11. 13. 14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the afore-mentioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the

time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Subject Property from M1-2 Limited Manufacturing/Business Park District to B3-5 Community Shopping District and then to Residential-Business Planned Development No._____, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago ("Affordable Requirements Ordinance" or "ARO"). Any developer of a residential housing project within the meaning of the ARO, where the subject property is located within the *Milwaukee Corridor Pilot*, must: (i) set aside 15% of the housing units in the residential housing project (the Required Onsite Units) as affordable units; or (ii) provide 20% of the housing units in the residential housing project (the Required Off-Site Units), in an approved off-site location. If the developer elects to provide affordable units off-site, the Required Off-Site Units must be located within the *Milwaukee Corridor Pilot*. The Property is located in the *Milwaukee Corridor Pilot*, within the meaning of the ARO, and the project has a total of *one hundred and twenty-seven* (127) dwelling units. As a result, the Applicant's on-site affordable housing obligation is *nineteen* (19) affordable units (15% of 127 rounded down). The Applicant has agreed to satisfy its affordable housing obligation by providing *nineteen* (19) affordable units onsite - within the new proposed building, at the Property, as set forth in the Affordable Housing Profile Form, attached hereto as Exhibit A. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a rental project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements or number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference.

Applicant: GW Property Group LLC
Address: 1750 North Western Avenue
Introduced: February 28, 2018
Plan Commission:

The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 17, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612, *et seq.* Should this Planned Development Ordinance lapse, the Commissioner of the Department of Planning and Development (DPD) shall initiate a Zoning Map Amendment to rezone the Property back to an M1-2 Limited Manufacturing/Business Park District or other like zoning designation.
