or approval of any prior or subsequent similar act.

- b. The receipt by Landlord of rent or payment of rent by Tenant with knowledge of the breach of any covenant of this Lease shall not be deemed a waiver of such breach. No payment by Tenant or receipt by Landlord of a lesser amount than the rent stipulated in this Lease shall be deemed to be other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy in this Lease provided.

28. Alterations. Tenant shall not make any changes, alterations or additions in or to the Demised Premises or any part thereof without Landlord's prior written consent, which shall not be unreasonably withheld or delayed. If Landlord consents to such alterations or additions, then before commencement of the work, Tenant shall furnish Landlord with plans and specifications and permits necessary for such alterations or additions, all in form and substance reasonably satisfactory to Landlord. Landlord may impose such further conditions with respect to any alterations or additions as Landlord deems reasonably appropriate, including without limitation, requiring Tenant to furnish Landlord with security for the payment of all costs to be incurred in connection with any project costing in excess of Fifty Thousand Dollars (\$50,000). Notwithstanding the foregoing, with regard to the initial tenant improvements only, the security to be required shall be the requirements issued by the Tenant's lender in its bank escrow requirements. Such bank escrow requirements shall be added as Exhibit C to this Lease as soon as such escrow requirements are issued by Tenant's lender. All alterations and additions shall be installed in a good and workmanlike manner and only new high-grade materials shall be used. All alterations and additions to the Demised Premises, whether temporary or permanent in character and whether made or paid for by Landlord or Tenant, shall, without compensation to Tenant, become Landlord's property upon installation on the Demised Premises and shall, unless Landlord informs Tenant in writing at the time Landlord approves the installation of any such alterations or additions that Tenant is required to remove such alterations or additions prior to termination of this Lease by lapse of time or otherwise, be relinquished to Landlord in good condition, ordinary wear excepted, at the termination of this Lease by lapse of time or otherwise. Tenant agrees to indemnify and hold Landlord harmless from any and all liabilities, costs and expenses of every kind and description (including, but not limited to, reasonable attorneys' fees and costs) which may arise out of or be connected in any way with such alterations or additions. Tenant shall furnish Landlord with standard certificates of insurance from all contractors performing labor or furnishing materials in connection with such alterations

and additions, naming Landlord and the mortgagee, if any, as additional insureds and insuring them against any and all liabilities which may arise out of or be connected in any way with such alterations or additions, which insurance shall provide that it shall be primary and not excess. Upon completing any alterations or additions, Tenant shall furnish Landlord with contractors' and subcontractors' affidavits and full and final waivers of lien covering all labor and materials expended and used therein or therefor, all in form and substance satisfactory to Landlord. All alterations and additions shall comply with all insurance requirements applicable to the Demised Premises, and with all ordinances, statutes and regulations of all governmental bodies, departments or agencies having jurisdiction over the Demised Premises. Tenant shall permit Landlord to inspect or observe all work in connection with such alterations or additions, if Landlord requests to do so, provided that Landlord shall have no duty to so inspect or observe the same and shall not in any way be liable or responsible to Tenant, its contractors or any other persons in connection therewith or on account of the failure of any such work to comply with the requirements of this Lease.

29. Performance on Behalf of Tenant. If Tenant shall fail to make any payment or perform any act required under this Lease to be made or performed by Tenant, then Landlord may, but shall be under no obligation to, after such written notice to Tenant, if any, as may be reasonable under the circumstances, make such payment or perform such act with the same effect as if made or performed by Tenant. Entry by Landlord upon the Demised Premises for such purpose shall not waive or release Tenant from any obligation or default under this Lease. On demand by Landlord, Tenant shall reimburse Landlord for all reasonable sums so paid by Landlord and all costs and expenses incurred by Landlord in connection with the performance of any such act, together with interest thereon as provided in Section 39 below.
30. Acceptance of Surrender. No modification, termination or surrender of this Lease or surrender of the Demised Premises or any part thereof or of any interest therein by Tenant (except surrender upon expiration or earlier termination of the Term of this Lease other than by reason of default by Tenant) shall be valid or effective unless agreed to and accepted in writing by Landlord and no act by a representative or agent of Landlord, other than such a written agreement and acceptance by Landlord, shall constitute an acceptance thereof.
31. Return of Premises. Upon the termination of this Lease by expiration of the Term or otherwise, or upon termination of Tenant's right of possession without termination of this Lease, Tenant shall surrender possession of the Demised Premises to Landlord and deliver all keys to the Demised Premises or the Real Property to Landlord and make known to Landlord the combination of all locks or vaults then remaining in the Demised Premises, and subject to the following paragraph, shall return the Demised Premises and all equipment and fixtures of Landlord therein to Landlord in as good condition as when Tenant originally took possession of it, ordinary wear and tear excepted, and failing which Landlord may restore the Demised Premises and such equipment and fixtures to such condition and Tenant shall pay the cost thereof to Landlord on demand. Tenant shall also remove Tenant's furniture, machinery, safes, trade fixtures and other items of movable personal property of every kind and description from the Demised Premises and

