The Treasury Rate will be determined by the Calculation Agent or an independent accounting firm, investment banking firm, or financial advisor retained and compensated by the Corporation as a Corporation Expense.

"Make Whole Period" means the number of years, including any fractional portion thereof, calculated on the basis of a 360-day year consisting of twelve 30-day months, between the redemption date and the remaining weighted average life of each Series 2019A Bond to be redeemed.

Purchase of Series 2019A Bonds to be Redeemed from Mandatory Sinking Funds

The Corporation may, at any time subsequent to the first day of any Fiscal Year but in no event less than twenty (20) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, direct the Trustee to purchase, with money on deposit in the Debt Service Fund, at a price not in excess of par plus interest accrued and unpaid to the date of such purchase, Series 2019A Bonds to be redeemed from such Sinking Fund Installment. The principal amount of each Series 2019A Bond so canceled will be credited against the Sinking Fund Installment due on such date.

Selection of Series 2019A Bonds to be Redeemed

If less than all of the Series 2019A Bonds are to be redeemed, the particular Series 2019A Bonds or portions thereof to be redeemed will be selected on a pro-rata pass-through distribution of principal basis in accordance with DTC procedures, provided that the selection for redemption of such Series 2019A Bonds will be made in accordance with the operational arrangements of DTC then in effect.

It is the Corporation's intent that redemption allocations made by DTC be made on a pro-rata pass-through distribution of principal basis as described above. However, none of the Corporation, the Underwriters or the Trustee can provide any assurance that DTC, DTC's Participants or any other intermediary will allocate the redemption of Series 2019A Bonds on such basis. If the DTC operational arrangements do not allow for the redemption of the Series 2019A Bonds on a pro-rata pass-through distribution of principal basis as discussed above, then the Series 2019A Bonds will be selected for redemption in accordance with DTC procedures, by lot.

Notice of Redemption

When Series 2019A Bonds are to be redeemed, the Trustee will give notice of the redemption of the Series 2019A Bonds in the name of the Corporation which notice will specify the Series 2019A Bonds to be redeemed, the maturity dates and interest rates of the Series 2019A Bonds to be redeemed and the date such Series 2019A Bonds were issued; the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; the redemption date; the Redemption Price, if then known; and the principal amount of each Bond to be redeemed. If the Corporation's obligation to redeem the Series 2019A Bonds is subject to conditions, the notice will include a statement to that effect and of the conditions to such redemption. Such notice shall further state that, if on such date all conditions to redemption have been satisfied, there shall become due and payable on such date upon each Series 2019A Bond to be redeemed the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, and that, from and after such date, payment having been made or provided for, interest thereon shall cease to accrue.

The Trustee will give notice by mailing a copy of such notice not less than 20 days (or such shorter period if then permitted by DTC) nor more than 60 days prior to the redemption date by mail, to the registered owners of the Series 2019A Bonds which are to be redeemed, at their last known addresses appearing on the registration books

EXHIBIT 2

not more than ten Business Days prior to the date such notice is given. The failure of any Holder of a Series 2019A Bond to be redeemed to receive such notice shall not affect the validity of the proceedings for the redemption of the Series 2019A Bonds.

Payment of Redeemed Bonds

Notice having been given by mail in the manner described above, the Series 2019A Bonds or portions thereof so called for redemption will become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender of such Series 2019A Bonds, at the office or offices specified in such notice, such Series 2019A Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to the redemption date. If there is called for redemption less than all of the principal amount of a Series 2019A Bond, the Corporation will execute and the Trustee will authenticate and deliver, upon the surrender of such Series 2019A Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the registered Series 2019A Bond so surrendered, Series 2019A Bonds of like maturity and tenor in any of the authorized denominations. If, on the redemption date, money for the redemption of all Series 2019A Bonds or portions thereof of any like maturity and tenor to be redeemed, together with interest accrued and unpaid thereon to the redemption date, shall be held by the Trustee and Paying Agents so as to be available therefor on such date and if notice of redemption shall have been mailed as described above, then, from and after the redemption date, interest on the Series 2019A Bonds or portions thereof so called for redemption shall cease to accrue and such Series 2019A Bonds shall no longer be considered to be Outstanding under the Indenture. If such money is not available on the redemption date, such Series 2019A Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.
