RE: Sub Area B of the Business Planned Development 381, Block 16
Infill Port Cochere for retail/ business use – Bank

Narrative:

The subject property is at the Southwest corner of N. State St and W. Wacker Drive, Block 16, Subarea B of the Business Planned Development No. 381. It is currently known as the Renaissance Hotel and was constructed in 1986. The hotel is a 27 story high rise with 560 rooms, ballrooms, conference rooms, dining rooms and retail/ service business on the ground floor. The building has gone through multiple renovations over the years and is currently proposing a retail addition.

Retail Addition: Enclose the Porte Cochere to create more retail/ business space at the ground level along State and Wacker Drive. The enclosed area will add 4,120 SF of commercial space and will have direct access to State St. The majority of the exterior will be storefront Infill between the existing columns supporting the restaurant/ terrace above. Currently the space is in lease negotiations with a bank. This will require the driveway/ drop off area to be reworked as indicated in the attached drawings. The existing curb cut onto Wacker Drive will not be changed. Access to the FDC along State St will not be impacted or altered.

Vacated Area: The existing relaxation room, spa treatment rooms, yoga room and steam room on the 4th floor will be converted to mechanical rooms. The total area of these rooms to be vacated is equal to 848 square feet.
