9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").
10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

 - b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.
9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").
10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

U.S. Bank National Association itself is a mortgage lender. U.S. Bank National Association is also one of the largest corporate trustees in the United States and in such capacity, is trustee of numerous mortgage-backed securitization trusts. Each trust holds multiple real property mortgages. From time-to-time mortgage borrowers in Chicago default on mortgages or otherwise fail to comply with the City of Chicago requirements with respect to their properties. With respect to some of the trouble properties, U.S. Bank National Association may be a lender. However with respect to the majority of the trouble properties in Chicago for which U.S. Bank National Association is involved, U.S. Bank National Association is not the beneficial owner of the property and has no individual or corporate interest in the property. These properties are trust properties which are maintained by a wide variety of servicers. As of December 5, 2018, U.S. Bank National Association was aware of outstanding claims against it in its individual capacity of approximately \$6,160.00 (which includes \$300.00 for burglar alarms for bank branches). Moreover, with respect to properties held in trust (excluding Illinois Land Trust properties) for which U.S. Bank National Association acts as trustee, as of December 5, 2018, we were aware of outstanding claims against trust properties in the amount of approximately \$83,907.18. Water debt in the amount of \$181,588.65 are held in both U.S. Bank National Association's individual capacity and in its capacity as trustee.

Additional debt classified as Warrant for Collections (CAPS) in the amount of \$5,152.21 and Driveways in the amount of \$5,840.00 is owed as of January 12, 2018.

U.S. Bank National Association, both in its individual capacity and in its capacity as a trustee, communicates with various city officials-multiple times a year to address these claims and will continue to work with the City in good faith to address property concerns including amounts owed.

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

☐ Yes

☐ No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

____ 1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Attachment C
City of Chicago
Economic Disclosure Statement and Affidavit
Statement Regarding Slavery Era Business

U.S. Bank National Association was formed from the following major banks: (1) Star Bank, National Association (Cincinnati, Ohio) changed its name to Firststar Bank, National Association (Cincinnati, Ohio) effective February 1999; (2) Mercantile Bank National Association (St. Louis, Missouri) merged into Firststar Bank, National Association (Cincinnati, Ohio) effective April 2000; (3) United States National Bank of Oregon (Portland, Oregon) merged with First Bank, National Association under the title U.S. Bank National Association effective August 1997; (4) U.S. Bank National Association merged into Firststar Bank, National Association, and the succeeding bank, changed its name to U.S. Bank National Association effective August 2001. These banks acquired through mergers and acquisitions numerous smaller banks. There are five hundred and forty-two U.S. Bank National Association predecessors. Thirty-five predecessors were founded before the abolition of slavery in December 1865. Thirteen of the pre-1866 predecessors were established in southern slave-holding states and territories, including Kansas, Kentucky, Missouri, and Tennessee.

In reviewing historical records held in various external repositories in accordance with the research requirements as set forth in the City of Chicago Office of the Corporation Counsel opinion letter dated April 29, 2004 (attached hereto), U.S. Bank National Association has identified external records of its predecessors which necessitate disclosure. The conveyance records, while showing no record of direct ownership of enslaved individuals did contain records of founders and/or directors of predecessor banks owning enslaved individuals, as well as a record where an enslaved individual was the collateral for a loan. Specifically, the first president of predecessor Marion National Bank of Lebanon, Kentucky (founded in 1856), Benedict Spalding, owned two enslaved individuals in 1850. In 1860 someone with a similar name "Benidict Spalding" is also listed as having owned fourteen enslaved individuals. In addition, certain members of the Marion National Bank of Lebanon's board of directors (called "commissioners") owned approximately forty-seven enslaved individuals in total (the records include abbreviated names, which we conclude may be references to commissioners). The first president of predecessor First National Bank of Clarksville, Tennessee (founded in 1865), S.F. Beaumont, owned one enslaved individual in 1860. The first president of predecessor St. Louis Building and Savings Association, Missouri (formed in 1857), Marshall Brotherton, owned ten enslaved individuals in 1850 and four enslaved individuals in 1860. Merchants Bank (founded in 1857) and Bank of St. Louis (founded in 1857), both predecessors, along with a group of other St. Louis firms, issued a mortgage to Charles McLaran that was secured by his property, which included an unspecified number of enslaved individuals. However, the 1860 Federal Census Slave Schedule for St. Louis provided that Charles McLaran owned thirteen enslaved individuals.