the Real Property and repair any damage to the Demised Premises caused thereby, such removal and restoration to be performed prior to the end of the Term or within ten (10) days following termination of this Lease or Tenant's right of possession, whichever is earlier. If Tenant fails to so restore or to remove such items, Landlord may do so, and Tenant shall pay the cost of such restoration or removal to Landlord on demand. All fixtures, installations and personal property belonging to Tenant and not removed from the Demised Premises upon termination of this Lease and not required by Landlord to have been removed as provided herein shall be conclusively presumed to have been abandoned by Tenant and title thereto shall pass to Landlord under this Lease as by a bill of sale. All obligations of Tenant under this Section shall survive the expiration of the Term or earlier termination of this Lease.

32. Estoppel Certificate by Tenant. Tenant will execute, acknowledge and deliver to Landlord, within fifteen (15) days of each request therefor, a certificate certifying to Landlord and its designees (i) that this Lease is unmodified and in full force and effect, with a true, correct and complete copy of this Lease attached to the certificate (or if there have been modifications, that the Lease is in full force and effect as modified, and attaching true, correct and complete copies of the modification(s)); (ii) the dates, if any, to which Rent and other sums payable hereunder have been paid; (iii) that no notice has been received by Tenant of any default which has not been cured, except as to defaults, if any, specified in said certificate; (iv) that Landlord is not in default under this Lease, except as to defaults, if any, specified in said certificate; (v) that Tenant has no rights or options to purchase all or any part of the Demised Premises, or to extend the Term of this Lease, except as expressly provided for in this Lease; (vi) that Tenant has received no notice of any transfer, assignment, hypothecation or pledge (in whole or in part) by Landlord of its interest under this Lease or in all or any part of the Demised Premises, except as otherwise noted in said certificate; and (vii) that Tenant shall notify such persons or entities as Landlord designates of any notice received by Tenant from or on behalf of Landlord with respect to a default under this Lease by Tenant, or of any notice sent by Tenant to Landlord with respect to a default under this Lease by Landlord, in either case including a copy of the notice received or sent by Tenant. At Landlord's option, said certificate shall include all or any of the foregoing, and may also include Tenant's certification as to such other matters as Landlord may request and which are reasonable under the circumstances. Any such certificate may be relied upon by a prospective purchaser or mortgagee of the Real Property, the Demised Premises or any part thereof, or by a prospective assignee (whether for collateral purposes or otherwise) of Landlord's interest under this Lease.

33. Subordination.

- a. Landlord may hereafter from time to time execute and deliver a mortgage or trust deed in the nature of a mortgage (both being hereinafter referred to as a "Mortgage") against the Real Property or any interest therein. If requested by the mortgagee or trustee under any Mortgage, Tenant will subordinate its interest in this Lease to said Mortgage, and to any and all advances made thereunder and to the interest thereon, and to all renewals, replacements, supplements, amendments, modifications and extensions thereof, by executing a Subordination, Non-

Disturbance and Attornment Agreement in substantially the form attached hereto as Exhibit B and Tenant will promptly execute and deliver such agreement or agreements as may be reasonably required by such mortgagee or trustee under any Mortgage. Tenant covenants that, after recordation of the Mortgage and any related Subordination, Non-Disturbance and Attornment Agreement, it will not subordinate this Lease to any other mortgage or trust deed without the prior written consent of the holder of the recorded Mortgage.

