[This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes; nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

- b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

Concerning item (V)(B)(2) the Applicant meets with the City on a regular basis to address any actual or alleged delinquencies concerning

payments to the City. The Disclosing Party has many Affiliated Entities that operate in many states and municipalities and is unable to certify on behalf of its

Affiliated Entities.

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

**Peoples Gas  
Central Shop – Field Service Center  
Project Narrative**

## **INTRODUCTION**

The Peoples Gas Light and Coke Company (PGL) proposes to construct a (2) story, 71,719 SF field service center at 4229 W. 35<sup>th</sup> Place. A field service center houses PGL's personnel and assets that are engaged in operating the utility company and maintaining its infrastructure systems. The proposed use is generally compliant with Utilities and Services, Major zoning. The development does not seek any City of Chicago incentives including TIF funding.

## **PROJECT RATIONALE**

The property is located on the South side of 35th Place, west of the ComEd substation and across the street from Peoples Energy Training Center. It is mostly vacant with the exception of an accessory building that was used for staging during the recent site remediation process. The property was chosen due to its proximity to customers that PGL serves and operating response times to utility service requirements. PGL is undertaking the development in an effort to update its significantly dated service center that it is replacing. The proposed facility represents a commitment to continuing improvement in operating efficiencies, safety, customer service, and employee engagement. PGL commissioned an extensive analysis of its Chicago metropolitan operations and real estate holdings that has served as the foundation for establishing a comprehensive operational and facility development plan. This project is a direct result of that analysis. Site selection addressed service travel distances and proximities to the customer service zone that this location will serve.

## **PUBLIC PROCESS TO DATE**

PGL is committed to be a good neighbor and a contributing part of every community it serves. As such, PGL has met with the local Alderman's office (Munoz) to ensure that the development of the project is acceptable to the neighborhood and has the Alderman's support. PGL has proposed standing monthly meetings with Alderman Munoz to receive consistent feedback.

STRATEGY	THRESHOLD	POINTS
Exceed Energy Code by 10%	This strategy involves exceeding the baseline model currently required in the Chicago Energy Conservation Code by a minimum of 5%. Additional points will be provided according to how much the project exceeds the current code requirements. The points associated with this strategy are cumulative so a project can only choose one based on how much it is exceeding the code requirements.	30
Exceed Stormwater Ordinance by 25%	The stormwater management plan must provide storage for 125% of the volume required by both the Rate Control and Volume Control components of the City of Chicago's Stormwater Ordinance.	10
Tree Planting	Projects must provide a minimum of 500 cubic feet of soil volume per tree, with a minimum depth of 2.5 feet. When planted together, trees can share soil volumes and overlap up to 33% with each tree having a minimum soil volume of 300 cubic feet.	5
Green Roof 50-100%	A project can earn 10 points if 50-100% of the building's net roof area is covered with vegetation. An additional 10 points can be achieved if the project's green roof includes one of the following characteristics: 1. The green roof growing media is at least 6 inches deep. 2. The plant list chosen for the green roof contains plants from at least 30 genera.	10 10 20 total
Indoor Water Use Reduction by 25%	Calculations are based on estimated occupant usage and include only the following fixtures and fixture fittings (as applicable to the project scope): water closets (toilets), urinals, lavatory faucets, showers, kitchen sink faucets, and pre-rinse spray valves. The water efficiency threshold is calculated as a weighted average of water usage for the buildings constructed as part of the project based on their conditioned area.	10
EV Charging Stations	Install a dual Level 2 Electric Vehicle Charging Station within the project's site area.	10
EV Charging Readiness	Provide parking spaces with panel capacity and dedicated conduit for 208-240V at up to 80 Amps or enough electrical capacity to fully power a Level 2 Electric Vehicle charger for at least 20% of the total parking spaces.	5
80% Waste Diversion	The project recycles or reuses more than 80% of the construction and demolition debris produced on site as part of the project's construction or demolition activities.	10

Basic Bird Protection	Meet a set of criteria common to buildings that experience a high number of migratory bird and insect collisions. These items either aim to minimize collisions or increase the likelihood of survival after a non-fatal collision. Additionally, the lighting criteria listed seeks to reduce the impact of light pollution on nocturnal migrating animals.	5
CTA Digital Displays	Project must provide a readily-visible, digital display of CTA train and bus arrival times in the main lobby and/or at appropriate building exits. They can also be located to be visible from the sidewalk through a window.	5
Natural Landscapes	At-grade landscaped areas must meet two of the following three criteria for a minimum of 5 years: 1. 60% of the species types must be native (straight species or cultivars). 2. The landscape plan must provide at least 3 of the following plant structure types: trees, shrub, forbs or graminoides, excluding turf grass. 3. 40% of the landscaped area must be dedicated to the production of food for landscaped areas larger than 500 square feet.	5
