2018 SECOND QUARTER PROGRESS REPORT APRIL-JUNE

City of Chicago
Rahm Emanuel, Mayor

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2018 Second Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in *Bouncing Back*, the City's fifth Five-Year Housing Plan covering the years 2014-2018.

Since 2009 the Department of Planning and Development (DPD)—along with its predecessors, the Department of Community Development and Department of Housing and Economic Development—has been the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. These initiatives are administered by the Department's Housing Bureau. Other DPD divisions promote economic development and coordinate the City's zoning, land-use planning, sustainability and historic preservation initiatives.

On June 26 Mayor Emanuel proposed the creation of a separate City department that will be focused exclusively on housing as a core component of all neighborhoods. Starting January 1, 2019, the new Department of Housing will implement the City's affordable housing strategies under the next Five-Year Housing Plan and establish a long-term institutional framework to meet Chicago's unique and constantly changing housing needs.

As we transition to this new organizational structure, our staff will continue to work closely with neighborhood groups, elected officials, state and federal agencies, and other community stakeholders. We at DPD could not succeed in our efforts without the ongoing support and cooperation of these valued partners. It is only through these relationships that we can move forward in creating and preserving affordable housing, and promote a thriving, diverse city.

INTRODUCTION

This document is the 2018 Second Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Chicago Five-Year Housing Plan 2014-2018*.

For 2018, DPD is projecting commitments of more than \$321 million to assist over 8,500 units of housing

Through the second quarter of 2018, the Department has committed more than \$65 million in funds to support almost 5,200 units, which represents 60% of the 2018 unit goal and 20% of the resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2018, the Department of Planning and Development expects to commit more than \$276 million to support nearly 6,000 units of affordable rental housing. DPD initiatives support new construction, rehab of abandoned or deteriorated properties and direct rental subsidies.

Through the second quarter, DPD has committed over \$40 million in resources to support 3,936 units. These numbers represent 67% of the 2018 multi-family unit goal and 15% of the multi-family resource allocation goal. We expect this disparity between resource usage and unit production to close significantly as multi-family projects currently in the pipeline gain City Council approval.

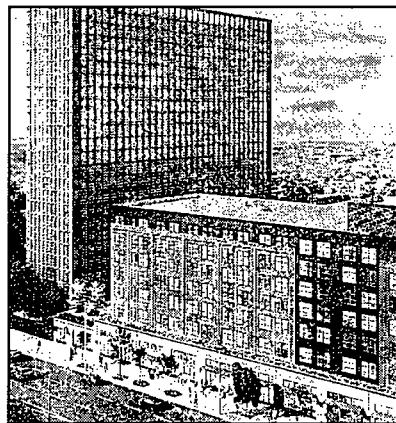

Multi-family Rehab and New Construction

Caroline Hedger Apartments

An affordable, 449-unit senior building in Rogers Park is being rehabbed by the Chicago Housing Authority (CHA) with financing approved on April 18 by the City Council. **Caroline Hedger Apartments**, located at 6400 N. Sheridan Road in the 49th Ward, is receiving \$58.8 million in interior and exterior improvements, including a new roof, modernized HVAC systems, kitchen updates and a new sprinkler system to bring the property into compliance with stepped-up fire safety requirements under the building code.

Under the plan, the City will cede up to \$35 million in tax-exempt bond volume cap to the CHA and issue \$2 million in Low Income Housing Tax Credits that will generate \$19.8 million in equity for the project. The CHA will use the proceeds to complete the renovations, which are already underway. Other funding sources include a \$20 million CHA loan and a \$17.6 million private mortgage loan.

The 26-story high-rise contains 302 studios and 147 one-bedroom units. Constructed in the 1960s, it is named after Dr. Caroline Hedger, a pioneering physician who championed the health needs of Chicago meatpacking workers during the first half of the 20th century.

Caroline Hedger Apartments (left) is neighbor to a new mixed-use development, Concord at Sheridan, now under construction with financial assistance from the City. When completed, the Concord will house 111 mixed-income units, a Target store and a 5,000-square-foot community room for Caroline Hedger residents.