- b. It is further agreed that (a) if any Mortgage shall be foreclosed, (i) the holder of the Mortgage, ground lessor (or their respective grantees) or purchaser at any foreclosure sale (or grantee in a deed in lieu of foreclosure), as the case may be, shall not be (x) liable for any act or omission of any prior landlord (including Landlord), (y) subject to any offsets or counterclaims which Tenant may have against a prior landlord (including Landlord), or (z) bound by any prepayment of Base Rent or other Rent which Tenant may have made in excess of the amounts then due for the next succeeding month; (ii) the liability of the mortgagee or trustee hereunder or the purchaser at such foreclosure sale or the liability of a ground lessor or a subsequent owner designated as Landlord under this Lease shall exist only so long as such trustee, mortgagee, purchaser or owner is the owner of the Real Property, and such liability shall not continue or survive after further transfer of ownership; (iii) upon request of the mortgagee or trustee, if the Mortgage shall be foreclosed, Tenant will attorn, as Tenant under this Lease, to the purchaser at any foreclosure sale under any Mortgage, and Tenant will execute such instruments as may be necessary or appropriate to evidence such attornment; and (b) this Lease may not be modified or amended so as to reduce any Rent or shorten the Term provided hereunder or so as to adversely affect in any other respect to any material extent the rights of Landlord, nor shall this Lease be cancelled or surrendered, without the prior written consent, in each instance, of the ground lessor and the mortgagee or trustee under any Mortgage.
- c. Should any prospective mortgagee require a modification or modifications of this Lease, which modification or modifications will not cause an increased cost or expense to Tenant or in any other way materially change the rights and obligations of Tenant hereunder, Tenant agrees that this Lease may be so modified and agrees to execute whatever documents are required therefor and deliver the same to Landlord within ten (10) days following the request therefor.
- d. Should any prospective mortgagee require execution of a short form of lease for recording (containing the names of the parties, a description of the Premises and the Term of this Lease) or a certification from Tenant concerning this Lease in such form as may be required by a prospective mortgagee, Tenant agrees to promptly execute such short form of lease or certificate and deliver the same to Landlord within ten (10) days following the request therefor.
- e. Tenant agrees to give any holder of any Mortgage against the Real Property, or any interest therein, by registered or certified mail, a copy of any notice or claim of Default served upon Landlord by Tenant, provided that prior to such notice

Tenant has been notified in writing (by way of service on Tenant of a copy of an assignment of Landlord's interests in leases, or otherwise) of the address of such Mortgage holder. Tenant further agrees that if Landlord shall have failed to cure such Default within twenty (20) days after such notice to Landlord (or if such Default cannot be cured or corrected within that time, then such additional time as may be necessary if Landlord has commenced within such twenty (20) days and is diligently pursuing the remedies or steps necessary to cure or correct such Default), then the holder of the Mortgage shall have an additional thirty (30) days within which to cure or correct such Default (or if such Default cannot be cured or corrected within that time, then such additional time as may be necessary if such holder of the Mortgage has commenced within such thirty (30) days and is diligently pursuing the remedies or steps necessary to cure or correct such Default, including the time necessary to obtain possession if possession is necessary to cure or correct such Default).

34. Strict Compliance. Time is of the essence of this Lease.
35. Captions. The captions of the Sections and subsections of this Lease are solely for convenience and shall not be deemed a part of this Lease for the purpose of construing the meaning thereof or for any other purpose.
36. Brokerage. Landlord has used the services of Cushman and Wakefield. Tenant has used the services of Paine/Wetzel and Cushman and Wakefield. Landlord shall pay the following commissions to Cushman and Wakefield: ten and one-half percent (10.5%) of the average annual gross rental for one year of the Lease term, plus four and one-half percent (4.5%) of the balance of the gross rental for the remaining Lease term. Tenant and Landlord each covenant and agree to indemnify, save and hold each other harmless from and against any claim of any person or entity for any commission or other compensation arising from the negotiation and execution of this Lease.
37. Interpretation. This Lease shall be construed in accordance with the laws of the State of Illinois. Whenever the contents of any provision shall require it, the singular number shall be held to include the plural number and vice versa. The neuter gender includes the masculine and the feminine.
38. Authority. The individual(s) signing this Lease on behalf of Tenant and Landlord represent and warrant to each other that they have the power and authority to bind Tenant and Landlord to this Lease, and that this Lease will be enforceable against each other in accordance with its terms.
39. Default Interest. If Tenant fails to pay to Landlord when due any sum of money as required by this Lease, such sum shall accrue interest from the date of expiration of any applicable cure period until paid at a rate per annum equal to the lower of (i) three (3) percentage points in excess of the "Prime Rate" announced from time to time by JPMorgan Chase & Co., in Chicago, Illinois, or (ii) the highest rate of interest allowed by law. If a sum of money is required to be paid by Tenant to Landlord under this Lease,

but no date is specified or provided for such payment, then such payment shall be due within two (2) business days following the date Landlord demands payment of same.

