CITY OF CHICAGO  
COMMISSION ON CHICAGO LANDMARKS

November 5, 2015

RECOMMENDATION TO THE CITY COUNCIL TO APPROVE  
A PERMIT APPLICATION FOR DEMOLITION OF A  
NON-CONTRIBUTING BUILDING IN A CHICAGO LANDMARK DISTRICT

WHEREAS, pursuant to Section 2-120-825 of the Municipal Code of Chicago governing review of permits for the demolition of 40% or more of any building or structure either designated as a "Chicago Landmark" or located in any district designated as a "Chicago Landmark," the Commission on Chicago Landmarks (the "Commission") has reviewed a permit application for the proposed demolition of a

*One- and two-story commercial building* ("Building") located at *1938 W. Augusta Avenue* within the *East Village District*, a Chicago Landmark (the "Landmark District"); and

WHEREAS, the significant historical or architectural features identified in the ordinance designating the Landmark District are all exterior building elevations, including rooflines, visible from the public rights-of-way; and historic rear buildings that contribute to the historic character of the Landmark District, to include those at 1103 North Winchester Avenue and 1110 North Wolcott Avenue; now therefore

THE COMMISSION ON CHICAGO LANDMARKS HEREBY:

1. Finds, in accordance with the criteria for review of permit applications established in Article III of the Commission's *Rules and Regulations*, that the Building is non-contributing to the character of the Landmark District;
2. Finds, in accordance with Section 2-120-770 of the Municipal Code of Chicago, that the demolition of the Building will not adversely affect any significant historical or architectural features of the Landmark District, and that the demolition is in accordance with the *Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings*;
3. Approves the permit application for the demolition of the Building; and
4. Recommends, in accordance with Section 2-120-825, that the City Council of the City of Chicago accept the Commission's approval of the permit application for the demolition of the Building.

The above recommendation was passed 6-2.
