ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Section 4-64-100 of the Municipal Code of Chicago is hereby amended by deleting the language struck through as follows:

4-64-100 Definitions.

As used in this Chapter 4-64, unless the context clearly indicates that another meaning is intended:

(Omitted text is unaffected by this ordinance)

“Flavored tobacco product” means any tobacco product that contains a constituent that imparts a characterizing flavor. As used in this definition, the term “characterizing flavor” means a distinguishable taste or aroma, other than the taste or aroma of tobacco, imparted either prior to or during consumption of a tobacco product including but not limited to tastes or aromas of ~~menthol~~, mint, wintergreen, chocolate, vanilla, honey, cocoa, any candy, any dessert, any alcoholic beverage, any fruit, any herb, or any spice. No tobacco product shall be determined to have a characterizing flavor solely because of the use of additives or flavorings or the provision of ingredient information. A public statement or claim made or disseminated by the manufacturer of a tobacco product, or by any person authorized or permitted by the manufacturer to make or disseminate such statement or claim, that a tobacco product has or produces a characterizing flavor shall establish that the tobacco product is a flavored tobacco product.

(Omitted text is unaffected by this ordinance)