The above is only a summary. U.S. Bank National Association has previously provided the City of Chicago with supporting attachments.

U.S. Bancorp, the parent company of U.S. Bank National Association, was founded after the slavery era and has no separate assets or activities that pre-date the 20th century. As such, it has no disclosure separate from that of the bank.

Re: Question regarding Economic Disclosure Statement and Affidavit,
Part VI ("Certification Regarding Slavery Era Business") and
Resolution pending before the Joint Committee on Finance and
Human Relations

Dear Alderman Burke:

In a letter dated April 26, 2004, you indicated that a special committee of the City Council, consisting of the combined Committee on Finance and the Committee on Human Relations, currently has under consideration a resolution that raises certain issues regarding interpretation of Section 2-92-585 of the Chicago Municipal Code, the Business, Corporate and Slavery Era Insurance Ordinance. That ordinance requires every city contractor to "complete an affidavit verifying that the contractor has searched any and all records of the company or any predecessor company regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit." (Emphasis supplied)

The affidavit requirement of Section 2-92-585 has been incorporated into the standard Economic Disclosure Statement ("EDS") completed by city contractors as Part VI, entitled "Slavery Certification." The EDS requires an entity contracting with the city to verify that it has "searched any and all records of the Undersigned and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or shareholder insurance policies." (Emphasis supplied) The EDS form then requires the contracting entity to disclose the results of that search.

You have asked specifically whether it is "reasonable to interpret the language 'records of the undersigned and any and all predecessor entities' to mean [the contracting entity's] records and the records of its predecessor entities." For the reasons that follow, it is the opinion of this office that the answer is in the

Hon. Edward M. Burke
April 29, 2004
Page 2

affirmative. A search required for proper compliance with and disclosure under Section 2-92-585 must include all known records of the contracting entity and each of its predecessor entities, to which records the contracting entity has or can obtain access.

Neither the ordinance nor any Illinois decision defines a "predecessor" entity of a city contractor. Under the general rules of statutory construction, the word should be given its ordinary meaning. *Black's Law Dictionary* defines "predecessor" as "one who goes or has gone before; the correlative of 'successor'.....Applied to a body politic or corporate, in the same sense as 'ancestor' is applied to a natural person." This simple analogy indicates that every known antecedent entity of a city contractor—acquired entities, components of earlier mergers, entities acquired by and subsumed into a prior entity that became a predecessor of a contracting entity—should be treated as a predecessor. This is especially appropriate when one considers the preamble to the ordinance adding Section 2-92-385 to the Chicago Municipal Code. The fifth paragraph of the preamble (found at page 94891 of the Journal of Proceedings of the City Council of October 2, 2002) refers to records located in the archives of current insurance firms, documenting slave insurance policies "issued by a predecessor insurance firm; the sixth paragraph (*id.*) refers to "insurers and businesses whose successors remain in existence today." Thus the City Council recognized that, as the American economy has expanded and become more complex, modern business may include different business disciplines (insurers and other businesses).

The appropriate extent of the mandated records search can also be discerned from the preamble. The final paragraph of the preamble (p. 91892) contains a finding of the City Council that entities "doing business with the City of Chicago shall take *any and all steps in good faith* to disclose *any records within their possession or knowledge* relating to investments or profits from the slave industry including insurance policies...." (Emphasis supplied) In order to implement this statement of the Council's intent, a contracting entity may not ignore records that are archived outside the entity's possession (e.g. in a museum, university library, historical society or trade association). To ignore deliberately the existence of such known records could not possibly constitute a "good faith" effort to take "any and all steps" to document the contractor's history. The breadth of the City Council's desired disclosure also led this department, in the revision of the EDS necessary to implement Section 2-92-585, to change the ordinance's disjunctive in the reference to "any and all records of the [contracting] company or its predecessors" to a conjunctive in the EDS ("any and all records of

the [contracting entity] and any and all predecessor entities").