40. Partial Invalidity. If it shall be finally determined by a court of competent jurisdiction that any term, covenant, condition or provision of this Lease or the application thereof to any person or circumstances shall, at any time or to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which this Lease is so held invalid or unenforceable, shall not be affected thereby. Each term, covenant, condition and provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

41. Force Majeure. The obligations of Landlord under this Lease shall be suspended to the extent that it is hindered or prevented from complying with them because of labor disturbances (including strikes and lockouts), war, riots or civil commotion, acts of God, fires, floods, explosions, storms, accidents, acts of terrorism, governmental regulations or interference or any cause whatsoever beyond its control.

42. Environmental.

- a. During the entire Term of this Lease and including any extensions or renewals thereof, Tenant shall fully and strictly comply with all federal, state and local laws, ordinances, rules and regulations now or at any time hereafter in effect which regulate, relate to or impose liability or standards of conduct concerning any "Hazardous Materials" (defined hereinbelow), including without limitation the Comprehensive Environmental Response, Compensation and Liability Act, the Resource Conservation and Recovery Act and the Illinois Environmental Protection Act (collectively, the "Environmental Laws") and which directly or indirectly affect Tenant's business and Tenant's use of the Demised Premises, and Tenant shall not permit the Demised Premises to contain, be used to store or otherwise used to handle Hazardous Materials except where stored in sealed containers and in quantities normally associated with Tenant's business conducted on the Demised Premises or for office maintenance and cleaning and, in those instances, the Hazardous Materials shall be handled or stored in compliance with all Environmental Laws. Tenant acknowledges that its compliance shall include, by way of illustration and not by way of limitation, the completion and timely filing of all reports and statements required pursuant to any applicable Environmental Laws and the payment of all charges, fees and costs that may be assessed or imposed from time to time in connection therewith.
- b. Landlord, at Landlord's expense from time to time upon reasonable prior notice and at reasonable times, during the entire Term of this Lease, including any extensions or renewals thereof, may at its option (but without any obligation to Tenant to do so) cause to be performed any environmental tests, inspections or evaluations of the Real Property or the Demised Premises which Landlord may deem reasonable or necessary in connection with Tenant's business and Tenant's use of the Demised Premises. The selection of the person, firm or entity retained

to complete such tests, inspections or evaluations shall be within the sole discretion of Landlord. In connection therewith, Tenant shall permit Landlord and its environmental consultants or inspectors to have access to the Demised Premises at all reasonable times, and Tenant shall make available to Landlord or to any such environmental consultant or inspector any information reasonably requested regarding the nature of any Hazardous Materials used, stored or otherwise present at the Demised Premises in connection with Tenant's business and use of the Demised Premises. Landlord agrees to take commercially reasonable steps not to unreasonably interfere with Tenant's use of the Demised Premises during any such environmental testing.

- c. If any environmental test, inspection or evaluation completed in connection with Tenant's business or Tenant's use of the Demised Premises discloses a disposal, release, threatened release or the presence of Hazardous Materials on, over, under, from or affecting the Demised Premises in violation of any Environmental Laws which was caused or permitted by, attributed or related to or otherwise arising out of the use or occupancy of the Demised Premises by Tenant or by anyone acting by, through or under Tenant, including, without limitation, any of Tenant's agents, employees, invitees, licensees, subtenants or assignees that requires cleanup or any other remedial action, then Tenant shall, at Tenant's sole cost and expense, immediately reimburse Landlord for the costs and expenses of the environmental test, inspection or evaluation and cause such cleanup or any such remedial action to be completed to the extent necessary to return the Demised Premises to a condition in accordance with and to the extent required by all applicable Environmental Laws and any orders and directives of any federal, state or local government authorities charged with responsibility or authority pursuant to any Environmental Laws; and Tenant's failure to do so shall entitle Landlord to cause such cleanup or remedial action to be conducted, and Tenant shall, immediately upon demand by Landlord, pay to Landlord all costs and expenses paid or incurred by Landlord as a result thereof.
- d. Landlord covenants and agrees to defend, indemnify and hold harmless Tenant from and against any and all damages, losses, liabilities, obligations, penalties, fines, claims and suits (including, without limitation, investigation and cleanup costs and reasonable consultant and attorneys' fees) at any time imposed upon, incurred by or asserted against Tenant arising from or out of the presence on, under or about the Demised Premises of Hazardous Materials, but only to the extent such Hazardous Materials were generated or came to be located on, under or about the Demised Premises prior to Tenant's occupancy of the Demised Premises. Without limiting the foregoing, Landlord acknowledges that there exists on the Real Property one 7,500 gallon gasoline underground storage tank abandoned in place on the west side of the Building and one 2,500 gallon gasoline underground storage tank abandoned in place also on the west side of the Building (collectively, the "West Side USTs"). Landlord covenants and agrees to defend, indemnify and hold harmless Tenant from and against any and all damages, losses, liabilities, obligations, penalties, fines, claims and suits (including, without limitation, investigation and cleanup costs and reasonable

