#### ORDINANCE

#### BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

**SECTION 1.** Section 4-156-150 of the Municipal Code of Chicago is hereby amended by deleting the language struck-through and inserting the language underscored, as follows:

#### 4-156-150 Definitions.

As used in this chapter:

"Automatic amusement device" means any machine, which, upon the insertion of a coin, slug, token, card or similar object, or upon any other payment method, may be operated by the public generally for use as a game, entertainment or amusement, whether or not registering a score, and includes but is not limited to such devices as jukeboxes, marble machines, pinball machines, movie and video booths or stands, and all games, operations or transactions similar thereto under whatever name by which they may be indicated. Bingo devices are deemed gambling devices and are therefore prohibited for use except as provided by state law. If a machine consists of more than one game monitor which permits individuals to play separate games simultaneously, each separate game monitor shall be deemed an automatic amusement device. "Automatic amusement device" includes a machine described above containing a free play option or other means to play the machine without payment, and the presence of such option or means is not a defense to a violation of this chapter.

"Illegal amusement device" means an automatic amusement device that: includes a knock-off circuit; or allows more than ten replays or free games, or maintains a count of payoffs or the number of times a person has won a game played on the device; or maintains a tally of players' scores other than the tally displayed to players; or fails to display in the required manner a tax emblem required by this chapter; or has been used for illegal gambling, or is an illegal sweepstakes device. "Illegal amusement device" does not include a device, other than an illegal sweepstakes device, that properly displays a required tax emblem, that is not used for illegal gambling and that qualifies either as a crane game as defined in the Illinois Criminal Code of 1961 2012 or as a redemption machine as defined in the Illinois Criminal Code of 2012. An automatic amusement device shall not be deemed an illegal automatic amusement device because of internal diagnostic devices or capabilities that are able to record and maintain statistical data such as the number of coins or tokens deposited, the number of games played or the number of games won, if such diagnostic devices or capabilities are intended and used exclusively for auditing of game performance. It is the intent of this section to prohibit any device that seeks to avoid application of this chapter through the use of any subterfuge or pretense whatsoever.

(Omitted text is unaffected by this ordinance)

The phrase "tally of players' scores other than the tally displayed to players" does not include a record of scores, accessible to players of the device, and linked to previous players' names, nicknames, initials or other identifiers, for purposes of comparison and competition.

<u>"Illegal sweepstakes device" means any automatic amusement device that, whether or</u> not the device can be or is used for illegal gambling as defined in the Illinois Criminal Code of 2012, can be used to (1) conduct a sweepstakes, including through the use of an entertaining display even if such entertaining display can be bypassed or turned off, including the entry process or the reveal of a prize; or (2) promote a sweepstakes that is conducted through the use of an entertaining display, even if such entertaining display can be bypassed or turned off, including the entry process or the reveal of a prize. "Illegal sweepstakes device" does not include: a coin-in-the-slot operated mechanical device played for amusement in compliance with 720 ILCS 5/28-2(a)(1); a vending machine operated in compliance with 720 ILCS 5/28-2(a)(2); a crane game operated in compliance with 720 ILCS 5/28-2(a)(3); a redemption machine operated in compliance with 720 ILCS 5/28-2(a)(4); or a licensed video gaming terminal operated in compliance with 720 ILCS 5/28-2(a)(5).

"Entertaining display" means visual information, capable of being seen by a sweepstakes entrant, before or after the sweepstakes prize is revealed, that takes the form of actual game play, or simulated game play, of games including, but not limited to, a poker game or any other kind of playing card game; a bingo game; a craps game; a keno game; a lotto game, an eight-liner game; a pot-of-gold game; a game based on or involving the random or chance matching of different pictures, words, numbers, or symbols not dependent on the skill or dexterity of the player; a casino or gambling game; and any other video game the outcome of which is not in whole or in part dependent on skill or dexterity, that is played in the course of revealing a prize as the result of an entry into a sweepstakes.

"Prize" means any gift, award, gratuity, good, service, credit, cash, coin, currency, gift cards, or anything else of value, which may be transferred to a person, whether possession of the prize is actually transferred, or placed on an account or other record as evidence of the intent to transfer the prize.

<u>"Sweepstakes" means any game, advertising scheme or plan, or other product</u> promotion, which, with or without payment of any consideration, a person may enter to win or become eligible to receive any prize the value of which is not dependent upon play of the game, the determination of which is based upon an element of chance.
