Applicant: Bridgford Foods Corporation
Address: 158-182 North Green Street/833-857 West Lake Street/163-185 North Peoria Street
Introduction: December 13, 2017
Plan Commission: February 15, 2018

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall achieve building certification and provide a 50% net green roof equivalent to an actual total of 24,169 square feet.
15. The Applicant acknowledges and agrees that the previous rezoning of the Property from the C1-1 Neighborhood Commercial District and C3-1 Commercial, Manufacturing and Employment District to the DX-5 Downtown Mixed-Use District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a "downtown district" within the meaning of the ARO, and the project has a total of 314 units. As a result, the Applicant's affordable housing obligation is 31 affordable units (10% of 314 rounded up/down), 8 of which are Required Units (25% of 31.4, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by providing 31 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit []. The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the requirements and number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development..
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the DX-5 Downtown Mixed-Use District.

Re: Proposed Amendment to Planned Development #1354 (generally located at 158 N. Green Street)

On February 15, 2018, the Chicago Plan Commission recommended approval of a proposed Amendment to Planned Development #1354 submitted by the Applicant, Bridgford Foods Corporation. The project involves the removal of that portion of PD #1354 that is located east of Green Street and for such parcel to be rezoned to DX-5. No other changes are proposed prior to re-establishing PD #1354, as amended. A copy of the proposed ordinance and accompanying documents are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning and Land Use recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact me at 744-9476.