consultant and attorneys' fees) arising from the West Side USTs. In the event Tenant exercises its Purchase Right in Section 8 and the condition of either of the West Side USTs prevent either party from closing due to applicable law or any governmental entity, Landlord agrees to take any remedial steps required by law or any governmental entity to remediate the West Side USTs.

- e. Tenant covenants and agrees to defend, indemnify and hold harmless Landlord from and against any and all damages, losses, liabilities, obligations, penalties, fines, claims and suits (including, without limitation, investigation and cleanup costs and reasonable consultant and attorneys' fees) at any time imposed upon, incurred by or asserted against Landlord arising from or out of (a) the presence on, under or about the Demised Premises of Hazardous Materials but only to the extent such Hazardous Materials were generated or came to be located on, under or about the Demised Premises during the Term, including any Extension Period and/or holdover period, or (b) any condition on, under or about the Demised Premises occurring during Tenant's occupancy of the Demised Premises and as a result of Tenant's operations, actions and/or inactions, or which presence or condition fails to comply with or constitutes a violation of any applicable laws or regulations relating to the protection of health, safety or the environment.
- f. For purposes of this Lease, "Hazardous Materials" shall include (i) petroleum and petroleum products, (ii) any friable asbestos or asbestos containing material, PCBs, dioxins or urea formaldehyde foam insulation, any waste, substance, material, pollutant or contaminant defined as hazardous or toxic in or for purposes of any Environmental Laws, and (iii) any other materials, substances or waste defined as hazardous or toxic by any laws or regulations relating to protection of health, safety and the environment.
- g. Tenant acknowledges that except as specifically provided in Section 42(a) above, Hazardous Materials are prohibited in or on the Real Property and the Demised Premises and Tenant agrees that it shall not cause or allow any Hazardous Materials in or onto the Real Property and the Demised Premises.

43. Americans With Disabilities Act. The parties acknowledge that the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 et seq.) and regulations and guidelines promulgated thereunder, as all of the same may be amended and supplemented from time to time (collectively referred to herein as the "ADA") establish requirements under Title III of the ADA ("Title III") pertaining to business operations, accessibility and barrier removal, and that such requirements may be unclear and may or may not apply to the Demised Premises and the Real Property depending on, among other things: (1) whether Tenant's business operations are deemed a "place of public accommodation" or a "commercial facility," (2) whether compliance with such requirements is "readily achievable" or "technically infeasible," and (3) whether a given alteration affects a "primary function area" or triggers so-called "path of travel" requirements. Landlord shall, at Landlord's expense, cause the Demised Premises, exclusive of any requirements based on Tenant's specific use, to comply with the ADA and the Life Safety Code Requirements during the Term and any applicable Extension Period. Tenant shall be

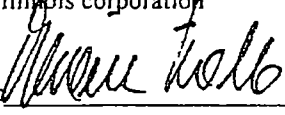

responsible, at Tenant's expense, for all ADA and Life Safety Code Requirements compliance and costs in connection with the Demised Premises or the Real Property necessitated by Tenant's use of the Demised Premises.

44. Confidentiality. Landlord and Tenant each acknowledge that the content of this Lease and any related documents are confidential information. Each of Landlord and Tenant shall keep and maintain all confidential information strictly confidential and shall not disclose any confidential information to any person or entity other than each party's employees, agents, attorneys, accountants, lenders or other professionals who have a need for such confidential information.
45. Counterparts. This Lease may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which, taken together, shall constitute one and the same instrument, and may be signed by facsimile or electronic signature.
46. Applicable Law; Waiver of Right to Jury. This Lease shall be construed and enforced in accordance with the laws of the State of Illinois. Landlord and Tenant hereby waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on or in respect of any matter whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant hereunder, Tenant's use or occupancy of the Demised Premises and/or any claim of injury or damage.
47. Exhibits and Attachments. Exhibits and attachments referenced in this Lease are incorporated herein and made a part hereof.

IN WITNESS WHEREOF, upon the day and year first hereinabove written, Landlord and Tenant have executed and delivered this Lease.
