An agreement among property owners or a covenant binding property owners may designate the authorized party for any future amendment, modification or change. Provided, however, that after the adoption of an ordinance wherein the Property is divided into specifically delineated subareas, each having its own bulk and density standards, or similar subarea specific development controls or requirements, the owners of or designated controlling party for each subarea may seek amendments, changes, or modifications for that subarea without the consent of the owners or designated controlling party of the other subareas.

CPC DATE: TBD

Description	F.A.R.
Base F.A.R.	16.00
Affordable Housing Bonus	2.40
Total F.A.R.:	18.40

The calculation of the additional floor area ratio ("F.A.R.") obtained through the proposed Affordable Housing Bonus is as follows:

$$\text{F.A.R.} = 16 \times 0.15 = 2.40 \text{ F.A.R.}$$

$$2.40 \times 24,915 \text{ square feet} = 59,796 \text{ square feet.}$$

$$59,796 \text{ square feet} \times \$31.00 \text{ per square foot} \times .80 = \text{a } \$1,482,941.00 \text{ contribution.}$$

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
11. The improvements shall be designed, installed and maintained in substantial conformance with the Site Plan, Landscape Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. Notwithstanding any statement to the contrary, this Planned Development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of this Planned Development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this Planned

Development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.

12. The terms, conditions and exhibits of this Planned Development Ordinance may be modified administratively pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance by the Zoning Administrator of the Department of Planning and Development, upon the application for such a modification by the Applicant and after a determination by the Zoning Administrator that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements of this Statement by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that promotes and maximizes the conservation of natural resources. The buildings to be constructed in Sub-Area A B shall be constructed under the Leadership in Energy and Environmental Design (LEED) Green Building Rating System. With respect to the buildings in Sub-Area A, the Applicant shall provide a vegetated (“green”) roof on at least fifty percent (50%) of the building’s net roof area. Sub-Area A will provide a green roof with (5,522) square feet. “Net roof area” is defined as total roof area minus any required perimeter setbacks, roof top structures, and roof-mounted equipment. For Sub-Area B, the Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in

CPC DATE: TBD

effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. Pursuant to Section 17-4-1004 of the Zoning Ordinance, the Applicant has asked for an increase in the floor area ratio for Sub-Area A of the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D ("Bonus Worksheet"). Projects receiving an affordable housing floor area bonus must either provide on-site affordable housing units or make a cash payment to the city's Affordable Housing Opportunity Fund in accordance with formulas set forth in Section 17-4-1004-D. The Applicant has elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in Section 17-4-1004-D and the Bonus Worksheet, the Applicant acknowledges and agrees that it must make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$1,482,941.00 ("Cash Payment"). The Applicant must make the required Cash Payment before the issuance of building permits for the construction of the building in Sub-Area A, and must comply with all applicable

CPC DATE: TBD

affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference.

16. As to Sub-Area B only, the Applicant acknowledges and agrees that the rezoning of the Property from Residential Business Planned Development No. 1116 to Residential Business Planned Development No. 1116, as amended, to add 21 additional residential units, triggers the requirements of Section 245-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO) as to the 21 additional residential units.

Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of 21 additional units. As a result, the Applicant's affordable housing obligation is 2 affordable units (10% of 21 rounded down), TBD of which are Required Units (25% of TBD, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash

payment to the Affordable Housing Opportunity Fund in the amount of \$179,857 per unit (Cash Payment) and/or providing TBD affordable units in the rental building to be constructed in the PD and/or TBD affordable units in an off-site building located at TBD and/or enter into an agreement with CHA to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit TBD. The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD , or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any

such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. As to Sub-Area B only, the Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations

APPLICANT: CCA MDA II LLC

CPC DATE: TBD

and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

18. Unless substantial construction on Sub-Area B has commenced within six (6) years following adoption of this Planned Development, and unless completion is thereafter diligently pursued, then this Planned Development shall expire. If this Planned Development expires under the provisions of this section, then the zoning of Sub-Areas A and B of the Planned Development shall automatically revert to Residential Business Planned Development Number 1116, as amended on June 22, 2016.
