14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the DX-5 Downtown Mixed-Use District.

Dear Chairman Solis:

The undersigned, Richard F. Klawiter, an attorney with the law firm of DLA Piper LLP (US), which firm represents Trammell Crow Chicago Development, Inc., the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that he has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately June 18, 2018, and a source for additional information on the application.

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about June 18, 2018, the undersigned, on behalf of Trammell Crow Chicago Development, Inc. (the "Applicant"), intends to file an application to rezone the property located at 1367-1377 West Fulton Market/213-233 North Ogden Avenue, from a M2-3 Light Industry District to a DX-5 Downtown Mixed-Use District then to a Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently occupied by a commercial parking lot and vacant building. The application requests a rezoning of the subject property from the M2-3 Light Industry District to the DX-5 Downtown Mixed-Use District then to a Business Planned Development to permit the construction an approximately 13-story commercial building containing approximately 315,333 square feet of commercial space and approximately 116 parking spaces, and accessory and incidental uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed Planned Development.

I am an authorized representative of the Applicant and my address is 444 W. Lake Street, Suite 900, Chicago, IL 60606. The Applicant's address is 700 Commerce Drive, Suite 455, Oakbrook, IL 60523.