Updates to Previously Reported Developments

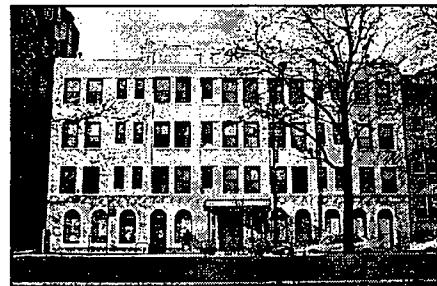

Rehabbed Carling Hotel Marks Milestone In SRO Housing Preservation

On April 23 Mayor Emanuel joined with Comr. David Reifman, Ald. Walter Burnett and affordable housing advocates to celebrate a milestone in the City's efforts to preserve Single Room Occupancy (SRO) housing: the re-opening of the newly rehabbed **Carling Hotel** on the rapidly developing Near North Side. The City acquired the property in 2016 under the Mayor's SRO Preservation Initiative and then sold it at a reduced cost to Michaels Development Co. for preservation as an SRO.

Funding for the Carling's acquisition was provided by the SRO Preservation Initiative and the Affordable Housing Opportunity Fund, which are supported through fees paid by developers of market-rate projects. Further City assistance included a \$6.2 million property value write-down and a \$2.6 million loan using Donations Tax Credit equity from the City and IHDA. The project's financing was approved by the City Council in September 2016.

The historic four-story building, constructed in 1927, is located at 1512 N. La Salle Street in the 27th Ward. As a result of the rehab, the original 155 SRO units were converted to eighty studio apartments, each with private bath and kitchenette. The \$27.4 million project also restored the building's lobby and terra cotta façade.

The SRO Preservation Initiative was launched in 2014 by the Emanuel Administration, which worked with the Chicago for All Coalition and other advocacy groups to enact an ordinance to actively support the preservation of SROs like the Carling.

PROMOTION AND SUPPORT OF HOME OWNERSHIP

In 2018, the Department of Planning and Development expects to commit almost \$24 million to help nearly 500 households achieve or sustain homeownership. DPD initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties and financing programs for home purchase and rehabilitation.

Through the second quarter, the Department has committed nearly \$16 million to support 201 units. These numbers represent 40% of the 2018 homeownership unit goal and 68% of the homeownership resource allocation goal.

City to Look at Tiny Homes As Affordable Housing Option

Mayor Emanuel on June 8 announced a new initiative to explore the viability of tiny homes as an additional affordable housing option in Chicago neighborhoods. An RFI (Request for Information) has been issued by the Department of Planning and Development to solicit proposals specifically focused on the potential for tiny homes to serve seniors and those experiencing homelessness in the city.

"Every Chicagoan should have a place to call home, period," the Mayor said. "These innovative homes have the potential to create affordable and permanent housing options for some of Chicago's most vulnerable residents."

Tiny homes are stand-alone structures, typically less than 500 square feet, that contain scaled-down living areas, sleeping spaces, kitchens and bathrooms. The homes are designed to support targeted populations such as the chronically homeless, seniors and others desiring minimal space for daily needs.

The RFI sought information from developers and non-profit housing agencies to help the City assess the viability of tiny homes in the context of local neighborhood needs, zoning and building codes, and affordable housing resources. Respondents were asked to estimate actual development costs (assuming City support not to exceed \$2 million), target specific populations and locations, and suggest appropriate changes to the City's zoning ordinance.

The initiative would be supported through the Affordable Housing Opportunity Fund and fees collected from house-sharing companies like Airbnb. Responses to the RFI were accepted through July 13.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2018, the Department of Planning and Development expects to commit over \$21 million to assist nearly 2,200 households repair, modify or improve their homes. DPD initiatives support emergency repairs, energy efficiency improvements and financing programs to help existing homeowners keep their homes.

Through the second quarter, DPD has committed almost \$9 million in resources to support 1,031 units. These numbers represent 47% of the 2018 improvement and preservation unit goal and 42% of the improvement and preservation resource allocation goal.

