Notice is hereby given that at 10:00 o'clock a.m. on the 16th day of November, 2017, in Room 201A, City Hall, 171 North LaSalle Street, Chicago, Illinois, a public hearing will be held by the Committee on Finance of the City Council of the City of Chicago to consider certain matters with respect to an area within the City of Chicago known and designated as Special Services Area Number 47 and the authorization of the levy of a special annual services tax (the "Services Tax") within the Area. The matters shall include (i) enlarging the boundaries of the original Special Services Area while keeping the designation as City of Chicago Special Services Area Number 47 (as enlarged, the "Area"); (ii) authorizing certain special services in the Area distinct from the original special services authorized to be provided (the "Special Services"); and (iii) authorizing the extension of the time period for which the levy of the Services Tax is authorized within the Area through and including the year 2031.

The Services Tax under consideration shall be authorized to be levied annually in the year 2017 through and including 2031 for the provision of the Special Services. The purpose of the Services Tax shall be to provide the Special Services within the Area, which may include, but are not limited to, customer attraction, public way maintenance, sustainability and public space enhancements, entertainment/business development, safety programs, and other activities to promote commercial and economic development. The Special Services may include new construction of infrastructure. Some or all of the proceeds of the provided Services Tax are anticipated to be used by an entity other than the City of Chicago to provide the Special Services to the Area, which such entity shall be a "service provider" pursuant to a "services contract" each as defined in the Special Services Area Tax Law 35 ILCS 200.7-1 (g) 2007-1, as amended from time to time.

The Services Tax to be levied against the taxable property included within the Area for the provision of the Special Services shall not exceed the actual rate of three percent (3%) of the equivalent assessed value of taxable property within the Area. The proposed amount of the tax levy for Special Services in the year 2017 is \$326,100. The Services Tax shall be levied on and from all parcels covered by law and shall be levied pursuant to the provisions of the Property Tax Code, 35 ILCS 200-1-1 (g) 2007-1, as amended from time to time.

The Area shall consist of the territory described herein and incorporated hereto as Exhibit 1. The approximate street layout of said territory consists of South Cottage Grove Avenue from East 40th Street to the north to East 51st Street on the south, and along East 47th Street from South Lake Park Avenue on the east to South St. Lawrence Avenue on the west.

At the public hearing any interested person, including all persons owning taxable real property located within the proposed Area, affected by (i) the enlargement of the boundaries of the original special services area to the Area while keeping the designation as City of Chicago Special Services Area Number 47, (ii) the authorization of the Special Services in the Area distinct from the original special services provided therein, and (iii) the authorization of the extension of the time period for which the levy of the Services Tax is authorized within the Area from the initial period to the period from the year 2017 through and including the year 2031, may file with the City Clerk of the City of Chicago written objections to and may be heard orally with respect to any such enlargement of the Area, the Special Services, or the extension of the time period for which the levy of the Services Tax is authorized. The Committee on Finance of the City Council of the City of Chicago may accept or reject any such objections and may be heard orally with respect to any such enlargement of the Area, the Special Services, or the extension of the time period for which the levy of the Services Tax is authorized. The Committee on Finance of the City Council of the City of Chicago may accept or reject any such objections and may be heard orally with respect to any such enlargement of the Area, the Special Services, or the extension of the time period for which the levy of the Services Tax is authorized.

By order of the City Council of the City of Chicago, Cook County, Illinois.

Dated this 11th day of October, 2017.
