ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Chapter 4-156 of the Municipal Code of Chicago is hereby amended by deleting the language struck through and by inserting the language underscored, as follows,

4-156-010 Definitions.

For purposes of this chapter:

“Amusement” means: (1) any exhibition, performance, presentation or show for entertainment purposes, including, but not limited to, any theatrical, dramatic, musical or spectacular performance, promotional show, motion picture show, flower, poultry or animal show, animal act, circus, rodeo, athletic contest, sport, game or similar exhibition such as boxing, wrestling, skating, dancing, swimming, racing, or riding on animals or vehicles, baseball, basketball, softball, football, tennis, golf, hockey, track and field games, bowling or billiard or pool games; (2) any entertainment or recreational activity offered for public participation or on a membership or other basis including, but not limited to, carnivals, amusement park rides and games, bowling, billiards and pool games, dancing, tennis, racquetball, swimming, weightlifting, bodybuilding or similar activities; or (3) any paid television programming, whether transmitted by wire, cable, fiber optics, laser, microwave, radio, satellite or similar means.

“Arcade” means a place of amusement that includes four or more automatic amusement devices; provided, however, that when calculating the number of automatic amusement devices, jukeboxes and video gaming terminals shall not be counted.

4-156-150 Definitions.

As used in this chapter:

“Automatic amusement device” means any machine, which, upon the insertion of a coin, slug, token, card or similar object, or upon any other payment method, may be operated by the public generally for use as a game, entertainment or amusement, whether or not registering a score, and includes but is not limited to such devices as jukeboxes,

video gaming terminals, marble machines, pinball machines, movie and video booths or stands and all games, operations or transactions similar thereto under whatever name by which they may be indicated. Bingo devices are deemed gambling devices and are therefore prohibited for use except as provided by state law. If a machine consists of more than one game monitor which permits individuals to play separate games simultaneously, each separate game monitor shall be deemed an automatic amusement device.

“Illegal amusement device” means an automatic amusement device that: includes a knock-off circuit; or allows more than ten replays or free games, or maintains a count of payoffs or the number of times a person has won a game played on the device; or maintains a tally of players' scores other than the tally displayed to players; or fails to display in the required manner a tax emblem required by chapter; or has been used for illegal gambling. “Illegal amusement device” does not include a device that properly displays a required tax emblem, that is not used for illegal gambling and that qualifies either as a crane game as defined in the Illinois Criminal Code of 1961 or as a redemption machine as defined in the Illinois Criminal Code. An automatic amusement device shall not be deemed an illegal automatic amusement device because of internal diagnostic devices or capabilities that are able to record and maintain statistical data such as the number of coins or tokens deposited, the number of games played or the number of games won, if such diagnostic devices or capabilities are intended and used exclusively for auditing of game performance. Notwithstanding any other provision of this section, a video gaming terminal licensed and lawfully maintained and operated under the Video Gaming Act, 230 ILCS 40, shall not be deemed an illegal amusement device.

“Knock-off circuit” means any mechanical or electrical device, circuitry or modification on an automatic amusement device, whereby free games shown on an externally visible indicator are released, while a record of games so released is maintained on a second indicator, meter or counter, either inside or outside the device. A reset button installed by the manufacturer of the automatic amusement device shall not, without more, constitute a knock-off circuit.

The phrase “more than ten replays or free games” means more than ten replays or free games at one time. “Free game or replay” does not include an extension of a game awarded as a result of the player's skill, such as an extra ball in a pinball game or extended playing time in a video game.

“Payoff” means the giving of money or other thing of value in exchange for a player's accumulated points or free games or replays.

The phrase “a count of payoffs or the number of times a player has won a game played on the device” means a tally, whether on paper, mechanical or electronic, and regardless of whether maintained inside, on or outside the automatic amusement device.

The phrase is not intended to include a record of scores, accessible to players of the device, and linked to previous players' names, nicknames, initials or other identifiers, for purposes of comparison and competition.

The phrase "tally of players' scores other than the tally displayed to players" does not include a record of scores, accessible to players of the device, and linked to previous players' names, nicknames, initials or other identifiers, for purposes of comparison and competition.

"Video gaming terminal" has the definition given to the term in Section 5 of the Video Gaming Act, 230 ILCS 40/5.

4-156-160 Tax imposed.

An annual tax in the amount of \$150.00 for each calendar year is imposed upon all automatic amusement devices that are not video gaming terminals operated for gain or profit per device; and an annual tax in the amount of \$2,500.00 for each calendar year is imposed upon all automatic amusement devices that are video gaming terminals operated for gain or profit per device.

4-156-170 Tax emblem.

The automatic amusement device tax shall be paid by the owner of such device to the city clerk. The city clerk shall issue as evidence of the payment of the tax a self-voiding adhesive tax emblem to be placed on each device. Such emblem shall bear the words "City of Chicago Amusement Device Tax", the names of the mayor and the city clerk, an indication as to whether or not the device is a video gaming terminal, and such other wording as may be prescribed by the mayor. It shall be unlawful for any person to mutilate said tax emblem during the year for which it was issued.

4-156-180 Installation prerequisites.

It shall be unlawful for the owner or lessee of any premises or person in control of such premises to permit the installation or use of an automatic amusement device within the City of Chicago for gain or profit unless the tax has been paid and is evidenced by a tax emblem affixed to the automatic amusement device in a conspicuous location. Each such device shall be plainly labeled with the name, address and telephone number of its owner. No person shall remove, alter or deface the tax emblem or label required by this section, or allow use of an automatic amusement machine if the tax emblem or label has been removed, altered, defaced or become illegible. The owner or lessee of the premises where the device is placed for operation by the public and every person responsible for the premises shall be jointly and severally liable for a violation of this section.

In addition, installation of a video gaming terminal shall comply with the Video Gaming Act, 230 ILCS 40/1, et seq.

4-156-270 Restrictions on use by minors.

(a) No person, firm, corporation, organization or other legal entity shall permit, and it shall be unlawful for, any person under ~~17~~ 18 years of age, ~~who is not accompanied by a parent or legal guardian,~~ to operate any automatic amusement device, ~~except upon the premises of the city airports, between the hours of 8:00 a.m. and 3:00 p.m. on days in which the city's public schools are in session.~~

(c) No person, firm, corporation, organization or other legal entity shall permit, and it shall be unlawful for, any person under the age of 21 to play an automatic amusement device that is a video gaming terminal.