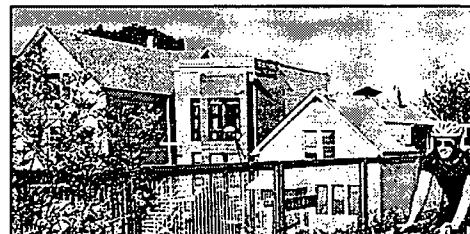

Home Improvement Grants to Target Neighborhoods Along 606 Trail

A \$1 million home improvement initiative to assist low- and middle-income Northwest Side homeowners living near the 606 Trail was approved on June 27 by the City Council. The **606 Bloomingdale Trail Home Improvement Program** will offer forgivable grants to owner-occupants of one- to four-unit homes along a 1.5-mile segment of the trail, which runs above Bloomingdale Avenue through the Logan Square, Humboldt Park and West Town communities.

Neighborhoods adjoining the 606 have experienced gentrification pressures since the trail opened on an abandoned railroad viaduct in 2015. The new grants are intended to preserve affordability for property owners who have lived in their homes for at least three years and earn up to 120 percent of area median income (approximately \$94,800 for a family of four).

To qualify, properties must be located within an area generally bounded by Pulaski Road, California Avenue, LeMoyne Street and Dickens Avenue. Grants of up to \$25,000 will be awarded for masonry repairs, porch and roof improvements, tuck-pointing, door and window repairs, and other exterior upgrades. If the owner moves or sells the home within five years, they will be required to pay back a prorated share of the grant amount.

Neighborhood Housing Services (NHS) of Chicago will administer the program with funding from the City's Affordable Housing Opportunity Fund. NHS will begin accepting applications from homeowners later this year.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

New City Department Will Focus Exclusively on Housing

On June 26 Mayor Emanuel proposed the creation of a new City department dedicated to the availability and affordability of housing throughout Chicago. The **Department of Housing** will be responsible for implementing the strategies outlined in the next Five-Year Housing Plan, along with administering the wide array of tools created by the City to support housing citywide.

"The Chicago Department of Housing will bring under one roof all of our work to make housing more affordable and accessible for all Chicagoans," the Mayor said. "Every resident of Chicago deserves a great place to call home, and this new department will give the City a specialized resource to ensure housing remains affordable for anyone who wants to live, work and raise a family in Chicago."

Through the new agency the City will tailor policies to individual neighborhood markets, by deploying existing tools and crafting new strategies where needed. Partnering with the development and advocacy communities, the Department of Housing can address changing housing needs as Chicago's economy continues to strengthen, and work to forestall affordability and gentrification issues increasingly seen in other major cities.

The Mayor's 2019 Budget will specify the new department's structure and funding, with increases in staffing and resources targeted to achieve its strategic objectives.

Before 2009 the City also had a separate Housing Department. Since that time, housing functions have been assigned to a single division within the larger Department of Planning and Development, which has overall responsibility for the City's housing and economic development initiatives.

Fourteenth Annual Rents Right Housing Expo

On June 23 the 14th Annual Rents Right Housing Expo once again provided a convenient, one-stop opportunity for Chicago landlords and renters to learn more about their rights and responsibilities. Sponsored by the Department of Planning and Development with the Chicago Rents Right Committee, the expo delivered practical information about financial literacy, conflict resolution, the CityKey ID program and other topics of interest to building owners and tenants.

The free event was held at Back of the Yards College Preparatory High School, located at 2111 W. 47th Street. The 257 attendees were able to talk directly to experts and meet with City agencies, housing advocates and attorneys.

Participating agencies included various City departments, Lawyers' Committee for Better Housing, Metropolitan Tenants Organization, Community Investment Corporation, Access Living and a wide range of other organizations concerned with rental housing issues.

Bilingual workshops covered topics such as the Residential Landlord and Tenant Ordinance, immigration issues in a sanctuary city, and building code and public health questions. Multiple raffles and giveaways were offered, and the first 100 qualifying Chicago residents were eligible to receive a free CityKey ID.

NOTE Gross rent limits for 50% and 65% AMI, High HOME Rent and Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.
 * For HOME-funded developments, rents are the lesser of the Fair Market Rent or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very low income families.
 ** Low- or high-rise
