16.

The TMP, which has been attached as an exhibit to this Planned Development Ordinance, shall become effective after the issuance of the Certificate of Occupancy ("Occupancy") for Sub-Area A or Sub-Area C of the Planned Development, whichever occurs first. The Applicant's compliance with the Traffic Management Plan shall be a requirement of this Planned Development Ordinance and shall be coordinated with the Chicago Department of Transportation ("CDOT"). After the initial Occupancy of any sub-area, and prior to the subsequent Occupancy of a different sub-area, the Applicant may request CDOT to review the TMP, and CDOT may update the TMP as necessary.

17. CDOT and the Office of Emergency Management & Communications ("OEMC") have determined that the posting of Traffic Control Aides ("TCAs") and Parking Enforcement Aides ("PEAs" and, together with TCAs, "Aides") would help traffic operations at key intersections within and adjacent to the Planned Development during the AM and PM peak hours, Monday through Friday, and allow for strict enforcement of both curbside regulations and parking restrictions.

Accordingly, the Applicant agrees to meet with OEMC prior to construction start of each Planned Development sub-area and to compensate the City, at the generally applicable part-time Aide rate, for the cost of Aides posted within or adjacent to the Planned Development as determined necessary by OEMC due to the Planned Development construction activities.

The Applicant further agrees to enter into an agreement (the "Agreement") with OEMC upon the initial Occupancy of any Planned Development sub-area, for a period of ten (10) years from the date of issuance of said Occupancy, in order to compensate the City for a portion of the cost of 3 TCAs and 2 PEAs posted within or adjacent to the Planned Development, as determined necessary by CDOT and OEMC. The Executive Director of OEMC or the

Executive Director's designee (the "Executive Director") is authorized to negotiate, execute and deliver the Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Agreement, with such changes, deletions and insertions as shall be approved by the Executive Director.

The payment structure by which the Applicant compensates the City will be as follows: a) upon issuance of the Occupancy of one of the Planned Development Sub-Area A or Sub-Area C, the Applicant will pay to the City the full cost of 1.5 TCAs, and the City will pay for 1.5 TCAs and 2 PEAs; b) upon the issuance of the Occupancy of both the Planned Development Sub-Area A and Sub-Area C, the Applicant will pay to the City the full cost of 3 TCAs, and the City will pay for 2 PEAs; c) upon issuance of the Occupancy of any portion of the block located at 303 South Canal Street (PIN#17-16-121-003), which is currently located outside but adjacent to this Planned Development, the Applicant will pay to the City the full cost of 3 TCAs and 2 PEAs.

Compensation amounts will be based on actual Aide assignment to intersections or streets (if a roving Aide) within or adjacent to the Planned Development. Payments received from the Applicant under the Agreement will be appropriated in Fund Number TBD (or such other fund as may be designated by the Director of the Office of the Budget and Management). The Agreement shall be recorded against the Planned Development. The first payment will be made TBD and will be pro-rated for the remaining number of months in that year. On TBD of the following year, the Applicant will provide the next payment, and each TBD thereafter. The Agreement will be reviewed annually to determine if the payment amount needs to be modified based on changes in wages. The Applicant may request the City's approval of changes to this statement, including specifically a reduction in the number of Aides and the amount of the Applicant's payment obligation based on evidence of changed circumstances. Such evidence shall include, as appropriate, traffic analyses and other technical data. The City agrees at a minimum, based on Applicant-supplied traffic analyses, OEMC/CDOT data and analyses and other evidence, to review the appropriateness of the Applicant's Aide payment obligation on the earlier to occur of (1) the date of the next requested comprehensive amendment of this Planned Development; or (2) on an annual basis.

In the event the Applicant fails to comply with the terms and conditions of the Planned Development Ordinance with respect to the TMP or defaults on the Agreement referenced in this Statement No. 17, Amtrak shall not be liable to the City or responsible for complying with the terms and conditions of this Planned Development Ordinance with respect to said TMP or Agreement.

18. Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance) in Sub- Area B, the Applicant shall submit a site plan, landscape plan and building elevations for a Planned Development Amendment.
19. Pursuant to the Chicago Zoning Ordinance (Sec. 17-8-0911), Planned Developments are to give priority to the preservation and adaptive reuse of Chicago Landmark buildings. The Planned Development includes Union Station, which is designated as a Chicago Landmark. Work to designated Chicago Landmarks is subject to the review and approval of the Commission on Chicago Landmarks pursuant to the Chicago Landmarks Ordinance, Section 2-120-740.

20. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and City residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the City in promoting and tracking such M/WBE and city resident participation, the Applicant for planned development approval shall provide information at three points in the City approval process. First, the Applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the Applicant’ goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The City encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the development or any phase thereof), and (ii) 50% City resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’ proposed outreach plan designed to inform M/WBEs and City residents of job and contracting opportunities. Second, at the time of the Applicant’ submission for Part II permit review for the development or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’ preliminary outreach plan, (b) a description of the Applicant’ outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the development is located and receipts thereof; (c) responses to the Applicant’ outreach efforts, and (d) updates (if any) to the Applicant’ M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and City residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
21. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to DX-12.
